Claremont Graduate University	Grad Programs	Claremont Graduate University is like no other graduate-level university in the nation. Founded in 1925, CGU is an independent institution devoted entirely to graduate study. At CGU, students are encouraged to pursue academic research agendas both within and across traditional curricular boundaries. As a member of The Claremont Colleges, a consortium of seven independent institutions, CGU is able to offer a greater breadth of faculty and campus resources than is typical of a university with 2,200 students. Claremont Graduate University is classified by the Carnegie Commission on Higher Education as R2: Doctoral Research University, Higher Research Activity. Many of our academic programs are practice-based, so students start working in their field even as they're learning. Enrollment is limited and classes are small, so our scholars receive individualized mentorship that expands their vocational network and prepares them for remarkable careers.
FIDM	Grad Programs	FIDM/Fashion Institute of Design & Merchandising is a private, specialized four year California college with campuses in Los Angeles, San Francisco, and Orange County. FIDM offers specialized Associate of Arts Degrees, Bachelor's Degrees, Advanced Study Programs, and an MBA. FIDM has close ongoing, working partnerships with our creative industries. Our Career Center assists students with internships and careers in the Fashion, Interior Design, Visual Communications, Product Development, and Entertainment industries. Students are immediately immersed in their major and involved with Career Center Services from their first quarter of study. FIDM's majors have a far reach, including Digital Media, Textile Design, Beauty Industry Management, and Apparel Industry Management in addition to the majors listed above.
Keck Graduate Institute	Grad Programs & Internships	KGI offers innovative programs that integrate life sciences, pharmacy, genetics, engineering, and business with a focus on industry projects, internships, and team collaborations. We encourage prospective students to learn more about our programs, discovering new passions that will take them into leadership roles within healthcare and the applied life sciences.
La Sierra University English Department	Grad Programs	La Sierra University's English department offers an MA in English. Beyond having the opportunity to an exciting range of literature, creative writing, and theory classes from professionals in the field, the English department's MA students are able to apply to be College Writing Instructors (CWIs). If they are accepted for the CWI program, they gain valuable teaching experience in the field, and a portion of their tuition is covered.
La Sierra University H.M.S. Richards Divinity School	Grad Programs	The HMS Richards Divinity School at La Sierra aims to equip students in their search for truth and to foster knowledge of God, self, and the world around us.
