

ELIGIBILITY INDEX TABLE

In addition to the college preparatory [High School Subject] requirements, La Sierra University determines your eligibility for admission based on the eligibility index table.

If you have a weighted GPA of 3.00 or above, you qualify with any score. If your selective GPA is between 2.00 and 2.99, you will need at least the minimum corresponding SAT I (*Evidence-Based Reading & Writing Score and Math Section Score*) or ACT *Composite* score on the Eligibility Index Table to qualify. Achievement of eligibility on the Eligibility Index Table does not guarantee admission to the University.
