Present Enrollment Doubles That of 1945

'Thing to Stop and Think'
Urges Heppenstall

Elder Edward Heppenstall, pro-

fessor of English, addressed the

men in their worship on Monday

night, September 23.

In his address, Elder Heppenstall

advised the men to "spend 30 min-
utes daily in thought-

ful meditation upon the Bible and

the life of Jesus Christ."

There are too many "practical

atheists" in our ranks," he com-

mented. "A practical atheist is

one who has no invisible means

of support."

The minister went on to say

that "if you spend a period in

private, personal meditation each
day, your studies will come easier,

and you will be better able to

answer in all of your activities

while you are here in school.

Your parents and your teachers

and your church have great faith

in you. The resources of the college

are dedicated to the promotion of

your educational and spiritual wel-

fare. As you enlarge your mental

horizons, broaden your cultural ex-

perience and widen your circle of

friends, may you also know the

joy of living a life in harmony with

the will and plan of God. While

you are here do not be satisfied

with anything less than the best.

To the many who have returned

from serving our country in its

hour of peril and need, and to all,

I extend a welcome and a wish

for a happy and successful school

year."

G. T. ANDERSON, President

STUDENT-FACULTY

RECEPTION

The student body was formally

received by the faculty Saturday,

September 21, at the traditional

handshake in Holy Memorial Audi-

torium. President and Mrs. G. T.

Anderson headed the line and be-

gan introductions which were

passed down the long line of

faculty members. An assembly of

the student body followed the ter-

mination of introduction and greet-

ings were extended to the ASB by

Presy. Asslal Bristol and College

President, Dr. Godfrey T. Ander-

son, and Prep School Principal,

Nathaniel L. Parker.

ties, College Hall

NOTED ARTISTS

SLATED FOR

LSC LYCEUMS

Deeny W. T. Grandall, faculty

social chairman, has announced

some of the scheduled lyceum pro-

grams for the year. Skated to ap-

pear during the winter semester

is Conrad Tebo, noted baritone

and Jan and Michiel Cherniavsky,

celloist and pianist, who are mak-

ing a return appearance at LSC.

Billed for the second semester

are the St. Luke's Choristers.

First of the seven film programs

will be the appearance of Fren-

ch Line, October 26, in person at

the premier showing of his picture,

"Southwest Story," November 3.

Major Marvin Marston, who or-

ganized the residence of Alaska

into a home guard during the

World War II, will present a film

made in the North during his as-

signment there.

The activities calendar will be

readied around October 1, according
to Deeny Grandall.

Hannums Present

Organ Vespers

Prof. H. B. Hannum, organist,

and Mrs. Ethel L. Hannum, reiter

headed the line and began introduc-

tions there.

The shortage of housing has re-

sulted in the refusal of admission
to several hundred students who

otherwise might have been ac-

cepted. Many who live in the dormitories

have had to double up, and in

many rooms there are three or four

people. Influence formerly there

was one or two. Calkins Hall, the

college men's home, is well filled.

The administration has taken rooms

accommodating three men.

"Sigma House," the northern

female residence, which formerly

was Beta Kappa, now houses the

campus, and Gladwin Hall, for-

merly the academy girl's dorm, is

occupied with freshman women.

This Collegiate World

There's a tale going around the

Iowa State campus of a certain

Greek credit that he didn't have to
take through very many names

before he found the one he was
looking for and he said, "Put my name down for this man's

apartment, please. I just limited

hours and he'll be dolphins."

Topping all previous enrollment
calls, La Sierra has now exceeds

more than doubled last year's record of

372 college students by matriculat-

ing 746 men and women on the

collegiate level! The number of

students stands at 268 as com-

pared with the 24 ex-GLC's who

joined the student body at the be-

ginning of last year.

The Freshmen School claims

234 students on the academic level.

As yet the registration records for

the second semester are not com-

plete, due to the late start necessi-
	yed by the fire which demolished

the freshman hall.

The freshman class hit an all-

time high with a total of 435 stu-

dents. The junior class boasts 195

members, while the junior class

claims 117 students. There are 23
degree candidate seniors.

According to curricula, the per-

centage of men takes the large

majority, totaling 106 men and

women.

The business administration and

the preparatory departments each

have 72 students. There are no sta-

tistics available on the liberal arts

students at this time.

The shortage of housing has re-

sulted in the refusal of admission
to several hundred students who

otherwise might have been ac-

cepted. Many who live in the dormitories

have had to double up, and in

many rooms there are three or four

people. Influence formerly there

was one or two. Calkins Hall, the

college men's home, is well filled.

The administration has taken rooms

accommodating three men.

"Sigma House," the northern

female residence, which formerly

was Beta Kappa, now houses the

campus, and Gladwin Hall, for-

merly the academy girl's dorm, is

occupied with freshman women.
The Editors Say ... 

WELCOME AND GOD BLESS YOU

Before you read further in this the first edition of the College Criterion of the year your editors and staff join in a hearty greeting to every one of the 750 students registered here at La Sierra College this academic year. To many this campus is entirely new; to others being here is like returning home after a long absence; to others the campus is familiar but only a summer's absence; but to ALL welcome and God bless you this year.

A. W.

THE CLAY IS Pliable NOW

1946 has been a year of promises come true and of waiting rewarded. It is a time for you to begin to plan and to shape your own destinies. Are you going to acquire a true appreciation for the opportunity laden possibilities? What do you plan to accomplish in college this year?

College, next to the American family organization and home, is the most wonderful organization of society in existence today. In college you learn of life, you learn of knowledge, you learn of friendship, and you learn how to actually acquire these things for your own.

I heard an ex-service man's idea about college recently and I was delighted with the unique idea that he had conceived. He said that...

SCHOOLEY PREXY

At a special meeting of the Mu Beta Kappa club held Tuesday evening, September 24, Paull Schooley, junior theological student, was elected to the presidency. Other officers elected were: James Gray, 1st vice president; Eugene Vipond, 2nd vice president; Moses Chalmers, secretary; Noel Newhard, treasurer; Donald Jacobs, chaplain; and John Madson, sergeant-at-arms. W. T. Crowell, dean of men, is the club adviser.

Mary Culver Heads Sigma Phi Kappa

The women of Sigma Phi Kappa, women’s dormitory club, held a business meeting on Thursday evening, September 26. The main event of the evening was the election of officers for the first semester of the present school year.

The new officers are: Mary Culver, president; Joan Coude, vice president; Georgia Bullock, secretary; Dolores Meaux, treasurer; Jo Ann Coggin, parliamentarian; and Lois Parkhouse, chaplain.

Special music for the program was contributed by Marilyn and Barbara McDonald, Maxine Martin, and Cherrie Claugh. Instrumentalists were accompanied by Elfie Jean Potts.

Minor Earthquake Jars Campus

An earthquake of slight proportion rattled windows and doors on the campus as it struck at 11:20 p.m. Friday night, September 27. It was not of a serious nature, and many were not awakened from sleep.

Riverside, about 12 miles east of La Sierra, was apparently near the epicenter of the quake, according to a press report from the Riverside Enterprise. Students on leave in Beverly Hills, Hollywood, Pasadena, Huntington Park, Los Angeles, and Long Beach reported feeling a slight shock.

Lest We Forget...

In the first ten days to return to our town it was “Hail the Conquering Heroes Come.” With the next two it was, “Chad to see you back fellows.” With the next hundred it was, “This neb of veterans is getting to be a troublesome problem.” Should we all forget so soon?

FACULTY DIVIDES FRESHMAN CLASSES

With the largest freshman enrollment in the history of the college, the administration has been forced to divide the majority of freshman classes into sections to accommodate the increased numbers.

Freshman composition, which two years ago had three sections, is now divided into nine sections, with each filled to capacity. European civilization, general chemistry, algebra, and Daniel, are provided in these sections. There are nearly 300 students enrolled in the Daniel class alone.

Fundamentals of speech and the general chemistry laboratory are given in four sections, and the zoology lab is divided into five sections.

There are some classes, such as general psychology, which cannot be subdivided. This psychology class meets in the largest classroom, which at best is entirely inadequate.

Other classes meet in Hole Memorial Auditorium, the cafeteria club room, and in the new Fulton Memorial Library.

College Starts New Sabbath School

A Sabbath school for the college students is being organized separately to be held in Hole Memorial Auditorium. Twenty-five student teachers will receive help in preparing the lesson from lesson plans which are to be made in collaboration with C. D. Striplin, professor of education. Classes will be taught for faculty members, and Spanish students. Officers are E. S. Coleby, superintendent; Sharon Waggoner, first reader; Lois McKee, Mrs. Evelyn Allen, and Hugh Stehling, assistant superintendents; Mrs. Darle Rood, secretary; Virginia Dunham, Florence Gant, Mayville Bennett, assistant secretaries.

THINGS TO COME

Friday, October 4
5:30 p.m. Service
7:30 p.m. Vespers, Noval P. Foster, speaker

Saturday, October 5
9:30 a.m. College Sabbath School
H.M.A.
11:00 a.m. Church, Dr. B. G. Wilkinson, speaker.
4:30 p.m. Organ Vespers, Mrs. Horace L. Smith.
8:15 p.m. Betty Roadman dramatic reader, and Muriel Fries, reader.

Dramatic Reader Coming

Betty Roadman, impersonator and dramatic reader, and Muriel Donnellan, harpist, will present a joint program in College Hall at 8:15 p.m. Saturday night, October 5. This is the firstlyceum program for the semester.

Miss Roadman, recently returned from an extended tour of army camps with the U. S. O., is one of the most popular entertainers in Southern California. She writes many of her own character sketches, and is well known for her ability to render both humor and pathos equally well.

This will be Miss Roadman’s second engagement at La Sierra College. She appeared here during the summer of 1943, and was very highly applauded by our audience. She also gave a program for the Nurses’ Alumnae Association of the White Memorial Hospital last season.

Miss Donnellan was first harpist with the Toronto Symphony Orchestra for nine years, under the direction of Sir Ernest MacMillan. She also appeared with the Toronto Philharmonic Orchestra.

She held the post of harp teacher with the Toronto Conservatory of Music, and has appeared in concerts in the United States, Canada, and Paris. For seven years Miss Donnellan has been with the Rex Brattle ensemble, broadcasting daily from coast to coast.

‘Juggling Al’ Entertains at MKB

Old King Cole may have been a merry old soul, but he didn’t like his jugglers as well as the men of the Mu Beta Kappa club last Thursday night, September 26.

Albert Etling, better known as ‘Juggling Al’, has caught the minds of the club in their first regular meeting of the year. The new president, Paul Schooley, presided.

Mr. Etling performed the many unusual feats of magic, manual dexterity, and balance that made him a great success on the legitimate stage several years ago. Juggling two, and later three, balls with many variations elicited enthusiastic applause. The greatest feat of the evening was when the magician formed a four-pronged talpon, revolved four plates on the top of a pole, and balanced the whole contraption on his forehead.
Presenting Your Officers...

Editors Say

In one of the most impressive worship talks it has been my privilege to attend, Dean Walter T. Crandall graphically illustrated his point on "Letting your light shine." He pointed out, "If you have any interest in making the world a better place, pay for it now."

Speaking on the topic of personal influence, Dean Crandall emphasized all of the lights in the room. The enveloping darkness was indeed a fit symbol of the outside world, shining in the darkness of ignorance and hate. Then the dean struck a match, and lit a small birthday candle. The light that was emitted was weak and flickering, and several times seemed to be swallowed up by the total darkness in the room.

Then two men went forward and lit two larger candles, and the room became lighter.

Two more moved up and, lighting their candles, gave us to the middle section of the room. Yet another group came forward, and finally there were twelve men standing in various parts of the room, holding aloft their new brightly burning torches. The room was nearly as well lighted as if the lights had been on. And all from one little, flickering candle. Thus it is in life. From one little light, no matter how feeble it is, other lights may be lit, and still others, lighting up this dark world, dispelling fear, hate and ignorance.

How is it with you? Are you "letting your light shine?" R.W.C.

ALUMNI ATTENTION

There has been a felt need to re-introduce a column devoted to the doings and happenings of the former members of the student body of La Sierra College. If you like this idea, won’t you let us know about it? If you have any interesting bit of information, pass it on, and if the demand is great enough, we’ll have a revival of the former “Alumni” column.

BULLETIN

Nature lovers will have to walk a little further to observe the wild life currently abounding in the proximity of Lake Cossentine, according to a late communiqué from the office of K. F. Ambs. Plans are under way to drain the water from the pond, known affectionately to many as “Cossentine Lake,” and pipe it to several distant hills for irrigation purposes. Many will mourn the loss of this great old landmark.

FIRST ROW (left to right): Mary Champion, adviser; Ansel Bristol, president; Roy Shearer, religious vice-president; Eleanor Zimmerman, secretary.
SECOND ROW: Cherrie Clough, cultural vice-president; Beatrice Short, METEOR editor; Roger Coon, CRITERION editor; and Kay Neal, social vice-president. Absent: Ellsworth Wellman, business manager.

WITTENBERG SPEAKS AT VESPERS SERVICE

Elder Warren N. Wittenberg, Home Missionary Secretary for the Southwestern California conference, addressed the student body with a vespers program in College Hall, Friday evening, September 27. Speaking on the topic of making decisions, Elder Wittenberg cited the example of Judas Iscariot, showing that Judas did not follow Christ was not enough to save him. “It was not the happenstance that caused him to sell his Master for $17.50,” he stated. “Judas made that great decision as a result of making too many smaller decisions to serve Satan rather than Christ.”

“Judas sold out for money,” he continued, “Sampson sold out for a heathen woman. Another sold out for a Balboavidian garment. Private, willing to content the people,” sold out for popularity.

To refer to, Judas, the minister pointed out that Judas wanted to do a great work for God, but by waiting for the big work to do, he passed up smaller opportunities for service, and thus failed his Master.

“Many have their names registered in the books of the church,” he continued. “Their names are not registered in that great Book of Life. Let us all observe that timely motto, Debit Before Dibonor,” and give ourselves in whatever service the Lord finds us.”

HANSEN-RITLAND WEDDING ON SEPTEMBER 29

On the eve of her 21st birthday Miss Juanita Aileen Hansen became the bride of Mr. Richard Martin Ritland at the Alhambra Seventh-day Adventist Church, Sunday, September 29, at 8 p.m., with Elder Edward Heppenstall of La Sierra College officiating.

The bride, a student of La Sierra College from 1943-1945, wore the traditional white gown of brocaded satin and white rose flowers held in place with a halo of white carnations. She carried white astors in her finger-tip veil. She received her bachelor of arts degree in 1945.

“Many have their names registered in the books of the church,” he concluded, “but their names are not registered in that great Book of Life. Let us all observe that timely motto, Debit Before Dibonor,” and give ourselves in whatever service the Lord finds us.”

Conference President Speaks at Church Service

Elder H. H. Hicks, president of the Southwestern California conference, spoke at the College church service last Sabbath, September 28, in College Hall. “My God Shall Supply All Your Needs,” Elder Hicks pointed out the fulfillment of the apostle Paul’s words.

“There is too little power and too little faith in the remnant church,” the elder pointed out. “The only solution to the world’s needs is found in the word of the living God.”

The new officers of the Associated Student Body were presented to the student body last Friday, September 27, in the first A. S. B. meeting of the new school year.

Dean of Women Mary Champion, adviser to the A. S. B., introduced the new student body president, Ansel Bristol, who, in turn, introduced the remaining officers to their classmates.

Kay Neal and Cherrie Clough, social and cultural vice-presidents, respectively, each gave short talks on the nature of their office, and outlined plans for the coming school year.

Beatrice Short, 1947 Meteor editor, gave a thumbnail sketch of the forthcoming annual. Roy Shearer, religious vice-president, spoke briefly about the good things in store for the student body in the way of religious activities for the coming year.

Ellsworth Wellman, business manager of the A. S. B., gave a report on the financial standing of the Association, and Roger Coon, editor of the Criterion, explained the relationship of the school journal to each individual student, and asked for the co-operation of all in maintaining the high standards of the publication.

Eleanor Zimmerman, secretary of the A. S. B., was on the platform.

"Janitor" Moody

"Janitor" Moody, a part of the Associated Student Body, was elected solicitor of nominating committee at the first meeting of the Associated Student Body on September 27, following the students elected by their respective classes to form a nominating committee to provide nominees for the offices in the A.S.B., which are now vacant. Those elected were: Rose Wilson and Moses Chalmers, freshman class; Bill Llewellyn and John Allen, sophomore class; Muriel Quayle and Glenn Fryte, junior class; and Beatrice Zain and Marvin Jones, senior class. Mr. Jones was chosen to be the chairman of the committee.

Character Building Stressed by Elder

"Character building is the sum total of all the "worth-while things in life," stated Varner J. Johns, associate professor of religion and moderator of the College Church, in a chapel talk, Wednesday, September 25.

"If you are successful in every thing else, but fail to build a good character, you have failed completely," he emphasized. "Character is the only thing that counts in the aptitude test for the University of Eternity.

"All things have their price," the pastor continued. "You pay for the good things before; you pay for the bad things afterward."

"By paying before, I mean the establishing of the difference between right and wrong, and directing your choices accordingly," he pointed out. "By paying afterward, I mean paying when it’s too late."

Elder Johns went on to explain that "we don’t become what we pay for; yet it pays great dividends."

First Name Missing
Sidelights on the College Scene

INTRODUCING MISS VIPOND

May we present to you our new academic voice teacher and vocal organization director, Miss Dorothy Vipond. You may already know her for she has been a student at La Sierra for six years. She often thinks wistfully of her home in the red-woods, but she is happy to be here at La Sierra where she has so many friends.

Miss Vipond is the first director of the choir, who com-mented that this song was used in its initial appearance last Friday morning. Among other songs, "O God, Our Help in Ages Past" was announced by Miss Vipond, director of the choir, who con-cluded, "In all thy ways acknowledge Him, and He shall direct thy paths." Mrs. Gope went on to say that the dormitory students are generally well prepared for life in college and that in the troubled times before us we may find it especially appropriate to our need.

Activities of Prep Students Include Many Thrills

Summer vacation revealed many and varied interests of La Sierra Academy students, with relief from school and studies in a trip, others, to plain work. Harry Smith spent the summer at Lake Arrowhead, and distinguished himself by coming in second in the Tri-State Sprint Face Handicap. Mac Chandler, before leaving his Hawaiian home, says that he spent his leisure time making the most of the coconut juice, the pineapple, and papayas.

Ted Warner's biggest thrill came when he spent two weeks after the opening of the new church, are Leland Winton, Mrs. Muriel Thompson, teacher of American history and government, and also dean of Gladwyn Hall dormitory. Mrs. Thompson is taking business home at the college, and their three-year-old daughter, Patty, may often be seen playing around the steps of Gladwyn Hall.

In all thy ways acknowledge Him, and He shall direct thy paths." Mrs. Gope went on to say that the dormitory students are generally well prepared for life in college and that in the troubled times before us we may find it especially appropriate to our need.

The ideal student is duly rewarded. Not only by the marks on his report card, but by receiving a thorough preparation for college, and a consciousness of growing power to meet the issues of this life and a preparation for the life to come. I trust that every student will grasp the opportunity placed before him to make this year a most secur-ed one. Nuggets of gold are hidden beneath the cover of each text book. Spiritual gems be hidden within the very core of the school curriculum, the Bible class. Sincere application will produce results of estimable weight to all.

Miss Vipond is the first director of the choir, who commented that this song was used in its initial appearance last Friday morning. Mrs. Gope went on to say that the dormitory students are generally well prepared for life in college and that in the troubled times before us we may find it especially appropriate to our need.

There are over 20 members in the choir at present.

ENROLLMENT

The academy enrollment checked two hundred students, and each of the preparatory school shows a total of 277 students enrolled. Of these, 49 are college: students.

"I believe that most of us Americans have wasted our first postwar year and that we couldn't afford to waste it. With every passing day the chances that you will see your grandchildren grow up become smaller and smaller,"—N. Y. Times.

The total number of attendees, however, for the opening of the prep school was 277 students. Those of these, 49 are college: students.

"I believe that most of us Americans have wasted our first postwar year and that we couldn't afford to waste it. With every passing day the chances that you will see your grandchildren grow up become smaller and smaller,"—N. Y. Times.

Spiritual gems be hidden within the very core of the school curriculum, the Bible class. Sincere application will produce results of estimable weight to all.

Activities of Prep Students Include Many Thrills

Summer vacation revealed many and varied interests of La Sierra Academy students, with relief from school and studies in a trip, others, to plain work. Harry Smith spent the summer at Lake Arrowhead, and distinguished himself by coming in second in the Tri-State Sprint Face Handicap. Mac Chandler, before leaving his Hawaiian home, says that he spent his leisure time making the most of the coconut juice, the pineapple, and papayas.

Ted Warner's biggest thrill came when he spent two weeks after the opening of the new church, are Leland Winton, Mrs. Muriel Thompson, teacher of American history and government, and also dean of Gladwyn Hall dormitory. Mrs. Thompson is taking business home at the college, and their three-year-old daughter, Patty, may often be seen playing around the steps of Gladwyn Hall.

In all thy ways acknowledge Him, and He shall direct thy paths." Mrs. Gope went on to say that the dormitory students are generally well prepared for life in college and that in the troubled times before us we may find it especially appropriate to our need.

There are over 20 members in the choir at present.

ENROLLMENT

The academy enrollment checked two hundred students, and each of the preparatory school shows a total of 277 students enrolled. Of these, 49 are college: students.

"I believe that most of us Americans have wasted our first postwar year and that we couldn't afford to waste it. With every passing day the chances that you will see your grandchildren grow up become smaller and smaller,"—N. Y. Times.

Prep Parade

Counsel from Principal Parker

The ideal student is duly rewarded. Not only by the marks on his report card, but by receiving a thorough preparation for college, and a consciousness of growing power to meet the issues of this life and a preparation for the life to come. I trust that every student will grasp the opportunity placed before him to make this year a most secur-ed one. Nuggets of gold are hidden beneath the cover of each text book. Spiritual gems be hidden within the very core of the school curriculum, the Bible class. Sincere application will produce results of estimable weight to all.

A very polite young gentleman stood next to me and marked himself absent. A case similar to that was when your very noteworthy editor inscribed in his own Meteor "To the best fellow I know," and he meant it, too!

Faithful Unto Death

But don't let this discourage you, dear reader, for we still have innumerable people who really take their tasks seriously, as the monitor who took record during the singing in chapel, and marked himself absent.

Emily, Take Note

Try and stop me (if that's possible) if someone has told you this once: A very polite young gentleman slipped while skating up at the hall Saturday night, and weekly said to his partner, "Let's sit this one out." Chivalry is not dead—yet.

Constitutional?

By the way of the grapevine, or perhaps it was by a faster mode of communication, by telephone, telegram, or tell-a-woman, I hear that there seems to be a new twist on democracy among examination committees for putting themselves into office. Process of elimination, maybe?

Saturday night skating parties should be known as "bumps and falls." The cement is much harder to fall on than wood, but after the last skating party it is good that there aren't all those splinters to remove.

New Church Under Construction:
Cost to Approximate $200,000

The new La Sierra College Church, located between the college store and the Loma Linda Food Factory, is now making rapid progress. The building covers approximately one acre of floor space. It will be equipped with either Rubberoid or Asphalt Tile on all of the floors, acoustical plaster on the ceilings, two large refrigerated ventilating systems, and several fire escapes.

The seventy-eight foot tower may be seen from almost anywhere in La Sierra Heights. The main auditorium, when completed, will seat 2,300 people. It will contain seven Gothic arches, three balconies, and a pipe organ.

Behind the pulpit is a pit for the choir director and a semicircular seating arrangement for the choir. Above the choir loft is the baptistry. It will be enclosed with a pente glass window in the front, and will contain a public address and broadcasting system.

Another main feature will be a large window of Opal glass over the baptistry. Stereoptypic pictures may be flashed upon the glass from the back, thus enabling the pictures to be changed for different occasions. A corridor, separated from the main room by double doors, runs the length of the church. This will lead to the mothers' room, choir rooms, a church council room, and the pastor's study.

In the basement of the church, the treasurer's office and public rest rooms will be located. Plans are also in progress for a combination Cradle Roll and mother's room, and divisions for the children and youth on the lower floor of the church.

Pastor Varner J. Johns states that the cost of the new buildings is approximately $200,000, of which one-half has already been appropriated. The church has given $37,000 and is expecting to raise $60,000 more. Many donations have also come from various sources, including the general union, and local conferences, La Sierra College, and the Loma Linda Food Factory.

L.S.C Celebrates 24th Anniversary

The twenty-fourth anniversary of the founding of La Sierra College was celebrated in chapel on Friday, October 4, by an appropriate program of music and speeches.

K. F. Amba, the business manager of the college, spoke concerning the financial status of the institution, from its early stages as an academy, through the junior college period, to the time when it became a senior college.

J. B. Reynolds, dean of the college, gave some of the interesting highlights of historical significance, which were enjoyed by all. "The entire scientific equipment was carried from San Fernando to La Sierra in a tub, and the library was conveyed in a single box," he stated.

"There were 15 teachers and 80 students. There were no superintendents at the founding of this school 24 years ago. The principal and deans (they were called superintendents and preceptors then) taught in addition to their other duties. The English teacher doubled as librarian. At the beginning there was no science teacher on the staff," the dean commented.

In closing, the dean mentioned that "in the final analysis, the quality of a Christian college as an institution of learning is measured by the intellectual strength and sincerity, the spiritual power, and the practical efficiency of the staff, and the student body. In these matters the college is doing a good job, but the best days are still ahead."

The special music for this occasion was contributed by Professor Moody, and Lois Almskog. Marilyn Ashland, the violin trio, and the men's glee club.

HANCOCK SPEAKS TO STUDENTS IN CHAPEL

Elder John Hancock, Missionary Volunteer secretary for the South eastern California conference, spoke to the student body in chapel on Wednesday, October 2, on the subject of "Witnessing for Christ." Citing the experiences of Abraham, Elijah, and Noah, Elder Hancock showed that ever since the fall of man from his sinless state, God has been "calling his followers through the ages to witness for Him." "Just as a salesman represents the firm for which he works, so we represent 'Him who sent us,'" the apostle said.

Correction

The Carrancosa campaign begins October 11, instead of October 4. The item was stated in last week's paper. The campaign will close on October 28.

Dr. B. G. Wilkinson Addresses Large Audience in College Hall

Dr. B. G. Wilkinson, president emeritus of Washington Missionary College and field secretary of the General Conference, was the speaker at the church service held in College Hall on Sabbath, Oct. 5.

Dr. Wilkinson, who is one of the two remaining men who were present at the time the General Conference headquarters was moved from Battle Creek, Michigan, to its present site at Washington, is a former president of the Columbia Union Conference. During the thirty-one years which he was associated with Washington Missionary College, he served ten years as its president.

Dr. Wilkinson has spent many years in active research, traveling to the far corners of the globe in search for accurate information which has been collected and used to strengthen the beliefs of the Christian people. He has written several books using this information, among them Truth Triumphant and The Bible Vindicated.

"Truth Triumphant Throughout the Ages, was the theme of his stirring message. He cited numerous examples of how the Bible has been preserved down through the many generations to our present day. Speaking of the work of the Waldenses, who roamed the period of papal supremacy, and of whom there is no record among men, but in heaven," he stated, "how much the world owes to these men, the world will never know."

Producing startling evidence which revealed that "Patrick of Ireland never had any connection with the Church of Rome," he continued to relate more of his experiences secured while searching for information of the early Christian era in Europe.

"Does Wilkinson spoke at the Loma Linda church Sabbath afternoon, on the "Impending Crisis of Corrupted Calendar Reform."

M. V. Society Organizes Harding New Leader

Elder Walter F. Specht announced that the officers of the Missionary Volunteer Society for this year have been chosen and are planning the first program to be given this Friday night. Leslie Harding is the leader, and his assistants are Frances Hill, Harold Moody, and Lois Almskog. Marilyn White is the secretary, and Joceline Bauer will be his assistant.

The first program will include interviews with students who have come from foreign countries.

RECREATION AREA NEARS COMPLETION

A new recreational area for the physical education department is now under construction south of the tennis courts. It has been completed sufficiently to permit limited use to date. Night lights, enabling the students to evening participate in games, have been authorized by the administration council.

Mr. Ham's and Mrs. Rueche's offices will soon be located in the new building that is being constructed behind the swimming pool. Their former offices are now being used for class rooms by the grade school teachers.

This building will enclose the swimming pool.

PRESIDENT LEAVES FOR FALL COUNCIL

Leaving last night on the train, President G. T. Anderson, K. F. Amba, business manager, and Dean Keld J. Reynolds are now well on their way to Grand Rapids, Michigan, where they are going to attend the Fall Council.

Business Managers Go To Financial Meeting

K. F. Amba, business manager, and W. E. Anderson, assistant business manager, left the campus Saturday evening, October 5, to make an overnight trip to San Francisco, where they were scheduled to meet W. B. Clark, business manager of Pacific Union College.

This new church will seat 2,238 people.
WHEN HUMAN HEARTS BURN

Cleopas and his friend shuffled sadly down the dusty road as the sky seemed to envelope them in its dark overcast. Their conversation, interspersed with periods of melancholy silence, included the events of the day: how their leader had been assassinated unmercifully by an enraged mob, buried and then stolen from the grave. Merely having their leader murdered was discouraging enough. This was to them the end of their hopes for success. But now even his body was gone from them, they did not know what to do, where to turn—

Suddenly a voice joined them from their behind. "What would you like?" the voice asked. Cleopas turned and asked if this stranger had not heard of the catastrophe that fell upon them. He hadn't, so he said, and Cleopas explained to him these events which saddened them so.

After hearing the story and rebuking the two men for their unbelief in the Bible, the stranger explained the scriptures beginning with Moses and finishing with them, so that they were enlightened as to the meaning contained therein.

The stranger accepted Cleopas' invitation to stay for dinner that evening, for the hour was late and he was away from home. They began to eat. Suddenly, Cleopas, surveying this gentle- man who had helped them so, realized who he was. Immediately this stranger disappeared; was completely gone from them.

Jumping from the table, the two men hasten to tell their friends of their strange experience. As they hurried along, Cleopas remarked, "Did not our heart burn within us while he talked with us by the way, a stranger approached and fell in with them. Noting their sad countenances he inquired why they were thus afflicted. Cleopas turned and asked if this stranger had not heard of the catastrophe that fell upon them. He hadn't, so he said, and Cleopas explained to him these events which saddened them so.

But they hesitated to accept the one that answers their need. Oh friend, if your heart is cold and your life is dreary, when condi-

EDITORIAL . . .

To the new students who gather here today, the New Students’ Association cordially welcome. To the returning students we hope the coming months will be as successful as those in the past. Opportunities for making this a successful year will come. Our faithful teachers are always ready to help us when we have problems. They work hard to improve us so we may have a deeper Christian experience and develop a noble character.

Lasting friendships, greater responsibilities, higher intellectual achievements and a closer relationship to God are the ideals which each student should strive to attain.

Remember, “Today, well lived, makes every yesterday a dream of happiness. And every tomorrow, a vision of hope.”

Pease Proclaims Christ’s Return

What attitude should a young Seventh-day Adventist believer have toward the second coming of Jesus Christ?” asked Norval F. Pease, pastor of the College of Medical Evangelists church of Loma Linda, in his vespers talk, Friday evening, October 4.

“We have already seen the story of the gospel partially completed—the resurrection, ascension of Christ, the second coming of Christ, the invisible work of Christ, and the ascension of Christ—but this wonderful story is incomplete without the great and final climax, the glorious second coming of Christ,” he commented.

Two Types of Prophecy

He pointed out that “in the Scriptures there are two types of accounts relative to Christ’s second coming. In one the element is predominant. In the other, the nature of things, the condition of the earth, is featured with astounding clearness. We are living where these two lines of prophecy intersect.”

Elder Pease went on to show how the Adventists were once credited with the fourth quartet, always speaking of the “end of the world.” After the explosion of the atomic bomb over a Japanese island, however, the world no longer needed at those who foretold the destruction of the world.

Knowledge is not enough

“‘But young people,’ he continued, ‘knowing these things is not enough. If you are not prepared to meet Him, what good will it have done you to know all those things?’

Hold the Fort

Elder Pease concluded his talk by quoting the illustration of General Grant in the Civil War, when he signaled to one of his companies, “Hold the Fort, for I am coming.” He pointed out, “Do not submit to the corrosive influence of time, lest you be found unworthy to meet Him when He comes.”

Prep School Elects New Student Officers

With the recent election, filling two vacancies, the student body officers are now as follows: President: Lynden De Witt; First vice-president: Lois Almquist; Second vice-president: Delton Ham; Secretary: Jeanne White; Treasurer: Tom Cates; Parliamentarian: Albert Freeman; Meteor editor: Jesse Lover; Prep Parade editor: Wanda Foster

OLSON SPEAKS TO STUDENTS

“A little more than five years ago I sat in an assigned seat in this room,” began Elder Robert Olson as he spoke to the academians recently. “Heaven is a school” was the theme of Elder Olson’s talk. God will be the teacher assisted by the angels. We will be taught in schools designed intellectually and psychologically. Our memories will be photographic, and there will be no systematic effort to see what we can do. “What we now are in character and holy service is at least shadowing of what we shall be.”

Elder Olson is the assistant Bible teacher in the School of Medical Evangelists at Loma Linda.

Baldwin First Guest Speaker in Prep Chapel

Professor W. O. Baldwin, first guest speaker of the year, introduced the academic students to an understanding of the Bible. He was the “decider.” He stated that a decision is made when one finds anything to live for has probably lost his “decider.” The ability to make decisions makes the difference between men and animals. He said that the greatest decision ever made is a decision for God and that indecision vedoes even the angels. “How long shall this indecision go on?” asked Professor Baldwin in closing.

“A knowledge of the Scriptures is as necessary today as it was in the days of Daniel.”

Let’s Get Acquainted...

Let’s get acquainted with Lynden De Witt, our new P. S. A. president. The most important fact about his present life, at least to us here, is that his home is in Texas. The one thing that he was born at Loma Linda instead of Texas, since he tried that at the beginning of the summer.

He is looking forward to a good year with us. Dormitory life is fun for him, and he is glad to be here in school. As for the future, Lynden plans to follow in his father’s footsteps and become a medical doctor. His main ambition in life is to fit himself for service in the Lord’s work wherever he is needed the most.

New Filing System Used in Academy Office

This year the Academy Office has adopted its own registry office with Miss Dorothy Vollmer in charge. All academy records are kept and excuse blanks are handed out.

Most Ardylie Marie White, a loyal senior, and our “Clima” girl. Blonde, blue-eyed Ardylie was born on March 8, 1929 in Shangai, away from her home in China. She came back to China almost twelve years ago.

Two of the most outstanding memories of her life abroad were music and art. Upon reaching school she had to eat her noodles with chopsticks, and the time she got her relatives mixed up. She couldn’t get the people to see about the street.

So she called and started running the “object” of her attention, “dad” turned out to be a big Chinaman. Some faint resemblance, Ardylie, or just the dark hair? Better look twice.

Here at La Sierra she works as a “Basket girl,” at the Loma Linda Food Factory and is really a pretty girl.

Her favorite sport is horse-back riding and swimming. She met the Doctor, who makes her the most in her school.

Ardylie plans to take nursing and return to China as a missionary.
We all like to be cheerful, don’t we? Sometimes even to the point of striving ourselves. The other a.m., quite early in fact, I saw, barely, that is, through the outline vaguely resembling a human being, so when I thought be or she (wee, the fog too thick!) was within hearing distance I spread my muscles enough where I thought I was smiling and called out, “Good morning!” For some reason the figure did not reply. Why? It was a palm tree. How’d I know they’d trimmed em’?

Barbara and I had given any thought to the rising cost of living as of late? Well, perhaps you haven’t, but Jim my Gravy has. I don’t know if there could be a connection or not, but someone saw him dusting off Better Homes and Gardens. Jim’s a good man with noble ideas.

Geronimo! I’m glad I don’t sit under the balcony in HMA. chapel, for I hear some ex-G.I. has been contemplating a parachute jump down when chapel is dimmed. Quickest way out? Some more courageous soul than I would need to experiment first. I’ve already disabled my insurance since the first day I was startled, loudly, that is, down the stairs after class for a drink of H_2O. The person who said the majority of accidents happen in the home hasn’t experienced the “bus terminal” confusion of La Sierra Hall between 9:25 and 9:30.

Klavy Again

Since (Klavy’s brother) has observed while gazing out of Leslie Smart’s window that Ed Akin has his girl friend’s picture tucked on the ceiling above the top bunk bed where he catches his forty winks. I don’t know if it was his, or his girl friend’s picture tacked on his girl friend’s idea; but apparently one of them believes in the saying—“Out of joint while sitting on the ceiling above the top bunk bed in the home hasn’t experienced the majority of accidents happened in the home hasn’t experienced the “bus terminal” confusion of La Sierra Hall between 9:25 and 9:30.

President Anderson Speaks at First Commercial Club Meeting.

The Commercial Club held its gala opening Tuesday evening, October 1, in the cafeteria club room. The club officers and the old members were delighted to see the enthusiastic turn out of the new students.

President Arthur Klein introduced the club officers and read and explained the preamble to the club constitution to the prospective members. Prof. E. S. Cubley was elected as advisor for the coming year. Prof. Cubley has helped pilot commercial clubs through many enjoyable semesters, and this year he promises is going to be the best by far. Next club meeting, October 15, is planned to be a get ac-

Roadman, Donnellan

Roadman, Donnellan

Miss Roadman recounted her experiences with the U.S.O. overseas in an exciting adventure termed “Island Hopping in the Pacific.” Miss Roadman’s experiences included several selections of Don Blanding poetry, which she very capably in-

Late Arrival

Late Arrival

Mr. Walter Kennedy, College Press Manager, and his wife are the proud parents of an 8 pound, 11 oz. baby boy. Richard Warren was born into the world at the Loma Linda Sanitarium on Tuesday, October 8, at 7:00 p.m., to your worthy editor in chief, I’ll be watching you, so be careful. But don’t be too careful for then what would I write about?

Many La Sierra Clubs Active

SIGMA PHI KAPPA

The Sigma Phi Kappa club at its last meeting discussed several important business items. Mary Colby, president, introduced her corps of officers to the members of the club. A vocal solo was given by Rose Wilson. The date for the forthcoming mother-daughter banquet was set tentatively at early February.

MU BETA KAPPA

The newly elected officers of the Mu Beta Kappa club seem rather unwilling to divulge information about their calendar of events. Their president, Paul Schoelery, states that a variety of programs and social events will constitute their first semester activities. The men of the M.B.K. club who had been in attendance here prior to last September invited the new members of the club to a watermelon feed on the hillside above “Lake Cossentine” on Sunday eve- ning, October 6. A big bonfire awaited the arrival of the fellows, and after a brief song fest, the men enjoyed the ice-cold quart-sized quarters of watermelon.

International Relations Club

The La Sierra College Chapter of the International Relations Club is soon to announce the date for its first club meeting. The highlights of its plans for the immediate future include attendance at a regional meeting in November of all Southern California International Relations Clubs. Officers for this club have not as yet been elected.

Teachers of Tomorrow

Florence Gaunt, vice-president of the Teachers of Tomorrow Chapter, will call to order the first meeting of the year on October 18. Membership is open to all prospective teachers. Guest speakers, banquets, and a field trip are a few of the items which are being considered for the first semester.

Hancock Speaks

Dr. Anderson also mentioned that even the most elementary knowledge of accounting and economics is an asset to any person in any field of livelihood. Everyone person, regardless of the position he holds, working in the cause of God should know how to handle financial matters intelli-

It is the odyssey of Twentieth Century Man . . . restless, godless, but above all restless.”—Publisher’s Weekly.
Dr. Andrew Nelson Reports on Missions; Relates Experiences in Wartime Japan

Dr. Andrew Nelson, president of the Philippine Union College, spoke to the student body in their chapel exercises on Wednesday, October 9, on the progress of the work of Seventh-day Adventists in the Orient.

Dr. Nelson, a former superintendent of the Japan Union Mission, recently arrived from Japan, where he has been associated with General Douglas MacArthur as the director in charge of Religious Research for the Japanese Kingdom. During the war, Dr. Nelson was connected with the War Department.

Speaking on "The Transformation of an Oriental Nation," Dr. Nelson showed the almost miraculous change that has been manifested in Japan, as contrasted with the attitude prevalent during and before this past war.

"During the war," Dr. Nelson stated, "Seventh-day Adventists were continually hounded by the Japanese Thought Control police. We were forced to meet the Christian religion on the foundation of the American Constitution, which the nation used. Then came the war, which was a curtain of darkness and hounded them, asking permission to hold services. This construction is already underway.

WHERE DO WE STAND?

Two hours after Hermann Goering had cheated the assassin’s bullet, Germany was taken by surprise. Eyewitnesses, Julius Streicher and nine other top Nazis met death on the scaffold at Nuremberg, Germany. Gone was the air of triumph exhibited by all of them such a short time ago. Goering had gloated over pretended secret plans to revive Nazism in 10 to 20 years. But even he had knowledge of “to carry with me to the grave.”

The people of France voted on a new constitution and the question of whether or not that country would accept it and form a stable government is answered, at least for the present. But in Last Wednesday’s meteoric shower was seen all over the country, but overcasts prevented clear observation in the east. Nevertheless, weathermen said what may be the largest shower in many years is in sight. Nevertheless, weathermen said that in any part of the world, the Austrian Rooftop hardened on March 3, 1945. The events are here at La Sierra, in case any- associative responses and exclaim, "There goes a ‘vet,’” one would stick to see over ever- newsmen in Hawaii still remain a repressed dream. The idea is that the Navy spent in North Carolina at an airbase. Nobody can fool her up on Trailer Court, ask Louise Deapen. (I stand corrected if I said, "lady in the navy (U.S. and Canadian)."

The first one interviewed was CORP. THELMA BULL from out of the Navy where she was stationed. She is unique in that she was the only lady in the navy (U.S. and Canadian) of such small proportions in all dimensions—the biggest problem for me has been to find out why she ever joined, and apparently the fourth or fifth she has been. Miss Bull does not have a start to the commanding officer a few days before the ceremonies were passed out. Not to change the sub, but Miss Arnold’s experience on the Flight Operations Board at Wilmington, N. C., was profitable nevertheless.

In the tail-end of things was ABUEL SUCKUT who, because of his gentle pressures brought to bear upon civilian physicians, offered his services to the Army eight months before the end of the war. Her stay didn’t take her farther away than Angel Island, next door to Alcatraz. Mable’s life has been divided between nursing and Bible work. The final decision has been in favor of Bible work.

A companion of Betty is EMILY burt, RN, who is also working with the 17th Divisions overseas as a nurse. Emily brought back with her a love of tropical beauty and a keen evaluation of humanity. For identifi- cation purposes, Emily is a sister of Phonetic Burt, who is in charge of the nursing service at La Sierra. Another plug for Alma Mater: Emily attended La Sierra, a female medical school, and her B.A. and, R.N., degrees plus three years of army life as a first lieutenant are answered, at least for the present. But in

May we as God’s chosen people prepare for the world’s history. Gone now are the many cries for peace, peace,” for men of science look for-
Editor:  WANDA FOSTER

EDITORIAL. . .

One of the greatest privileges granted to us is that of having friendships with each other. Many of our strong points of character are hidden and undeveloped because we do not have good friends. Do you approach your friends with a sincere attitude? Do you do this by being interested in small bits of gossip you have heard about your friends or by seeking selfish acts? Are you distasteful to their actions and motives? Does their personal appearance seem morose to you than the pleasure you find in being with them? Do you look for them to be calm and temperamental?

This attitude is not real friendship and friends made in this manner will not remain long. From your circle of friends, search for that one with whom you would like to have them for you. Their little acts of kindness, thoughtfulness of others, respecting those to be respected and a happy disposition are the characteristics that make friendships last. Such friendships will last longer and we will understand each other. The greatest thing we can give a friend is love.

Hancock Speaks, Gives Own Special Music

Accorded permission by Elder John Hancock, Missionary Volunteer Secretary of the Southwestern California Conference, to address his interest to his recent chapel "To "are ambassadors for Christ" and to "try to illustrate the Christian warfare with the story of people in a Swiss town who conquered their enemies by kindness and condescended, with the thought, "We are the only Bible the cursed world will read.""

PSA Provides Skating Refreshments in Hall

"Wait for refreshments," announced the loudspeaker after the faculty students had spent their evening skating in College Hall.

"Form a double line. No skating by the laces. No skating with your shoes on. Watch the voice behind the scene, while student body officers waited with ice cream and cup cakes.

During the two hours of skating a number of parents and friends looked on from the end of the hall, enjoying the fun and fine exercise with the students.

What we gave, we have; What we spent, we had; What we left, we lost.

May 1000, and if the goal is reached, there is a real reward in store for the entire academy. There are also five prizes that anyone would be glad to have but winning them will means hard work on the part of those who are not used to writing letters to fifty recipients or giving twenty-five small prizes or giving five big prizes. The amount that has come in to date is $140.68 with about five dollars yet due in pledges.

Let's Get Acquainted

Have you seen a friendly looking fellow on the campus lately, resembling Moses Chalmers, a gran- dson of 1946? Perhaps you have already gotten acquainted with "Mac" Chalmers, the brother of Moses. "Mac" was named because his family wanted to name him after his father, but Moses had already received that honor so they named him from his father's complete name, Moses Andrew Chalmers. (M.A.C.)

Mac was born January 10, 1931, in Hilo, Hawaii, the land of papayas. Being a lover of music Mac plays the guitar and ukulele. Among his favorite pastimes is the art of sketching. Other recreation includes singing, reading, and being friendly with everyone. Mac's favorite subjects are English and biology. He wants to become a doctor and practice medicine in his own home town, Hilo.

He thinks that his root thrill experiences were when he was a child, but we know he has had some others. He likes the fruit and people of California, but not the drought and climate.

If you enjoy friendly people who like good wholesome fun, get acquainted with "Mac" Chalmers.

We welcome you, Mac, to the land of sunshine, California.
Clubidity
By Arlyce Hanson

SCIENCE CLUB
Unlike many of the organizations on our campus, the Science Club is an honorary society. Its membership is composed entirely of science majors and pre-professional science training students, whose consistently high grades warrant their being admitted as regular members of the club, which has been "an honor society since its founding in 1937.

The purpose of the Science Club held the first meeting for this semester on October 2. The officers who were elected are all students admitted to the club last year. Dick Nelson was elected president, with Betty Tome assisting him as vice president. Duties of secretary-treasurer will be carried out by Jacqueline Bauer. Committee members are Ira Baillie and Barbara Balboiace.

Club membership will be open to new students after the first nine weeks of this semester are over.

ARTS AND LETTERS
If you do not know what is going on—or have never heard of—it is the best in literature and art, there is a prominent campus club that may be of interest to you. The Arts and Letters Guild foster lectures, motion pictures, and field trips with the idea of helping its members understand and appreciate beauty. Membership is open to students, whose art, literature, and music will not be put to such strenuous tests. If you are enrolled in Letters Guild, however, your fondness for music will not be put to such strenuous tests. If you are enrolled in Letters Guild, your fondness for music will not be put to such strenuous tests.

The proposed fare to Arlington would be ten cents, and to Riverside, fifteen cents. In addition, there is no bus service connecting La Sierra Heights with Riverside. Their bus makes six round trips daily, operating on a two-hour schedule. Many citizens in this area have indicated that this present service is entirely inadequate for the needs of this rapidly growing community.

All individuals interested in this project are urged to attend the hearing which will determine whether the bus company will be granted a franchise. This meeting will be held in the La Sierra Community Hall on Wednesday, October 23, at 8:00 a.m.

First M. V. Meeting
Ronalle Jensen, a citizen of the Philippine Islands for 17 years, was introduced by Francis Hill, one of the associate leaders of our society. Harold Moody, another associate leader of the society, introduced Armande Hernandez de Caba, and Mrs. Laura Chinn, of Hong Kong, China. Lois Almskog interviewed Howard Carter, of Havana, Cuba, and Mrs. Laura Chinn, of Hong Kong, China. Lois Almskog interviewed Howard Carter, of Havana, Cuba, and Mrs. Laura Chinn, of Hong Kong, China.

Music Festival," in which the combined bands of La Sierra College, La Sierra Academy, Glendale Academy, Loma Linda Academy, and Lyndon Academy, will appear on stage. This festival will be held on a Sunday in early May, and the total number of musicians in this large band will be upwards of 100 members! The daily agenda will include morning rehearsals of the combined bands, afternoon rehearsals of the individual bands with solo and ensemble performances, and an evening concert.
Ladies Ahead in 'Critter' Drive

Annual Amateur Hour Slated for November 9

The evening of November 9, set aside by the A.S.B. for the annual Amateur Hour, promises to be a "high spot" in the campus social plan for this year.

At one chapel exercise last week students were given an opportunity to place requests for favorite selections or amateurs. These, with the applications received at that time, also afforded the A.S.B. executive committee an extensive list of performers from which to select those which will be of interest to the greater part of the audience. Suggestions received were varied and interesting, with a marked manifestation of the desire for good music and wholesome fun.

"Don't be surprised if you are asked to do something this year," advises Berchie Clough, A.S.B. cultural vice-president. The plan this year will not be to wait for amateurs to lose their reticence, but to search out that hidden talent known only to the faithful friend or roommate.

Since no program of this kind is complete without the competitive incentive of prizes, first, second, and third prizes will be given to each of the three groups or types—light, serious, and novelty.

Remember that A.S.B. expects the enthusiastic support of the students—even to participation.

Photographer Line 'Shoots' Buffalo in Arizona

B. Line, noted lecturer and photographer, was a visitor here at La Sierra College recently, helping to prepare the largest group of slides ever taken in College Hall, and under the direction of one of the leading school photographers—Robert L. Haynes, president of the College Photography Club.

His ability to capture scenes of nature at its natural best is well known. Included in the evening agenda was the premiere showing of his new technicolor film, "A Southwest Story." This film is a story of primitive life as it is today. It is a story of the wild things of the desert. Among the scenes were the unique antelope, the bighorn sheep, the quail, the pack rat, and the sitka black-tailed deer.

Air Mail Rates Slashed, Global Tariffs Cut Half

November 1 is the date set for the revision in the prices for international air mail rates, according to R. W. Bickett, postmaster of the college post office.

These rates, the lowest ever set up, will enable individuals to send their air mail correspondence from the United States to Hawaii, Puerto Rico, Guam, Alaska, the Virgin Islands, Mexico, and Canada, for five cents per half ounce, it was revealed. Mail to the Near East and the Far East will be carried on planes for 25 cents per half ounce, and to Latin America for 10 cents. European air mail rates are set at 15 cents per half ounce.

Lines Brings Premiere Technicolor Film Saturday Nite

During the chapel hour Wednesday, October 16, the former pastor of the La Sierra College Church, presented a comparison between present rates and those soon to be in effect, which may be seen by the present rate of 70 cents for mail to China, and the new rate which will be 25 cents.

HEPPENSTALL SPEAKS IN CHAPEL SERVICE

"The Valley of Decision," a stirring message, was delivered to the student body by Elder Edward Heppenstall, professor of religion, during the chapel hour Wednesday, October 16.

The former pastor of the La Sierra College Church, presented "The Valley of Decision," a stirring message, which was received with interest and approval by the entire student body.

SCHEDULED FOR THE LYCEUM PROGRAM ON SATURDAY, November 1 is Frances R. Line, noted lecturer and photographer of nature and wildlife, with the premiere showing of his new technicolor film, "A Southwest Story." Mr. Line is remembered here at La Sierra for his breath-taking picture, "Sheep, Stars, and Solitude," which he presented as a part of the Travel Adventure series of Lyceum programs last school year.

Render Unto Caesar

Countless editorials on school spirit have been, and will be written—and ignored. But still I feel compelled to add my comment to this much-discussed topic, which comes up every year and on every campus.

There is more to education than books and term papers; there is more to gaining an education than is obtained by studying the poetry of a Tennyson, the mathematics of a Euclid, or the psychology of a Watson.

E. A. Faucher defined education as "the harmonious development of the mental, the physical, and the spiritual powers," and if any of these three principles is neglected, you are merely gaining half an education.

As a student on this campus, you are part of a community, and in such you owe to community, your allegiance, your whole-hearted support in all of its activities. Many shy away from extra-curricular activities, or may say that they don't have time for them. While I do not advocate the extremist who comes to college only for the extra-curricular opportunities, I believe that everyone is able to associate with those of like faith, and to me, that is what La Sierra College represents.

Miss Betty, one of the new English teachers here on our campus, is a very holy lady, side acting as Criterion editor, the 150 English composition students, and three upper division students in Milton.

Miss Betty graduated from Lampley Academy, and received her Bachelor of Arts in English at Walla Walla College, Stanford University, and the Master of Arts degree upon her English, major, and Spanish minor. Her thesis on Milton and Lamb, and his use of the Bible in his writings, "Ye shall enjoy teaching," states Miss Betty, "and I especially appreciate the closest interest that leaves the student feel. It's quite a change after coming from an academy where I felt'}
Charles Hall (Class of '45) and his wife are in Gardenia. Mr. Hall is the pastor of the Ililo church and Mrs. Hall, Robert Osborne (Class of '46) are in Long Beach. Mr. Osborne assists Mr. Hall in his parish work. Dick Barron (Class of '45) and his wife are connected with the Hawthorne church. Brothers Hall, Osborne, and Barron are now conducting an effort for a new Long Beach church.

Daniel Guild (Class of '46 and A.S.B. Freshman) is teaching Bible in the Gladstone Union Academy, Glendale, Calif. Mr. and Mrs. Royal Sage are the parents of a 9 pound 1 ounce baby boy, Robert Lawrence, who arrived on October 19. Mr. Sage, Class of '45, holds the unequal record of having served as Criterion editor for two years in succession, and Mrs. Sage was the editor of the 1945 Merton. They now reside in Tremend, New Jersey.

Mr. and Mrs. Ralph S. Larson (Ralph was a member of the Class of '45, and Jeanne was editor of the Criterion in 1944-45) announced the birth of a baby girl, Mary. The baby weighed 9 pounds, 8 ounces, on September 28, in Reno, Nevada. Mr. and Mrs. Larsen have been living in the Nevada-Utah Conference, and are scheduled to leave for Hawaii soon, as Mr. Larson will be pastor of the Honolulu church upon arrival.

The White Memorial School of Nursing reports that 21 preclinical students were officially welcomed into the family of the White Memorial School of Nursing, on September 29. Of these 21 freshmen, 11 have come from La Sierra College: Marilyn Anderson, Roberta Beckner, Delores Billings, Elinor Johnson, Ritchie Lombattis, Rose Mary Mazaz, Carolyn Pierce, Mildred Singleton, Jacyne Stjekels, Verna Thompson, and Mildred Young.

**Photostatic Machine In Registrar’s Office**

The Registrar’s office is the proud owner of a new Photostat machine, which was delivered last July, and has been in constant use ever since. This machine is primarily used in making photostatic copies of grade transcripts to be sent to other schools, but it has also been used to make reproductions of birth and marriage licenses, and veterans’ discharge papers.

A special room in the lower part of the new administration building

**Alum News**

“...are quite a few former L. S. C. girls here in Portland attending the University of Oregon Dental School. In fact, J. D. Ryan and Warren Swanton graduated last May. They both practiced in Washington. J. D., who became the proud father of a baby boy born in June and as soon as his baby, Washington, and Warren is located in Vancouver, Washington. They both attended La Sierra from 1941-43. Other L.S.C. girls who graduated on October 22, 1944 are Alber Burns, Don Corson, and Jack Dutre. Malcolm Littleton-Corson and Wanda Cram-Dutre also attended La Sierra, Marcie having finished Dietetics at Loma Linda in 1944.

“The public represents La Sierra in the June, 1946 class, are: Har- ford Bassee, Harold Chilton, former physical education instructor at L. S. C., Ed. Harsh, and John C. Needel.

“Also in attendance at the Dental School is Miss Gladys Nestadt. And I understand La Sierra will be repre- sented in the new class which will begin in November. Yours for a bigger and better Criterion.”

Mrs. Edward Hash, 501 N. Pacific, Portland 11, Oregon, had hopes to be at La Sierra this year, but again things did not quite work out. So instead I plan to get in round of winter sports this year. But when I come back to California next year it’s going to be one grand reunion meeting, and my friends around L. S. C.

“Loma Linda.”

Anita Dillard, 3039 12th Ave. S., Minneapolis, Minn.

**PALMER ATTENDS S.C.**

On leave from the faculty this year is Professor Louis C. Palmer of the Department of Chemistry, who is at the University of Southern California teaching on his doctorate in chemistry. Professor Palmer will return to his place on the teaching staff as soon as he com- pletes his work.

Professor Coslin, who was to have been on leave to take gradua- te work was unable to be absent from the staff; therefore, he will possibly attend the university next year.

A number of teachers from the 1945-46 staff for the training school have also re-entered further schol- astic institutions.

**Seminar Conducted:**

**Elder Huebache Speaks**

The first seminar of the year was conducted Thursday, October 17, with Lea Almquist, recently appointed leader, in charge.

“The main feature of the program was a story read by Elder Paul Huebache. This story told of a young man who tried all his life to be free, but became more and more enslaved by the evil angels who surrounded him.”

“Two students who assisted in the program were Gene Vignola, who conducted the devotional exercises, and Georg French, who played a saxophone solo.

**Swollen Enrollments To 292**

The enrollment of the academy at the end of the first month is 292. Of this number twenty-one are veterans of World War II and fifty-nine are students with college deficiencies.

**Ebb and Flow . . .**

Have you seen Billy Budd latching? He’s really “up in the air” over his new Clarion motor scooter. What a beauty! Vivian and Viola Carscallen, just graduated seniors, had another birthday yesterday. They en- joyed the surprise party held for them at Corona Park, Sunday, October 20.

“A fitting title, Beautiful Dreamer, was given Howard Brockway the other day, by Miss Hopkins. How- ever, doesn’t always hear the question.

“Kitty-Kot,” the “green gover- nor,” after strays into our bookkeeping class. We wish his owner would stop by and get him. He’s quite small, has yellow and white hair, and green eyes.

Embarrassment? That’s not the word for it, Ann McIntosh was more embarrassed than inspired to find that instead of her handkerchief, she had carried a part of Joan Strong’s gym suit with her to chapel.

“Why Charles Lindsay!” exclaimed Miss exercise, as she found Mr. Ander- son’s name on the position of a front seat.

“H ow dare you!” is the reply charac- teristic when we welcome the fol- lowing students have enrolled in the academy: Carrie Anderson, Virginia Bostwick, Mary T. Harrison, Elderidge L. Gillib, Marilyn Pierson, Kenneth Fiehle, Charles Baker, Mrs. Elizabeth San- born, Richard E. Feed, Morton Lacy, Herbert Hall, Clarice Ellis.

**Let’s Get Acquainted . . .**

On November 11, 1949, in San- diego, Texas, there came to a very fortunate family a beautiful baby girl, born baby girl.

“Two years ago in the summer, she was two years old her parents moved to Cali- fornia, where she has lived ever since. In the summer she divides her time two between her house in Lancaster, California, and her grandparents’ ranch in New Mexico. But the school year finds her a sophomore at La Sierra where she spends her time attending classes, working in the kitchen, being friendly with everybody, and preparing her les- sons for the week. In company with her two room mates.

Her favorite sports are horseback riding and skating. Her favorite hobbies are photography and collecting of stamps and miniature horses. She likes all of her subjects, especially biology and art. She is food of friendly and definitely dislikes conceited people.

If a plain girl she will some day be a physical education teacher and no doubt she will make a very good one.

If you haven’t guessed her name by this time it is LINDA WATSON.

**Prep Parade**

**BOHN GIVES CHAPEL TALK**

**Presents Temple of God**

“Millions of people are entertain- ing themselves by asking a ques- tion to do,” said Elde B. Bohn, Sabbath School and Temperance Secretary of the southwestern Cali- fornia Conference, as he addressed the students of the academy re- cently. He stated that in the United States sixty million people used alcohol during the last year. He spoke of the body, as the “temple of God” and said that God cannot remain in a place that is be- ing defiled by injurious food or drink.

Elder Bohn made so vivid the relationship between the wrong chosen and the swell barrel that any possi- ble craving for wine’s Sol or any of its by-products must have been lost by those who listened to his talk.

**Leaders of the Academy Girls are (left to right): Joanne Loveless, Genevieve Smith, Estelle Lane, Patsy Wilkinson, and Isabel Stjekels.**

***Student Register***

Since the publishing of the roster at the beginning of school, the fol- lowing students have enrolled in the academy: Carrie Anderson, Virginia Bostwick, Mary T. Harrison, Elderidge L. Gillib, Marilyn Pierson, Kenneth Fiehle, Charles Baker, Mrs. Elizabeth San- born, Richard E. Feed, Morton Lacy, Herbert Hall, Clarice Ellis.

**EDITORIALLY . . .**

As you sit in class, are your thoughts interrupted by the activi- ties which are going on outside the room? Later in life will this failure to concentrate keep you from succeeding?

We pay for the privilege of attend- ing classes to increase our knowledge of the world, yet how many are there who lose their concentration from class routine. For example, we spend a lively ten minutes hoping that the teacher will not appear and are keenly dis- appointed when he comes.

When we pay for a meal, do we just sit and look at it? Yet we pay our tuition and even skip class to avoid getting what we pay for.

How many of those subscriptions that we are receiving will we put in a scrapbook for years to come until 1960? But we have knowledge of- fered to us and promptly tuck it away. Or we let our minds wander to the most remote places rather than ac- tively participate in class.

We are here for a purpose. Let us watch every opportunity that we may improve ourselves to the ut- most.

**New Student Register**

Since the publishing of the roster at the beginning of school, the fol- lowing students have enrolled in the academy: Carrie Anderson, Virginia Bostwick, Mary T. Harrison, Elderidge L. Gillib, Marilyn Pierson, Kenneth Fiehle, Charles Baker, Mrs. Elizabeth San- born, Richard E. Feed, Morton Lacy, Herbert Hall, Clarice Ellis.
SIGMA PHI KAPPA
The Sigma Phi Kappa club furn-
ished the setting for the "pre-
mier" performance of the Saxo-
phone Quintet on October 17. Bill
Loveless, Raymond Marshall,
Horasan, Bob Baldwin, and Dick
Sons are the members of this
newly organized musical group.
Their program consisted of several
sacred and secular compositions
including "Vere Van Thou," "Fin-
lunula," "Estrella," "Trees," and
a short piece in march tempo.

M A K E R S  O F  M U S I C . . .

[Left to right]: Bill Loveless, Ray
Baldwin, and Dick Sons.

"These young folks whose par-
ents were missionaries and who
were brought up in the mission
fields are the ones who are the
very best prepared and fitted for
pioneering the mission work," de-
clared Elder Robert Borowdale,
one of the guest speakers of the
first meeting of the Home Eco-
nomics Club, held at the home of
Miss Doris Carlson last Sunday
afternoon. Elder Borowdale ex-
plained that these young people
can live as the natives do and so
beat the mission students.

Club Security

Commercial Club
The last meeting of the Com-
mercial Club was attended by
five. The meeting was to be a
get acquainted supper. Everyone
was given a list of signatures he
did to get. People were accosting
other people, "Are you an ex-
army soldier?" If so, sign here, please." Or maybe, "Are you the husband
of the new school nurse? Oh, you're not, huh? Well maybe you
build model airplanes; sign this list.

When Freya Att Klein called
"time," everybody counted the
number of signatures he had col-
lected. Miss Eleanor Zimmerman
was the winner.

At the next meeting, November
5, James Hoggan will show some
interesting motion pictures.
MU BETA KAPPA
"Travel in French Indo-China" was
the topic under discussion on
October 17. Mr. H. B. Howetts to
the Mu Beta Kappa club meeting on
October 17. Mr. Howetts' qualifica-
tions for speaking on this particu-
lar subject are undeniable, since he
was in mission service there for four
years. Those months before the
war started he was evacuated to
Manila. From the Philippines he
went to Singapore, arriving three
weeks before the actual bombard-
ment started, and remaining in
Singapore through the period of
bombardment.

Percentage Increases Since
1939 Released by Registrar
From 1939 to 1940 the total in-
crease of men students in the col-
ge is 1435 and college women,
468. The increase of freshmen men
amounts to 2118, while in increase
of freshmen women is up only 45.
The increase of women in the
Teaching staff is up 70%, according
to the latest figures provided by the
Registrar's office.

TROPICAL TRIO
Have you heard all the quarts
that we have been organized on
the campus lately? A few of the
more "collegiate" fellows have revived
the TROPICAL TRIO ("The Tropical Tri" (because they're balmy, no doubt). They
sing for special occasions, wed-

L.S.C.'S OWN QUIZ KIDS

1. COINS AND WHEELS
Have you been on the alert
lately? If you have, perhaps you've
been wondering why a certain Mr.
Cramer is continually raised
exigently when someone calls
him by his nickname, "The Wheel." It
seems that when Cramer was in
the army, he was so impressed with
their organization, (how the club
had been started) that he was
smoother with such little red
type) that he became the greatest
exponent of "coins and wheels."
Everywhere he went he would
propose "The Wheel," and the
wheel" would "roll." He therefore
became known as "the Wheel," with
explanation of why the nickname
is that he is always "going around
to check and see if everyone seems
more plausible to me.

MERRILY WE ROLL ALONG
On November 15 a few of the
gentlemen decided to make a
tour to Loma Linda to hear Dr. Wilkerson speak the
afternoon. They were also seen in
the close proximity of Kate
Lindley Hall, but that they claim
was mere coincidence.

To make a long story shorter, then:
Mr. J. Blakesley Gray, an English
history student; Miss Jo Ann
Coggan, a science student; Mr. J.
Blakesley Gray, an English
student (chosen because of his
Takamatsu accent); and Mr. Austin
Jameson, a history student.

The "faculty" of the college, known as La Sota College, were:
"Doctors" M. V. Secretary, minis-
tractor, and composer of "world
fame," Professor Beverley Miller,
noted authority on business affairs;
"Doctors" Moses Clayman, whose
work in the physical and chemical
laboratories have brought him "un-
told" fame; Professor Marjorie
Yates, whose interpretation of
Shakespearean literature has re-
ceived ovations on two continents
(Astia and Altvos); and "Doctor"
William Loveless, formerly "super-
intendent" of the Cucamonga Union
High School district, an outstanding
historian who needed no introduc-
tion to the audience (and received
none!)

STUDENTS ASSIST IN
RIVERSIDE EFFORT

"The Voice of Youth," a crusade
sponsored by the Missionary Vol-
untary department of the South-
eastern California Conference, a
series of evangelistic meetings pri-
marily for the young people of the
city of Riverside, will hold its
opening program beginning Octo-
ber 27, at seven thirty, in the
Woman's Clubhouse, 10th and
Walnut streets in Riverside. The
meetings following it will be held
every Friday and Sunday evening
at the same time for eight weeks.
Elder S. M. Jefferson, pastor of
the Riverside Church, and Elder
Moody, and barbeques. First tenor
and Milo Loye, were driving an
automobile of ancient vintage
when they noticed that the gas
line gauge read "Out of Gas." Fort-
luckily, there were on their way
back to L. S. C., so on every ball,
they cut the throttle, saving pro-
cress drops of gas. They worked
ferociously to conserve their gas,
evening at a time to find
themselves pushing "Old Martha.
Fate was kind to them, and
they actually made it back to the cam-
pus, with several gallons to boot!

SOME TWEET TOME
Betty Tome of La Sierra college
has just put her foot down (mack)
About two years ago when a young
friend from Tennessee, Max Bradey
pre-med student, was here, he
started something that has gone
all out of proportions. Mr. B.
looking foedly at Betty over a dis-
seated frog in zoology lab, started
humming a song which he called
"Tome Sweet Tome." Mr. B.'s lab
parter chimed in the first one seems
in circles," but the first one seems
the "wheel," so he was.

from plaster falling off the wall
when someone becomes excited up-
stairs, and people knocking on the
door, asking for an appointment
with the president, it serves faith-
fully as such.
ANDERSON REPORTS ON FALL COUNCIL

President G. T. Anderson recently returned from the Fall Council at Grand Rapids, Michi-
gan, gave the student body a brief report on the meetings there, in chapel on October 28.

President Anderson mentioned that a new committee composed of the presidents of the Seventh-day Adventist colleges was formed, and that they presented the outlines of their respective colleges at the first meeting. It was revealed that there are 6,000 college students currently attending the 12 senior colleges and one junior college making up by the denomination.

The meetings brought together the heads of the various depart-
ments, and plans were laid for the continued operation of the organized work for the coming year.

A special ordination service was conducted, and Dr. Keld J. Reyn-
olds, dean of the college, was ordained to the gospel ministry at that time.

HEUBACH SPEAKS AT CHURCH SERVICE

 Elder P. C. (Heubach), professor of religion, spoke at the eleven o'clock church service in College Hall, October 26. "Lost and Found in La Sierra" was the topic of his timely sermon.

Elders Heubach presented reasons why people think that they are lost. He pointed out very clearly the true meaning of what "being lost" really means.

"A man is lost who doesn't know the way to Heaven. He is lost if he does not fit himself into God's plan. He must know of the love relationship with his fellow men before he can be saved.

"True religion is love relation.

Sub-Getters Picnic at Lake Arrowhead: Boating, Ice Skating Most Popular

By Jackie Baxen

"Come on let's go ice skating!" we're going boating. Want to go along?" "Be a sport, play ball with us." "I'll bet you the top of the mountain." Such were the remarks heard at the Crammes picnic at Lake Arrowhead, October 29.

Everyone had a most enjoyable time. There were so many activities in which to engage that no one had a dull moment. Everyone who could and would not skate, sailboating, rowboating, swimming, motor boating, miniature golfing, and ball games. At noon lunch was served on the
WITNESSING FOR CHRIST

The following article recently appeared in the "People's Open Forum," a column in the River-Station. It was written by an anonymous writer.

"We hear over the radio and on the street much weeping, wailing, and gnashing of teeth regarding the great situation. One would think that the very life of some of these folk depended on their getting that bit of flesh each day.

"There is a religious organization not far from Riverside who are non-meat eaters, strictly vege-
tables and all the vegetables from tea, coffee, tobacco, and liquor. From their strict observance, 40 per cent of these people are in the prime of life, and from their health would say they are physically, mentally, and spiritually above the average.

"It seems that the rest of us might benefit from leading a life of this kind."

Samuel R. Cone, Arlington.

The Seventh-day Adventist people are being observed today by the world as never before. Many have come to the editor of the CRITERS to tell me — and the Week of Prayer is the spiritual high-
light of the year, espe-
cially when I see friends and classmates who have been careless now making those same snares for the right. If it is entered into with the whole heart, a new experience in living can be found."

George R. Hall, 19, Texas, pre-laboratory tech-
nicist.

"It is entered into with the whole heart, a
new experience in living can be found."

Academy Girls Present 
Red Sox Program

With the sound of trumpet fan-
tarie the Red Sox of the Cow-
rence campaign introduced their presence
on Friday, October 18. Three out-
fielders, clad in red knee socks and red
hats, put spirit into their teammates by singing their campaign pep song. The singers — Pat McNamara, capt.
and Jo Loveless — stated clearly to the
"fellows" that the girls had won the
trophy. The Red Sox were ahead and Pat McNamara, capt.
and Jo Loveless — stated clearly to the
fellows" that the girls had won the
money. The addition
lars was spent to
plete the walls
and floor and ruining the $500 re-
tainly been making scratches on
dining room, but someone has cer-
in our cafeteria since school was
here.

in our cafeteria since school was
here.

Prep School Campaign Brings 1210 Subs; 
Girls Defeat Boys; Keep Campaign Cup

The academic students topped their goal of 1000 subscriptions, by raising a total of 1210 subs! And the girls won again, for the third consecutive time, thereby gaining permanent possession of the trophy, which was awarded to them these past two years.

The girls' side received 110 more
subscriptions that did their rivals,
but the boys were not without honor, states their
leader, Henry Barron, for James
Book brought in 115 subscriptions,
receiving a portable radio given as the grand prize in the combined
college and academy campaign.

In the Prep School campaign,
Mary Clough was the prize winner,
which was a Shaeffer pen and
pocket set. Imogene Lunney re-
signed her second place in tennis
racket. Cecil Benfro won a
"Parker 51" pen given as third prize.

People of the world will turn to
us for the peace of heart and con-
sideration they have been reading
in the Bible. Are you prepared to
give that encouragement? Or do
you consider your Christian experience and put-
ing into your character which that will
help others on the pathway of salvation?

SIGMA PHI KAPPA and
M.B.K. Clubs Announce

The members of the Sigma Phi Kappa and the Mu Beta Kappa clubs are planning a special method of presenting their club programs. This new plan is based slightly on the Rock and Roll technique, and will serve on the entertainment committee arranged an evening of entertainment and games, and pro- 

James Gray, vice president of the M.B.K. club, was in charge of the program and arranged to meet with the members of Sigma Phi Kappa, and introduced Harold Moody, Bob Baldwin, Ray Casey, Bob Lipp, and Melvin Waller Crandall, chairman of the program committee. Their program was similar to the one mentioned above, and included the novel "Tommy Trio".

Tommie, Tommy, and Tommy were to be a joint meeting of these two clubs in the cafeteria following the evening meal. Special programs have been provided, and all club members are urged to attend.

INTERNATIONAL RELATIONS

The members of the International Relations Club held their first social event of the year on October 10. Mrs. Thomas, chairman of the program committee, arranged an evening of entertainment and games, and provided refreshments for the members.

The club is scheduled to make its first field trip to Los Angeles tomorrow afternoon, visiting the special exhibits in the several colleges and universities in the metropolitan area. This trip is part of the world peace, according to Marshall Horman, club president.

TEACHERS OF TOMORROW

At a recent business meeting of the chapter, Florence Grant was elected president, and Evelyn Dagen was chosen vice president. The social committee was appointed, with Edith James, Dawn Bohn, and Jeanne Lee Lewis serving for the first semester.

MUSIC CLUB

The officers of the Music Club were presented at the meeting held in the Music Hall, October 20. They include: Donald Carlson, president; Ardyce Hanson, vice president; Kaye French, secretary; Harold Moody, treasurer; and Melvin Wall, publicity secretary. The program committee is composed of Irene Stin- kin and Bill Durbar, while Ray mond Carlson, chairman, Bill Van Overs et, and Harold Moody are on the entertainment committee.

The program featured seven musical numbers, four of which were arranged by members of the organization.

Colleges Register 6600; LSC Fourth in Enrollment

The enrollment at La Sierra College stands fourth, according to records received from the registrar on October 27, according to Registrar Wilda Beatty. These records indicated that there will soon be an even 6600.

At the recent Fall Council the presidents of the various Seventh day Adventist colleges reported to the council on the enrollment in which La Sierra College stands fourth. Walla Walla College has an estimated enrollment of 3000 students, while Emmanuel Missionary College has registered 3000. Union College, which is in fifth in the list, follows L.S.C. closely with 750 college members.

LINE BRINGS FILM

FOR SECOND LYCEUM

Eunice H. Lane noted world traveler, lecturer and photographer, presented the premiere performance of the feature of the club, a thing, "A Southwest Story," in College Hall October 9.

The film depicted a young lad named Victor, who lived in the vicinity of the Grand Canyon National Park, and of his travel in and around these two famous areas. Mr. and Mrs. H. V. Eutsler showed the film while Mrs. Lane ran the projector.

The most appreciated portion of the program came at the close when Mr. Lane showed his "Rhapsody of Zion" with an appropriate, symphonic background. Here he demonstrated his photographic skill in showing delayed shots of cloud formations, with the colorful, majestic peaks of Zion rising in the first light and setting in the horizon.

Rain in California? — Never! Just for the benefit of those who have never been in the fair state of California, (that'll be 99%, please), we point out that we have several very cloudy days, as of late. In fact, so much so I've drifted back into the rut of saying "It's going to rain" to me rather curiously now and then.

Prof. Cubley Talks It Over

If you're worrying about your exams, take Prof. Cubley's advice: "It's no life and death matter, if you don't rev up in the next year or two!" Some consolation, for students! Who wants to spend the next twenty years in school?

New Calendar Presented

In Third Annual Edition

The Activities Calendar, which was presented by the students body in chapel and to the campus, was given its third annual edition this year. The College Hall on October 26.

Leslie Hardinge, the new leader of the society, conducted the program. He led out in the song of "five dances through the campus. The program consisted of several falts given by students. Each spoke on a particular character in the play.

Zoie Hall listed seasons why she would like to have Esther for her companion. Paul was chosen by Dick Sorens to be a traveling companion that he would enjoy. John Leland spoke of Moses as being the ideal teacher or instructor. Howard Stover chose Joseph of the old Testament. He would enjoy having Mary, the wife.

"Temptations of Jesus" Told by Elder Specht

Elder W. F. Specht, instructor in Greek and civilization, spoke the Thursday evening during the fall semester by the chapel, Thursday, October 23. In speaking of the temptation of Jesus Christ, he which described as "the most momentous interviews in the entire history of the world." Elder Specht commented that these temptations were no sham battles, but battles that Jesus Christ did not use His divine power for Himself. He was to use it only for others.

The duel with evil is one that goes on forever. Every human being is liable to be tempted. Christ used no powers in battling Satan that we cannot use ourselves. The speaker reviewed the story of the 40 days and nights which the temptation was withstood, the being tempted by Satan. He con- cluded by saying, "Nothing is apparently more impossible than the soul that is relying wholly on God."

FOR SECOND LYCEUM

The English department of the college is one of the larger departments in the college, and includes a staff of five teachers. The freshman composition class is divided into nine sections, because of the large enrollment. In charge of the upper five is Wilford J. Allen, who also teaches upper division literature classes.

Miss Hayton has Sections 7 and 9, who are the "upper intermediate" sections and are comprised of approximately seventy-five students. They are divided into units and at present the class is studying essays and writing themes which are presented in the class. She hopes to develop an expressive ability on the part of the students.

Miss Bunting has four sections of "lower intermediate English."

A U L U M N E W S

Many students and alumni have made requests of us at one time or another for a list of addresses of graduates enrolled in the College. After careful study of the record, that the College has been granting academic degrees, and the address lists collected, here is a list of addresses of the graduates of La Sierra College. This is the third year that the College has been granting academic degrees, and the addresses are presented in the following order. The names of the graduates are listed as they are pronounced in the College Hall on October 26.

Lydia Cole 5121 N. Anderson St., Loma Linda, Calif.
Carol Dunn 1921 S. Bayshore Dr., Miami, Fla.
Dorothy Lauber 649 19th Ave., San Bernardino, Calif.
Mary Hardinge 3090 W. Endicott, Detroit 6, Mich.
Kennaugh Johl 13123 S. State St., Boise, Idaho
Vernon Kellstrom 418 W. "B" St., Yorba Linda, Calif.
Carolyn Olson 506 S. Fulton St., Salinas, N. C.
Lorraine Larson 133 Pine St., Modesto, Calif.
Paul McFerren 490 10th St., Unit F, San Bernardino, Calif.
Lee Meidinger 7223 Grand, Monroe, La.
Harvey Miller c/o Elder J. P. Geary, Loma Linda, Calif.
Robert Osborne .6147 Coldbrook, Bellingham, Calif.
Kenneth Perry .5238 Magnolia, Riverside, Calif.
Frank Robins 1111 N. Victoria, Anaheim, Calif.
Howard Sheldon Northwestern California. Con., Box 149, Oakland, Calif.
Floyd W. Swain 4405 Parks Ave., La Mesa, Calif.
Charles Thorne 325 Base Line Road, La Verne, Calif.
Frank West .716 10th Ave., Hoochol 14, T. H.
Fred Wood 3512 E. Primrose, Los Angeles, Calif.
Frank Wynn ..Upper Columbia Academy, Spokane, Wash.
Rhoda Youngwirth .11, Box 629, Arlington, Calif.

SUMMER CLASS OF 48

Elsie Ann Bishop...Pac. Union Conf., Box 146, Glendale 5, Calif.
Clyde Gromer .1005 5th St., Los Angeles, Calif.
Amber Johnson...453 Irving Ave., Brooklyn, N. Y.
Alene Kohn .120 Store St., Box 2, Loma Linda, Calif.
Dorothy Loo...La Sierra College, Arlington, Calif.
Martindale Rodenburg 26 W. 5th St., Richmond, Ind.
Eldon Boys...1026 E. First Ave., Stockton, Calif.
Lyman L. Hurb...La Sierra College, Arlington, Calif.

Science Department Full, Classes Held in Sections

Judging from the number of pre- 
tanical classes this year, there should not be a scarcity of physics in the future. The majority of the number of pre- 
medical students in this college was 35. This year the total is 225. There are from 40 men and 7 women in their first year of study, 21 men and 4 women in their second year, and 36 men and 8 women in their third year. There are 50 pre- 
dental students, and 17 taking pre- 

There are also some students who intend to receive a B.S. degree in the various scientific courses in the sciences, the college now offers a B.S. degree in biology. A number of lower and upper division literature classes, as does Miss Short, who also teaches several literature classes.
La Sierra College, Arlington, California, November 14, 1946

CONFERENCE MEN HERE FOR CONVENTION

MISSIONARY VOLUNTEERS MEET; SPONSOR NEW YOUTH EVANGELISM

By Frances Hill

"Keep me ready Lord Jesus, ready and waiting for Thee; keep me ready Lord Jesus, ever from sin set me free..." With the words of this theme song another Missionary Volunteer convention in Southeastern California made history.

More than 1500 Missionary Volunteers met together in College Hall, on the campus of La Sierra College, for an afternoon of inspirational talks, and special music rendered by the college band, male chorus, and violin trio.

Charles Martin, an alumnus of the La Sierra College class of '45, and ministerial intern in the Southeastern California conference, led the congregational singing. Elder John Hancock, M.V. Secretary for the Southeastern California conference, and Stanley Jefferson, pastor of the Riverside church, are now well under way in their new series of youth programs, for youth and by youth.

The Voice of Youth is heard weekly on Sunday mornings over station KFJO (Riverside), and evangelistic services are held in the women's clubhouse every Friday and Sunday evenings.

In relating his experiences in inaugurating this new series of meetings, Elder Hancock told of his visit to the mayor of the city of Riverside. "He was impressed with the need of this type of program, and pledged his support as well as that of the city council."

The minister went on to show how one of the leading merchants and a bank president permitted him to place a large banner from their window in Riverside.

<...>
THE WEEK OF PRAYER

Decisions have been made during this Week of Prayer. Many have made decisions for Christ, and a few, by lack of decision, have decided against Him. Those regarding the call to enter Christ's fellowship are experiencing a peace and happiness never before known to them. Many, after renewing or forsaking their consecration, have discovered themselves nearer to God than ever before. These blessings need not come to an end when the Week of Prayer is over, but will continue if we pray. Why not make every week a week of prayer?

R. N. S.

The Editors Say

Clubbity

International Relations Club

The Southwestern Conference of International Relations Clubs was held in Los Angeles on November 20. For the first time in the history of the Sierra College chapter, the entire membership attended. (See story on page 1.)

Teachers of Tomorrow

On November 2 the Teachers of Tomorrow class entertained at a party in the banquet room of the Hotel Sierra. The program included several games for the entire group. Musical numbers were given by

(Left to right) Back Row: Roy Shearer, Marshall Horman—president; Bill Lovelace, Edward Atkin, Fred Boman, Charles Watkins, Ray Smith, John Van Andel, Earl Airey, Arnold Fung, Beatrice Zane, Ardyce Hanson, Dorothy McConsughy, Jo Ann Cooper, Cherrie Clough, Leslie Aggers—vice-president, Dr. Wilfred J. Alrey—sponsor.

Commercial Club

Second evening, November 2, the faculty of the business department gave a party for the Commercial Club in the music room. Professor Taylor and Anderson were in charge of the games. Everyone enjoyed playing parlour volleyball in which a balloon is used in place of the regular volleyball. James Hoggan and Eleanor Zimmerman were chosen captains of dart board baseball teams. Mr. Hoggan's team won. 13 to 11. Mrs. Cookley, Mrs. Anderson and Miss Ottrev served the refreshments.

Le Cercle Francois

"Parlez-vous francais?" Your answer to this question will determine whether or not you will be admitted as a member of Le Sierra’s newest club, which was organized on October 19. Charter members of this French club are major and minors in the department. Anyone who speaks French fluently is invited to become a member.

Perhaps the club meetings would seem rather uninteresting to some who sneaks no French, since French is the only language which may be spoken. All of the games are played in French.

Violet Beck is the president of Le Cercle Francois, with Marguerite Hannum as vice president. Helen Hill is the secretary-treasurer, and Miss Margarette Amba is the faculty advisor.

The next meeting of Le Cercle Francois will be a party on November 16.

Critter in New Office

(Continued from page 2)

Critter for Early Ecstasy, already a telephone, a new typewriter table, and six new chairs grace our newly painted office.

Slowly the dreams of post editors are being realized, and we are sure that the boast made we have received will be reflected in a superior quality of journalistic achievements in our and your school paper.

Bob and John Callen and Glenn Gayde, Mrs. Ethel Hannum gave several readings.

James Lee Lewis was mistress of ceremony. Eva Edie, Bohl, and Evelyn Dugan assisted in arranging for the program.

Photo Club

One of the recent additions to the roster of campus clubs is the photo club. For those who are not acquainted with the terminology common to photographers, the name of the club is derived from the initials, "Metol," which has little significance. To a photographer, however, the name is perfectly clear. "Metol" is a very important element in the process of developing.

At the business meeting of the club held on November 3, Gene Kinne was elected president. Bill Darman, vice president; Moses Chalmers, secretary; and John Lins- dus, treasurer, Marshall Horman was appointed custodian. Prof. Les- lie Cashman is faculty sponsor.

Band

As the result of the work of a nominating committee previously appointed, the new officers of the College Band are as follows: president, Phil Knaack; vice-president, Bob Oxley, secretary-treasurer, Dick Beltz; attendance secretary, Ruth McKenzie; librarian, Fred Dugan; and office officers, together with the committee, are working on a constitution at present.

I.R.C. Convention in L.A.

Continued from page 1

A luncheon was served at 12:30 p.m. in Channing Hall. Professor Osbom, board of trustees, attended. The regular volleyball games were won. 13 to 11. Mrs. Cubley, Mrs. Anderson, and the newly chosen captains of dart board baseball teams, Mr. Hoggan's team won, 13 to 11. Mrs. Cookley, Mrs. Anderson and Miss Ottrev served the refreshments.

Dr. Mrs. Crooks Present 'The Way of the Palms'

"The Way of the Palms" was the topic of the Missionary Volunteer program presented by Dr. and Mrs. Crooks, of the College of Medical Evangelists, last Friday evening. November 8, Mrs. Crooks has spent many hours, studying the different palm species. Those who attended learned that there are from 1200 to 1500 species of palms, most of which are found in the tropics. The names of palms were many times confused when they were taken from place to place. However, their more common names have somehow managed to remain with them.

The palm is the king of trees because it provides none for man than any other tree.

The two groups of trees are the fan shaped and the leather shaped palm. Mrs. Crooks listed some of the characteristics of the Washingtonia, Mexican fan, windmill fan, European, and blue palms.

The palm is used as the symbol of the righteous man. It is upright on earth and heaven. The palm is the emblem of victory with nature and life. The palm is an emblem of victory with nature and life. It is an upright tree with an upright direction of growth, upward.

The palm is an emblem of victory with nature and life. It is an upright tree with an upright direction of growth, upward.

Miss Hope Heyton

Faculty Flash

Miss Hope Heyton, another new teacher in our English department, was born in South Africa, where her parents were among the first to teach in our English Training School.

All of her childhood was spent in South Africa, and she entered junior college work in England and Europe, which explains the slight and interesting accent she acquired. Upon completion of her junior college work there, she traveled to the country and graduated from the Pacific Union College with an English major and French minor, at University of Southern California, where she specialized in English literature, her thesis being written in French literature.

During the senior year at Pacific Union College, Forest Lake Academy, and Broadview College, in 1935, she returned to South Africa, and taught at Heidelberg College. On June 9, 1946, Miss Heyton returned to America, and is now aiming toward Americanization. We welcome you, Miss Heyton.

Looking toward the radio and music appreciation head the list of Miss Heyton's hobbies, and her panting with the campus meetings is crocheting baby jackets.

Teaching English composition to freshman students, and French to 25, takes up a good share of Miss Heyton's time, and when asked why she continued to teach, she stated that she had none.

Miss Heyton's heart is very close to her school in South Africa. She was the president of the students of La Sierra Academy she says: "I strongly urge our young people to keep in touch with the missionary field. It is the most interesting and soul-satisfying experience one can have. We need more of the character building, and a broad education it cannot be excellent."
Colporteur Band Starts: Emmett Watts, leader

The Colporteur Band, composed of student canvassers, was organized on Wednesday, November 6, during the chapel hour. E. M. Pickell, publishing secretary of the Pacific Union Conference, spoke briefly of the good success which was met by students who canvassed this past summer. Elders Finney, of the Southern California Conference, and Carter of the Southeastern California Conference, reported what the student colporteurs did in their respective conferences.

Emmett Watts was chosen as the band leader with Joseph Pierce assisting him. Marilyn White and Muriel Qualley were chosen as the assistant leaders for the women.

STRIPLIN SPEAKS ON VOCATIONAL CHOICE

Professor C. D. Striplin, professor of secondary education, spoke on "Vocational Choices" during the chapel period, November 1. Stating facts and statistics which students face as they finalize their vocational choices were presented.

"Before settling upon the choice of the life’s work,” said Professor Striplin, “it is highly desirable to take inventory of one’s own abilities, interests, and aptitudes, not only personal inclinations, but also the advice of friends, parents, and teachers. The individual should also know what needs exist, and what the chances are for employment and for advancement in that employment, in the field of endeavor which he is about to choose.”

Professor Striplin stated that, although exact statistics are not available, it is evident that the enrollment in two fields, the ministry and medicine, exceeds all previous records, and bids fair to supply more than enough workers in those two lines, to meet the demands of the denomination.

Statistics show that less than 50 per cent of those who apply for admission to medical schools finish medicine.

Week of Prayer

"This Week of Prayer is dedicated to the task of finding Christ and discovering in His word the answer to all the problems of youth. As history is incomprehensible without Christ, so is life itself. No man or woman can be supremely happy who has not discovered in the service of the Lord Jesus the very object of living. "Jesus Christ is still the answer to all the problems of youth. We face this dark future with the divine light burning brightly in our hearts. This is the great question, Is the light burning, or is it dark in our hearts? "Christ has promised to enlighten every man that cometh into the world, and we must, all of us, determine during this Week of Prayer to let nothing interfere with our responsibility to let Christ fill our hearts with light from heaven."

Voice of Youth

"We face this dark future with the divine light burning brightly in our hearts. This is the great question. Is the light burning, or is it dark in our hearts? "Christ has promised to enlighten every man that cometh into the world, and we must, all of us, determine during this Week of Prayer to let nothing interfere with our responsibility to let Christ fill our hearts with light from heaven."

Second Amateur Hour Brings Capacity Crowd

The second annual Amateur Hour, sponsored by the Associated Student Body, was presented in H.M.A. last Saturday night, filling the auditorium to its capacity.

With Harold Moody as master of ceremonies, the program was divided into the following four sections: Instrumental, Vocal, Reading, and Novelty.

First and second prizes of $10 and $5 respectively, were awarded to participants receiving the most votes in each section.

While the ballots were being counted, Mrs. W. E. Anderson gave a reading and the male quartet presented two selections. The gate receipts for the evening were $822, according to Mary Champion, advisor to the Associated Student Body.

Top Row: 1. Ray Casey, Criterion Campaign Manager, presents the trophy cup to winning side leader Dorothy Terry. 2. Mrs. Champion dishes it out on the "Critter" picnic. 3. The first Criteria Fair, held in College Hall. Second Row: 1. Prof. Abel cuts a fine figure on the ice at Blue Jay. 2. A bird's-eye view of ice skating. 3. Kay Neal dispenses ice cream at the Criterion Fair. 4. Elder Heubach says: "I'm not doing this for peanuts! Third Row: 1. A lot of hungry people with nothing to do. 2. Arizona, Here I Come. 3. Line forms to the right.
Music Guild Presenting Philharmonic Artists

Eddythe and Eugene Pearson, well-known soprano and baritone, will be presented by the Music Guild in Colfax Central Sunday evening, November 23, at 6:30. The recital will be given in the music hall of the college.

Both Eddythe and Eugene Pearson are prominent in La Sierra musical circles. Mr. Pearson was a featured soloist at a recent Bach festival, and has sung in the Hollywood Bowl with the Los Angeles Philharmonic on several occasions. He was soloist at the premiere of Millikin's "Voice of the Prophets" in Los Angeles.

The Music Guild is inviting the general public to attend this recital. Admission tickets are on sale for 35c.

Johnson Receives High Poetry Award

A bulletin from the National Poetry Association in Los Angeles, reveals that a poem, "My Star," written by Carol Johnson, fresh- man from La Sierra, has been accepted for publication in the Annual Anthology of College Poetry.

The anthology is a compilation written by college men and women of the United States, representing every state in the union. Selections were made from thousands of poems submitted. Orders for copies of this anthology may be placed at the Cummins office up to next Sunday, at one dollar per copy.

HARWILL WHISTLES FOR DEC. 14 LYCEUM

"Music of the Out-Of-Doors," a motion picture symphony of the great American wilderness, presented in color, movement, and Bert Harwill's inimitable whistling, will be presented as the third program in the Travel Adventure Series of lyceum programs, in College Hall on Saturday evening, December 14.

Mr. Harwill is on the lecturing staff of the National Audubon Society, and is the country's outstanding interpreter of bird songs through whistled imitations. His Technicolor film presents the song of mountains, prairies, forests, deserts, and grasslands, and exemplifies the primal chime of the out-of-doors.

College Band Presents Brief Riverside Concert

The college band, under the direction of Clarence O. Tubey, is giving a brief concert at the Voice of Youth evangelistic services held in the hall at the Woman's Clubhouse, 10th and Walnut, at 7:30 on Sunday, November 24.

Grade Teachers Attend Institute at Glendale

Institute for the training school teachers will be held at Glendale Union Academy from 7:30 p.m. November 24, to noon, November 27. This conference is sponsored by A. C. Nelson, educational secretary of the Pacific Union Conference, who will be assisted by educational secretaries W. C. Levenson, Southern California; W. O. Baldwin, Southeastern California; and A. J. Werner, Arizona conference.

All elementary teachers from these conferences are to be in attendance. According to Miss Myr- hel Jensen, principal of the La Sierra training school, she and the eight teachers from her plan to attend.

The main theme, "God's Plan in Education," will be carried out in the demonstrations and talks to be given.

Also planned is a "school problem clinic," at which any teacher may present her problem. This will be discussed by a round - table panel, and a solution desired.

From this phase of the program great benefit and counsel is ex- pected, Miss Jensen stated.

A banquet for all members of the teachers of Tomorrow chapter, will be given during the institute.

Elder Heubach Conducts Lyndwood Week of Prayer

Elder Paul Heubach, professor of evangelism, is conducting the Week of Prayer this week at the Lynwood Academy in Lynwood, California. His theme is "Religion and Life," using Christ's statement, "I am the way, the truth, and the life . . ." as his key text.

As is his college classes in religion, Elder Heubach is trying to show the practicality of living the religion that Jesus Himself taught and lived.

Future speaking engagements include a sermon answering the perennial question, "Are the youth of today predestined," on November 26 at the Voice of Youth rally in the women's clubhouse, 10th and Walnut, Riverside.

THINGS TO COME

Friday, November 22

10:15 a.m. - Chapel, Elder L. H. Christian, speaker.
4:44 p.m. - Sunset
7:30 p.m. - M. V. meeting, H.M.A.

Saturday, November 23

9:15 a.m. - College Sabbath School, H.M.A.
11:00 a.m. - Church, Elder Heuppelmann, speaker.
4:44 p.m. - Organ Vesper, H.M.A.
8:00 p.m. - Music Guild presents a program, featuring Eugene Pearson, Music Hall.

H. M. S. Richards Closes Week of Prayer;
King's Heralds Assist in Special Program

The Voice of Prophecy radio group concluded the College Fall Week of Prayer by presenting a special program in College Hall last Saturday, November 16. The King's Herald provided a special musical setting for the sermon delivery by Elder H. M. S. Richards.

Speaking of a recent visit with a childhood friend, Elder Richards reminisced that he once was a timid boy, now an elderly man, was about to be "forced out of the era of time, and was entitled to the gospel. He remarked that "every life is like a ship looking for a lighthouse, and that is the evangelist as is the decision to accept Christ.

Discussing what "grace" is, as many other teachers have done, the evangelist showed that grace is more than the common conception, which classifies it as "unmerited favor." Reading from the writings of Paul, he brought out the fact that grace is actually God's power to save us from our sins. He pointed out the instances throughout the history of God's chosen people, Where His power had saved them from their enemies.

As he concluded his sermon, Elder Richards asked his listeners to pray, work, and read the Bible, that they might keep up the high spiritual level attained through the past Week of Prayer.

In conclusion of the Week of Prayer, a large baptismal class has been formed, and meetings will soon be begun. The class is still open to any interested.

Marston to Bring Eskimo Lyceum

Major Marvin Marston, who has become internationally known be- cause of his great work, has just accomplished among the Eskimos during the war, presents his tech- nician film, "Friends of the Tundra," in College Hall on November 23, instead of the original date set for November 19th.

Major Marston spent four years in Alaska organizing the Alaska Territorial Guard during World War I. There were 3000 armed Eskimos in this band, and approxi- mately 50,000 individuals rendered service in one way or another. The fighters who composed this tundra army received no pay or subsist- ence. Each Eskimo soldier was issued an old Enfield rifle and am-
Elder Hanson Expects Soon to Leave Ethiopia

Continued from page 1

Elder Hanson described the mission of this group of five from the United States as helping the Coptic Church in Ethiopia develop its educational program. He said the Copts have many schismatics and are setting up schools in the countryside. He estimated that there are about 35,000 students in these schools, all of whom have the right to send their children there. The mission has given the Coptic Church a beginning and a way to develop its educational program in Ethiopia.

Mrs. Hanson Describes Imperial Palace Life

Continued from page 1

Mrs. Hanson described the life of the Emperor's wife as being one of pageantry and duty. She said that the Emperor is very religious and that the Imperial family is very close-knit. She also said that the Imperial family is very interested in education and that they are always looking for ways to improve the educational system in Ethiopia.

The American Education Mission

Continued from page 1

The American Education Mission is a group of five American educators who have been sent to Ethiopia by the United States government to help develop the country's educational system. The mission is composed of two men and three women, and they are working closely with the Coptic Church in Ethiopia.

The mission is working with the Coptic Church to set up schools and to train teachers. They are also helping to develop a curriculum for the schools and to provide educational materials.

The American Education Mission is making great progress in Ethiopia. The mission has already set up several schools and has trained thousands of teachers. They are also working on developing a curriculum for the schools and providing educational materials.

The mission is working very closely with the Coptic Church in Ethiopia. They are working together to develop the country's educational system and to improve the quality of education in Ethiopia.
Students Organized for Permanent Prayer Bands

The student body was divided alphabetically into seven groups of twenty students each for the prayer bands, called the "Week of Prayer." These bands were well attended, and Boy Shiner, religious vice president of Associated Student Body, has indicated that these bands will continue to meet weekly throughout the year.

The leaders of the women's prayer bands are: Pat Aldrich, Barbara Poole, Barbara Seward, Andye Hauser, Betty Bee, Edith Edy, Mary Smith, Bonnie Edwards, Marjorie Yates, and Betty Torne.

Tonight there will be a discussion on what the Bible says about the "Mark of the Beast." Elder D. A. Delafield is to present a paper on the Bible's viewpoint.

One of the dormitory girls was blown down and some of their furniture destroyed.

Did you hear about the girl who mistook the roof leak for Victory? You can imagine the results but may they weren't as bad as the results to another girl who took Jergen's lotion for eczema.

Elder Get H'aukanted

Born to Mr. and Mrs. Glenn C., 13th April, 1930, at Chico, California, a girl. Anyone reading this simple notice six teen years ago might not have guessed that she would find such an unusual girl.

Georgia is the name of the young lady, whose fastest travels being a trip every summer to Susanville where she spent her northern part of the state. She was in Europe during one of these trips that she encountered her most inspiring experiences. In Seosma she climbed the top of Moro Rock, where she was held spellbound by the magnificent vistas.

Her likes include studying Spanish and playing the piano. In addition to the above, she enjoys the outdoors and music.

The guests included Pat McNaughton, Allen Delores Allen, Georgia Balbeek, Jim Book, Bill Oplandt, Ceysl Beinrui, Charles Law, Bob Marchus, and Elder and Mrs. Madisen.

Jerry Cree

Jerry Cree has never been so surprised in my life," said Jerry Cree after her experience with the "Bible."

The Bible, "as usual, was rather daunting. She opened it, and was surprised to find a page that was blank. She decided to try it.

"I will never regret knowing her," said Jerry Cree.

A true friend is familiar— not familiar.

Wowsa-a-saw! Such was the reaction of the ink bottle for Victor! You can imagine the results but maybe they weren't as bad as the results to another girl who took Jergen's lotion for eczema.

Wowsa-a-saw! Such was the reaction of the ink bottle for Victor! You can imagine the results but maybe they weren't as bad as the results to another girl who took Jergen's lotion for eczema.

Let's Get H'aukanted

Elder Fostor

EDITORIALLY

The Week of Prayer has just passed. Has it meant just another week to you? Or has it been the means of deepening your spiritual experience?

We cannot remain in the same condition day after day. We are either slipping or growing in Christian experiences. We should lift step closer to Christ after hearing the timely and interesting messages presented to us.

For perhaps the first time, you have attended an any prayer band yet are unable to be present at those bands at the next meeting.

One of the dormitory girls was blown down. Did you hear about the girl who mistook the roof leak for Victory? You can imagine the results but maybe they weren't as bad as the results to another girl who took Jergen's lotion for eczema.

ELDORADO FALL WEEK OF PRAYER

This academy was conducted by Elder R. W. Olson, assistant pastor of the church at Colusa, California, and a former student of La Sierra College.

Taking as his theme for the week "The Secret of Happiness," Elder Olson presented Christianity as a joyful experience. He spoke of Jesus as not a weak, effeminate character, but as a rugged individualist, a man's man, a happy person.

One entire hour was given to the importance of applying Christ in the life of the Christian. "Ye shall seek me and find me when ye shall search for me with all your heart," quoted Elder Olson. He finds Christ and happiness in the pages of the Book.

Wowsa-a-saw! Such was the reaction of the ink bottle for Victor! You can imagine the results but maybe they weren't as bad as the results to another girl who took Jergen's lotion for eczema.

ON THE BALL
With Mary Dana

If you’ve ever wondered how the Criterion got its name — the “Critter,” you should have seen Mr. Kennedy’s car piled high with the vestigial remains of the Criterion, while in the transitory period of moving from the old office location in the print shop to the new offices in the administration building, Mr. Bird, print shop proofreader, who, wise-cracked, as he was standing, "I’m not the contents in the improved trailer, that all that was needed was a mattress on top of Mr. Kennedy’s car to make us look like a group of Long Beach oil derricks in transition."

"It’s All Greek to Me"

The Register’s office still is lugging about this one: a young man, after finishing registration days (than, that is) found himself in a class of Biblical languages — Greek to the lyman. Student A, as we well refer to him, was beginning to catch the holiday spirit, deciding to “Bank early and avoid the rush.” Student Z, couldn’t seem to keep up with his fellow classmates. He was just beginning to be able to tell the difference between alpha and epsilon when the class started studying the proper indicative passive tense of verbs. A day later he discovered that he was enrolled in second year Greek, and he was only a freshman! His only comment, “It’s all Greek to me.”

The People’s Choice

Dr. Airey (known for his past neutrality in “Critter” campaigns — he doesn’t care who beats the other fellow) had been asked to participate. "But we’re very glad to state that things are improving," he said, “and it’s home sweet home once more.”

"We praise a man who is angry on the right grounds, against the right persons, in the right manner, and for the right length of time.” — Aristotle.

P. E. BUILDING CONSTRUCTION Halted;

Operations Amphibia

A sign conspicuously placed on the Sigma bulletin board last week read as follows:

"Under-water swimming lessons — also high diving and cooaching instructions — mountain climbing technique on the tick... Inquire at room 125."

Yes indeed — Pat McNamara, Alberta Liester, and Norma Hammonds have come to the conclusion that tennis balls in the rain gardens are inconsistent, to say the least. Especially is it inconvenient when the gullom of water from the recent rains came flowing into their tennis courts. All at once, giving the girls an opportunity to practice their advanced training.

Oh well, they liked transferring their earthly goods to Agriculture, then back again, when repairs were final.

"We always liked walking on the ground,” they said, referring to the warped floor, “and we love to look at the stars at night” — pointing to the place where the plaster used to be. “But we’re very glad to state that things are improving, and it’s home sweet home once more.”

Canadian Reunion

Calling all Canadians! A grand reunion of all Cana-
dians on Thanksgiving day, Thursday afternoon, November 28, 1946 — 2 to 5 p. m.

We have reason to believe there are well over two hundred Canadian students and persons who have some time residcd in Canada, now living in Southern California. Some have felt that these students and persons have been altogether neglected in the rush. Student A, got together now and then; so we are taking the liberty to call this fact to your attention. We wish to form some permanent organization.

This is your invitation to meet your Canadian friends at the Gla-
dale Union Academy auditorium, "The People’s Place" on Friday, November 28, 1946. The meeting will be attended by all who were in-
to pictures last Saturday night. Waitresses were also students of Loma Linda. The Science Club is one of the few organizations which are recognized at Loma Linda. Active membership is in a definite advantage to those who are preparing to enter the medical college at Loma Linda.

The most recent activity of the Science Club was a field trip, although the destination is still tentative, and individual reports on the merits of various types of cameras. Home Economics

A.S.B. Signs Igor Gorin for February 17 Concert on Campus

Igor Gorin, concert, radio, and operatic baritone whose concert tours and appearances as soloist with leading symphonies have brought him into every state of the Union, Canada, and Cuba, has been signed by the Associated Student Body to appear in concert February 17, in College Hall.

All outside the program are re-

quired, according to A.S.B. Presi- 
dent Anslo Britt, with students being 
given first chance until noon. 
December 18, when ticket sale will 
be open to the public. Tickets are 
priced at $2.40, $2.00, and $1.60.

The artist, at the age of 18, re-

ceived an audition with Victor 
Forbes at the Victorian Conservatory 
of Music, where he spent five years 
studying voice, piano, organ, counter-
point, harmony, drama, opera and 
age business. After this he toured with the Czechoslovakian 
Opera company singing roles in 
German and Italian operas.

Since coming to the United 
States, Mr. Gorin has successfully 
appeared on radio engagements with the Pirates of the Hour, Interna-
tional Harvester, Ford Sunday Even-
ings, with the Firestone Hour, Interna-

NORTHWEST ASSN. ACCREDITS COLLEGE

Alberta Ruth Parrett (Class of '44) and Lawrence David Nelson (Class of '45) married on November 21 at the 17th-Annual Alumnae Luncheon. Mrs. Nelson is a student at the White Memorial School of Nursing, Los Angeles, and Mr. Nelson is a fourth-year medical student at the College of Medical Evangelists, Los Angeles division. Janice Westmoreland (Class of '46) and Melvin Opila were married on November 29, 1946. Clarence Lucey (Class of '46) is in training in the Central California conference association with Elder M. L. Venden. He assisted with the fall Week of Prayer meeting at the Modesto Union Academy, and in a series of evangelistic meetings with Ernest Perry and Elder Verden.

In order to make the Alumnae column interesting and a success, we must have news of the former La Sierra students. Alumni, won't you write to the Critic, giving a little in your own words of what you are doing? If any readers know such information, please forward it to the Critic, and it will be gratefully received.

ELDER HEUBACH SPEAKS ON 'THE PHILOSOPHY OF LIFE'

Elder P. C. Heubach, professor of evangelism, spoke to the college students during the chapel hour Monday, December 2, on 'The Philosophy of Life.

The conference is necessary for any man who intends to live in this age of men running to and fro,' he stated. 'We are told we should get all the education we can, not to gain an education. We should be filled spiritually; we should be filled important. We should be grounded in life's problems, and we should do that and remain in the best way we can.'

ELDER HEUBACH TO SING AT THE MESSIAH ORATORIO

Elder Heubach went on to say that the conference is necessary for anyone who wants to live in this age of men running to and fro.' He stated that we should get all the education we can, not to gain an education. We should be filled spiritually; we should be filled important. We should be grounded in life's problems, and we should do that and remain in the best way we can.'

EDITORIALS...

Thousands are dying! They are dying from the lack of food and shelter. The situation in Europe grows worse day by day. And yet, are we doing anything about it?

We, the students here and in this school, have never truly realized what it is to go without the necessary things of life. Most of us have plenty to eat, warm clothes and good homes. We do make the best of these advantages.

Going through the dinner line we take everything that looks good. Eyes are bigger than our stomach, so some of the food is left uneaten. Do we buy a new suit or shirt? Is it necessary to walk away leaving food that knowing that people are starving?

We buy a new suit or shoe. Was this necessary? Was there no time to use it? Sometimes we become bored with our clothes and want something new. Do you suppose the people to Europe worry about their variety of clothes? Perhaps when we purchase this new suit, we also spend a lot of money that are given to us.

Let us take inventory and what do we need? Pack and send on. Meanwhile, don't be wasteful in little things, but conserve at every opportunity.

We must do our part.

Miss Andre Celebrates Birthday with no Tests

On a recent Friday, Spanish II student Andre celebrated her birthday without tests. And the class presented Miss Andre with a book, 'Truth Triumphant and Blandish Religion.'

I LOVE RAIN

love the rain that falls
Upon the earth below.
love the rain because
It makes the green things grow.

love the rain that falls
And decked the earth with flowers.
love the rain because
It makes things look so gay.

love the rain that falls
in drops like silver beads.
love the rain because
It's what the flower needs.

love the rain that falls
Upon my roof above.

love the rain because
It's a token of God's great love.

—Bill Oliphant

Let's Get Acquainted...

On September 6, 1930, a small handbell of "ticking baby boy" hung on the door of the Ekvall home and the parents, unwilling to turn such a small gift away, took it in with a laugh. It has remained ever since. Leslie David Ekvall, as he was christened, was born in Los Angeles but did not stay there very long. Being a restless child he soon left (with his family) for the Far East. He spent several years in Japan, Panama, Hong Kong, and other innumerable places. When he arrived at La Sierra a year ago he decided that he was going to be a scientist. And that is what he is.

Dave came to La Sierra a year ago because his sister, who preceded him, had been there for several years. Although she is a senior this year, she has not made up her mind as to whether she wants to be a scientist. Those who know her predict that she will become a success in whatever line of work she chooses.

Students Feted in Birthday Parties

After a birthday party given by Albert Liersch and Ninita Hopkins, Mrs. and Mrs. Rentfro, and Prof. and Mrs. Lindsay, Robert Marchus, Carolyn Yvoneiski, Georgia Bullock, and Morgan Adams, the party was nearly over before Pat arrived.

The combined voice department with soloists will be featured in a Christmas concert in the very near future. The choir is planning a tour for the second semester.

In addition to conducting the various musical organizations, Miss McNamara enjoys twenty private lessons each week.

Christmas Vacation Begins Today

Conrad Thibault Comes January 4

By Jackie Bauer

The story of Conrad Thibault, the distinguished American baritone, who will appear at La Sierra College in the College Hall, Saturday, 8:15 p.m., January 4th, is a story of an all-consuming dream pursued with zest and ardor in the face of insuperable obstacles. He was born in Northampton, Massachusetts, of mixed French and New England stock. Thibault can't remember the time when he didn't sing.

Wherever he was as a child, he was asked to sing. All through school he sang everywhere that offered occasion for singing. He became the pride of Northampton, without having laid any vocal instruction beyond that given to all the young members of the local church choir. All his dreams, he says, were hitched to the vocal star.

He went to college to take engineering, but his future dreams crowded out engineering. The Northampton Supervisor of Schools turned to page 2, col. 1

The home is a place of refuge. Without having laid any vocal instruction beyond that given to all the young members of the local church choir, all his dreams, he says, were hitched to the vocal star.

Hancock Tells Students of "Heaven on Earth"

Elder John Hancock, Missionary Volunteer Secretary for the Southwestern California conference, spoke at the eleven o'clock church service in College Hall, December 14. "Heaven on Earth" was the topic of the timely message.

"One of the most perplexing problems which exist today is the social condition of our country. The problem of juvenile delinquency has never threatened our nation as much as it has during the last few years," Elder Hancock pointed out, as he explained why we should have "another heaven on earth."

"The home is a place of refuge. It should be a symbol of heaven. We are told that children should be taught during the early years of their lives by their parents. The parents should stand in the place of God to them. The home is all-important. Our first duty as parents is not to go out into the world to make money but to bring up children as we should."

After Twenty Years of Service . . .

Dean Reynolds Called to Accept Post With General Conference in Educational Work

By the Editor

Dean Reynolds, dean of College, and received his A. B. degree in 1919. He came to La Sierra College in 1926 as professor of history and political science. In 1932 he received his M.A. degree from the University of Southern California, and in 1936 at the half-mark in his colorful career at L.S.C., he was made dean of the college.

He is an active member in the American Association of the University of Southern California, Southern California, and member of the American Association of the University of Southern California, Southern California, and member of the American Association of University Professors. An American Historical Society, Phi Kappa Phi, honor society, Phi Kappa Phi, honor society, Phi Kappa Phi, honor society.

History from U.S.C. in 1945, and some of his historical works have been published in the California Historical Society Quarterly and in the Quarterly of the Historical Society of Southern California.

HAPPY NEW YEAR
God for the shepherds returned glorifying and praising these things, pondering them in her heart. And child: and all who heard it wondered at what ing which had been told them concerning this has happened, which the Lord has made known unto us." And they went with haste, and found heaven, the shepherds said one to another, "Let us go over to Bethlehem and see this thing that tion of the heavenly host praising in a manger." And suddenly there was with glory to God in the highest, night. And an angel of the Lord appeared to you this: you are of the house and lineage of peace among men with whom he is all those little kids with candy. It certainly was wonderful to see them happy and to hear them say 'merry!' A person must see those trees and before he can really appreciate all of the good things of life we enjoy on Christmas in America."

"Glory to God in the highest, and on earth peace among men with whom he is by the angel a multitude of the heavenly host praising the Lord. And this will be a sign for you: you izing the absence of war, instead of connoting a greater, and nothing from reality today than this last waning hope of mankind for a peace that will last.

"It is our wish that our readers, might receive another greater 'peace' during this season, the 'peace of God which passeth understanding,' the only true peace that is lasting. So, from all of us to all of you, a very Merry Christmas, and in the words of Tiny Tim. God Bless Us, Every One.'

"Peace on earth, good will toward men,..." will be back on your Christmas cards this year, but today that word 'peace' has an empty meaning, merely signifying the absence of war, instead of connoting a greater, quieter thought. And nothing from reality today than this last waning hope of mankind for a peace that will last.

Students Travel All Over United States; Attempt to get Home for Christmas

By Dorothy Terry and Roy Shawor

Vacation begins today, and many students are hitting the trail for home, or a reasonable fac-

ity in the old basement where we spent another crowded, forward and emplace our guns but no orders came. the snowstorm all day awaiting orders to move higher in their mess kits. If ever I fell homesick there, I suspected while we were in the air and too tired to care ship while we were in the air and too tired to care. 1 was stationed at Green- hitchhike, improve my knowledge of music. in the old basement where we spent another crowded, forwarding the granary and drove awhile and dismounted again. I felt a jolly-like feeling coming over my body. However, this left the scene of the dropping zone. We dived out of the overcast to about 200 to 300 feet above the doublings and dropped our Christmas packages, and then we proceeded back to England in the quickest manner possible.

I asked Gene if he ever got kind of homesick, but he said, "No, I was too engrossed in navigating the ship while we were in the air and too tired to care. I was never on the ground, just flying from point to point to you this: I'm going to be down in the beautiful little city of Coventry and the Christmas of Santa Claus this year. And I'm going to be mighty glad that the Lord brought me back from Europe and directed me to the British Army this Christmas."
NEW BUS SERVICE ADDED

One of the 16 Pacific Electric coaches that serve the campus daily.

Pacific Electric Extends Service to La Sierra; Schedules 16 Trips Daily

The Pacific Electric Railway Company inaugurated an extension of its Riverside-Adeline bus service, La Sierra Heights and La Sierra College areas last Monday, December 16, at 6:41 a.m. when the first scheduled passenger bus arrived in La Sierra.

This act was the culmination of a long battle fought by the residents of Adeline and La Sierra Heights for the more progressive system of transportation than the one that was being provided, for the rapidly developing community.

Pre-war Community Too Small

Before the war the citizens of these two communities applied for a bus service which would connect them with each other, and it was denied because the size of the population was too small. During the war a scarcity in buses caused many to walk over the two-mile stretch, at all times of the day and night.

The Arlington Chamber of Commerce authorized licenses for two taxis to operate over the road, but it was too expensive to be practical.

Rapid Transit Declines Service

Finally a request was made to the Riverside Rapid Transit Company to provide service between the two areas. They refused, suggesting that perhaps the P.E. might be able to accommodate the citizens. A special hearing was held, and an investigation, which resulted in the suggestion that the shoulders of two highways be broadened to handle the heavy traffic which would ensue.

The Arlington board of supervisors voted at a meeting September 10 to widen these two thoroughfares. Then the P.E. applied for a franchise to the State Railroad Commission. The Riverside Rapid Transit Co. also applied for a franchise, apparently changing their previous decision.

Pacific Electric Granted Franchise

A special hearing was held in the La Sierra Community Hall on October 33, which resulted in the P.E. being granted the franchise. The Riverside Rapid Transit Co. applied for a rehearing, but were denied, and service was begun on December 16.

16 Runs Scheduled Daily

There will be 16 runs daily, as connecting with that, Mr. Matheson's janitor crew will be made up of Opal Johnson and Jeanne Wilson. Mr. Matheson's janitor crew recog-

 sill for the work, and is the father of Dean Matheson and the members of his janitor crew recognize him as a good, true Christian. He is always cheerful, is able to see the funny side of things, and is always ready to help and give needed advice.

We hope that all will appreciate the work done by the janitor force and will continue in helping to keep the rooms clean.

CAMPUS CAPERS

A new and convenient way of changing seats is practiced in Elde, the Taxi. Each Monday the pupils make up the line, and the chairs in the front are shut up.

The other day, the Physical Education classes were shown a film on tumbling. One girl, looking at it with a starry eye, then sat down on the floor and went through the routine that she already knew how.

Sterling Heads '47 Seniors; Dr. Airey Chosen Class Adviser

The senior class of 1947 was formally organized at the first class meeting, held December 2. Elder Leslie Hardinge, a member of the graduating class, thanked God for His guidance and prayed that this senior class may "strive much with God."

The class was asked to select for officers men and women who exemplify in their lives the principles of honor, honesty, and Christian character, and who have demonstrated their ability to carry responsibility and to lead. Pending the election of the class president, the treasurer, the secretary, and the class historian, the class was asked to select for officers men and women who have expressed their interest in the class and who have been elected by their classmates.

Elder Baldwin emphasized the importance of this event and urged the students to participate actively in the activities of the class. He advised the students to take advantage of the opportunities provided by the class and to use them to build character and to develop their talents.

Whistler Harwell shows Lyceum Film

Bert Harwell, representative of the National Audubon Society, presented a lyceum film on "Some of the Birds of the West," in the college's auditorium. Mr. Harwell showed a large number of slides of birds that have been photographed in their natural environment. He also showed some of the drawings that have been made of these birds. The film was well received by the students, who showed much interest in the subject and asked many questions about the birds shown in the film.

The senior class took place in the college auditorium, on December 14. The seniors, in caps and gowns, marched in a formal procession. The film was followed by a talk on the birds, given by Mr. Harwell. The students showed much interest in the subject and asked many questions about the birds shown in the film.
Elder C. S. Longacre Speaks to Students: Tells of Religious Legislation Fight

Elder C. S. Longacre, the associate editor of the Liberator magazine and associate secretary of the American Temperance Society, was guest speaker at the college chapel services and the Friday evening service conducted last week.

During the Monday chapel hour, the associate secretary of our religious freedom work spoke on "Civil and Religious Liberty."

"Liberty which is neglected, will be liberty lost. Once we have lost liberty, it is exceedingly difficult to regain it again. As Americans, we can understand this as a result of the last World War."

"There is one thing more important for American people than anything else that our land has to offer—that is to guard our constitution."

Elder Longacre pointed out how the Sunday laws have been incorporated into the laws of many of the states in the nation.

In a personal interview, Elder Longacre, who has been connected with the firm of the Temperance departments of the General Conference of Seventh-day Adventists, remarked that one of the most interesting experiences in his career came some years ago when there

Frances Hill Voted Proxy At Sigma Phi Kappa Meet

Frances Hill, sophomore secretary of the Sigma Phi Kappa was held at a recent business meeting of the students. Miss Hill was elected president. Marguerite Davis, freshman English major, was elected vice-president. Estelle Lane was secretary; Mary Farrar, freshman, presided; and Margaret Crocker, senior, English major, as parliamentarian. Mary Yates, junior, pre-medical, and Marguerite Lane, senior English major, as chaplain.

At the last business meeting held Sunday evening, January 12, a committee was appointed under the chairmanship of the newly-elected president to formulate plans for the coming Mother-Daughter banquet.

Sunday evening, February 16, was definitely set for the date of this biennial meet, which alternates with the Father-Son banquet staged by the Mu Beta Kappa. Other plans were laid which will be revealed at a later date.

'Smetol Maniacs' Exhibit Photography in Library

Student photographers who have banded themselves together and known as "Metol Maniacs," are exhibiting their photographic skill on the bulletin boards in the library during this week. This is the first of a series of exhibitions, and other photographers are invited to submit covers for field trips during the second semester.

Striplin is Made Dean of College

C. D. Striplin, professor of secondarv education, has been appointed to fill the vacancy of the office of dean of the college for the remainder of the present school year, according to Doctor Godfrey Cook, president. This action was taken by the Board of Trustees in a meeting at Pacific Union College on Thursday, January 9.

Professor Striplin has been at La Sierra College since 1945. Prior to coming here he was connected with several of our academies as principal, and has spent a number of years in South America as educational secretary of the Inca Union.

V. Dunham Tops First Honor Roll

The mid-term honor roll includes 11 students. Among those who are on the honor roll are the following: A. J. Stahl, received second grade lower than the F," and "C," and received a grade point average of 2.80; J. W. Smith, taking the list, had a grade point average with 15% hours of "A." and "B." grades.

Piano Committee Gives Colored Film Sat. Night

Two hours of Technicolor motion pictures will be shown at the College Hall, Saturday evening, January 19, at 8 p.m., sponsored by the piano committee. The charge of rating funds for the $2000 Mason-Hamlin piano for the new college church.

The program will be presented in three groups—travel, news, and novelties. The travelogues to be seen are "America the Beautiful" and "Robber River." The news features include the recent March of Time release on the atomic bomb, and other current news shorts. The two novelty shorts scheduled are "Holiday for Shoestrians" (Monte Melville series) and "Smart as a Fox." 

Professor Harrys Abel, chairman of the piano committee, stated that if the program is completely sold out, there will be sufficient slips to insure immediate delivery of the piano within the following week.

Pre-Meds Take New Aptitude Test; Results Sent Directly to Loma Linda

Sixty pre-medical students of this college who are planning on entering Loma Linda College or the University of Southern California took the Preprofessional Aptitude Test on Sunday, January 12, under the direction of Prof. L. E. Downs.

The exam was the Moss Medical Aptitude Test, and it has been abandoned in favor of the Preprofessional Aptitude Test. This test consisted of two parts: the General Aptitude Test and the Branch Aptitude Test, and is composed of the officers of the American Medical College, who are also members of the American Medical Association, asked the Graduate Record Office to administer the test to all pre-medical students who plan on entering medical college next fall. The Graduate Record Office in connection with the Carnegie Institution has set up a scientific testing program which is a research project of the Carnegie Foundation for the advancement of teaching.

On January 11 at 9:00 a.m., the pre-medical students of over 400 colleges and universities in the country, 500 miles away, were taking the test which took 5½ hours. Because this date fell on a Sunday, Sierra College was granted special permission to administer this important examination to pre-medical students here on January 12.

‘Ad Libber’ Bob Osborne Reports on Internship Experiences in Long Beach

Robert Osborne, the “Ad Lib” editor of the Criterion, and our foreign correspondent (in Long Beach) at the request of the editor, wrote in to tell us his experiences as a missionary intern in Southern California.

By Bob Osborne

Donna and I are greatly copy

ing in your page last week. However, we feel that book Webster was way off the beaten track when he defined "internship" as

Robert Osborne "the state of being confined to a particular place for a limited time."

well-rounded background to prepare better promoters of God's cause.

EDITORIAL.

The new year dawns, bringing with it unforeseen events and happenings. So it has also brought us the opportunity of our own work to work with. Tell all of the struggle. Greek, Epistles, and Bible Doctrines students that the worst is behind them and the best is yet to come. Pah! For complications!

1:30 a.m. and just about time to call it a night. Best regards to all our friends.

Bob Osborne (And Donna Lee, of course)

P. S. If anyone wants to write here is our address:

L. Osborne

1160 W. 15th St.,

San Pedro, California

We hold our youth conference to obtain a first of the year—in a hall and not in the Long Beach district. There are several hundred interested residents in that locality and we are looking forward to being there for a year or so. I hope.

Administration Building Near Total Completion

The construction on the new administration building and the Piton Memorial Chapel has almost been completed. The exterior of the building will be the front of the building, with its brick wall, will be finished within 60 days, according to James Gregory, contructor.

The administrative offices have been completed and occupied since the beginning of the year. The classrooms on the ground floor of the building will have been plastered and the rooms on that floor have been plastered, except for a small section in the hall.

The painting and finishing work has been completed in the library, but a strike at the Pittsburgh Glass Co. has prevented delivery of the large plate-glass windows, and there is no furnace to heat the large rooms and classrooms.

A temporary furnace has been installed and we have called for the administrative offices until the large rooms are available.

All of the chairs and some of the tables have arrived from the factory in New York, and some are to be delivered will be filled as soon as it can be provided.

Notice To Readers

On account of final examinations, coming next week, there will be no Corinnus published that week up until the 21st, when the next edition of the paper will be on January 30.

To-date the weekly schedule of examinations has been disrupted since November, because of Thanksgiving, mid-term examinations, Christmas vacation, and now final examinations. All have taken a heavy toll on the staff members, but the weekly publication of the Corinnus will begin anew with the second semester; and we, hopefully, will be able to end the school year.

THE BIENNIAL MOTHER-DAUGHTER BANQUET COMES

February 16

Week of Sacrifice Gifts Total Over $5500.00

During the week preceding the holidays, academic students and teachers demonstrated the true spirit of Christmas by contributing more than $5500 for the Week of Sacrifice and Europen Relief. Leaders were appointed in each of the second-period classes and the members of the various groups responded enthusiastically in mining the amount. Clothing was also contributed; the members of the choir group being especially active in this phase of the work.

March of Time Release Features Amer. History

Another "March of Time" picture entitled "New England," presented at a recent chapel period, began with the landing of the Pilgrim Fathers at Plymouth Rock, touched on the historical events of the Revolution period and closed the great manufacturing plants of modern times. The pieces are stressed in addition to the literary and historical features of the New England states.

Poets’ Corner...

My Prayer

Lord, lead me in the paths of right.
Help me to keep Thy face in sight.
Open my heart and shut the door;
The perfect path laid out by Thee.
Hold Thou my hand when I’m alone;
Cry, Lord, and I will come to Thee.

Sybil Clark...

Be friendly to everyone.

Delisa Ham...Resolve to do something, but don’t know what.

Gooden Found...

Study harder in English.

Joanne LOVELESS...Get up when the alarm rings instead of cutting the snooze button.

John STANTON...Not to jeopardize the rights of others.

Tommy Gates...

Leave axes alone.

Warren Kirkwood...

Listen more closely.

Marcia Specht...

Take part in the music and drama groups.

Janice Irish...

Never to be late to class.

Robert Osborne...

Do in forty more winks.

MOTHER-DAUGHTER BANQUET COMES

February 16

Let’s Get Acquainted...

One windy day back in 1932 the story blew into the Liriach home with a crack... "Boy!" Albert Edward was the name of this new arrival. After spending two happy years in Texas he traveled with his parents to Los Angeles and from there to Baldwin Park where his home is now.

Albert is an excellent archer and also enjoys swimming and baseball. He has a habit of smoking which he insists his mother new about. He lives in the dormitory and among his pet peeves are molds. He also dislikes study hall.

This young freshman has plans for the future. When asked about his ambition he replied that he is going to travel some day and travel around the world. He plans to visit all states in the Union. Some day he hopes to be a lawyer, not to stay.

This hazel-eyed and dark-haired boy is a person that we will expect to hear about in the future.

Prep Parade

Amateur Hour Given

In Prep School Chapel

An amateur program was presented on Wednesday, January 8, with James Bock acting as chair man, and eleven students competing. Six vocal numbers included "Dream City" by Don Van, "The Marilyn" trio (Marilyn MacGowen, Marilyn Herman, and Marilyn Myler), "The Song of Hope for the Sunrise" by Joyce Templeton, "The Rose of Texas" by James Vond, "Wild Irish Rose" by Ine- gene Looney, "A Little Bit of Haven" by Martha Holmes, and "A Soul Sweet Mystery of Life" by Charles Lindsay.

There were two piano numbers, "Valois Queenie" by Araki Vanghi, and "The Bird and the Prophet" by Marcia Spracht. The outgoing one, "Begin the Beggine" by George French, and an accension solo, "Our Love" by Don Van, Vranken, and a number on the marimba, "Southern Serenade" by Kathleen Judson.

The two prizes for the vocal numbers went to Joyce Templeton for the "I Dream of Jeannie" number, and the instrumental numbers went to Kathleen Judson and Don Van Vranken.

A skit, presenting an old-time Ford, was cleverly given by David Eckall, Pat McNamara, and an unappetizing passenger. The program was concluded with the reading of the poem "Day of Reckoning." The poem was written by Charles Oliphant.

CAMPUS CAPERS

A teacher asked Glenn Chin what he was doing (knowing that he was up to something). "Just stretching," replied Glenn. Teacher and students agreed that he should find a better excuse next time, for Glenn needs to stretch no less than 6 feet 4 inches.

Let’s Get Acquainted...

On May 7, 1932, a student at P.U.C. received the welcome news that he was the father of a baby girl. The child, born in a hospital south of Long Beach, was named Anna Elizabeth on February 16, 1932. The little girl’s mother was Mrs. Esther M. Brown, who was then living at 311 Calkins Hall. The brown-haired, little chap entered the world on April 1, 1932. His name was Robert Dale March, who was born a freshman at La Sierra, seems to be following in the footsteps of both his father and his grandfather as they were at La Sierra before him. His home is now at 311 Calkins Hall. The baby is named after Charles Brown, a person that we will expect to hear about in the future.

HOWARD CLEAVES, a naturalist photogra pher, will present his motion picture, “Mid night Movies as Lyceum”.

Howard Cleaves, naturalist photographer, will present his motion picture, “Midnight Movies as Lyceum,” fourth program presented by the Lyceum committee in the current series, in the College Hall, February 1, at 8:00 p.m.

Many photographs of animals have been taken at night, and all have been “still.” Howard Cleaves was the first to solve the problem of taking his pictures at night, recording them with a motion-picture camera.

Cleaves began taking motion pictures of wildlife in 1913 under the tutelage of Thomas A. Edison, and has specialized in that field ever since.

The newly-arrived members are to: Mr. and Mrs. Ralph Sandburg, December 29; Mr. and Mrs. Alfred De Wulf, December 29; Mr. and Mrs. Lloyd Wilkins, Sherry Lane, December, 28; Mrs. E. A. Good, December 30; and Mr. and Mrs. Mervin Jones, Mervin, December 19, 10 lbs. 4 oz.; Mr. and Mrs. Henry C. Nelson (living in Loma Linda); Barbara Kay, November 15, 7 lbs. 7 oz.; Mr. and Mrs. Olda Barr, Virginia Elaine, November 12, 7 lbs. 1 oz.; Mr. and Mrs. Don Carleton, Donna Ruth, September 29, Donna Ruth has been on a trip to Colorado and back.

Mrs. Karcher Witt, the daughter of Mr. and Mrs. Luke Clarke, Charleston, has been called to oppose many political issues in Palestine. The stork is still hovering around the beginning of school this fall. The newly-arrived members are to: Mr. and Mrs. Luke Clarke, Charleston, December 29; Mr. and Mrs. Lloyd Wilkins, Sherry Lane, December, 28; Mrs. A. M. Good, December 30; and Mr. and Mrs. Mervin Jones, Mervin, December 19, 10 lbs. 4 oz.; Mr. and Mrs. Henry C. Nelson (living in Loma Linda); Barbara Kay, November 15, 7 lbs. 7 oz.; Mr. and Mrs. Olda Barr, Virginia Elaine, November 12, 7 lbs. 1 oz.; Mr. and Mrs. Don Carleton, Donna Ruth, September 29, Donna Ruth has been on a trip to Colorado and back.

Dr. Cleaves was the first to solve the problem of taking his pictures at night, recording them with a motion-picture camera.

From page 4

there was a total of 11 Sunday observatory visits before the United States atmosphere for medications and fight against them all at one time.

A champion for religious liberty and a direct result of the picture has been called to oppose many varied types of religious legislation in Congress, from tax appropriation bills for maintenance of private and religious schools to bills providing for world calendar reform.

"Even in the last session of Congress there were three different periods of time when I was in opposition to sponsorship of these bills, today the labor union is the foremost in requesting this unconstitutional act."

When asked as to the basis for his fight against intolerance, Elder Longacre replied by quoting the First Amendment to the "Bill of Human Rights," which guarantees Constitutional freedom of worship for every citizen.

Before going to the campus, Elder Longacre attended a session of the Mexican Union Conference, which was held in New Mexico. The girls, Helen Kay and Ellen Fay, were born December 28, 8 lbs. 3 oz., and 5 lbs. 10 oz.

"Even in the last session of Congress there were three different periods of time when I was in opposition to sponsorship of these bills, today the labor union is the foremost in requesting this unconstitutional act."

When asked as to the basis for his fight against intolerance, Elder Longacre replied by quoting the First Amendment to the "Bill of Human Rights," which guarantees Constitutional freedom of worship for every citizen.

Before going to the campus, Elder Longacre attended a session of the Mexican Union Conference, which was held in New Mexico. The girls, Helen Kay and Ellen Fay, were born December 28, 8 lbs. 3 oz., and 5 lbs. 10 oz.

The stork is still hovering around the beginning of school this fall. The newly-arrived members are to: Mr. and Mrs. Luke Clarke, Charleston, December 29; Mr. and Mrs. Lloyd Wilkins, Sherry Lane, December, 28; Mrs. A. M. Good, December 30; and Mr. and Mrs. Mervin Jones, Mervin, December 19, 10 lbs. 4 oz.; Mr. and Mrs. Henry C. Nelson (living in Loma Linda); Barbara Kay, November 15, 7 lbs. 7 oz.; Mr. and Mrs. Olda Barr, Virginia Elaine, November 12, 7 lbs. 1 oz.; Mr. and Mrs. Don Carleton, Donna Ruth, September 29, Donna Ruth has been on a trip to Colorado and back.

Dr. Cleaves was the first to solve the problem of taking his pictures at night, recording them with a motion-picture camera.

Arrangements for the coming appearance of Igor Gorin, "The Prince of Baritones," to the campus for his February 17 concert in the College Hall, were virtually completed this past week when L. E. Behrman, western representative of Columbia Records, Inc., submitted the program to be given that evening, to student body president, Ansel Bristol.

This program, which will be released in the Carrumore prior to the concert, includes selections from Mr. Gorin's wide repertoire, many of which have been recently recorded exclusively on Victor Red Seal Records.

Mr. Bristol urges that all tickets reserved for the concert be picked up at the cashier's office in the administration building before tomorrow noon, as all remaining seats will be placed on sale, "first come, first served."

Igor Gorin Concert Plans Are Finalized; Program Submitted

Howard Cleaves Brings 'Midnight Movies in Animalland' for Lyceum

Howard Cleaves, naturalist photographer, will present his motion picture, "Midnight Movies in Animalland," fourth program presented by the lyceum committee in the current Travel Adventure Series, in the College Hall, February 10.-

Cleaves, the "human chameleon," is acclaimed as an arc ercantrum in the specialized field of wildlife photography. The success he has had in bagging creatures of the wild on film has been achieved through a unique combination of daring, patience, and mechanical ingenuity.

Good Form Week Banquet Climaxes Week of Culture

Plans for the annual L.S.C. Good Form Week are now in progress, according to Carrie Church, cultural vice president of the Associated Student Body. This month anticipated event comes February 5, and is climaxcd by another student favorite, the Good Form Week banquet on Sunday evening, February 10. This will be the first A.S.B. function of the second semester; students are just now beginning to recover from their winter vacation examination "flu."

Mrs. Church explains that the entire week has been designed to raise the cultural level of the college by bringing proper social usages to the students in a direct manner. The circles for chapel and joint worship programs will be demonstration programs to show the student body proper social graces on and off the campus.

This year's special emphasis will be placed on interpretation and understanding of cultural music, art, and literature. (The editor suggests each student interested in this phase of culture take a course in the Renaissance from Dr. Airey.)

Another unique feature of the week will be a "I-Don't-Be-Scared" contest, in which the entire student body will participate to help make this week interesting and profitable for all.

Meteor Sponsors Snapshot Contest

The 1947 Meteor is sponsoring a snapshot contest, now in progress, which closes Wednesday, February 5. The only qualification is that maps submitted must be of either college students or faculty members.

Students entering photographs in the contest must provide names of the individuals in the picture on the back of the photograph, together with the name of the student submitting the picture. All pictures should be placed in the box between the main doors of La Sierra Hall. The best photographs submitted will be printed in the February 15 issue of the Carrumore.

COMING

Friday, January 27

10:15 a.m. Chapel, Dr. Loner-
gan, of Loma Linda, speaker.
5:10 p.m. Sunset.
7:30 p.m. M. V. meeting, H.M.A.

Saturday, February 1

9:15 a.m. College Sabbath Service, El-
er W. Specht, speaker.
8:15 p.m. Woodruff Band.
10:00 a.m. Organ vespers, H.M.A.
8:00 p.m. Cleaves Lyceum, College Hall.

Dr. George Tome, father of George and Betty Tome, suffered an unexpected heart attack and died in hospital, February 7, 1947, at 9:15 a.m. in his room at Loma Linda. Dr. Tome was 50 years old.

The staff of the College Criterion joins the student body in spreading deep sympathy to the family in their bereavement.

La Sierra College Trades Student Programs with L.S.C.

The Associated Student Body of La Sierra College and the Student Association of Pacific Union College are making preparations to exchange student programs during this school year, according to Ansel Bristol, president of the La Sierra College A.S.B.

Pacific Union College will present the first program on the campus, under the direction of their student Association presidey, George Jensen, arriving on the campus sometime on Thursday, February 5. PresidentAnderson will present the chapel program on Friday, February 7, and the evening vespers program. They will return to the "College on the Hill" at Augusta on Sunday evening, February 8, after a brief visit on the campus.

Ansel Bristol will lead a student delegation to P.U.C., leaving here on Thursday morning, February 5, and 30, to present the Friday chapel and evening vespers at that college on the following day.

A.S.B. cultural vice president, E. E. G. Annofsky, and student vice- president, Kay Neil, are working with Mrs. Mable Curtis-Romant, director of speech, on the program to be presented at P.U.C. Indications are that approximately ten programs will be included in the group going north. Later plans will be announced in the following issues of the Carrumore.

递给 Students Smokeless Tobacco

The Student Council of Pacific Union College passed a resolution prohibiting the sale of tobacco to students on the campus, February 1, reading, according to Mrs. Frances Hill, social vice president.

Invitations have been sent to guest musicians and speakers, but other plans are still tentative. Committees have been appointed to handle invitations, reception, decorations, program, and menu.

Bette Tommy was selected to chairmen of the invitations committee, and her co-workers are El-

The Circulation Manager, Alden Carleton, announces the change of distribution of the Criterion from the present location in the Administration building to the former location between the two buildings. This is an improvement over the present system of dormitory distribution and village distribution.

drivers ignore signs

Many drivers are not aware of the fact that the California State Motor Vehicle Code by citizens of this community.

It was my privilege to speak with the patrolman after he had issued the citation to the gentleman mentioned above, and he said that the motorist commented in this area, (2) exceeding the speed limit, (3) failure to make a complete stop at boulevard stops. Most drivers either totally ignore boulevard stops or, slow down and shift gears into second. The low denominator is: (3) failure to stop at all boulevard stops, and failure to do so may result in leaving the driver open to prosecution.

parking problem grows worse

Another serious problem, also mentioned in last month's editorial, is the parking problem, aggravated by the surplus number of automobiles that must be parked on or near the campus proper. It was one of the homecoming events of last year.

Motorists, especially on Saturday, park in such a manner that the cars are double parked on both sides of the road, which as well as the community, has no sidewalks.

Many students unintentionally violate this ordinance, and it is small wonder that many of the students aren't surprised when they are caught. Students are the worst offenders on Campus Drive, and other steps will be taken to prevent this violation.

In the December 12, 1946 issue of the Criterion, announced the change of distribution of the Criterion from the present location in the Administration building to the former location between the two buildings.

On Sunday morning, January 26, an officer followed an automobile from Arlington Drive, which ran through the community has posted signs indicating that there is a 25-mile speed limit, and they race along the boulevard stops. Most drivers either totally ignore boulevard stops or, slow down and shift gears into second. The low denominator is: (3) failure to stop at all boulevard stops, and failure to do so may result in leaving the driver open to prosecution.

What do you think about our

Events in the world of music have been a constant source of inspiration for the Missionary Volunteer Sunshine Band. This band, under the leadership of the Missionary Volunteer Society, is one of the many missionary bands formed for the purpose of providing musical entertainment and support for students themselves. Every week, a group of missionary-minded students leave the campus in a caravan of automobiles to go to the neighborhoods of Woodcraft home in the ten.

The service begins a few moments before 3:00 p.m. with a singing service that encourages the students to be witnesses to the lord, and to be comfortable with them. It is truly called the "Friendship period," and many of the students are the majority of the ladies by nature.

Special Song Service Held

After the singing period is over, the student group forms a choir, singing the gospel songs that the ladies love so well. The superintendent received the new leader, Leslie Aggers, that the ladies love to hear the young people sing. "Jesus Is Coming Again," No. 8, one can sing that song like the Adventists," Leslie observed. "For the second 18 weeks. Mr. M. J. Reynolds is in charge of the music, and has learned that a brotherhood means it to the Adventists," Leslie observed.

The song service is over, prayers with an appropriate devotional background of "God Be With You Till We Meet Again." The service is to be taken care of, and promises to return the following week.

Averages, Lovelace Head Band

James Gray was the leader of the Woodcraft Band during the first semester, and Leslie Aggers and Bill Lovelace are in joint command for the second thirty weeks. Mr. Lovelace is in charge of the music, and has learned that a brotherhood means it to the Adventists," Leslie observed.

If you are interested in doing real missionary work and would like to be more involved in the work, please contact the Missionary Volunteer Society.

“Signs of the Times” Holds Annual Contest

A total of $180 in prizes is being offered in the second annual “Signs of the Times” essay contest at La Sierra College. The contest is for students in the junior and senior classes, who are invited to write an essay on the subject “Christian living in the post-Christian era.” The contest ends at the end of the January term.

Students are asked to submit their essays to their English instructors by January 20. The prizes for the winning essays are as follows: First prize, $500; second prize, $300; third prize, $200; and honorable mention, $100.

The contest is open to all students at La Sierra College, regardless of major. Essays must be submitted in triplicate, and each must be accompanied by a signed entry form from the English instructor.

The prizes will be announced at the annual “Signs of the Times” essay contest banquet, which will be held on February 10. The banquet is open to all students and faculty members who are interested in hearing about the winners of the contest.

La Sierra College, 2001 E. Mission Ave., Riverside, Calif. 92507

Thomson Reaches Physical Review

Dr. Julian Thomson and the Physical Review are two clubs that have recently met to discuss the important role of the physical sciences in modern society.

At the February meeting of the Physical Review, Dr. Thomson discussed the importance of physics in understanding the natural world. He emphasized the need for students to develop a deeper understanding of the principles of physics, and to apply them to real-world problems.

The Physical Review is a club at La Sierra College that meets monthly to discuss a variety of topics related to the physical sciences. The club is open to all students interested in these fields.

The club's next meeting will be on March 10, at 10 a.m. in the conference room of the Science Building. All students are welcome to attend.

Five-Star Chinese General Addresses Special Student Vespers Convocation

Stenborn, Bashbom Join College Faculty; Teach Home Ec., Pre-nursing

Second semester increases in the faculty include Mrs. Ruth Stenborn and Miss Laura Bashbom. Miss Bashbom teaches Home Ec. and Pre-nursing. Mrs. Stenborn comes to L.S.C. from the White Memorial Hospital, Los An- geles. She is known for her knowledge of the hospital's work and her commitment to education. Miss Bashbom has taught in several schools for several years. She received her B.A. degree from the California State University, and has taken graduate work at the University of California at Berkeley. She is now working toward a Mas- ter's degree in nutrition.

At La Sierra College Mrs. Stenborn teaches Fashion and Clothing I class, and will assist in the home economics department.

Miss Bashbom was graduated from the college from the White Memorial Hospital. She is a registered nurse and will be teaching in the nursing center. She will teach the course in Nursing, Projects in Nursing, and Current Trends in Nursing.

The college also announced the addition of two new courses in the field of fashion design. These courses will focus on the latest trends in fashion and will be taught by the college's own fashion design instructors.

Tampin Institute to Give $3,000 in Prizes

The Tampin Scientific and Economic Institute in New York City announces an annual essay contest, open to all undergraduate students enrolled at La Sierra College. The contest is open to any undergraduate student in good standing at the college.

The contest is open to any undergraduate student in good standing at the college. The essays must be submitted by February 10, and the winners will be announced at the annual essay contest banquet on February 11.

The prizes for the winning essays are as follows: First prize, $1,000; second prize, $500; and third prize, $250.

The essays must be submitted in triplicate, and each must be accompanied by a signed entry form from the English instructor.

The essays will be judged on the basis of originality, creativity, and the ability to convey the message of the essay in a clear and concise manner. The essays must be limited to 3,000 words in length, and typed, double-spaced.

The essays will be evaluated by a panel of judges, including the college's own faculty members. The results will be announced at the annual essay contest banquet on February 11.

The essays must be submitted by February 10, and the winners will be announced at the annual essay contest banquet on February 11.

P.U.C. MOTOR CARAVAN ARRIVES HERE FROM ANGWEN TONIGHT

A group of eighteen students and three faculty members from Pacific Union College arrived here this evening in a caravan of cars, with a motorcycle escort. They will provide the chapel program Friday, February 7, and vespers service that evening. This program is sponsored by the Associated Student Body. The weekend tour through the scenic beauties of the Northwest and universities will be presented to the student body in the form of photos, film, and a history of the Edisons' home. The program will consist mainly of songs and music with an offensive background commentary, and the present plans are to incorporate into the Edisons serve an actual recording of the inventor's voice. A unique recording of Florence Nightingale, made in 1890, will also be played.

The following program of the Student Body—Campus Concert Feb. 17

I. The Boy Who Could Do Everything.
II. The Beloved American Poet—Bradley Mac Cluster.
III. The Great American Music Cluster—Carl T. Clark, Director. 

La Sierra Academy Gives Biographical Sketches in Saturday Night Program

"Lives of Great Men" from the theme for the program to be presented by La Sierra Academy, Saturday evening, February 8, at 8:00 p.m. It will be based on the lives of Mendelssohn, Lincoln, and Loogtfogell, and will especially stress the importance of the individual's role in the world. The program will consist mainly of songs and music with an offensive background commentary, and the present plans are to incorporate into the Edisons serve an actual recording of the inventor's voice. A unique recording of Florence Nightingale, made in 1890, will also be played. Exhibits will be placed in the lobby of the school, and projects completed by members of the social science, English, and American history and literature classes. In addition, a movie will be shown, and refreshments will be available. The program is as follows:

College Orchestra is now Symphony; Plans Tour For Southland Cities

The La Sierra College String Quartet, with Mrs. Jean Hill and Ardyce Hanson as soloists, Raymond Casey as violist, and Glenn Cole, cellist, and the L.S.C. Trio, consisting of Berrie Cough, Glenn Gay, and Professor Otto Racker, accompanied by Mrs. Racker, are scheduled to leave the campus tomorrow for Phoenix, Arizona, where they will appear in concert, representing the La Sierra College Symphony Orchestra.

Cubaley Announces College Day Plans

The College Day committee, consisting of Presidents E. S. Cubley, Lloyd Downey, H. B. Himann, Walter Kennedy, Marguerite Amba, Dean C. D. Striplin, Mrs. Dorothy Atrey, Dorothy Concornay, and Roger "Goo" Hennings, and of Dean Striplin's office, discussed plans for the forthcoming College Day and are in the process of determining the exact time and place for the event. The following program of the day was voted by the committee:

9:30—Arrival and registration
10:00—Chapel in H.M.A.
11:35—Lunch
12:30—Chapel Picture
1:30—Campus tour
3:30—Conferences with teachers and student assistants
4:30—Refreshments and departure

The date for this occasion is tentatively set for Thursday, March 6, but there are indications that the date may be changed. Another meeting of the committee is scheduled for the near future, and further arrangements will be made.
NEW COLLEGE DEAN

ARE YOU GUILTY?

There has long been a feeling among students in Seventh-day Adventist colleges that when a prospective student finally reaches college, he either registers for all the required pre-professional training, or else he “just doesn’t have what it takes.”

Aidttendant with this misconception is another common fancy frequently taken by the ministerial training, and “that only the smartest need to ponder.”

The first situation was resultant from a condition prevalent before the war, and considerably aggravated by it. Practically all liberal arts and business students were eliminated through the Selective Service draft, and new male students arriving on a college campus saw practically nothing but ministerial and pre-professional students, and often few of those.

Many students and a small minority of professors had the conception of a college as a great melting pot, wherein all students were “poured” into two molds. As a result there were often many midshipmen who did not see that many unhappy conflicts continually arising within the unfortunate individual.

The great influx of veterans, many of whom took courses of training in the liberal arts and business fields, has partially helped to break down this barrier, which tends to stereotype individual students. But the increased number of college students has increased the proportion of the second group, that of the formation of cliques along vocational and professional lines.

Jesus Christ was a man of many capabilities. He was a Teacher, the greatest ever known; He was a Physician, called by Luke the “Great Physician”; as a lawyer, “man never speaketh like this man.” He was great in His living, known as “The Great Shepherd” and “a Fish of Men.” And as a Son of a carpenter, He excelled in manual labor, in all lines of vocational or professional pursuit, He was unexcelled.

Jesus is our Great Example; He could do all things well, and He showed by His life that no type of Christian endeavor is any greater than any other. In the organization of the first Christian church, the humble servant who swept the sanctuary once a week held just as high a position as the bishop or elder who spoke from the pulpit once each week.

It is the barriers of vocational and professional differences were broken down, and the students in all lines of Christian brotherhood. Until that happens, we will never achieve the unity which is essential to our preservation.

—R.W.C.

STRIPLIN ASSUMES DUTIES AS DEAN OF LA SIERRA COLLEGE

By Vinette Kinch

G. D. Striplin, professor of secondary education, has taken over the duties of dean of the college, filling the vacancy which resulted by the departure of Dr. Kell J. Reynolds, who has joined the department editorial staff of the General Conference of Seventh-day Adventists. In addition to carrying the responsibilities of college dean, Professor Striplin is continuing with his teaching throughout this semester. Next school year he will be released from his teaching activities in order that he may devote more time to his position as dean of the college.

Professor Striplin has always been vitally interested in educational work, either as a student or as a teacher. His wealth of experience along educational lines has caused him to be very sympathetic and understanding toward the students and has enabled him to successfully cope with their problems.

San Fernando Alumni

He is a native Californian, born in Escondido. He attended the church school in San Pasqual valley, which has the distinction of being the oldest functioning Seventh-day Adventist church school west of the Rockies—the site of the first boarding academy being constructed by the conference.

He attended the San Fernando Academy, and after his graduation, he taught in the church school on Ditman Street in Los Angeles. Then he resumed his education, at Walla Walla College where he received his B.A. degree, in 1919.

Educational Worker in South America

He was later called to the Icaza Union in South America to be the principal of the Lima Training School, and leader of the educational and Missionary Volunteer work of that union. He was associated with the Icaza Union for six years, after which he was called to Boston Area as the leader of the educational, Missionary Volunteer, and Sabbath school work of that union.

Receives Ph.D. from Washington

After returning to the States, he taught Bible for two years in Southern California Junior College, which is now La Sierra College, and received his M.A. degree in education from the University of Southern California in 1934.

He was then called to the Arizona Academy for three years, after which he was connected with the Los Angeles Union Academy. From there he went to Glendale Academy, for four years, and then to La Sierra for one year.

He again resumed his education, this time at the University of Washington, where he finished all his requirements for his doctorate except for his dissertation. He is now working on this thesis in the field of history, in addition to all his other duties.

Criterion Will Sponsor Poetry Contest Soon

The College Criterion will sponsor a poetry contest, beginning February 10, in an effort to find and expose latent literary talent among college and academy students.

Contestants are requested to type their entries and turn them in to the Criterion office. First prize of five dollars will be given to the person who submits the best entry, and all others will become the property of the Criterion. Some will receive honorable mention in space permits.

Dr. W. J. Airey, professor of English at the Miss Allen Babcock, associate professor of English, will act as judges for this contest, which closes March 18.

A LAUGH

A laugh is just like sunshine. It freshens all the day; It tips the peaks of life with light; And drives the clouds away.

The soul grows glad that bears it; And feels its courage strong; A laugh is just like sunshine; For cheering folks along.

I highly approve of a Good Form Week. Why?

First, it causes me to pause and consider seriously how I appear in the eyes of my fellow students and strangers.

Secondly, it encourages me to strive to better my self.

Thirdly, it helps me to properly represent my college, and, above all, the Master, who was a helpful reminder.

“Should it be necessary to require classes that teach men the proper way to dress, the polite and courteous manner to use at a banquet, or the gentlemanly way to treat a lady?”

Marvin Jones, Oregon, theology, senior

“Nothing costs less and is of more value to a person than the good form of a person.”

I highly approve of a Good Form Week. Why?
Evangelism students discuss hurdles for the efforts (left to right) Leslie Harding, Kenneth Nip, Anson Bristol, and Hugh Sterling. John Sheakew is absent.

Public and Field Evangelism Students Hold Efforts in Local Communities

Two evangelistic efforts, planned and conducted by the members of the Field and Public Evangelism class are scheduled to begin this month. Elder P. C. Heubach, chair of the religious and evangelistic department, announced.

Unique "Sound-Scriber" equipment will be used in these efforts. Besides the regular motion, strip, and sound film projectors, a special "Sound-Scriber" will be used, which will enable the student evangelist to listen to his own voice and sermon of the actual presentation, after the meeting. This will assist him to study his sermon structure and method of delivery.

Corona Effort Starts

Leslie Harding and Anson Bristol, theology seniors, will conduct the effort to be held in the Woman's Clubhouse at Corona. The meetings will be held on Sundays at 3:30, and Fridays at 7:30 p.m. The first meeting will be held February 23, Sunday afternoon.

Second Effort At Glen Avon

Three theology students, Hugh Sterling, John Sheakew, and Bob Ritchie, are planning another a similar effort, to be held in Glen Avon.

Students from La Sierra's music department will provide the special music.

Arts and Letters Guild Hear Painter Lecture at Riverside Mission Inn

Through an invitation extended by the Artists' Guild of Riverside, the arts and letters Guild attended a special monthly session of the Bijou Club at the Riverside Mission Inn, at 8:15 p.m., Monday, February 8.

The main speaker was Mrs. Alice Rogers. Fisher, a nationally-known painter and a student at the Julian Academy in Paris, the Royal Academy in England, and a private institution in Italy. Mrs. Fisher related a number of her personal experiences while studying and painting in Europe.

The artist's canvases have been exhibited in the Corcoran Art Gallery, Washington, D. C., and many will be placed on exhibit in the Adare Gallery adjacent to the Riverside Mission Inn during the month of February.

To me there is no duty so underate as the duty of being happy.—Stevenson

Pre-dieters Dined at Loma Linda Luncheon

By Beverly Symonds

The pre-dieters students and those interested in this field were entertained by the junior dietetic section of the College of Medical Evangelists in Loma Linda, Wednesday, January 29, at a luncheon in the dietitian's kitchen.

The luncheon, which was prepared and served by the junior, was followed by a short motion picture, "Life as a Dietitian."

Hostesses Velma Crandall and Emmie Chung, former students of La Sierra College, took the women on a tour of the dietetic department of the college, and later through the dormitory.

These attending the luncheon included Jean C'est, Yvonne Yip, June Martin, Barbara Tower, Dorothy McConaghy and Beverly Symonds.

Miss Doris Carthen and Mrs. Ruth Stenborn, of the home economics department of L.S.C., were also present.

SCHOOL MEN VISIT CONFERENCE MEET

The quadrennial session of the Pacific Union Conference, including the constituency of Pacific Union College and La Sierra College, has just closed, after holding meetings since January 25 in San Francisco.

Attending the meetings from the college were President G. T. Anderson, K. F. Andrus, business manager, Elder P. C. Heubach, and Elder and Mrs. Edward Heupenstaff. A group of senior theological students was also present.

TRADE WINDS...

More than 100 students competed in the first annual amateur art show held at Pacific Union College on January 25, filling both Irving and McBirnie Halls to capacity.

Winston Beaven, head of the departments of speech and English at Pacific Union College, on January 25, filled both Irving and McBirnie Halls to capacity.

Larson Heads Prep School Association; Other Student Body Positions Filled

The results of a recent election for new student body officers are as follows:

President—Dave Larson
Vice-presidents—Dores Allon
Second vice-president—Robert MonJeord
Secretary—Rhona Bone
Assistant secretary—Phillip Passim
Treasurer—Paul Baker

TICKETS FOR THE IGOR GORIN CONCERT FEBRUARY 17 ARE STILL AVAILABLE

After Ten Years Students Recall Early Experiences With Teachers

Dear Teachers:

You feel very well acquainted with us and you think you know all about us, but between the clock time back ten years and how many of us would you recognize?

Look again—are you sure Georgia Bullock has knees? At least she worried her mother by coming home with them shamefully every afternoon.

They're delicious! Simply wonderful! What? Dog biscuits! Just ask Lucy Howard which is the best brand. And she Rogered it over on the steps back and out them.

Do Charles Lindsays make mud cookies? Well, at least we know he played his dog, Tippee.

While most of us were playing baseball, there was one who was already earning his own way in the world. He has one partner—his own dog, who is called "Who?" Elwin Ohlander.

John Tilstora started his education in the first grade to North San Antonio. His favorite pastime—swimming every day. Going from North San Antonio to the Philippines he went and swimming every day. Going to the Philippines he went and playing all day long.

The train whistles one dark night about 12:30. As we look around this third-class coach we see people sleeping on the floor, the seats as well.

Two small toasts have a rather hard time finding room enough on their tray. They are Josephine Andry and Ardythe White, traveling from Yeruching to Hongkong, China.

Meanwhile, David Ekvall and his family cross the high road on their way to China, and Margaret McCracken, a former student, her mission home in Burma.

But after all, we are living in 1947 (not 37) and are finding more than enough to chew on. We have one—"Oh, such green tall."
Registrar's Office Does 'Land Office' Business as Registration Closes

By Frances Hill

The registrar's office, located on the ground floor of the new administration building, is just recovering from another periodic, however hectic, attack of "registrationitis," and the office girls are said to be "doing as well as can be expected!"

"If you really want to know why they have a registrar's office on the campus, just drop in sometime and see for yourself, or ask one of the members of the registrar's staff. The office is equipped with the latest thing."

Selections taken from Brahms' works were presented to show the perfect combination of the classic and romantic music, balancing mastery of form with great melodic invention which he used. Elifie Jean Potts sang Brahms' Lullaby. H. R. Hannum, professor of organ, played Beethoven's Piano Concerto No. 5, and Miss Georgette Damon served as pianist. Mrs. Marion Waggoner serves as statistical clerk, Mrs. Betty Dean as recording clerk, and Miss Georgette Damon as secretary to Miss Carlsen. Ivannette Heinrich, who returned to the campus after several years' absence, assists with the ins and outs of registration.

Photostat Machine Added

Another addition to the office is the new Photostat machine, used for making photostatic copies of grade transcripts for other schools, as well as birth certificates, marriage licenses, and veterans' discharge papers. This machine, delivered last July, is housed in another room which is equipped with a tiled sink, running water, and a dryer, all operations being completed on the inside. The finishing coat of plaster is being put on the inside and the doors and windows will be finished for graduation at the end of this semester, unless another unforeseen problem arises.

At the present time the second coat of plaster is being put on the outside, and the lathing is being done on the inside. The finishing work is being done on the roof, and the doors and windows will soon be in place.

The total cost of the new building, which will cost $4,000, will be about $200,000. Enough funds have been set aside for the completion of the inside of the auditorium, however, and the date of completion of the building will be determined by the additional funds which will come at a later time.

Teachings of Tomorrow Plant Activities

Plans for a field trip for the Teachings of Tomorrow chapter will be discussed at the next regular meeting, February 13. Eligible schoolgirls in Glendale and Lynwood and nearby schools that will be of interest. These girls will be given the ins and outs of registration.

Miss Logan, a newcomer who started working in the office last July, is another friendly person who is always as willing to help anyone as she was who used to be in the office. The help she is giving is instrumental in getting the first-year members over the hump of the initial registration period. Miss Logan is connected with the Educational Department of the Pacific Union Conference.

Criticism of Brahms Given by Ellen Short

"Johannes Brahms," the third of the "three Bs" and now granted ranking as the equal with Bach and Beethoven in the field of absolute music, was the subject of the chapel program presented Monday afternoon. The program was designed to further the cultural interests of the students for a better appreciation of music. Miss Ellen Short, instructor in piano and music appreciation, was in charge of the program.

Selections taken from Brahms' works were presented to show the perfect combination of the classic and romantic music, balancing mastery of form with great melodic invention which he used. Elifie Jean Potts sang Brahms' Lullaby. H. R. Hannum, professor of organ, played Beethoven's Piano Concerto No. 5, and Miss Georgette Damon served as pianist. Mrs. Marion Waggoner serves as statistical clerk, Mrs. Betty Dean as recording clerk, and Miss Georgette Damon as secretary to Miss Carlsen. Ivannette Heinrich, who returned to the campus after several years' absence, assists with the ins and outs of registration.

At the present time the second coat of plaster is being put on the outside, and the lathing is being done on the inside. The finishing work is being done on the roof, and the doors and windows will soon be in place. The large exterior windows will arrive February 13. The building is scheduled for completion.

The total cost of the new building, which will cost $4,000, will be about $200,000. Enough funds have been set aside for the completion of the inside of the auditorium, however, and the date of completion of the building will be determined by the additional funds which will come at a later time.

Teachings of Tomorrow Plant Activities

Plans for a field trip for the Teachings of Tomorrow chapter will be discussed at the next regular meeting, February 13. Eligible schoolgirls in Glendale and Lynwood and nearby schools that will be of interest. These girls will be given the ins and outs of registration.

Miss Logan, a newcomer who started working in the office last July, is another friendly person who is always as willing to help anyone as she was who used to be in the office. The help she is giving is instrumental in getting the first-year members over the hump of the initial registration period. Miss Logan is connected with the Educational Department of the Pacific Union Conference.

Dean Champion Speaks To Mu Beta Kappa Men

Tonight at their meeting, the men of the Mu Beta Kappa club will have as their guest speaker Mrs. Mary Champion, dean of women. Mrs. Champion's subject will be one that is associated with the themes that have been carried out during Culture Week.

Mrs. Champion, president, states that the club members have agreed to purchase four volumes of records to be used in cultural occasions. These albums will contain a variety of both secular and sacred music. An elaborate dinner music in the past has been provided by Lowell Plysko from his personal record collection.

MARTER COMRADES

Continued from page 1

A Master Comrade banquet will be held at the Woman's Clubhouse, 10th and Lemon, in Riverside, California, Monday evening, February 10, at 6:30 p.m.

All Master Comrades and those interested in working to become a Master Comrade are invited to attend. Music, good food, speakers, and displays are promised. Tickets are on sale at the College Store at $1.00 for a reservation.

Luther succeeds Biggs as Comptroller of C.M.E.

Lloyd E. Biggs, comptroller for the College of Medical Evangelists, has accepted a call to serve with the North Pacific territory as a territorial-comptroller. Chosen to take his place is O.C. Luther, junior and senior art student at L.S.C.

Mr. Luther has been associated with the College of Medical Evangelists for 17 years in the business administration department, and the past two years as general manager. Prior to his service at C.M.E., he was connected with retailing and institutional work in this country and in the Orient.

Practical Living is Featured by Seminar

"The Practical Way of Living in the Christian Way and What Constitutes the Way" was the topic of a lively panel discussion presented by the A.S.B. Seminar during the chapel hour Wednesday, January 29. Elder E. Heppenstall, professor of religion, presided as chairman of the program.

Those who participated included Pluntie Good, Fannie Spillman, Kenneth Cope, Leslie Hardinge, Hugh Stergel, and Mable S. Bogue, assistant religious vice-president of the A.S.B., and seminar leader, arranged the program.

L.S.C.-ite Class of 1965 Arrives on Campus

Mr. and Mrs. James Hanson were presented with their first son in the Linwood Hospital. Mrs. Hanson, when little Michael Douglas Hanson made his arrival at 4:00 p.m., January 9th, was 8 pounds, 5 ounces on her "birthday."

The father, James, is a sophomore pre-medical student, and Mrs. Hanson is the former "Noni" Macwell.

Open the Door, Violet

Is Marshall Horman's face red! Mr. Horman, Carrance's and Gage's representative on the campuse-about-the-campus, was pursuing his daily vocation (or rather the vocation was pursuing him) of taking registrations. Portraits the other day when Violet Boyko stuck her head inside Professor Carrance's studio and asked "Mardi" if the professor was in.

Marshall carefully removed his head from within the black depths of the queen's "innards" to politely reply, "No, and I don't know when he will be." Then he proceeded with his portraiture. Five minutes within the same number of minutes Miss Boyko opened the door with the same query, only to receive the response, "He's busy, Violet. Go away!"

The sixth time the door opened, a voice requested, "Is Mr. Carrance there?" whereas Marion commanded, "Go away, Violet. You sound just like Miss Jeron (the professor of elementary education). It was!"

Orchids to Hines

My nomination for "Businessman of the Year" was James Hines (claims he's one of the 57 varieties), who hails from Tempe, Arizona.

Jimmie, a most industrious lad, has a Los Angeles Times paper route in two denominations, a Rolls Royce for a village florist, and a sub-agency for the Corona Lumber Co. on the very lineback, but only one flower..."Hines"

Unsupervised

February is noted as the month of birthdays of famous men, but there are a few famous women in the L.S.C. Who is the current star of the month? A certain gentleman friend, after a careful perusal of advertisements proclaiming elements of gift of perfume for mildly, went to a Riverside department store, and, walking unashamedly up to the salesclerk, asked for an ounce of "Chenelle, No. 5." He still doesn't know why she laughed and sent him back to the drugstore.

VIOLET BOYKO IS FRENCH CLUB PREXY

Le Cerde Francois, La Sierra's only foreign language club, elected its new officers at the last club meeting. Violet Boyko, senior French major, was chosen president. Veradell Turner, senior music major, was vice-president, and Kristen Christ, senior administrative major, was elected secretary-treasurer.

Motion pictures on France will be presented at the next meeting of Le Cerde Francois. The date for this meeting has not been scheduled.
Vannix Heads ‘Meteor’ Campaign
With Coggins, Reynolds Assistants

By Beatrice Zane

With a goal of 1000 subscriptions, the 1947 Meteor campaign was inaugurated yesterday during the chapel program. Ansel Bristol, student body presy, officially launched the campaign, and intro-
duced Bob Vannix, who will manage the campaign.

Ansel, a senior, included Velma Reed, co-editor of the forthcoming annual, Art Kleo, business manager, and the campaign’s student leaders, Jo Ann Coggin and Glen Reynolds.

Student Body Divided into Teams

Bringing with them the two traditional teams, the men vs. the women, the relaxers, he divided the student body into two groups on the basis of the location of their home residence. Students who live in Los Angeles county belong to Miss Coggins’s group, known as “Sherry-ville,” while students whose homes are in other parts of the state, nation, and foreign students, will rally under the banner of Glen Reynolds, master of the “Utopians.”

Leaders Promise Success

Campaign Manager, better known as Bob (two-point) Vannix, is an alumnus of Grendale Academy, class of ’43, attended Walla Walla College in ’44, and more recently belonged with the C.G.I.’s. He claims that the campaign goal will be reached if everyone puts their entire support behind their leaders. He says he is counting on his fellow veterans to help “put it across.” Jo Ann Coggin, Sherry-ville chief, says, “I’ll be a good campaign, and

Photograph of the campaign leaders on page 3

we’ll naturally win, for everyone knows that people from Southern California always work together to accomplish their goal.”

Glen Reynolds, the man from Utopia, says he “expects the students in his outfit to put it across, and have plenty of fun doing it.”

And, “to keep things humming,” the indomitable Lowell (“We’re Out For Subs”) Plicer, author and composer of many “hit” tunes in past campaigns, has made a spe-
cial arrangement of “California How I Come,” for the Sherry-
ville’s battle song, and another of “On Wisconsin,” for the cheer of the Utopians.

Prizes for All

Campaign prizes will go to high-scoring individuals, but every stu-
dent that gets his three subscriptions added to the traditional holiday at the cloche of the

Tune to page 3, col. 1

Mother-Daughter Banquet Scheduled

Sunday Night; Dr. Ehlers is Speaker

Dr. E. C. Ehlers, assistant professor of medicine at the College of Medical Evangelists, Loma Linda Division, has accepted an invitation to speak at the forthcoming Mother-Daughter banquet, staged by the women of Sigma Phi Kappa next Sunday evening, February 16, according to club presy, Frances Hill.

An estimated 400 mothers and daughters are expected to attend this banquet, held biannually, alter-
nateing with the biennial Father-Son banquet. Jo Ann Coggin will act as mistress of ceremonies, and the welcoming speech will be deliv-
ered by Frances Hill. Mrs. Clarence D. Coggin will give the mothers’ response.

Mrs. Clarence D. Dixon, mother of Margarete Dixon, club vice-

president, will be guest soloist, and Barbara Sheldon, who attended L.S.L. 1944-45, will provide piano solos music during the din-
er hour.

A special feature of the banquet will be “The College Girls’ Day,” which will depict events of the school year and campus life, shown on kodachrome slides. Mary Donna Ball, chairman of the program committee, is responsible for the con-
tinuity, while Kay Neal acts as narrator, and Elfie Jean Potts pro-
vides a musical background.

The word “mother” will be carried from ice, flanked by palms, to serve as the main theme of the decoration. Each mother will be presented with a corsage made of the roses of her choice.

Dr. E. C. Ehlers

QUALLEY-DICK WED NIGHT

Miss Muriel Elaine Qualley and Mr. Everett Wesley Dick will be united in marriage tonight at the Riverside Seventh-day Adventist church.

Miss Qualley was majoring in home economics at the Riverside Seventh-day Adventist.

Mr. Dick was president of the pre-professional graduate club, and is a freshman medical student at Loma Linda De-

vision of the College of Medical Evangelists.

Elder Arthur L. Beitz, pastor of the White Memorial church, will officiate at the wedding.

Dr. E. C. Ehlers

The Prince of Baritone’s

Associated Student Body Brings Singer To Campus; Ticket Sales Near 1300

Before an anticipated audience of 1500, Igor Gorin, acclaimed

Mr. Corin comes to Southern California from the Northwest, after

Igor Gorin Sings Monday Night

Before an anticipated audience of 1500, Igor Gorin, acclaimed

Having sung in concerts at Van-

nucor, Tacoma, Seattle, Corvallis, San Francisco, and Maryville, he

will arrive in Hollywood tomorrow afternoon, and is slated to sing at Van Nuys on Saturday evening, February 15. His next engage-

ment will be his concert on the campus next Monday evening.

Gives Varied Program

Program arrangements have been cleared through the college of-

ice, and are now virtually com-

pletes.

In his concert next Monday evening, he will sing a selection of

4-21 songs that include light classical numbers, including Tschikolovskiy’s poignantly familiar “None But the Lonely Heart.”

Asstisted by Valentin Pavlovsky

The Russian baritone will be as-

sisted at the piano by Valentin Pavlovsky, who will play two Chopin selections during the inter-

mission.

Born in the Ukraine, Igor Gorin returned to his native land, but some of his most-loved numbers are the Russian folk songs that he learned at his mother’s knees, which he introduced to American audic-

ences. These selections, and many others have been recorded success-

fully on R.C.A. Victor Red Seal.

Sings on Network Shows

Mr. Gorin is frequently heard on the Firestone Hour, and has ap-

peared on many other coast-to-

coast network shows, including the Ford Sunday Evening Hour, Inter-

national Harvester, Kraft Music Hall, R.C.A. Victor, and many others. However when he is on ex-

tended tour, his radio appear-

ances are deferred.

More Artists Coming

The Associated Student Body, by initiating the presentation of na-

tionally-known artists, hopes to continue and include other top-

ranked entertainment features at later dates, according to Ansel Brist-

le, student body presy. “What

is done in the future, by way of bringing these artists to campus, will be gauged by the type of response received next Monday evening.”

Radio Advertisements Used

Student advertising committees, with Ansel Bristol, Roger Goon, Bill Byrd, and others as chiefs, have placed display posters in Redlands, Loma Linda, San
CONVENTION REPORT

(Because of the timeliness of the report, and its interest to lay members as well as denomina-
tional workers, the editors reprinted the usual
editorial this week so that a more complete
report from the Continental session of the Pacific
Union Conference, held in San Francisco, January 31 to
February 4, might be given.)

Elders and Conferences laid out in the services
and discussions during the convention. The book
"Evangelism" practically served as a textbook. He
frankly announced his change from church that
today, and the only remedy for that fail-
urose was also presented. "We should follow the
blueprint as given through the Spirit of Prophecy,
as set forth in the quotations in the book "Evangel-
ism," he stated. Many in attendance were
shocked to learn how far some of the brethren
have wandered from the counsel given by the
Lord for evangelistic and pastoral workers. The
following parts were given particular study:
1. In evangelism we must not be "harbingers
doom," but "heralds of happiness.
2. We must have "bait," but we should have
it on a "hook.
3. The Man Christ Jesus must stand out in all
our efforts as the central feature in
our evangelistic activities.
4. We must know how to guide people into
the truth as taught in the Spirit of Prophecy.
The thought was brought out that we must
carry our message before us at all
times in evangelism. Elder Anderson pointed
out how most of our big decisions are made under
emotional stress.
This is important, and has been neglected many
times.
5. We must stimulate people's imagination. This
is being led in the community, but to allay any
resistance. It has been found that if presented
how to hold an audience and teach them to ac-
cept prayer. We must present Christ to the peo-
ple, how most of our big decisions are made under
a stronger word to use than that. To keep him out
of the way shouldn't bother him. For his name is always
and he hopped the next ship home when peace
was declared.
6. Kenneth attended L.S.C. for one year before
he was "caught in the draft," and is now back here
preparing for his pre-medical requirements for Loma
Linda. If worse comes to worse, he may decide
to take a biology major, getting a B. S., before
finishing his pre-medical requirements for Loma
Linda, and this is the time of year in which most
of the work comes.

MINISTERIAL FELLOWSHIP
The Ministerial Fellowship met for the first time this semester Fri-
day evening, February 7, under the leadership of its new
president, John Shewmake. The meeting was opened by singing "Far and Near
the Fields are Teeming," after which Elder Shewmake, president of the Student Association of Pacific
Union College, read the scripture and
offered prayer.
Jim Van Arsdale, Mervin Jones,
and Ardel Bristol, three senior min-
esterial students, gave a report on
the meetings they attended in San
Francisco last week. They gave
the younger students a new vision
of their pastoral and evangelistic
work.
Mr. Baeringer was the speaker
of the evening. He spoke on "Are
we the salt of the earth." He di-
rected much of his talk to the an-
swering of the question, "Should
a minister be interested in agricul-
ture?" He read several statements
from Ministry of Healing, Christ's
Object Lessons, and Country Liv-
ing. Some of these statements were:
"God's plan for Israel was to
work the soil." "Nature is the mirror
of Divinity," and "We should work
to get the people out of the cities
and into the country.
COMMERCIAL
The College Commercial Club met for the first time this semester on February 4, for a busi-
ness meeting. Kenneth Copc, the new president, promises to make
the club a stronger organization interesting and well worth attending.
At the next meeting, February 18, Mrs. Mabel Curtis-Romant, pro-
gram chairman, will introduce a guest speaker. She will discuss par-
liamentary procedures in their rela-
tion to business affairs, and will be aided by the investi-
gation of two new Master Comrades.

In view of past records, Elder Hancock says he
is expecting the La Sierra Missionary Volunteer
society, under the leadership of Hugh Sterling, to
prepare the largest group of Master Comrades for
investiture in May that has ever been invested in
Southern California.

MARTON MASTERCOMANDE"
**Prep Parade**

**Olson of Loma Linda is Guest Chapel Speaker.**

Ever since the fall week of Prayer, Elder Robert Olson, of Loma Linda, has conducted the special studies, has been a very welcome guest speaker of La Sierra Academy. La Sierra Academy presented Elder Olson on Friday, February 7, he related youthful experiences when he, with two other boys, went on a hike from the state to the state of Washington. Some of the high points of the trip which they graphed in what they supposed to be Salt Lake, the salt marsh when the car broke down, it had been pelted with bullets, the arrival in a town at 5:00 a.m., where they drove the highest point of land for a view of the surrounding country and discovered that they were in a cemetery (they were not too cordially received by the caretaker), their horse was on the road, out of sight of the family, and finally, when the car was delivered, attempting to hitchhike home, walking, walking till three in the morning.

The boys were on their way to a conference at Sun Valley, where they met their parents and enjoyed all the experiences incident to such a gathering.

**Speech Class Studies on Word Pronunciation.**

Anyone walking down the hall by Miss Lorenzo’s classroom during the time of the 11:30 period might wonder at the strange sounds that he hears. It is only the newly-organized speech class learning how to enunciate words distinctly.

The class consists of twelve students, including the president of a Froote. Delano was a room instead of a floor. Delano was a hat instead of a nose. If Dorothea were passing, not toward the state of Washington. Delano was a nose, not a hat. If Louise were a room instead of a hat. If Louise were a room instead of a hat, she must have been at the state of Washington.

**YEAGER REPORTS ON M.C.C. PROMOTIONS.**

Capt. Doreen Yeager, the M.C.C. public relations officer in the local Medical Cadet Corps unit, announced theirutnute of proupses George Warren Kirkwood to the rank of first sev- erant, and George French Joan, to the rank of technician, fifth grade.

Eight privates were promoted to the rank of corporal. They include: Howard Barron, Bill Han- th, Thomas Cates, Mac Shanahan, Albert Myer, Floyd Mikkelsen, Floyd Pennington, and Bryck Tyler. T, George French has organ- ized the Cadet Band, which will play for parades, reviews, and matches.

**Academy Gives Unique Program on 'Great Men'.**

A program honoring four men—Mendelssohn, Longfellow, Lincoln, and Edison—was given in the month of February, was given by the students of La Sierra Academy on the evening of February 7.

Combined with music by the choir and band, and with stage settings showing the early recordings of the music of Mendelssohn, selections from the poems of Longfellow, and on the screen a picture of Lincoln, the contrast between Edison’s childhood and our day was de- picted by candles, kerosene lamps, and the old-time “jump lighter.” A replica of the first photograph made and was demonstrated by students from the photography class. Snatches from a number of recordings suggested the value of understanding the history and philosophy of our voice of people gone now. The fact that the year 1947 is the 100th anniversary of Edison’s birth was given special point to this section of the program.

**Let’s Get Acquainted.**

Mr. Purdy thought he had the best birthday present a man could ask for when he heard his first glimpse of his new daughter on his birthday, March 27, in 1928. Phyllis was born in Au- born, Washing- ton, the seventh child of a family soon moved to Can- day was destined to have many interesting experiences. She had her first thrilling experience while in Canada when she saw the King and Queen of England. In 1949 she married De- so, and when she was in town recently. She was telling her friend that the next bus to La Sierra would be stranded, she would have to hurry if they caught it. As she took hold of her friend’s arm, telling her to hurry, she looked up and discovered she was talking to some stranger. After a few muttered words of apology both girls lied. Phyllis with a very red face and the decision that she would always look before she spoke.
A.S.B. Sponsors Unique Hawaiian Banquet; Features Student Musicians

By Beverly Symonds

In the atmosphere of candlelight, waterfalls, and soft Hawaiian music, the Associated Student Body climaxed another annual Good Form Week with the traditional banquet held in the college cafeteria on Monday evening, February 19.

Approximately 250 students attended this semi-formal banquet, presented with a Hawaiian theme, by Bob Paddock, who has spent several years in the Hawaiian Islands, served as master of ceremonies.

Student Musicians Perform

Douglas Potts, accompanied at the piano by his sister, Effie Jean, and Ernest Von Pohle rendered a vocal solo. The piano by his sister, Effie Jean, served as master of ceremonies.

Student Musicians Perform

Douglas Potts, accompanied at the piano by his sister, Effie Jean, and Ernest Von Pohle rendered a vocal solo. The saxophone trio, with Bill Loveless, Dick Serna, and Ray Nelson, played a rendition of "Pale Moon," quite appropriate with the light, soft, and smooth weather.

Missionary Volunteers Distribute Handbills

The Missionary Volunteer Society of La Sierra college has taken a very active part in the distribution of handbills for the effort. A concert by the group will be held in the college hall on February 22. Approximately 250 students at-

Russell Wright to Bring New Post-war "Norwegian Lives Again" Documentary Motion Picture of Norway

Russell Wright, photographer, commentator, and lecturer, will present "Norwegian Lives Again," the first documentary film to come out of Europe since the war, in College Hall on February 19, at 8:30 p.m.

This technicolor film is not a war film, but rather a complete story of Norway today—the people, the country, leading personalities, and the aftermath of the war.

Mr. Wright covered the country in practically every mode of transportation, from airplane to foot, and with the prime minister and other prominent citizens, student life in free Norway, and actual "underground" operations as re-enacted by heroic citizens.

Mr. Wright was one of the first correspondents to go to Europe after V-J Day on the old pre-war passport basis. He has just returned from a five-months' stay in the Scandinavian countries, where he filmed "Norwegian Lives Again."

Hiscox and Quartet Take Program to Yucaipa

Harley Hiscox, theology student, and the Voice of Youth Quartet presented a program of inspirational thoughts and music at the Yucaipa church last Friday evening. Delmar Glover, first tenor, conducted a rossing song fest. Tracy Shantz, pianist, accompanied the group.

This is the first in the series of devotional meetings to be conducted by the group.

CHERNIAVSKYS COME FEB. 22

Jan Cherniavsky, pianist, and Misael Cherniavsky, cellist, will be presented in solo and joint recital by the lyceum committee on Saturday evening, February 22, 8:15 p.m.

These two brothers, who have appeared in concert on five continents, were born in Kiev, Russia, sons of another famed musician. Their father was noted for his musical talent, both as violinist and as a conductor.

Mr. Cherniavsky, the pianist, has toured Europe, Asia, Canada, and the United States, beginning his career at the age of eight years. His brother, Misael, began his career as a violinist at the age of nine years, and together they have made sixteen tours across the United States, ten through South and West Africa, nine through Australasia and New Zealand, and many others through the remaining parts of the globe.

This is the Cherniavskys' second concert appearance at La Sierra College. They previously appeared in Holden Memorial Auditorium on January 27, 1945.

Russell Wright brings to new post-war "Norwegian Lives Again" documentary motion picture of Norway.

HUGH STERLING TO SPEAK AT GLEN AVON AS STUDENTS HOLD EFFORTS

Members and friends of the Missionary Society are invited to attend the first meeting of the Glen Avon effort February 16, Sunday evening. At the Glen Avon Woman's Clubhouse, 4305 South Lindsay Street, between Mission Blvd. and Belle Creek Street, Hugh Sterling will speak on "China's Famed Forbidden City." He will tell how he ventured through the portals of the Mystic City and what he found there.

Mr. Wright was the first correspondent to go to Europe after V-J Day on the old pre-war passport basis. He has just returned from a five-months' stay in Norway, where he filmed "Norwegian Lives Again."

Missionary Volunteers Distribute Handbills

The Missionary Volunteer Society of La Sierra College has taken a very active part in the distribution of handbills for the effort. Lectures are to be held in Glen Avenue meet.

Under the leadership of Fred UHees, an excellent turnout of students and cars made it possible to cover the territory in record time. James Hall, George Purkey, Earl Wortham, and Jerry Fratcher each took charge of a district. The effort will include territory from West Riverside, Glen Avenue, Peckley, and Mira Loma.

It is the plan of the leaders of the Glen Avenue effort to have the Missionary Volunteers society organize to back the effort, thus giving the students the opportunity to engage in personal soul-winning work among non-Adventists.

ATTENTION VETS

Mr. Lloyd 5. Sallin, Veteran's Administration Training Officer, announces that beginning with the last week in February, he will be on the college campus every Monday, Tuesday, and Thursday mornings, from 10 a.m. to 2 p.m., continuing with this schedule until further notice.

Everyone is expected to make good—not to make excuses.

Leisure is the time for doing something useful."
DELEGATES LEAVE CAMPUS FOR P.U.C. JUNKET; RETURN SUNDAY

A student delegation will leave the college at 9:30 a.m. today for a three-day trip to Yosemite, indicating the return visit paid by students and members of the faculty of Pacific Union College when they visited here over the week-end of February 7-9.

Take Chapel Service

The theme of the program will be "The Youth to Finish the Work in This Generation." Scheduled to speak in the chapel service to morrow at the college on the hill are Prof. K. F. Amba, business manager, Kathleen Neal, junior, speech major; and Josie Harding, sophomore, theology major. Mr. Har- ding will report on "What La Sierra is Doing to Finish the Work."

The evening vesper program will be provided by Ellsworth Will- man, soprano; theology major; Joseph Pierce, junior, theology ma- jor; Prof. E. S. Cubley, and Kath- leen Neal. The program of the evening will be presented at this evening service.

Special arrangements for these two pro- grams will be provided by the Voice of Young" male quartet (Marvin Chamness, Delmar Glover, Bill Murphy, and Phil Dunham), Douglas Potts, pianist; Ellie Joe Potts, pianist; and the L.S.C. Vio- lin Trio, with Glenn Grite, Cherrie Clough, and Prof. Otto Rucker. The group will remain the college until Sunday morning when they will return to Southern California.

Igor Gorin, Sponsored by A.S.B., Rated 'Best Ever' By Enthusiastic Audience

In what was considered by listen- ers as "the finest concert ever pre- sented on the campus," Igor Gorin, from California Institute of Technology, appeared in concert at the College Hall last Monday night, February 17, sponsored by the Associated Student Body.

Mr. Gorin, assisted by Valentin Pavlovsky on the piano, presented the first half of his program in three divisiion settings from Han- del, Rossini, Stojowski, Massenet, and others.

Pavlovsky Plays Chopin

Douglas Potts, pianist, and Mr. Pav- lovsky played the "Neptune" and "Waltz Brilliant" in Chopin on the college's new Mason-Harlin piano which was delivered the morning of the concert.

The second half of Mr. Gorin's concert featured selections from his "light" classical repertoire, in- cluding "Gavotte" and "Andante" from his "Tenant of Sevate," and M. Widor's setting of "The Lord's Prayer."

Champion Holds Reception

With Mary Champion, dean of women and advisor to the Asso- ciated Student Body, in charge, a reception was held for "The Executive," her husband, and Mr. Pavlovsky in Los Angeles Hall following the concert. Members of the Executive, Members of the Associated Student Body, and other invited guests were present. Cherrie Clough, A.S.B. cultural vice-presi- dent, served as hostess. Mrs. Mahur Curtis-Roast acted as hostess.

The complete program presented by the pianist is as follows:

A minor threat irritation pre- sented by"The Barber of Seville" during the first part of the evening, although he did sing "Figaro," from "The Barber of Seville" during the first half of the program. He re- ceived encorees during the second half until the end, when he finally sang "The Blind Pianou," "Sing a Song of Sixpence," and "Mary's Whistle." A souvenir booklet will be given to each visitor, containing the day's program and messages from the college and student body presi- dents. A special six-page edition of the Carolinian will be published commemorating the event.

A.S.B. Meteor Benefit March 16

The Associated Student Body will give a Meteor benefit in Col- leges Hall, Saturday evening, March 16, at 7:30 p.m., according to A.S.B. proxy, Arroyo Britel. Spot-lighting the evening's program will be a number of motion pictures, including "Men of Ten- nis," describing the activities of the Boy Scouts of America. "Don't Be a Sucker," showing the ways and wheres of modern fraud. "Two Decades of News," giving history of the Boy Scouts of America, "Mishel also is a brilliant soloist in recital as well as in the orchestra. He has appeared under such prominent conductors as Sir Thomas Beecham, Sir Hildegardo, Dali, Malcolm Sargent, and Rossini." A.S.B. Meteor Benefit March 16

Cherniavsky ‘s Invitations to Play Saturday evening. March 16, at 8:15 p.m. in College Hall. The Cherniavsky’s—Jan, pianist, and Michelle, cellist, will present a concert. The program will cost $5100, with the stu- diees raising nearly half that amount.

Both of these shows shrowd their music at a very early age. Their father was a noted violinist and conductor and the three of them made up the renowned Cherniavsky trio. Their years of suc- cessful concertizing began for the boys at the ages of 8 and 9 years.

Illustrated Page Three

and included many tours in the United States, South and West Africa, Australia, New Zealand, Japan, India, Java, South America, Mexico, England and Canada. It is no wonder they have been called the "Globetrotting Cherniavsky's." Their mile cover- age is over two million in all.

Jan, as an artist of individual achievement, has appeared in re- tal as well as soloist with major symphony orchestras here and abroad, among others playing under the direction of Bozelnak, Weingartner, Sir Ernest Macmillan, Basil Cameron, and Allard de Ridder.

Mishel also is a brilliant soloist in recital as well as in the orchestra. He has appeared under such prominent conductors as Sir Thomas Beecham, Sir Hildegardo, Dali, Malcolm Sargent, and Rossini. **HAPPINESS**

Our last discussion on happiness concluded with the thought that if we were seeking happiness, we didn't do it properly. If we were spending our time passing it on to others, we'd feel happier. I'd like to ask you now, how much time have you spent lately passing it on to others that would make others happy?

Regardless of age, rank, or experience, it seems that at times we all feel rather low in happiness. If at times like this one would check his program, it would be seen that he was not doing anything for others around him. I maintain that a down-thinky-dilly experience never occurs when one is doing something for someone else.

**THREE MAIN REASONS FOR UNHAPPINESS**

If one has not completely surrendered his selfishness to the will of Christ Jesus, or if he is not using his God-given talents for others, or if he looks outside to find happiness, he is not happy.

The way to happiness there are many different methods of finding happiness, and perhaps many of them bring temporary happiness or a reasonable facsimile there-of, but the only lasting one comes from joining our life to One who is everlasting. A person may try every method on earth and still come back empty-handed. The answer to this question is: Christ. What are you going to give eventually and every day, to your Creator in return for the time and the space you have been given to live? Which brings me to the second point, use of our talents. It is my conviction and experience that a person can be happy only to the extent that he is using his talents. We all have creative instincts along some line. How many idle (sleeping) talents do you have buried? The reason busy people are unhappy, naturally. "Set your affection on others, and every day, to your Creator in return for the time and space you have been given to live."—Forrest Smith

By Barbara Tower

Although Elizabeth Saunders once wanted to be a nurse, her plans seem to have changed, and now she is teaching piano to 33 students here at La Sierra.

"I started music when I started school," she said, "and although I didn't plan to teach it then, I always took it very seriously. I received my degree in music at the Toronto Conservatory in Canada."

After her graduation she taught at Union Springs, New York. She didn't plan to teach it then, I always took it very seriously. I received my degree in music at the Toronto Conservatory in Canada."

During the summers they stayed at Arrowhead and taught at Sierra College. Subscription rate. $1.00 for the school year.

**FLOODLIGHT**

**WHO? — 20-year-old Barbara Seaward. Brown hair, blue eyes, and a big smile for everyone.**

That's the subject for this week's Floodlight. Sounds interesting, doesn't it? I am sure that all the girls that are in the dormitory know her at least, in fact, they have been acquainted with her for a long time. Why? Well, for those of you who don't know her, she is the main floor monitor in Angwin Hall. Even so, she is human, believe it or not!

If you live on main floor in Angwin, you will frequently see her, and hear her familiar knock—that is, if you are the talkative kind during study period.

Perhaps now you'll like a little back ground for our subject. She was born in Pomona, but some how she didn't really want to live when she had to. So she moved out of Shangrala and into Loma Linda, which makes her a Utopia-ite, with only a slight chance for winning the Meteor campaign. (I'm from Clendale, so I couldn't be biased) She was the last of a long (pretty long) line of Saunders. 9 girls and 4 boys, so that made her baby of the family, which was a great advantage in some ways, she feels.

Here at school she resides with Jenna Lee Lewis in a choice front room on main floor of Angwin Hall. She felt that she needed the best after being here five years—two years in the academy and three in college.

While taking the two-year normal course, which she is finishing this year, she has read papers for Elder S. L. Frost, and Elder Walter Speed's in the Life and Teachings class. Also, she worked for a while on the ground crew. With her normal studies she is learning to play the piano, which she believes is a good idea for all minister's wives to do. "Comes in handy at evangelistic meetings," Barbara says. Could this be the key to the jammed mail system from here to Washington state and that long waiting for day—June 12—when she and Frank Wymann, class of '46, will be married?

Advises from studies, of which mathematics and English are her favorites, and American History her least favorite, Mrs. Wymann, second-year teacher of the Teachers of Tomorrow Club and a prayei leader.

As a child she loved pets. Shall we say her favorite hobby was collecting rats? Now she is too busy for hobbies—anyhow, what would the rest of the girls think of a collection of cats in the dormitory?

Barbara says that over the years she has been attending La Sierra College that social life is definitely improving.

I know that now since you've heard all about Barbara, you will want to become better acquainted with her.

M. Qualley Weds In Riverside Church

Miss Muriel Quolley, junior, business administration major, exchanged wedding vows with Mr. Everett Dick, freshman medical student at the College of Medical Evangelists, last Thursday evening at the Riverside Seventh-day Adventist church, with Elder Arthur L. Bietz officiating.

The bride wore a maroonette lace gown with an over-the-shoulder veil, and a long train. She carried a bouquet of gardenias and white sweet peas.

Quolley, Tome Were Bridesmaids

The bridesmaids were Glenna Quolley, her younger sister; Betty Toney, a junior pre-medical student here at the college, and Lorine Libby, her older sister, who served as matron of honor. The best men were Thomas Fowles, of San Diego; the other, Robert Fowles, of the college.

Village News

By Carroll Johnson

A formal Valentine party held in Jenkins Hall, Arlington, Saturday night, February 15, was attended by small village students of both the college and academy.

Evelyn Carter and Gene Stickles were the chief instigators of the party, which was really the first large gathering of village students alone at La Sierra College.

The program of the evening consisted of a buffet supper, several reels of moving pictures, musical numbers by Henry Barron, Dorothy Easing, Don Jones, Bob Baldwin, June Gent, and Bill Van Ornam, and a reading by Alden Carlewin, June Cent, and Bill Van Ornam.

The reception was held in the banquet room of the college cafeteria, with Mrs. Mary J. Champion, dean of women, serving in hostess capacity.
Four Hundred at Mother-Daughter Banquet Sunday

Borrowdale Shows Slides On India to Fellowship By Paul Scofield A special meeting of the Ministerial Fellowship was held Saturday evening, February 15. Elder R. J. Borrowdale, a returned missionary from India, was the guest speaker. He has spent twenty-six years in India and plans to return as soon as his furlough is up.

His topic was "Life in India." He showed kodachrome slides of the people of India, their life, and customs. Elder Borrowdale worked in the rural districts rather than in the cities; thus the customs and methods of these people were rather primitive. They still use oxcarts and carts with wooden wheels. They threshed their grain by beating it on a rock or log.

He told of some of the experiences he has had in India, and how he is looking forward to returning. In some of his stories could be seen the great faith the Indian people have. It made the members think of how little their faith was compared to these people.

The last picture he showed was a scene of a Christian congregation sitting in church and worshiping God. A dim light shone upon them. In closing, he made this statement: "May his light continue to grow until it has covered the whole earth."

MOTHERS, DAUGHTERS GATHER FOR BIENNIAL FEAST

Large Offering Taken for New Mason-Hamlin Piano

Over $800 was raised in church last Sabbath for the new Mason-Hamlin church piano, which was delivered last Monday morning. A total of $1,000 has been raised, according to Prof. Marilyn Ainsley, chairman of the piano committee, and over $300 is yet to be raised.

The piano was first used in the Igor Gorin concert last Monday evening.

HONOR ROLL

Carmela have been added: William Duchair, Herbert Dunsmore, Virginia Dunham, Mary Louise Eavall, Barbara Follot, Gerald Frank, Ross Gore, Norman Greene, Glenn Guyse, Jack Haffner, Mary Harmsen, Marilyn Ham, Howard Hanson, Les- lia Harmsen, Robert Hennix, Boyd Hicken, Bessie Hillers, Bessie Himmel, George Himmel, Robert Julian, Woodys Kline, Vittoria Kitch, Art Kline, Mary Ellen Landis, Eleanor Leavitt, Carl Nethol, William Olson.

Lee Olson

Marilyn Lee, Gordon Lewis, Gloria Livingstone, Milly Leven, Percy, Earl, Barbara McDonald, Bessie Macklay, Dam Mills, Lawrence Mobley, Clyde Moreau, John Mortensen, Florence Nelson, Bruce Nicole, William Norton, Carl Nydell, William Olson, Orchestra Smith.

Music Department Gives 'Evening of Music' With Eighteen Participating

The music department of La Sierra College will present its biannual "Evening of Music" in the Hole Memorial Auditorium, Saturday, March 8, at 8:00 p.m.

H. B. Hannum, professor of music and chairman of the fine arts division of instruction, announces that the various divisions in the department will be represented by approximately 18 student musicians. Featured in the recital will be vocal, piano, violin, and organ solos; the string quartet, the newly-formed French horn quartet; and several piano concertos.

Accompanists will be Jean Hill, Donna Linn, Hazel Racker, Dale Qualley, and Edna Farnsworth.

PROGRAM

Organ: Prelude and Fugue in D minor, Bach

Voice: Joy Crandall

Piano: Donna Lee, Hazel Racker, Dale Qualley, Edna Farnsworth

Organ: Evening Song

French Horn: Cradle Song, Handel

Bassoon: Moonlight Sonata, Beethoven

Violin: Caprice Opus 1, No. 1, Mendelssohn

Drums: "Through the Malay Jungle," on Saturday, March 8, at 10:15 a.m. in College Hall. This is another program in the Travel Adventure series of lyceum programs, states Walter Crandall, Chairman of the lyceum committee.

Mr. Wells, who has spent six years in the Malay jungles, has traveled extensively in Canada, Central Africa, Bermuda, and Russia, lecturing before the National Geographical Societies in Washington, D.C., London, Chicago, Philadelphia, and elsewhere. During the war he was employed by the War Department as orientation lecturer for various army training camps.

This globe-trotting photographer, born of a Cornish mother and a Bermudian father, is proud of his American citizenship, and describes himself as "a combination of pirate and Celt."

The film to be shown here, "Through the Malay Jungle," was filmed by Mr. Wells himself to substantiate his stories that there were fish which actually climb trees and wink their eyes! Another interesting biological specimen to be shown is a fully-grown deer standing but seven inches tall! These are the only pictures actually taken in the jungles of tigers, elephants, and the sladang, the quaintest living animal, photographed for the first time.

L.S.C.—"SCHOOL OF THE OPEN DOOR"

We welcome the seniors of today who will be the freshmen of tomorrow. For those of you who will continue your education, we extend an invitation to come to L.S.C. for the higher education that develops character as well as the intellect.

New York Educational Stylist Coming for Home Economics Fashion Display

Miss Olive C. Berry, educational stylist for Simplicity Patterns, Inc., New York, and graduate of Columbia University, will present a fashion show entitled "Spring Fashion Drama" in Hole Memorial Auditorium at 6:45 p.m. Monday, March 16.

This show was especially designed for college girls and consists of outfits teamed with accessories for every phase of a girl's life. The program lists appropriate clothes for on the campus, downtown, at the beach, at a week-end resort, and at church.

Miss Berry is also scheduled to give a talk on "Opportunities for Home Economists in the Clothing and Textile Fields," at which time she will tell the story of pattern designing and give a demonstration on the manufacture of Simplex Patterns, showing original fashions, the master pattern stage, graded patterns, and art work. This program will be given in the Home Economics department Monday afternoon from 2:00 p.m. to 4:30 p.m.

The evening fashion show and the afternoon program will be given in cooperation with the Home Economics department. All of the garments have been made from Simplicity Patterns and are suggestions for projects in clothing construction courses. Some of the accessories are crocheted, and others are made from patterns.

W.W.C. Biology Club Has New Publication

Lester Culahan, professor of physics, and Lloyd Downs, professor of biology, have been requested to submit papers for publication in the Northwest Naturalist, produced by the biology club of Walla Walla College.

Professor Ernest Booth of Walla Walla College writes that although the title seems to indicate merely a regional coverage, the publication has subscribers in every state of the Union and in Canada.

This edition will be devoted exclusively to the Tidewater, phases of outdoor photography of plants, birds, mammals, and insects.

Subscriptions to this journal may be placed with Professor Booth for one dollar per year.

W.W.C. Biology Club

Groups Congregate For Annual Meet

Seniors from six academies in Southern California and Arizona will visit the campus of La Sierra College today, to attend the seventeenth annual College Day.

As the visiting seniors arrive at La Sierra, they will be greeted by a reception committee, and invited by the college band under the direction of C. Trumbull. This program will be presented with badges of identification as they register in the lobby of the Administration building.

Special Chapel Service

On completion of registration, the guests will assemble according to schools in Hole Memorial Auditorium for a chapel program, presented by the various departments of the college. After the scripture reading by Dr. J. C. Haussler, and prayer by Elder W. F. Specht, President C. T. Anderson will give the address of welcome, Prof. E. C. Sibley will introduce the various classes, mentioning a few brief words of interest about each.

Music Organizations Play

The La Sierra College Symphony Orchestra, directed by Professor Otto Racker, will play three numbers.

Carveth Wells to Show Malay Jungle Film For March 15 Lyceum Program

Carveth Wells, explorer, author, engineer, and radio commentator, will present his technicolor motion picture film and lecture, "Through the Malay Jungle," on Saturday, March 15, at 8:00 p.m., in College Hall. This is another program in the Travel Adventure series of lyceum programs, states Walter Crandall, Chairman of the lyceum committee.

This globe-trotting photographer, born of a Cornish mother and a Bermudian father, is proud of his American citizenship, and describes himself as "a combination of pirate and Celt."

The film to be shown here, "Through the Malay Jungle," was filmed by Mr. Wells himself to substantiate his stories that there were fish which actually climb trees and wink their eyes! Another interesting biological specimen to be shown is a fully-grown deer standing but seven inches tall! These are the only pictures actually taken in the jungles of tigers, elephants, and the sladang, the quaintest living animal, photographed for the first time.

JUNIORS, SENIORS

Pre-professional seniors and professional seniors will organize tonight at 5 p.m. in room 306, La Sierra Hall, and the junior class will organize at 6:45 p.m. tonight in the same room.

Registrar Willets Carlson reports that invitations have been sent to all eligible students, and any who are in question as to their standing may contact her today.

The film to be shown here, "Through the Malay Jungle," was filmed by Mr. Wells himself to substantiate his stories that there were fish which actually climb trees and wink their eyes! Another interesting biological specimen to be shown is a fully-grown deer standing but seven inches tall! These are the only pictures actually taken in the jungles of tigers, elephants, and the sladang, the quaintest living animal, photographed for the first time.

JUNIORS, SENIORS

Pre-professional seniors and professional seniors will organize tonight at 5 p.m. in room 306, La Sierra Hall, and the junior class will organize at 6:45 p.m. tonight in the same room.

Registrar Willets Carlson reports that invitations have been sent to all eligible students, and any who are in question as to their standing may contact her today.

W.W.C. Biology Club Has New Publication

Lester Culahan, professor of physics, and Lloyd Downs, professor of biology, have been requested to submit papers for publication in the Northwest Naturalist, produced by the biology club of Walla Walla College.

Professor Ernest Booth of Walla Walla College writes that although the title seems to indicate merely a regional coverage, the publication has subscribers in every state of the Union and in Canada.

This edition will be devoted exclusively to the Tidewater, phases of outdoor photography of plants, birds, mammals, and insects.

Subscriptions to this journal may be placed with Professor Booth for one dollar per year.
Happiness
There is happiness in a rippling stream,
There is happiness in the blue sky above,
But the greatest happiness of all
You will find in the true heart of love.
—Adreen Fридell, L.S.A.

70 Percent Is Not Passing
One of the greatest misconceptions upon modern "progressive" education today comes as the result of educators setting up a certain group of standards, commonly called "minimum requirements." Obviously they are inevitable in a democracy which seeks as its great objective the education of the masses. Yet, they set up an unnatural situation in the schools, with the result that when the graduate enters the world of stark reality, he flounders helplessly about trying to find his way.

In life, 70 percent is not passing. A freshman may enter college thinking you please and, by learning certain so-called fundamental truths, pass with a grade of 70 percent. He may continue throughout his college experience via the same method, and on commencement day, standing upon the threshold of life, be totally unfit to enter it.

J. P. McEvoy, in his article with the same title as this editorial, which appeared in the November, 1941, edition of the "Reader's Digest," voiced the same outcry against modern educators. He said, in part, "Experience had taught me that merely learning the name of a word might get me 70 percent passing grades in school; but that out in the world a lawyer either wins his case or loses it, it necessarily either gets well or doesn't.

In life nothing below 100 percent is passing." To which I might add that the daily Christian experience is never merely positive or negative. There is no in-between in real life.

Whether you are an alumnus of Miss Uppingham's "finishing school," or a graduate of the University of Hard Knocks, you will find that 70 percent is not passing. Those traits of character which you are molding and developing today will be an integral part of your makeup tomorrow. You may slide through college on minimum requirements, as do thousands of college and university students today, or you may get an "education that educateth," as did Lincoln Steffens and others of like caliber, but the character that is formed today is all that you can take with you when you leave this world for the life hereafter.

"Education is not only the preparation for life, it is life itself," one famous educator once remarked. Educators are fairly united in their agreement upon this postulate. And in a broader sense, education is the preparation for the life to come. Therefore, if education is for life preparation, let's educate for life, where 70 percent is not passing!

Kinch Explains "Why the Frog" in Modern Treatise on 'Zoo' Technique

By Vinette Kinch

Illustrated by Delma Chapman

"What a wonderful bird the frog are!" exclaimed one of the zoology students when they asked him why his lab, which he had labeled "bird" as "frogology" lab.

"I know what you mean," the professor replied, "but what you have in mind is not a bird at all. As a matter of fact, it is a frog."

And then he explained the nature of his specimen when he asked small crayfish in the "frogology" lab during the first semester, and many of them said without a second thought that it was a frog. Others, who are now just realizing the significance of his quatrain, for past ages little knew the full significance of his question, for the frog has caused considerable speculation, among our 'zoology' students, who are now just realizing "what a wonderful bird it is."

The zoology laboratory has trained its microscope and slides for scalps and scissors. At the present time this class, composed largely of pre-medical students, is learning about anatomy the hard way, by dissection. They are using the lab which was formerly "cat lab" during the first semester, and is now quaintly termed as the 'frogology' lab.

"What's in a Name?"

Each of the 109 would-be surgeons has his own birdling, most of whom measuring 12 inches in length. Anther scientists have labeled this "bird" as Rana Cates-....

Turtos Revealed

To the layman "Turtox" may sound like a brand of tooth powder, fly spray, or a suburb of Long Beach. To the zoology student Turtos is the infallible guide to an understanding of the intricacies in zoology. The Turtos charts, conveniently located in the laboratory, show diagrams of systems and structures, and it generally possesses the students to study these diagrams a bit, for they often appear...

JOHN BARTON....

My Opinion...

We welcome the Seniors of '47 from the six academies in Southern California and Arizona as visitors of today and alumni of tomorrow. Four "voices of experience" are going on record for your benefit, so that you may miss some of the pitfalls to be encountered in the first few days of your college life.

Glenn Cole, 20, junior, music, Washington, D. C., is a graduate of the University of Hard Knocks. He concludes, "There is a tendency to go overboard in either too much participation or too little. Participation comes at one. Be moderate, he advises.

To all who major in music, Glenn suggests that they choose the instrument that they would like to study, and then stick with that instrument. "I think the musical organizations, whether voice or instrument, for they'll give you much practical experience," he concludes.

Joy Boger, 23, sophomore, business adm., Calif., registration proves that on that first day of college may sometimes seem very perplexing. It won't be too bad if you will come prepared. Have in mind what you want to do in life. There are four ways that you can use to help you to determine this. Consult your academy teachers who have known you for some time. Ask yourself these questions: "What is the greatest need? What do I feel I am capable of doing? How can I best serve my fellow men?"

Paul Schooley, 20, junior, theology, California is a college career that going to college is significantly different from going to high school or academy. The college student will realize early in his college career that college is a more general use of the lecture method in college. The student must learn to take notes on certain parts of the class. The question is, what for the assignments which are generally given orally. Another difference is the greatly increased amount of reading required in college courses.

One of the greatest dangers a student faces in his college life is to become so absorbed in his studies that he forgets to read daily his Bible, and pray. One should make first things first. "Religious meditation must take first place if we are to fulfill our purpose in life."

Harold Moody, 19, junior, pre-medical, California must resolve to begin anew his college courses. He proffers the sage advice: "Four "voices of experience" are going on record for your benefit, so that you may miss some of the pitfalls to be encountered in the first few days of your college life."

Bullock, Lane Lead In Preparatory Campaign. Arthur Klein, campus leader, Estelle Lane and Georgia Bullock, were the speakers at a recent rehearsal of the Owls, known for their spirit and style. The seniors talked about the Owls' famous "Fooxes," distinguishing for their quizzing.

Estelle, speaking for the seniors, stressed this year's theme, "The owl hears much for the Owls." She says, "If I were seventeen again, I would learn to make speeches, aim higher, learn to avoid the wrong friends, worry less, become more thoughtful, and become a better student."

The seniors also discussed proper dress, being in favor of blue or blue and white uniforms for girls, and the meaning of banquets. The members of the panel were Bill Oliphant, Merrillvin Johnson, Arthur Klein, business manager of the L.S.C. Violin Trio, with Professor N. L. Parker, George David Ekvall, and Delano Ham. who was the reviewing officer.

The program was introduced by Mr. W. T. A. President of the Preparatory School Association, was held in the college cafeteria, Thursday evening, February 20.

In the address of the evening, given by Prof. N. L. Parker, George Washington was presented not only as a national hero but also as a local hero. Since the visit of Pacific Union College students to the L.S.C. campus, February 6 to 9, there has been much interest evidenced over the exchange program to be given by La Sierra students.

Classes Now in Session In Administration Bldg. The new administration building at the foot of Howell Mountain is complete. New classes are being taught in the college campus where they spent a friendly hour in introduction to the students and faculty of L.S.C. The reception was held at the home of President and Mrs. W'ellman.

Since the visit of Pacific Union College students to the L.S.C. campus, February 6 to 9, there has been much interest evidenced over the exchange program to be given by La Sierra students.

Early Morning Breakfast The ultimate in exchange was reached Friday morning when gay swaters belonging to P.U. students were served for the early morning breakfast by Southern California's L.S.C. students. The La Sienas got their first glimpse of the campus and making friends. Sah- beth morning after church, the glee club, led by Linda Falls, a beauty spot nearby.

Life Occupation' Films Shown to Students From the series of films, "Your Life Work," the two shown most recently were "Water Babies," "Dirt Road Dry Cleaning," and "Poverty Raising." There is plenty of room for expansion in the dry cleaning business. Essential to this industry is a knowledge of chemistry and familiarities with fabrics.

The haphazard methods that once caused little in leisure are now taking the place of the new fields. The industry is one which requires study and planning and offers good opportunities for the person who would be independent.

The life of Audrey Roosevelt Manshey began on October 21, 1920, in Roseland, Illinois, but the story of her acquaintance with the family, and with her parents, moved on into Canada. Audrey has traveled in nearly all the western states and also up into Canada. Traveling is one of her favorite pastimes, together with collecting rocks, shells, and fossils. She also plays the piano and has a small stamp collection.

When asked what she plans to be in the future, she replied, "A teacher, by all means." She wants to teach in a little country school in a place where there is plenty of room for expansion.

Audrey is the only child in the family, and although she insists that she wouldn't have minded a little company, she has braved to many places all the western states and also up into Canada. Traveling is one of her favorite pastimes, together with collecting rocks, shells, and fossils. She also plays the piano and has a small stamp collection.

Associated Student Body Officers
Welcome Next Year’s Freshman Class

The Associated Student Body is the largest campus organization for every registered student. The purpose of this group is to represent the students of La Sierra College to a receptive country in general with this fine campus and to set forth the ideals and standards of the school. Each year the seniors of the various academies, the "Meteor" campaign and picnic, and four Saturday-night programs during the year, are just a few of the many things which keep him from having any leisure time.

There are many activities throughout the year sponsored by the A.S.B., and here are the association officers to tell you more about them.

ASB OFFICERS

ROGER BRISTOL — President

As president of the student body, Mr. Bristol directs all of the A.S.B. activities during the year. He is put to work the very first week of the school year and, for the rest of the academic year he usually must see to it that the "Criterion" campaign and picnic are put together successfully.

ELLSWORTH WELLMAN — Business Manager

Mr. Wellman's biggest job is keeping the books straight for subscription and advertising money during the "Criterion" campaign. To keep him busy year-round, there are reports to be made to the executive committee and also records of the financial affairs to keep in order.

FILOMENA

The object of the Filomena club is to promote interest in the fine arts of music and art, and to provide educational entertainments for the pre-nursing students. Many activities are planned, such as vocal programs and films of interest, and open sessions. Guest speakers, chapel programs, and lectures on related scientific subjects are among the activities of the group.

TEACHERS OF TOMORROW

We, the members of the Teachers of Tomorrow group, feel that we have an important position to fill. It is our privilege and duty to lead others to follow the Master Teacher and to take their place in preparing the youth for the Kingdom. Guest speakers, chapel programs, field trips, and socials are among the many activities of the local chapter of the Teachers of Tomorrow.

MUSIC GUILD

Music Guild club activities will be held throughout the year. The objects of the Music Guild are to stimulate a closer friendship among its members and cooperation in maintaining the standards of La Sierra College.

O.R.M. RADIO

The purpose of the radio club is to promote interest in the hobby of amateur radio. There are approximately 75,000 people in the United States who are enjoying the thrill and fascination of owning and operating their own amateur wireless radio station, by which they may talk to other amateur operators in any part of the world.

SIGMA CHI

The aim of one of the latest organizations on campus is Sigma Chi, the veterans' club, to represent the interests of the veteran to college life, and to stimulate a closer friendship among its members and cooperation in maintaining the standards of La Sierra College.

A.S.B. OFFICERS

The purpose of the Ministerial Fellowship is to foster a spirit of cooperation and fellowship among the ministerial students of the college, as well as to consecrate its every resource to the finishing of the Third Angel's Message.

The Fellowship consists of about 80 students who have met all the requirements for membership. Each year the Fellowship is growing in quality as well as quantity. It is to be hoped that those of you seniors of '47, who are looking forward to attending the ministerial colleges L.S.C. and other ministerial fellowships, will endeavor to cooperate with the other members themselves.

INTERNATIONAL RELATIONS

The International Relations club promotes better understanding of world events by presenting speakers and films of interest, and through discussion and debate in open sessions.

COMMERCIAL

The Commercial club welcomes everyone whose interests are financial toward the world of business affairs. Its aim is to help each of its members an opportunity to become acquainted with those phases of business which are not encountered in the classroom. It endeavors to bring into all of its activities—the field trips, special programs with guest speakers, and social activities—the best and most pleasant aspects of life in the modern business world.

La Sierra College is noted for the many club organizations which form a major part of its extracurricular life. The presidents of these organizations have written messages of welcome to every Senior of '47 to show the purpose and the major activities of their respective clubs. When you enroll here next year, and we hope that you will, you will find out at first hand why these and other extracurricular activities play such a major part in every college student’s life.

SIGMA PHI KAPPA

The object of the Sigma Phi Kappa club is to bring a closer relationship among the girls residing in the dormitories. One of the most outstanding activities is the annual Mother-Daughter banquet, held alternately with the Father-Daughter banquet.
Metropolitan Temperance Closes; Rally Held In Hall; Victory Picnic At Arrowhead

A grand total of 1800 subscriptions to the 1947 Metropolitan Temperance was counted this Monday night, March 10, and wound up the extra week extension granted. Both sides in that the goal might be reached.

The left side, Shangri-La, had its credit $10,000.00, which was pro-rated two to one because of the numerical majority of the

**SEE PAGE FOUR for photos of student activities at “meteor” picnic in San Bernardino mountains.**

Upains. The Upains total was $1134.50, making a grand total of $2035.50, counting the academy's $520.

Pries Given

An Elgin watch, the first prize, for the most subscriptions turned in, went to Roger Deapan, Utopia, for having 96 sales. James Hines received a leather over-night case for having 15 subscriptions, and a Sheaffer ball-point pen went to Robert McKinsey for third prize, with 11 subscriptions. There was a tie between Arlene Engvik and Delos Champaign for the fourth prize. Arlene chose a sterling silver compact for her nine sales, and Delos an electric shaver.

First prize of a fountain pen for the academy went to William 01.

New Refrigerators Installed in Store

The College Store recently received shipment of two eight-foot Tyler refrigerators which have been installed and are now in use, according to F. E. Rumscheidt, manager.

These new refrigerators have no doors, and the milk and cheese are chilled in a specially-cooled area. Visibility is increased by a mirror set diagonally in the rear, running the full length of the case.

Mr. Rumscheidt added that the original refrigerators were set aside for May, but favorable circumstances permitted shipment two months earlier.
We are so young and unwise!

There is Ted, for instance, who is quite commonly known about the campus as "the brain." He is good for study hours, but he has learned how to study. He knows that he must concentrate and think clearly. He is rewarded by good grades for his performance and ability to use his brain. But in general society. Oh, if there were only lessons in a textbook that would tell us how to study the Bible! DAH! "Ted," he cries, "Go to strength and help with our daily life, we would learn that most important lesson of human relations? But we are so young and unwise!

Civilization has come through a fairly long system of social organizations resulting in government. First the family formed the group called the horde. This most primitive group was characterized by having a definite authority, unity and laws, and social groups have become more inclusive and complex through the ages of living upon this earth until the nationalistic-democracy has evolved.

Theoretically, and quite strictly, the democracy is a type of government which is run by the people directly and for the common benefit of the people. Theoretically, and quite strictly, this is a type of government which is run by the people legally and for the common benefit of the people, but there has hardly been a government in this world that has ever been able to claim this kind of democracy.

The nationalistic-democracy of our day is a government for the people by representation indirectly of the people. The electoral college of the U.S. is an example of this system of representation in which the people, popular vote is the more direct expression of the will of the people. We are so young and unwise!

"Has democracy caused men to feel better toward one another?" "Has democracy proved effective in making the people satisfied?" "Is democracy even a little bit efficient?" But we might ask, "What have you to offer that does all those things and is any better than democracy in other respects?"

No matter whatism or trend it may come to be, men today are simply looking for a way to peace and security and the end result must be world government. Even the most brilliant of our time can only say in despair, "We must have world unity." But how to achieve that ideal is far beyond the comprehension of man. We are so young and unwise!

Betty has a dazzling personality. Everyone is greatly impressed with her ability to charm. Her grades in school are quite above reproach and she is always one of the best dressed in the class, and Betty has need of one thing, the friendship of God. God can only be found to work because of the friendliness of man. Betty is so young and unwise!

The world is quaking as science advances with atomic research. The scientist tells us of the tremendous economic value of atomic power when it comes to be perfected for our use in industry and home. But somehow, all that blab talk doesn't wash away our fears of atomic destruction. Men are predicting in years how long civilization will last. We consider atomic discoveries the worst curse that has come upon mankind because men has learned how to lift it instead of live by it. Man is so unwise without God! —A.W.

A BLESSING

A girl gazing at the sky, she watched the stars above, And dreamed a dream as she sat there— It was a dream of love.

And dreamed a dream as there she sat—

A girl sat gazing at the sky,

It was a dream of love.

And dreamed a dream as there she sat—

A girl of talent and ability, Arlene's classmates elected her as treasurer of the student association, and treasurer of the junior class at Loma Linda Academy. Here, too, she entertained her friends with these clever readings for which she is famous. She is a "natural," and until enrolling in speech class here at L. S. C., she had never had lessons in elocution.

She has held a position of responsibility in her short life. As a tray girl, she worked at the Loma Linda Sanitarium, and helped out occasionally in the business office there, as well as in the kitchen. Here at L. S. C., she works in the music department, handling the assignment of practice rooms in Hole Memorial Auditorium, and she also curtesy to those who are sick in the dormitory.

As for the future, Arlene claims she is looking forward to a career in nursing—alone, she adds. She claims she is definitely the "old maid" type, but those who know her will know better.

After this little introduction I am sure that you will not want to become a "grimy" secretary, and will stop and say, "Hello." You'll be glad you did!
**La Sierra Lou**

**Observes Fashions**

After an extended tour of some of our U.S. campuses via Vogue's and other fashion reporters have come to the ultimate conclusion that we all love a good suit. And it is quite doubtful that anything will ever take their place. Have you noticed that it is such a thing that you may accumulate through the years, for they never go out of style. And if you're wondering what to do with those accordion pleated skirts you have tucked away, bring them out. For we hear that they are coming back. Neater, shorter sweaters are also urged, and new that it is very necessary to lav the very sunny, good "Shoppie.""

**Commercial Student Awards**

Irene Oster, professor of secretarial science, announces that seven shorthand students and five typing students have completed requirements for the achievement awards issued by the Gregg News Letter.  

**Miss Berry is the Author of New Sewing Book**

Miss Berry, who has recently graduated from La Sierra University, has chosen the educational program of the Simplicity Pattern Company. Miss Berry also contributes a letter form to the college. She is not on tour and has written a book, _Timely Sewing Tricks for Teachers and Teens._
Twelve Prominent Women of Campus Activities May Know Their Idiosyncracies to Interviewer

Since this edition of the Colonial has been devoted to the glorification of the L.S.C. femme, we would like to conclude among the other features a few thumb-nail sketches of the more interesting personalities who have been prominent in every day college life here at La Sierra.

If we were to mention everyone, if it were for the most, typical, Loyola Sierra co-eds and true Seventh-day Adventist, we wouldn’t have spent much of the longest hours of the night and early morning on the vice-president of the Science Tech wood, college, class of ‘45—par

Elders John Reports On ‘The Fulness of Time’

Elders Harry W. Johnson, pastor of the Santee Stake, and Elders John Spake at the Sabbath Church service, March 15. The ‘Fulness of Time’ was the subject of his message.

He listed many of the scientific and literary discoveries that are revolutionizing science. But he warned that the New Testament, which is the Book of the modern Church, should be the guide to the modern Church. He continued.

“Remember the old saying, that ‘the works of the modern Church’ are the works of the modern Church. It is sufficient to kill 180 million people; ‘in the midst of living in an age of fear,’ he continued.

In the last days, the moral law, which is the Ten Commandments, will be observed in the modern Church. The congregations were repeatedly warned to awaken to these things. He then said, "We have a message which is the answer to every need today. We have a message for the modern Church, the moral law, the Roman Catholic. In closing, the pastor pointed out that the Bible is the only living messenger for Christ in these last days."

Science Club Journeys to Cal. Tech. on Field Trip

The Science Club went on its first field trip of the spring semester to the California Institute of Technology. The club met at 6:30 a.m. on Tuesday, March 7. Traveling by car, they arrived at the school gates at 7:30 a.m. They were greeted by Margaret Beckner of the academy's physics department.

Evelyn Dugan gave the history of the “Teachers of Tomorrow” and told of the work the organization is doing. Helen Stabo gave her reasons for wanting to be a teacher, and she said that there was something with action and variety, and I know teaching has it.”

Dick Werner, president of the academy, read an excerpt from the “Teacher of Tomorrow” newsletter that answered the question, "Why teach?" He closed by quoting, "They that be teachers shall inherit the kingdom of heaven."

Prayer bands have been started on this campus. The prayer meeting is held each morning at 7:30 a.m. and is continually increasing. It is each one of us placing his place in the kingdom of heaven.

The fact that we are in school preparing for God’s work does not relieve us of the responsibility of the souls who are lingering in sin on all sides of us every minute. It is insufficient work that we can do now.

sented his lecture and film, "Through the Malay Jungle," Sat-

Carveth Wells, world citizen and the "gay blade of exploration," presented his lecture and film, "Through the Malay Jungle," Saturday night, March 15, in the College Hall, another in the Travel Adventure series of lyceum pro-
grams.

Commentator Wells, according
to his own account, was natural-
ized as a citizen of the United
States in 1918. He is a real Amer-
ican, "not the enemy alien which
the public is lead to believe."

Wells was sent by the British
government to survey a railroad
passage through the virgin jungle
from Singapore to Bangkok. There
were no maps available, therefore
he was obliged to make his own—
the first map of northern Malaya to
be drawn. For two years he was
alone in the jungle with only his
Malayan workers, and for six
months he did not see the sky by
day.

His film showed scenes of pic-

A business meeting of all alumni
of La Sierra College is being called
Sunday, April 6, 1947, at 2 p.m.,
in the Hole Memorial Auditorium.
Miss Naomi Nixon, secretary of the
association, requests that all who
are able should attend this session
and the subsequent business meet-
ing. There will be a report on the
new constitution at that time.

ALUMNI MEETING
CALLED APRIL 6
"Ye Are Complete in Him," Theme For Annual Spring Week of Prayer

The Spring Week of Prayer, now in progress, is being conducted by five of the ministers in the college's department of religion. Using the general topic, "Ye Are Complete in Him," Elder J. C. Hausler key not the week's messages with a sermon, "Prepare to Meet Thy God," on Friday evening, April 4.

Elder Johns Speaks in Chapel

Elder Varner Johns, pastor of the college church, delivered the Sabbath morning address in the College Hall, "To Every Man His Sabbath," on Saturday afternoon. Elder W. R. Specht told of "The Power of His Resurrection."

The Monday chapel service was taken by Elder Johns, as were the other chapel services throughout the week, speaking on "In the Beginning God." Monday evening, Elder Edward Heuphenstall spoke on "Abounding Sin and Abounding Grace."

"The Kingdom of God is Within You," was the topic for the Tuesday evening chapel service, told how "Character Begins to Keep a Safe Margin," and "Walking With God." (Thursday), "Keeping a Safe Margin" and "Walking With God." (Friday), and "A Charge To Keep I Have." at the 11 o'clock service on Sabbath.

Meetings Held At Other Schools

During the preceding week, Elder P. C. Heathcough conducted the Week of Prayer at Lodi Academy, Elder Edward Heuphenstall at Lynnwood Academy, and Elder Varner Johns at the Paradise Valley School of Nursing.

A brief synopsis of each service will be presented in next week's Criterion, together with a picture of the various speakers.

North American Youth's Congress To Be Held At San Francisco, September 3-7

To commemorate the 40th anniversary of the founding of the Young People's Department of the General Conference of Seventh-day Adventists, the General Conference of Seventh-day Adventists and the North American Youth's Congress in San Francisco, September 3-7.

Dr. C. J. Albrecht of Chicago, explorer, zoologist, naturalist, expert photographer, and animal sculptor, will present a biological United States, Canada, Alaska, and the Bermudan and Hawaiian islands. This is the first youth's congress ever held in this building just about 28 years ago.

E. W. Dunker, General Secretary of the Young People's Department of the General Conference, related the plans for this mass meeting of Advent youth while on the campus for a regional M.A. meeting last November 9. "Youth Congresses are not a new thing for you in California," he said. Referring to the College Hall, he commented, "One of the first youth's congresses ever held was in this building just about 28 years ago."

First Division Congress Held

"However, all past youth's congresses have been of a regional nature. The forthcoming convention in San Francisco will include the entire North American Division and will have delegates present from every society in the continental United States, Canada, Alaska, and the Bermudan and Hawaiian islands. This is the first youth's congress ever held to be by Adventists."

INGATHERING CAMPAIGN TOTAL FOR STUDENTS REACHES $3,460

by Moses Chalmers

More than 300 college and academy students, directed by Elder Edward Heuphenstall and Elder Warren Witternberg, visited scores of homes in Southern California, soliciting funds for the annual In-gathering campaign on Wednesday, April 2. Many other students who were unable to go out on the field trip worked on the campus and contributed their time toward the college fund.

Student Labor Brings $203

The academy raised a total of $801.74, as the college brought in $2,092.92. These figures include funds gathered by solicitation and personal donations. The labor credited to the fund by students amounted to $363.09 (both college and academy students), making a grand total of $3,400.48, as of April 7. However, not all funds are in yet.

Cars Go To 23 Cities

Of those traveling to various Southern California cities, two cars went up to Victorville. Other territory included Chula Vista and Bakersfield, Palms Springs, Twenty-Nine Palms, Cathedral City, Escondito, Cardiell, Solano Beach, Orange County, Linda Vista, Huntington Beach, Vista, Casa Blanca, Fullbrook, Santa Ana, Perris, Cypress, Corona, Riverside, Oceanside, San Diego, and Los Angeles.

The following are a few experiences of the collectors who visited different districts:

Seal Beach

At two o'clock Wednesday afternoon, two of our canvassers knocked on the door of a comfortable, cozy home.

"Surely these people will not be able to give very much," thought one of the canvassers as she viewed the woman's appearance.

"Are you Seventh-day Adventists?" the woman asked pointedly as she pushed heavily on a cigarette.

"Usually I shut the door in canvassers' faces, but because I know of the work of the Adventists, and, in consideration, I was given to help you," the woman smiled.

"I usually shut the door in canvassers' faces, but because I know of the work of the Adventists, and, in consideration, I was given to help you," the woman smiled.

Mesa

This small town has many honest hearts burning for truth, but, due to their meager incomes, they could not but give much. One lady, upon being told of our work, burst into tears because she was unable to help. A lady who ran a cafe gave an offering because she knew the needs and had very appreciatively her Christian friendship.

La Jolla

One of the students entered the home of a lady who was stricken with arthritis, and the woman was...
sympathies of the court. commission to eliminate the P.E. service in the tation organizations, and this was the basis for the providing inadequate, sporadic service to its patrons of competitive P. E. service to La Sierra Heights and the college.

For a period of several years the R.R.T. has operated a fleet of buses of ancient vintage, providing inadequate service to the community. —R.W.C.

The main premise maintained by the R.R.T. throughout the session was that the unfair competition of the alternative system was threatening the company into bankruptcy. The statement was accepted on the premise that there is not enough traffic on the routes to support two competitive transportation organizations; and this was the basis for the rehearing. The R.R.T. apparently believed that they had violated contract provisions, and asked the commission to eliminate the P.E. service in the area and allow them to serve La Sierra Heights via Arlington.

C. W. Connell, attorney for the P.E., pointed out that at present the R.R.T. does not touch the most important parts of La Sierra Heights. The P.E. already operates to Arlington, and the service to La Sierra was merely an extension to their line. He also pointed out that the R.R.T., apparently having won the case, no longer cared whether or not they continued to operate, and was seeking a favorable decision in the rehearing. Connell also spoke of the scarcity of buses, which he considered to be the root cause of the problem.

Throughout the hearing, it seemed that the P.E. had the better of the argument. The plain-
tiff was continually forced to yield ground, and contradicted himself several times during the course of the session. The attorney who spoke for the R.R.T. made a damaging admission that he had not even bothered to read the transcript of the previous hearing held in the La Sierra Community Hall. Another attorney presented the R.R.T. case at that time, and consequently he had to acknowledge several times that he was unaware of the facts presented there.

While the editors of the CRITERION are interested essentially in campus affairs, we felt that this matter was of sufficient importance to bring it before the students and the community at large. It is our belief that the present situation cannot be allowed to continue, and that some form of legislative action is necessary.

Editors-Say

Adventures on Land and Sea: To Be Shown as Albrecht Lectures

If you go to La Sierra College, take an average amount of classes and attend chapel, meals, and the usual social activities. You may not have heard the name Earle Strokkard. Maybe you haven’t thought much about him as to know him personally, if you do at all. Earle is supposed to know that he had former practice in Spanish, as he was a Spanish-Indian. He has visited the islands of the South Pacific in his spare time. After working hours he did odd jobs, including up his captain’s hat. Naturally, since he did such an excellent job, he was a captain. Earle would gladly oblige for an "A." Now we don’t want you to feel that Earle was only one on a huge battle; they weren’t that short of help. He was on one of the "bush" islands or refrigerated cargo ships. "It was about the size of a bath tub," he reminisced, "propelled by egg beaters."

Progress of New La Sierra Church Construction Told

If you have observed the progress of the construction of the new church building, you have no doubt been impressed with the rapid construction. The main work in progress now is the interior finishing, plastering of the walls and floors, and the construction of the windows. The first coats of plaster are nearly finished, thus changing the building from a concrete frame to a structure clad in white.

The main work in progress now is the interior finishing, plastering of the walls and floors, and the construction of the windows, which are being contributed by L.S.C. students, have been put in the main auditorium.

Two more very noticeable advan-
cances are the construction of the steps to the front entrance of the building and the installation of all the doors. In spite of all this progress during the last few months, it is considered doubtful that the commencement exercises can be held in the new building this June.

—L.S.C.—

Union College Alumni Reunion Planned For April 20

A reunion of people from Union College will be held at Glendale Academy auditorium, 700 Kimlin Drive, Sunday evening, April 20. A long visiting period and a short devotional service program are planned. Special guests to be present include the president of Union, Dr. Robert W. Woods, and three former presidents, Frederic Griggs, H. A. Moorehead, and R. E. Consentine. Supper will be served at 6:30, but visiting will begin at 5:30 and continue until and after the program.

—L.S.C.—

Hannums Present Vesper Program in Paulson Hall

Harold B. Hannums, professor of music, presented an organ recital entitled "Organ music of the 17th century," his program included works by Saint-Saëns, Verdi, and Bizet.

Lake Cassentine Now Doomed; New Irrigation System To Be Installed

La Sierra College Farm and Lima Linda Food factory are watered by underground pipes which will bring an end to the existence of our well-known "Lake Cassentine."

The drainage system which has been in use in the past was not adequate, thus the lake was formed. A master plan of underground pipes which will collect surplus drainage water from all over the college and farm will be connected with a basin just on the other side of the hill. A turbine of 10 horsepower has been installed there which will pump the water into an overhead sprinkling system. This pump will pump about 500 gallons of water per minute, said water to be used on the south side of the hill where irrigation has been impossible. Thus about 60 acres of unused land may be farmed.

Water Is Pumped Out

The sprinklers will run twenty-four hours a day and six days a week. Therefore, it will be necessary to pump the water out as fast as it collects in the basin.

According to K. F. Ambrose, bureau chief of the L.R.A. plan has been in operation for about two weeks, and twice Lake Cassentine has been completely pumped out. As soon as the installation of the pipes has been finished, they hope to dry the lake forever.

L.S.C. Alumni Reunion Planned

Plans for the annual alumni homecoming banquet to be held on the campus May 4 were approved, it was announced from La Sierra College Alumni Association on Sunday. President Harry Van Ausdell presided over the meeting.

The banquet will mark a re-union of the alumni who have returned from service during the war. Members of the class of 1942, 1943, 1944 and 1945 will be in attendance.

Reservations for the banquet should be sent to the secretary, Naomi Nixson, in the college office not later than April 27. A program committee, with Wallace Lorenz as chairman, was appointed to plan events of special interest to former graduates of La Sierra.

In the meeting Sunday, the executive committee of the association was studied with a view to recommending community and college projects which might contribute to a strong and active organization.

Faculty Leave Sunday for Trek to Catalina Island

The monthly faculty social for April will be an all-day trip to Cata-

la Island via water taxi. Last Saturday evening, April 5, at 8:15, the Department of Speech of La Sierra College presented "Spring Variety" in Hol Memorial Auditorium, under the able direction of Lorence L. Wing.

Paul Hart introduced each number of the speech choir and gave a short biographical sketch. The first number, "Transcontinental," by Sid Law was a group of people in various locations in America, and thus saw democracy at a railroad station. The soliloquists were Alice Anderson, Margaret Hall, and Mans- hall Horsman.

It was evening; twilight had just fallen, and a little newsboy who is talking to an executive, the gover- nor of the town, is vividly portrayed as Fred Rasmussen read "The Heart of Old Hickory," by Dr. Douglass.

When everyone thought of the dream of home as Ame- stripa Grinnan gave "What Is He Dreaming Tonight," the correspondence course. With Ethel Longacre Hamson as soloist, was followed by "What the Child Songs Were," by Mark Lorenz as soloist. They (the choir) sang the songs that the bonnet is carried home in another number which the speech choir was "Cargoes," by Maxfield.

Speech Choir Performs

Harry Carlske gave "Listen, My Heart," which was followed by "Nina," by the Speech Choir. Bar- bara Walters Hloumt read "Daddy Longlegs," by Hans Christian by Sawyer. "The House with Nobody In It," by Klimmer, and "A Cry of a Lonely Heart," were read by George Hall. The house with nobody in it is a house with a broken back. In the "Cry of a Lonely Heart" in the south side of the house is saying she wants a boy that needs her as she needs him.

Speech Choir, by Porter, Kay Neal tells of little Polly Porter in Meditation Seminar as they read to the students in the Pomona S.D.A. Church on Friday evening, April 5. In addition to numbers by the choir, there were also parts by Eugene Vipond, Martha Helm, and Isabel Stickels, and a cor set 5s by Lawrence Huffman. The choir will make other appearances in the near future.

L.S.C. Speech Department Presented Program April 5

EDITORIAL . . . .

Have you ever imagined yourself so rich you might turn into a piece of Maltese gold yourself and your friends in the gold of real treasure? If you have, you will be interested in this story.

In the summer. Tommy may be seen fishing in the Cove, on September 21, 1932. He worked for the crew hauling water, and at night he would stay in the tents or in the cabin, taking care of the livestock and doing as much work as he could.

In Meditation Seminar as they read to the students in the Pomona S.D.A. Church on Friday evening, April 5. In addition to numbers by the choir, there were also parts by Eugene Vipond, Martha Helm, and Isabel Stickels, and a cor set 5s by Lawrence Huffman. The choir will make other appearances in the near future.

Choir Program Given in Sommerina

CHOIR PROGRAM

The La Sierra Academy Choir, under the direction of Miss Donna Iv-yipond, gave a program of sacred music in the Pomona S.D.A. Church on Friday evening, April 5. In addition to numbers by the choir, there were also parts by Eugene Vipond, Martha Helm, and Isabel Stickels, and a cor set 5s by Lawrence Huffman. The choir will make other appearances in the near future.

Bullock, Book Featured In Meditation Seminar

"Come unto Me and I will give you rest" is the theme of a recent seminar program which pre- ceded the prayer hands.

The children in studies in all locations, who have attended this seminar, were given fortune-telling boats, seems to be the main at- traction.

Leave Island At 6:00 p.m.

After spending the afternoon on land, which he had planned, they will meet for the even- ing meal prepared by Mrs. Anna Van Ausdell. Dinner is at 7:00 o'clock, and the boat will be ready to return to the campus about 8:00 p.m.

Academy Raises $750 In Ingathering Campaign

Ingathering reports at the chapel hour on Friday, April 4, revealed that twelve different towns and communities were visited by acad- emy students in their Wednesday campaign and that $750 was raised for missions. The entire group was represented by fifteen students who reported the campaign of the day. It was noticeable that the reports included not only money raised but people enrolled in Bible study classes as well as other personal contacts.

The largest amount from one group, $154.90, was reported by Mac Chalmers, representing the Riverside base. Special mention went to Winfred Wheeler, an academy freshman, who individu- ally brought in $90 worth of goods. The total amount raised, nearly $100 was from students who remained at home and spent the day in work, giving their earnings.

Guests present for the chapel exercise were Elder Warren Win- ton, Elder Wittenberg, representing the Southeast California Conference, and Elder Johns, the La Sierra Church, thanked the students for the splendid work they had done.

L.S.P.S. Medical Cadet Corps Troops

Colonel Floyd G. Ashbaugh, Divi- sional Adjutant of the Army Office of the Medical Cadet Corps for the Pa- cific Union, field inspection of the La Sierra Academy troops and received the review. Colonel Ash- baugh gave promotions in several of the officers. John H. Hancock was promoted Captain; Albert F. Fielding to Major; Gordon Lewis to Captain from First Lieutenant; Howard W. Carter and Frances S. Hunt to First Lieutenants from Second Lieutenants.

Battalion promotions were: John L. Smith to S/Sgt; David Ekvall to Corporal; and Robert Ice to Pte. First Class.

After promotions were presented, T/4 George French, cadet head of the camp, gave an address to the troops while the troops passed in review. Second platoon was the first down. Afterwards, Colonel W. Cap- ton Lewis, for being the best platoon on the basis of their performance.

Picc. Bryce Tyley won the drill down ribbon for being the best scout of the day. Paul Allison, the only man who did not make any mistakes in drilling during the drill down.

Let's Get Acquainted

Right face, left face, about face, present arms, order arms, dis-missed" is what Platoon Ssgt. Tommy Cates says at the end of N.C.C. every Monday after-

noon.

Tommy was born April 20, 1929, in the town of St. Helens, Texas, but as a must go, he was decided to immi-

gate to sunny California to spend his days. Of course, Tommy hasn't forgotten the rest of his life, for he hopes to go to as a medical missionary either to the Amazons region in South America, or to Africa.

Likes Sports

Tommy goes in sports for any kind, his favorites being baseball and football. His hobby is reading, especially History. One of his most unfortunate moments occurred when his sister, demon-

strating how monkeys harvest co-

tons, threw one hitting on him from the head, but he thinks he has re-

covered from it now.

In the summer, Tommy may be found working at his grandfather's farm. If this is a dream, then you will find him well worth while.

If this is a dream, then you will find him well worth while.

--Educational Majors Report on Demonstration School Activities-

**L.S.C. EDUCATION MAJORS REPORT ON DEMONSTRATION SCHOOL ACTIVITIES**

During the first six weeks of the second semester, the fourth grade of the L.S.C. Demonstration School developed a unit on Mexico. Mrs. Hazel Shafer, room teacher, introduced the unit. By the end of the first week the children had the mural well started. It depicts the story of the little boy who went from Michigan to Mexico City for the Christmas holidays. Miss Margaret Ann came one morning and told them about the things she saw in Mexico during her trip there a few summers ago. She showed many souvenirs, among them a miniature Mexican gun that especially appealed to the children.

**Comprehensive Exams Begin Soon**

Also during the last semester come the well-known comprehensive exams. From all education students this means one week of teaching in the field. The educational superintendent of the Southeastern California Conference suggests various schools in Riverside and San Bernadino that will allow an efficient exam in the special field in which they are interested and plan to teach.

**L.S.C.**

La Sierra now offers a bachelor of science in the field of education besides the two-year teacher-education curriculum. Those who are working towards this goal must also get two minors in any related field.

**St. Luke's Choristers Concert Cancelled**

The St. Luke's Choristers, scheduled to perform here in a final concert on the artist's tour May 17, will not appear. This decision was made by Miss Shafer, director, in consultation with Dean Walter Crandall, chairman of the Social Activities Committee.

William Ripley Dorr, the director, visited the campus a few weeks ago and discussed with Dean Crandall about the plans for the concert, but by his physician's order the concert, which was scheduled for the spring season, was cancelled for the group.

The committee has not yet been able to arrange for another program to fill this appointment.
He spoke of the deep importance of His life. 

The resurrection was not a mere event in history, but an empty tomb. The resurrection was the test of the character of a man. Truth is the only religion that is built upon an experience that had to be experienced in order to guarantee Eternity. 

The pastor of our church, Elder V. J. Johns, spoke of the need of remaining faithful in the work of the Lord, during the Sabbath days. He said, "This is the generation that tells the world about the Lord, during the Sabbath days. The Lord has a plan for every life, and a purpose for every life, and women were related by Elder Johns, Thursday morning, to illustrate the evils of the amusements of the world. The Lord has a plan and a purpose for every life, and we were warned not to struggle against His plan. He is able to live a life of usefulness for Christ."

"Clear Conscience" emphasized. 

Many experiences of young men and women were related by Elder Johns, Thursday morning, to illustrate the evils of the amusements of the world. The Lord has a plan and a purpose for every life, and we were warned not to struggle against His plan. The pastor's topic was "A Clear Conscience." 

"Power to Overcome Evil," was a continuation of Elder Heubach's sermon presented Thursday evening. 

During the worship hour on Sabbath morning, Elder Edward Heppenstall told us how he might be able to have a closer walk with God. There are only two paths which we can choose, and only one leads to the Kingdom of God. We were urged to keep on the upward path and surrender our lives to Him that He might guide us homeward. 

HOLD WEEK OF PRAYER

BAND FESTIVAL APRIL 20

Ministers who spoke during the Week of Prayer are (left to right): J. C. Hausler, Edward Heppenstall, Warner Johns, P. C. Heubach, and Walter F. Specht.

L.S.C. Bible Department Concludes Spring Week of Prayer Services

"The hills of heaven record the sins that would have been committed had there been opportunity to do so." 

This was one of the startling statements made by the Spirit of Prophecy which served to warn us of the true condition of our hearts. Elder J. C. Hausler presented many statements on the first evening of the Week of Prayer and urged that we "Prepare to Meet Thy God." 

"The Power of His Resurrection," presented Sunday evening by Elder W. F. Specht, emphasized the significance of the resurrection of Christ. The Christian church is the only religion that is built upon an empty tomb. The resurrection was not a more event in history, but an experience that had to be experienced in order to guarantee Eternal Life.

Johns Speaks in Chapel Services

Elder Johns conducted all of the chapel periods. Monday morning he spoke of the deep importance of truth in the life. Truth is the test of the character of a man. Every man of character is a man who has respect for the truth. He urged us to rightly represent our Saviour by building characters that will well mark His life.

During the worship hour on Monday evening, Elder Edward Heppenstall brought the message, "Abounding Sin and Abounding Grace." "This is the generation that tells you that sin is safe. Sin will bind us to this world unless we have been cleansed by the blood of Jesus Christ." Heubach Discusses 'Will Power'

Practical suggestions as to how we might be able to control our will were given to us Tuesday evening by Elder P. C. Heubach's message, "Christianity and Will Power." He pointed out that we should yield our will to God and with the help of the Holy Spirit, we should listen to reason and conscience so that we might be able to live a life of usefulness for Christ.

Elder Heubach spoke again during the evening services on Wednesday. He warned us that Satan will take control of every heart that is not wholly surrendered to God. If we surrender our hearts to God, He will fight our battles. "Clear Conscience" Emphasized.

College Symphony Orchestra Records For World-Wide Films; Continues Tour

The L.S.C. Symphony Orchestra is now recording for the World-Wide Wide-Bible Pictures, Inc., a motion picture company sponsored by the Pacific Union Conference of Seventh-day Adventists, according to Otto Rieker, conductor.

San Diego Stage Place to H.M.A. E. Toral Snell, director, brought his soul stage and technicians to Hilde Memorial Auditorium during the orchestra's regular Wednesday evening rehearsal, April 9. The last number to be recorded on the sound track was the "Battle Hymn of the Republic." This composition is to be used as introduction to all pictures produced by the company, now presenting their films in silent language. Recordings were taken for both black-and-white and technical productions.

San Diego Concert Saturday Night

The symphony, now on tour, will present their second performance Saturday evening, April 19, at the Roosevelt High School Auditorium in San Diego. Future engagements include stops at Glendale (April 26), a campus concert (April 30), and the final concert, at David Paulson Hall, White Memorial Hospital, Los Angeles (May 3).

Choir Clough will be the featured violin soloist in the orchestra's performance of "Dreamland," by Wagner, and Willam Dunbar will perform a group of Fritz Kreisler's chamber music, with Cherric Clough, Joan Hill, and Ardyle Hanson, as a string trio playing several numbers, also.

E. L. Longway, Veteran Missionary to China, Speaks at Convocation

Elder E. L. Longway, missionary to Siam and China for nearly 20 years, visited the campus and spoke briefly in the chapel program on Wednesday, April 16.

Telling of the great need for workers in the China Division, the minister said that the educational work in China needs immediate attention in lieu of the devastation caused by war-time activities. "We formerly had about 6,000 students in our college and lower schools in China," he stated, "but today there are only about half that number of students there. Some schools were completely destroyed by the war, and some others were closed or confiscated by the armies."

Elder Longway graduated from Atlantic Union College in 1918, and sailed, with his bride, for Siam, where they served over three years. In 1922 he went into China as publishing secretary for the various conferences. During that time he built the circulation of the Chinese version of the Weekly Messenger of Truth from 3,000 to 11,000 and now he is returning as publishing secretary for the China Division, he hopes to raise the present circulation of 70,000 to a figure higher than the previous mark set.

During the war Elder Longway was made acting president of the
Senior Comprehensives Feature 'Modern Inquisition', Hugh Sterling Affirns

by Hugh Sterling

Comprehensive examinations are designed to show what one has accumulated in the way of knowledge in his major field during the four years of his preparation for a degree. Consequently, studying for comprehensives should begin the first day of the freshman year. Were it possible to master an entire college major in a two-week cram program, our educational system could be revolutionized by replacing the four-year college with a two-year program, followed by comprehensive and a degree. Then, obviously, it doesn't work that way.

EX LIBRIS

Why are the seniors combing through their brains and with changing bits of knowledge, and in general showing an ambition never before exhibited in the past four years? A good, concentrated review of material likely acquired into has a beneficial effect. It shows how much you don't know! The Bible department has put out a list of sample questions which are of help in this review, but they should not be managed as a heat wave that leaves the necessary extra space to study. By taking a good, concentrated review, it is possible to gain enough knowledge on the more hazy matters to put away several technical terms and at least give the impression of being intelligent. It probably won't fool anybody, but personal courage greatly to write something on each question.

MUSIC ANTHONY

Advice to the classes of '48, '49, et al: No sense in saying what the class of '47 did for us; we may all go through again -- because we would arrive at comprehensives with the same knowledge or lack thereof that we now possess.

College Press Receives Modern Offset Press

Mr. Kennedy, manager of the La Sierra College Press reports the installation of a new Modern Offset Press. The new machine is the very latest model. It is different from a letterpress in that it prints from a photographically produced plate rather than type, and will also print from a typed or written form.

Another advantage is that it will reproduce work on any type of paper. A new Raimn folding machine is also to be installed this month. It takes a sheet 25 x 35" and folds pastes or scores, perforates, and folds all in one operation. Mr. Kennedy states that this will be a great advantage and will speed up the bindery and work considerably.

PHYSICS LAB GETS BECKER BALANCE

One of the newest pieces of equipment in the physics laboratory is a Becker analytical balance. This precision instrument weighs accurately to 1/1,000,000 of an ounce. One sometimes hears of balances which can detect the weight of the lead of a lead pencil in a written name, but this new and very accurate balance can weigh articles of even smaller weight than that.

WEEK OF PRAYER

Continued from page 1

At the Sabbath service on April 10, Elder Specht brought the Week of Prayer to a close by telling us how we can cultivate a true spirit of worship on earth in order to prepare us for the worship in Heaven. The closing topic for the week was, "A Charge to Keep I Have."

Miss Margaret E. Nickel, a quiet and efficient member of the faculty, acts as assistant librarian at La Sierra College.

Although born in Canada, Miss Nickel has spent most of her adult life in the United States. After having taught in this country for some time, she eventually accepted a call to serve in South Africa. For nine years she was normal director at Holdeberg College, our training school for the many earnest-hearded and ambitious European young people of the Southern Hemisphere. When asked her opinion of that far-away place, Miss Nickel replied with great enthusiasm. She considers that South Africa is a wonderful country. She loves it and its young people. She would gladly go back there again.

It seems that Miss Nickel has spent much of her time "globe-trotting." In fact:

"I have seen much of Canada, and quite a bit of England. I have also traveled extensively in South America. Seeing the Victoria Falls was one of the most exciting moments of my life. I am a confirmed air-traveler, since a good part of my return journey to the States was done by plane."

Miss Margaret Nickel

Apart from her interest in "going places," Miss Nickel enjoys as hobbies gardening and letter-writing. She concluded her remarks by stating that she is happy at La Sierra, and is keenly interested in the future of the new library and its patrons.
Gladwyn Hall Activities, Experiences Highlight Passing Freshman Days

Carolyn Carr wasn’t just sure the other night of the bluebonnets, as she was having a "Snake Pit" experience, or if Temper- al’s goose had come back for sure, when she was on her way to dreamland, she began hopping around on her bed. In half an hour, she was back down into the room screaming for the monitor, but there seems that everyone in the dorms can except the mon- itor. (Imagine that if you can!) The showers are quite an experience, too. In the hall leading to the room and dragged out from under her bed that little practical "joke", that is probably a consistent roommie, Katherine Rhymes.

PooLs Girls

Laurence Steinbauer and Alice Gibson have been paying us fre- quent visits lately. They have also been seen with other of their Glad- wyne femme confederates lately. We are trying to figure out why. Anyone know? 

Bri, would you mind telling us the reason for your standing on the good, green earth, and could you also admit that a dozen or so well (?)- eaves-dropping — oops! — that is our-and mice initiation into The Society for the Study of Biology, or whatever it is? We have no idea, but she also had to help them up with the mice, too. Ruth McIlwain, Marti fishes. Ruth McIlwain, Marti's favorite jack-knife dive the other day, and it was a lot more for her than it was the first in the pool so successful. But she didn’t seem to enjoy the ice cake floating around on the ague, (well, almost ice.)

Girls Chase New lyrists

Sunday night Anita Whatever, whoever, to unlock the door for Mary Smith and Lucille Reib, but she also had to help them up on the desk, what was that? What was the chase that existing? (Incidental- ly, the chase in reference was after the Julie McKim and Don Jones wedding — seems as if everybody wanted to go on the honey- moon, and tried to, too!

Sun Tans Occum Time

Special note: to the fans of Ruth Fees, Ruth McGloshen, Marti Smith, Carol Christiansen, Bowden, Maxine Shepherd, and Velma Whittaker, it will be quite interesting to see if returning students want to see these girls on any sunny after- noon, since sunbathing is vogue at the present moment.

Birthday Brings Spanking

Willie (Wilma Allen) had a birthday surprise waiting for her birthday wishes from the girls of lower Gladwyn she was de-lighted with her invitation into The Society for the Prevention of cruelty to Un-fortunate Birthday Celebrators. Well, people all get spanked on their birthday, although, I must admit that a dozen or so (7)- widers are probably comprehensible things, no end?

Gift is Appreciated

Speaking of birthdays — I have nothing but a wish that whoever or not I’d like to receive a quaint, beau- tiful-eyed grasshopper for a birthday gift even if he was supposed to be the most nostalgic, clever creature on the good, green earth, and could really talk to me, what it seems that is exactly what Lois Thompson got for her birthday, and the other gifts were attach- ment for the little boat.

Evesdropper Fooled

The other night while I was eating dinner, I overheard this conversation: "How to say, OBSERVING — well, as I

But she didn’t seem to enjoy the ice cake floating around on the ague, (well, almost ice.)

Girls Chase New lyrists

Sunday night Anita Whatever, whoever, to unlock the door for Mary Smith and Lucille Reib, but she also had to help them up on the desk, what was that? What was the chase that existing? (Incidental- ly, the chase in reference was after the Julie McKim and Don Jones wedding — seems as if everybody wanted to go on the honey- moon, and tried to, too!

Sun Tans Occum Time

Special note: to the fans of Ruth Fees, Ruth McGloshen, Marti Smith, Carol Christiansen, Bowden, Maxine Shepherd, and Velma Whittaker, it will be quite interesting to see if returning students want to see these girls on any sunny after- noon, since sunbathing is vogue at the present moment.

Birthday Brings Spanking

Willie (Wilma Allen) had a birthday surprise waiting for her birthday wishes from the girls of lower Gladwyn she was de-lighted with her invitation into The Society for the Prevention of cruelty to Un-fortunate Birthday Celebrators. Well, people all get spanked on their birthday, although, I must admit that a dozen or so (7)- widers are probably comprehensible things, no end?

Gift is Appreciated

Speaking of birthdays — I have nothing but a wish that whoever or not I’d like to receive a quaint, beau- tiful-eyed grasshopper for a birthday gift even if he was supposed to be the most nostalgic, clever creature on the good, green earth, and could really talk to me, what it seems that is exactly what Lois Thompson got for her birthday, and the other gifts were attach- ment for the little boat.

Evesdropper Fooled

Former Student Recognized
For Scholarship in Nursing
In the program given by the Board of Nursing Education, three graduates of the White Memorial School of Nursing, Los Angeles, received recognition for outstanding scholarship according to the February 15 issue of The Medical Evangelist. Of these three students, Marian Davenport at tended L.S.C. from 1940 to 1943. The previous examination used for these students was given on the good, green earth, and could you also admit that a dozen or so well (?)- eaves-dropping — oops! — that is our-and mice initiation into The Society for the Study of Biology, or whatever it is? We have no idea, but she also had to help them up with the mice, too. Ruth McIlwain, Marti fishes. Ruth McIlwain, Marti’s favorite jack-knife dive the other day, and it was a lot more for her than it was the first in the pool so successful. But she didn’t seem to enjoy the ice cake floating around on the ague, (well, almost ice.)

Warm Weather Puts Sports In Full Swing As Campus Roasts

by Rob Collins

The close of the basketball sea
son, the team having played one
unusual game, finds the baseball
season now creeping upon us with
the faithful few playing catch in
front of Calkins Hall. It is quite
evident that the majority of spring
sports will be in full swing during
these last weeks of school. Just the
other morning as I was shaving, a
colleague came running into the
dorm with a sweat suit on and had ap-
parently been doing his morning
work out for track.

Club Improves Tennis Court

We also have an aggressive ten-
nis club on the campus now which
seems to be revamping the courts
in fine style: new nets, stripes, etc.
These improvements will undoubt-
edly insure many enjoyable hours
for the students wishing calisthenics
in a moving manner. Also our good
lady, Ira Bailie, who finds herself
in a moving manner. Also our good
selfs taking advantage of the
majority of spring balls will be in
full swing during this month.

Pool Savings Relief

And now with the mercury
being pushed up to the top of the
thermometer, we find conducive
swimming weather. This swim-
ning desire which is brought about
by our climate's environment can be
satisfied in the college swimming
pool which was opened for stu-
dents last week.

With tennis, swimming, baseball,
and P.E. classes we may be able
to find diversion from studies
through athletics while consuming
proper amounts of the vital vita-
tin D3.

FROSH GIRLS REPORT

Continued from page 3

I was saying, I stoically coped up
on Rues Jueare, her sister and their
men, but to my disappointment
and annoyance, I couldn't under-
stand a thing they said. Oh, how
I wish I'd studied Spanish, be-
ding to a thing they said. Oh, how
I wish I'd studied Spanish, be-
ding to a thing they said. Oh, how
I wish I'd studied Spanish, be-
ding to a thing they said. Oh, how
I wish I'd studied Spanish, be-
ding to a thing they said. Oh, how
I wish I'd studied Spanish, be-
ding to a thing they said. Oh, how
I wish I'd studied Spanish, be-
ding to a thing they said. Oh, how
I wish I'd studied Spanish, be-
ding to a thing they said. Oh, how
I wish I'd studied Spanish, be-
ding to a thing they said. Oh, how

Car of Wilson

Yvonne Wilson was sporting a
gay, geyr, Ford coupe with an
all-color motor and a Columbus
"something or other," but, poor
Yvonne couldn't figure out why
the temperature gauge registered
so hot. She finally took it to the
service station "minute man" for help
and she was informed that the
"Special Young" had developed a
leak in the radiator. All she could
say was, "Oh, dear, this is the end!
That's exactly what I'm trying to
goto—and here it is."

LONGWAY SPEAKS

Continued from page 1

China Division, and carried on the
actions of the Seventh-day Ad-
ventist denomination in Chunking
with a small nucleus of workers.
While serving in this capacity he
went his family to Manila, where
they were subsequently interned by
the Japanese.

They are now enroute to China
again and are scheduled to leave
San Francisco on the S. S. Presi-
dent Polk on Saturday, April 26.

COLLEGE CRITERION

INSIDE VIEW of northern half of the new Fulton Memorial Library reading room shows new 12-foot oak tables and matching chairs, with checking table in foreground. School officials hope for occupancy before the close of the present school year.

Clubicity

by Ardyce Hanson

"American Music" will be the
theme of the Music Guild program
to be given on April 20. Moses
Chalmeris, vice-president of the
Guild, will be the master of cere-
monies for this meeting which is
to be held in the cafeteria banquet
room at 7:30.

The musical parts of the pro-
gram will be interspersed with two
short motion pictures on the pro-
gram theme. The variety in the
types of our American music will
be stressed.

Metal Maniacs

An all-day field trip has been
scheduled by the members of the
photography club on April 21.
Their destinations in Los Angeles
are the Art Center School and the
Walt Disney studios. At these
places they will observe some of
the equipment and the methods of
photography that are used.

Marshall Hornaun, vice-president
of the Metal Maniacs, states that
details of a semi-coming event will
be announced in a future issue of
the Criterion.

QRM Radio

At a recent meeting of the radio
club, it was proposed to visit the
radio station KXJ in Los Angeles
and a small number of amateur
radio stations. The QRM Radio
club will take this all-day field trip
on April 22, according to Derrin
Terziian, club president.

The purpose of visiting these
radio stations is to familiarize the
class members with the transmission
equipment that is being used.

At the meetings of the Radio
Club, Mr. Terziian is giving a series
of lectures which are designed to
help the members pass the ama-
teur radio test. Douglas Mokri-
field, academy student, was the
first member to pass the test after
the club was formed. He is await-
ing his operator's license now and
expects to receive it within three
weeks.

Commercial

Kenneth cope, president of the
Commercial club, announced that a
field trip for that club has been
planned for April 24. Approximately
twenty-five of the club mem-
bers will go to Los Angeles where
they will visit the assembly line at
General Motors and to Glendale
where they will visit the Sanitarium
business office. Also on the agenda
for the day is a tour through the
Federal Reserve Bank, as well as a
visit to the Supreme Court of Los
Angeles county.

Two motion pictures were shown
to the Commercial club on April 15.
The first was a coverage of the
December newspaper strike in New
York City, and the other was on
the subject "Stock Markets."

Science

The chapel program next Mon-
day morning will be given by
members of the Science club. Carl
Nyl-
dell, club president, states that
interesting experiments in the lines
of chemistry and physics will be
done.

Information about the exact na-
ture of these experiments has been
withheld, but the program partici-
pants assure us that the student
body will observe a few of the
"phenomena" in the realm of sci-
ence.

Books Are Now Delivered to New Library
In Hopes Moving Will Take Place Soon

"Happy Time Was Had By All" On Trip to Catalina

The latest date for moving into
the new Fulton Memorial Library
has been hopefully set by K. F.
Ambler, business manager, as April
20, but Mrs. L. C. Palmer, librar-
ian, gives the conservative date of
being "some time before school is
out."

All new books are now being
delivered to the Fulton Memorial
Library and a large number of un-
catalogued books have been trans-
ferred from La Sierra Hall.

The present plan is to keep all
the books on the upper floor, while
the magazines will be stored on
the lower floor level. The fixtures
have been installed in the reading
room, and shelf stocks in the stack
room are being installed. One new
feature of the library will be the
curries which are individual read-
ing compartments furnished with
a table and chair.

Approximately 1800 new vol-
umes have been bought by the
library during the past year. Among
these new books are several new
books in the field of religion, sci-
ence, and history. "The People's
Bible," a 28-volume series of hemo-
liea commentaries, the 1947 "Nos-
trand's Scientific Encyclopedia," and
the "Rivers of America Series" are
among the new collection.

Overheard when she was too sleepy.
That Miss Ambs and Mr. Cubley
did a good job of engineering the
trip. That thanks should be due Mrs.
Van Ausdel for the supper.

That the faculty members who
hadn't gone missed something.
Felt:
Hungry on the way over.
Hot on the trip up the hill.

All wet (some people).

National Music Week To Be Held

Here May 3-10; P.U.C. Choir Slated

The National Music Week, scheduled for May 3-10, will be inaugurated on Saturday, May 3, as Elder Edward Hopper will deliver the Sabbath sermon, supported by the college choral organization. The A Capella Choir from Pacific Union College will give a late-afternoon concert on the campus at 5:00 p.m., which will be followed at 8:15 p.m., with a concert by the L. S. C. Symphony orchestra (see page 4).

P.U.C. Choir to Sing

The northern choir, which will arrive on the campus at 4:00 p.m., is giving its twentieth annual statewide tour, and is directed by J. Wesley Rhodes. This 35-voice organization presents a program of classical and sacred numbers, including four and eight-part arrangements of compositions by Palestrina, Tschesnokoff, Mendelssohn, and Frederick Hoyt (12 hours).

HONOR ROLL LISTS

36 WITH TOP GRADES

Kenneth Cope, business administration major, topped the third period home roll, taking 15 semester hours with a 3-point average. Other top students making straight As were Robert Vanninen (15 hours) and Frederick Hoyt (12 hours).

First Band Festival Is

Landmark; Truby Signs

Gould as Conductor

by Jackie Bauer

The greatest and most successful event of the year sponsored by the La Sierra College Band was the Festival, April 20. This was the first festival of this kind to be held at La Sierra, Mr. William Gould, director of the Trojan Band at U.S.C., honored the musicians with his presence as guest conductor.

Various Uniforms Add Color

Much color was added to the campus as the bands from Lynwood, with their blue uniforms, under the direction of Mr. Arthur Bowes; and Glendale, with red and white uniforms, conducted by Minor D. Plumb, arrived Sunday afternoon.

Juniors Treat Seniors to

All-Day Frolic As Past

Ordeals Are Forgotten

The junior class treated the comprehensive-weighted degree candidate seniors to an all-day picnic at Anaheim and Orange County Parks last Tuesday, April 22.

Reservations Dead-

line Is April 27

Climaxing 25 years of progress, the L.S.C. Alumni Association are making final preparations for the annual home coming and banquet to be staged Saturday, May 4, on the campus.

Registration In H.M.A.

The day’s events will begin at 8:00 p.m., during which the new officers will be elected, proposed alumni projects will be discussed, and the constitutional revisions necessary, due to the senior college status now held, will be presented and voted upon.

Recreation in Hole Memorial Auditorium. There will be tours of the campus conducted every half-hour from 2:00 to 4:00 p.m.

Business Meet Slated

A business meeting has been scheduled for 4:30 p.m., during which the new officers will be elected, proposed alumni projects will be discussed, and the constitutional revisions necessary, due to the senior college status now held, will be presented and voted upon.

HONOR ROLL LISTS

86 WITH TOP GRADES

Katherine Cope, business administration major, topped the third period home roll, taking 15 semester hours with a 3-point average. Other top students making straight As were Robert Vanninen (15 hours) and Frederick Hoyt (12 hours).

Other honor students, taking a minimum of 12 semester hours of classes with no grade less than C, and maintaining a minimum of a 2-point average, include:

William Gould

President Anderson Is

Back From Trip East

President Godfrey T. Anderson arrived back on the campus last Friday, April 18, after a two-weeks trip back across most of these United States, leaving on April 2.

Many of our sister institutions were included in his itinerary, and the first Sabbath (April 5), he visited the Fresno and Bakersfield, California, Santa Barbara, and San Luis Obispo.

San Luis Obispo, C.A.

Under the direction of Mr. Arthur Bowes; and Glendale, with red and white uniforms, conducted by Minor D. Plumb, arrived Sunday morning. Already here were the La Sierra Academy and College Bands in their blue and white uniforms, under the direction of Prof. C. O. Treby.

At ten o’clock the sectional re-turn to page 2, col. 3

Juniors Treat Seniors to

All-Day Frolic As Past

Ordeals Are Forgotten

The junior class treated the comprehensive-weighted degree candidate seniors to an all-day picnic at Anaheim and Orange County Parks last Tuesday, April 22.

Approximately 40 students participated in the ball games, shellabaloo contests, and other activities that high-lighted the morning’s activities at Anaheim Park. James Gray was in charge of the picnic lunch which was quickly consumed by the hungry group. Melvin Hill led out in the afternoon sports at Orange County Park, and the marshmallow roast provided a

Reserve your hotel room now for the May 3-7 La Sierra College Festival with 133 student musicians. Conductor standing at extreme left.
Sports As A Doctor Sees It
L.S.C. students are athletically-minded, and often the classroom discussion turns toward sports vs. recreation vs. amusement. Accordingly, Miss Marybel Jansen asked Dr. Mervyn Harding to speak to one or more classes on "Sports vs. Recreational Activities" as viewed by a physician. The following is his report.

Dr. Mervyn S. Harding, instructor in anatomy at the University of Medical Education, Loma Linda, wrote a paper on the Principles of Christian Education class on "Sports vs. Recreational Activities". He wrote that in planning and leading activities, the relation of recreation to amusement and the relation of amusement to the body.

Where we live, and work, and play! What a different place today, where we walk to school each day!

Silent forests used to stand, Indian children used to play. Today, Dr. Harding drew a parallel between the type of recreation, he enumerated a dozen reasons why individuals lead a life of sports, and then he analysed the motives for each.

In distinguishing between recreation and amusement, and showed how they fitted into three broad classes: (1) those that have little or no bad tendencies, (2) those that mildly affect the posture, but can be counteracted, and (3) those that have sent a marked tendency to affect the symmetry of the body.

In the third group fall most of the more popular sports, he commented, if the individual is to engage in these activities, he must counteract the symmetrical affect of these games with some other corrective exercise, or else he is heading for a physical breakdown sooner or later.

Dr. Harding pointed out that, as a doctor, he recommended, associate professor of therapeutics at Loma Linda, has been recently given lectures on the physical education classes on the various phases of physical development.

MUSIC GUILD HEARS PHILHARMONIC PLAY
The officers of the Music Guild nucleus in a club during which the Philharmonic Auditorium last Thursday night they heard the Los Angeles Philharmonic Orchestra present in its last season concert.

Alfred Wallenstein, conductor, chose for his program three compositions by Ludwig van Beethoven. They were the Leonore Overture No. 3, the First Symphony, and the String Octet.

In a recent meeting the name "Marybel Jansen Chapter" was chosen as the official name for the La Sierra Chapter of the Teachers of Music Guild members were in Los Angeles for the occasion.

Honor Roll

PHOTO CONTEST
Sponsored by the Metro-Manics

RULES
1. Contest is open to any student or faculty member of the college.
2. Entries must be on 5" x 7" paper, with maximum of four entries.
3. No entry fee is charged. Mounts and boards are available through the club.
4. Prints size minimum—8x10 inches; maximum—11x14 inches. No glass prints accepted.
5. Color prints will be accepted, but no toned prints will be considered.
6. Contestant's name and photo data is to be inscribed on the reverse side of mounting board; captions on face of board.
7. All photos submitted must be taken by a member of the college.
8. Entries will be placed on exhibition in library salon. Winners will be selected by five judges. Judging and prizes to be announced later.
9. All entries must be submitted for consideration before acceptance, on or before May 9, 1947.
10. Mounts may be obtained, and entries submitted, printed by the Loma Linda Press in La Sierra Hall.

Poets Corner
THEN AND NOW
Where we walk to school each day, Indian children used to play. Whither, we wander? Grand forests used to stand, and at night the bears came round. What is a difference today, where we live, and work, and play? Don Keeler, Utah

MUSIC WEEK
Continued from page 1

vinales in various students in the music department. His next concert will highlight the Friday chapel program.

Choirs to Sing In Vespers
An "American Symphony" and "The Male Chorus" and the Girls' Chorus will present an evening of musical selections. Sabbath afternoon, H. B. Hannum will continue the regular weekly organ vespers program at 5:00 p.m., and that evening the Orchestra Chorus, directed by Harvey Abol, will present the famous Eliea Othorj in the College Hall.

Closing the event-packed week of musical activities, a choral festival will be staged.

Faculty Flash
by Vincent Kinch
"Are you Professor Dow's secretary?"
This question has been asked quite often of Miss Alta Goff because her office is next door to that occupied by Professor Dow's upstairs in the science building. She says the establishing of her position as a teacher rather than student has been the biggest problem confronting her. She is the presiding instructor and teaches advanced physiology to biology and theology students.

Miss Goff was born in Hurstville, Michigan, and graduated from the Emmanuel Missionary College. In 1943 she received a degree in biology. She graduated from the White Memorial School of Nursing in 1946. The first five years of her life and she likes it very much. Physiology is her favorite teaching subject. Although she gives hard tests and quizzes, her students have found that she is very patient in helping them when difficult, and in giving them individual attention when needed.

Miss Goff likes to do many things, consequently, she is always very busy. Some of her hobbies include collecting such things as seashells, butterflies, and flowers.

Although she has lived in Loma Linda nearly all of her life, she has found time to visit states, Canada, and Mexico.

Singing, tennis, and ice-skating are her favorite pastime sports, and she also goes skiing, but not at her own expense.

Her grades are up to par, for she says that she sacrificed her first "C" in her major field for five semesters at the Loma Linda College of Medical Evangelism and theology students.

Girls’ Fashions Change
As Thermometer Rises
by Louella Bartel

From where I sit on the edge of the pool I’m inclined to think that there might be a slight swimming craze. They seem to be the only things that interest me at the moment, but then that’s such a small subject that there’s not much time to talk about, so I’ll switch to the really important subject of the hour — how we feel and pretty much in spite of the heat. The answer is simply — cotton dresses — and it looks as though we’ll have the situation well in hand.

For instance, have you seen Velma Bennett’s red candy striped dress? The stripes are arranged in much a clever way that it makes the look good enough to eat — well, almost.

Twin! Confuse Onlookers

Although it seems that these newly-acquired suntans are creating much more comment than the prettiest blue eyes, it seems the sun must be it’s the gay cotton frock which makes the picture complete.

On the way to one of these long and interesting nights we met two “brown girls” in identical yellow and gray striped dresses. This frock is one of the browns’ best and also confused Lee Williams so that he didn’t know exactly where he was. Mary Trubey Dot Terry only grinned and that didn’t help a bit.

Made It Myself—

Jonna Lewis has a bright dress with desert scenes on it that she made just the other day. It seems that one forty gets how HOT the desert is and we get a yen to be there. It seems that everyone has a dress with a peplum! There are striped dresses with peplums and checked dresses with peplums that all give that “tiny waist” effect that everybody goes for! Bertie Luce Kessel has a plaid dress with a peplum which she can wear or take off according to her mind. Incidentally, she looks as if it herself — which reminds me, we have a group of clever girls in our midst who make beautiful dresses. They choose the pattern and color and make them so that they make attractive frocks which are not nearly so expensive as those bought in the stores. Most of these girls are: Lilah Naborsky, Oral Meador, Teresa Munoz, Audrey Williams, I ve Heinrich, Edith Jannes, and Gloria Cornetti.

Pool Brings Relief

A few of the girls looked so nice and cool that Saballs that they even knew it was warm. Also Mary Hamilton was showing off her silk dress, and with her were the Meador sisters in polka dots and very bright. They simply make the group lovely.

Speaking of being refreshed reminds me that as its getting later I’ll close this installment and join the L.S.C.O. colony of moonbirds in the pool.

City and Washington, D.C., before arriving at Southern Missionary and Madison schools, she had visited.

At the latter part of his trip he took him through Houston, Texas, at the time of the Texas City disaster.

L.S.C. Symphony Orchestra Continues Spring Concert Tour; Will Play for Music Week Here

By Frances Hill

The 51-piece L.S.C. Symphony Orchestra, directed by Professor Otto Racker, has reached the half-way point in its tour of Southern California cities. This organization has already given concerts in Loma Linda and San Diego, and is now scheduled to appear in Glendale next Saturday evening, April 26. Concerts booked for May include a campus engagement initiating the annual Music Week, in College Hall, Saturday evening, May 3; and a concert at Paulson Hall, Los Angeles, on May 16. Tentative plans indicate a possible visit to Lynwood in the latter part of the month.

Symphony Given High Rating

The college orchestra, reaching full symphonic status this year for the first time, is a splendid organization of over half a hundred students, faculty members, and guest artists. Several have appeared with nationally-knownPhilipharmonic orchestras, both on the East and West coasts.

During the first semester rehearsals were always scheduled for Monday evening, but as concert tours approached, rehearsals were stepped up to a bi-weekly basis for additional practice, and then during the tour reduced to one rehearsal on Wednesday evening. Significantly, each rehearsal was opened with prayer, as is each concert, which partially explains why the orchestra is rated with other orchestras from Southern California colleges and universities. However, Professor Racker wishes to emphasize that a major cause for the orchestra's success is the high spirit of unity and cooperation evidenced by its members.

Students Assist Orchestra

Featured with the orchestra are Bill Dunbar, solo violinist, who plays "Liebesleid" and "La Gitana," by Kreisler, and Cherrie Clough, solo violinist, who plays Wagner's "Dreams." Both are accompanied by the orchestra. The Girls' ViolioTrios (Jean Hill, Cherrie Clough, Ardyce Hanson), also assist the orchestra with two trio numbers.

The program presented at San Diego, and to be played at Glendale and later in the concert cycle, includes:

Music Week Features Students; Elijah Sung Saturday Night

Orators Deliver Addresses Monday

An oratorical contest will be given in chapel next Monday, May 13, according to Mrs. Mabel Currin-Roman, professor of speech. It is hoped that those taking work in the speech department, and eight students will be elected from the junior senior classes. They will work up their own orations, and deliver them in chapel on Monday. Two of the three judges will be visitors, and their names have not been disclosed as yet.

The L.S.C. Speech Choir is scheduled to appear in San Diego on the weekend of May 16-17. Friday evening they will present a staged program, and will give several selections in the church service the following morning. Saturday evening a secular program will be presented in the high school auditorium.

A.S.B. — A.S.B. To Vote On Revised Constitution, On Officers on May 16

The election for student body officers for 1947-48 will be held in chapel on Friday, May 16, according to Ansel Bristol, A.S.B. chief. Also scheduled for the Friday meeting is the hoped-for adoption of the revision of the constitution which read at the last meeting, April 30.

The nominating committee, headed by senior Merwin Jones, sends that any suggestions for nominees be placed in the hands of committee members immediately. The final list of suggested nomnees must be posted 24 hours in advance of the election, under a provision in the present constitution.

The next A.S.B. activity to be held is the all-student "Who Are You Day," at which time it is hoped that the METEORS will be ready for a drama production. The program is planned for the afternoon. The date has not been set as yet.

COLLEGE SYMPHONY PLAYS HERE IN HALL

Furnishing their contribution to the inauguration of National Music Week (May 3-11), the L.S.C. Symphony Orchestra presented their homecoming concert in College Hall last Saturday evening, May 3, before an audience of 600. Assisting the orchestra were Bill Dunbar and Cherrie Clough, violinists, and the Girls Violin Trio, under the direction of Wayne Hoover of the Voice of Prophecy Male Quartet. 

APRIL 28, 1947

PHOTO CONTEST CLOSES FRIDAY

The annual photo contest, sponsored this year by the American Meteors, campus photo club, closes tomorrow at 3:00 p.m. All entries must be submitted in Prof. Lester Crowe’s office before then to be eligible.

The contest is open to any member of the college student body or faculty. There is an entrance fee of 50. With a maximum of four entries, a photographer may enter 20-inch mounted photographs. All photograph entries should be written on the back of the board, with titles and name on its face.

All photos submitted must include the presentation. Prints will be placed on exhibition in the library salon, and the judges, headed by the L.A. photographic faculty, will select the winners.

ROLL CALL SHOWS TWENTY-TWO CLASSES AT AUTUMN CONVENTION

[Continued from page 1]

was chosen 2nd vice-president; and Kelly Jones, '45, was voted treasurer.

These officers, comprising the executive board, were: Mrs. Kathryn Matheson, '45, to serve as secretary; and Naomi Nixon, '38-45, act as assistant secretary to the executive board.

Following the dinner, Mr. Ham interviewed many of the guests, and heard some of their replies to questions asked pretty highly entertaining in many of the rooms. It is not unusual to notice that the majority of classes that have graduated from the institution, all but three classes were represented at a program.

Virginia Smith-Walters, '38, provided special vocal selections, and Barbara Walter's Blunt, '36, gave a reading. President G. T. Anderson spoke briefly, summarizing past events indicative of the progressive trend the school has been taking, and gave a few plans for the future development of the institution.

Invitation to Class of '47

Hugh Sterling, president of the senior class, made a presentation of selected phonograph recordings designed to provide the musical value to the omitted departments of the school. Included in the donation was a phonograph set of 39 records of Handel's "Messiah," Beethoven's "Fifth Symphony," Dvorak's "New World Symphony," Tchaikovsky's "Fifth Symphony," an album of original compositions of academic and faculty, who made the activities a noteworthy success.

L. S. C.'s Veteran's Association Initiate Co-operative Store

The College Veteran's Association announces the opening of their Co-operative Store, which is being run similar to the army commissary system. Both single and married veterans belonging to the Association are eligible to make purchases from the store upon "stock" payment of $7.50.

This store, which is found in many of our sister colleges, enables the veteran-purchaser to merchandise practically for the wholesale price. The slight mark-up was necessary to cover the operating costs of the establishment. "At the present time the store, named 'Veteran's Village,' is handed by veteran volunteer aid, but future plans include the hiring of a full-time bookkeeper or treasurer to handle all funds, according to Leslie Aggers, vice-president.

At present the store is handling only non-perishable foodstuffs, but if the membership increases the patronage, it is hoped that eventually groundnuts, vinegar, and various types of automotive supplies may be obtained there at the reduced prices.

Store hours are: Sunday, 10-1; Monday, 10-12; Wednesday, 1-3; Thursday, 3-6; and Friday, 10-12. Any interested in joining the Veteran's Association and the Co-op, Store should notify either prexy John Wohlers, vice-pres Leslie Aggers, assistant pres., or Milton Borg.

Veterans' Association Stage Picnic at Fairmont Park

Nearby 100 student veterans attended the picnic held by the Veterans Association at Fairmont Park last Sunday, May 4, according to Leslie Aggers, vice-president.

The organization chartered a P. E. bus, which picked up the single sleepers on the campus and highway, and transported the students to the picnic site. The afternoon was spent in boating, fishing, tennis, and other games.

Assisting Aggers with the food were Gordon Henley, Benny Cope, Myron Hood and Bruce Simmons. Supper was served in the park, and the bus returned the picnickers to the college by 9:30 p.m.

Typing Awards Given

Recent awards for the "Compe- tition in Typing" were given by the Greig Writer to Channell Rock- well, 34, words; Lloyd Barber, 42 words; Harold Hoggan, 45 words, according to Mrs. W. E. Anderson.

'47 Senior Class Presents Record Albums to Library

Members of '47 presented some exquisite fashion, with junior Cherrie Clough and Jo Ann Coggin assisting. They were dressed in colorful Scandinavian costumes of red, black and white.

It was generally acknowledged that "was never before resolved. nor could it be surpassed," by all who ate the supper, which was under the direction of Mrs. Van Ausdale, caterer mast. Following the meal, Presid G. T. Anderson gave a brief speech, and Dr. Carl Lansing, tore several numbers.

Class Gifts Present

Lowell Plinke, chairman of the gift committee, presented the class phonograph of selected phonograph recordings designed to provide the musical value to the omitted departments of the school. Included in the donation was a phonograph set of 39 records of Handel's "Messiah," Beethoven's "Fifth Symphony," Dvorak's "New World Symphony," Tchaikovsky's "Fifth Symphony," an album of original compositions of academic and faculty, who made the activities a noteworthy success.

Floodlight

As you pass through the cafeteria line three times a day, do you realize and appreciate the significance of each place? Did you know that it takes time and el- low grease to make every piece of food? Everyone there is se- rious! He singed the student body a young man with possibilities and ambition, the task of dishwater. Now you may laugh when I say it later, but if you don't believe it, try it some time.

Delmar C. OftMeter

The man behind the mile- high stacks of dials, we felt that he deserved to be Mr. Floodlight of the week.

Twenty-two years ago yesterday, Delmar opened his eyes to see at this good old world for the first time. Of course he wasn't much interested and considered Stratamore, California, a good place to be reared. Since then he has become much more particular about his occupation. Has been with us here at La Sierra for three years.

At this point in his career he is a junior minis- terial student at Pacific Union College, and perhaps later a missionary to China.

Delmar has other talents besides being an ex- pert dishwasher. He is minoring in music, voice to be exact. You remember him with the Voice of Youth quartet, which has given him a lot of pub- licity with the quartet at KPFO the "Voice of Youth" programs and has also sung at Elder Kroon's Sunday afternoon meetings at the Biltmore Theatre.

Way back in his Fresno Academy days, he be- came interested in photography, so now if you want pictures of yourself taken while you are away, he is probably in the dark room in lower hall, or he is at a banquet or party with his camera tak- ing "candid shots" of the celebrities.

Delmar loves any kind of sport, especially swim- ming and skating and has a definite aversion for girls that can't keep up their mind as to whether they want a date or not.

Our Mr. Floodlight volunteered some quite interesting information on the ever "discussable" topic of social conditions on our campus and how they can be improved. He thinks that Wednesday night dinner dates should be a thing of the past with new provisions made. For instance, every other Wednesday night reserve the banquet room for couples only. There they may enjoy themselves peace and quiet in the room of eyes following them out of the dinner hall. As our new friend or rul- ing "such statements aren't necessary. I just knew her." After all, Delmar says, Wednesday evening dinner only gives you the privilege to choose whom you wish to eat with, which you probably do every other meal of the week any- way.
Dr. Thompson Tells of Unconquered Frontiers
Dr. Julian Thompson, professor of English, spoke of the "Frontiers of Our Civilization" during the Monday chapel period on April 28. During this period, Dr. Thompson introduced the teachings about which little is known, were discussed. The investigation of the various terrains of human endeavor, such as the development of the airplane and the use of rocket power. However, man has not been content with merely updating the world into the earth. Other topics included the uses for the atomic bomb, the development of communications, radio frequency, frequency modulation, radar, surveillance, and the use of new machines in industry. All various, all indicate that this is an age of innovation and development.

In closing, Dr. Thompson spoke of the frontier of spiritual experience and urged the students to accept its challenge and know an understanding what will come.

-L.-E.

LIVING PICTURES POSED FOR ART DEPT. CHAPEL PROG.
The Department of Fine Arts presented the "Living Pictures," a unique program featuring pantomime with painted backgrounds and music. The program was the first big event of the chapel program last Friday, May 2.

The program featured Neva Carter playing the violin, in the setting of Ben Bradt's "Young Girl at an Open Door," Delpha S. Miller in Giant Wall, Dorothy Moore with Fannie Spillman and Tommy Hooper in Soyer's "Doctor's Office," Jean Pohle and Paul Modjeski in Gladys Davis' "The Music Lesson," Teresa Monson and John Costello in "Romeo and Juliet," and Mary Neff in "The Hole in the Stove."".

OPEN HOUSE IN CULLINS HALL AND M.B.K. Kappa was scheduled from 7:00 to 9:00 p.m. and Mary Neff and Fanny Spillman gave a brief program. Bill Van Orman presented a reading, "Springtime At A Cartest," and John Collins played Chopin's "Polsaine." William Daniel played a violin solo, "Chausson." A special feature was presented by Lovey Plink's wireless phone giving a background of soft music in the lobby.

The ladies were served refreshments in the Cullins Hall "spend room," consisting of raspberry punch and chocolate chip cookies. More refreshments were available at the "Hole in the Stove."".

HONOR TO MASTERS AND MOODY
The First Class of the Class of 1948, states a special credit due to Paul Mass and Harold Moody, who were among the group of students engaged by Ralph Ocampo and Earle Stoddard, for their decorations, to Lowell Plink for the music, to Mr. Ocampo, for his tour of duty including New York and Chicago, and to Mr. Stoddard, for his assistance in arranging the program numbers.

PEN LEAGUE AWARDS GIVEN TO SEVERAL ENGLISH STUDENTS
L.S.P.S. Celebrate Annual Academy Visiting Day
Thirty-six eighth graders from Pomona, Riverside, and La Sierra were entertained on Wednesday, April 30. The program included three academic freshmen and seniors.

During the morning they visited various classes and attended chapel, and in the afternoon a recreational program was planned for them, ending with refreshments of cookies and punch.

The chapel program consisted of an address of welcome by Adreas Fridell, and a response given by Evangeline Kirkwood. Musical numbers included two selections by the freshmen girls trio, Winona Huff, Jeanne Welsh, and Mary Lori Johnston and an accademia duet by Phyllis Mangold and Gerald Wagler, and 1 a reading by John Bruce.

Continued from page 1
Mrs. Chloe Adams-Sofsky, of the academic department, will judge the entries in this contest. The three winning judges will be Dr. Wilfred J. Airey, professor of English; Mrs. Mary Champion, of the English department; and Mrs. T. Crandall, dean of men, and H. B. Hannum, professor of music.

Photo Contest
Mrs. Cherry Adams-Sofsky, of the academic department, will judge the entries in this contest. The three winning judges will be Dr. Wilfred J. Airey, professor of English; Mrs. Mary Champion, of the English department; and Mrs. T. Crandall, dean of men, and H. B. Hannum, professor of music.

Let's Get Acquainted
John Bruce was born in New Mexico, as he says, "a few years back." He was reared on a farm, enjoys hunting and fishing, and his favorite pastime is "hanging around." He attended college in New Mexico, and has been a member of the Phi Kappa Sigma fraternity for six years.

Bergman, Allen, Julian Take Top Literary Prizes

A second award of $10, two third awards of $5, and four honorable mentions of $3 each were presented to freshmen English students of La Sierra College by the John's Instructor Pen League.

Chad Bergman, winner of the second award, in his article ‘‘Trekking,” wrote some missionary experiences of his parents, who for whom two more years were missionaries in Ethiopia.

Harold Allen, a third award winner, wrote “Rain, Flood, and Prayers,” a story of the La Cre- senta fires which occurred a number of years ago.

Another third prize winner, Robert Julian, wrote a biographical sketch on Beethoven.

Honorable mentions were given to Dallas Chappell for his poem, “A Desert Day,” which was inspired by a trip to the Mojave desert.

The combined choir will consist of Abel will conduct the choirs.}

P.S.: Shadows, Paul Skau, Chester Wong, Howardine Wood- is in Miss Lillian Beatty's class, and the others are in Miss Lillian Beatty’s class.

Besides the prize winners, sixty- two students received letters of commendation stating that their choir work was excellent, and that they were ready for a higher degree of honors.

P.U.C. A Cappella Choir Sings Here As Tour Continues; Rhodes Directs

As an outstanding contribution to the inauguration of National Mus- sic Week being observed on the campus, the A Cappella Choir from Pacific Union College appeared in concert in College Hall on Monday evening at 7:30, Choirs I and II, the Girl Chorus, and the Male Chorus will present a “Choral Program” in College Hall on Monday evening at 7:30, Choirs I and II, the Girl Chorus, and the Male Chorus will present a “Choral Program.”

The performers include:

First Service to be Held in New Church May 24

The first church service will be held in the new college church on Sabbath, May 24, according to El- der Varner J. Johns, pastor of the L.S.C. church. It will also be used for the graduation exercises of the various graduating classes to be held on May 30-June 1.

Although the building will not be entirely completed by graduation, it was decided to go ahead and use the entire structure throughout the summer months. At the present time all of the windows have been installed. The cigar-box organ, when completed, the ceiling is now be- ing poured, and the carpenters are installing the wiring for the public address system. The wood- work is being finished in an off- shade white, although the rostrum and choir loft will be finished in a golden oak stain.

By the time of graduation the concrete floors will have been covered with asphalt tile, and the pew will not be installed until a much later date because of the extreme high cost of that type of material.

The most conservative estimate for a sufficient number of pews runs over $24,000.

The main steps have barely been finished.

The main steps have barely been finished, and the entire front en- trance will be finished by graduation time.

However, the base- ment, the small rooms in the rear, and the baptistry will not be com- pleted until later in the year.

Elder Johns expressed great satis- faction that as much of the building has been completed in the one and one-half years of con- struction, there have been some- what fewer and temporary cessions of progress because of lack of funds and other handicaps.

New Teachers Signed to Come Next Year; Local Men Raised

A partial list of new professors that will be added to the college teaching staff this summer and fall has been announced by one of the president. This list includes only a part of the new instructors under contract, and a supplemental list will be printed in next week's Criterion.

Hamilton Comes from E.M.C.

Slated for the music department is John T. Hamilton, who will enter L.S.C. as an associate professor of voice. He comes to California from Emporia State (Emporia, Kansas), and has also taught at Walla Walla College (Washington) for a number of years. He received his master's degree at Northwestern University.

High To Be Assistant in Voice.

Another addition to the music department is Earl High, who will be assistant professor of voice. He comes from Waukegan, Ill., having just returned from serving with the armed forces. He previously taught at Shorter College and is getting his master's degree at Northwestern also.

Walters Takes Two.

Alfred Walters, the present head of the music department at Atlantic Union Conference, is scheduled to become assistant professor of voice and director of orchestra at L.S.C., while Mr. Walters received his master's degree from Boston University, and played in the Boston Symphony Orchestra.

20 Master Comrades To Be Invested In M. V. Meeting Tomorrow Evening

Approximately 20 college and academy students will be invested as Master Comrades during the Missionary Volunteer meeting tomorrow evening at Memorial Auditorium.

Elder John Hancock, M. V. Secretary for the local conference, will be present for the service, and is scheduled to speak on "The Need for Leadership." Kenneth Cole, Cupsmore business manager and leader of the band, announces that talks will be given expressing the needs of Master Comrades in spiritual, cultural, and practical fields.

The Symposium in team work, sponsored by the General Conference of Seventh-day Adventists, will bring together many of the church members to discuss the challenges of the local church and to strengthen the early life of the young people.

The high school work on "Marimba Merrymakers," featuring seven child marimba instrumentalists, will be presented in concert at College Hill Chapel, Saturday evening, May 17, at 8:15 p.m. The group will take the place of the St. Louis students who were originally scheduled.

Jack Whaley, adult marimba player, will assist these child musicians, who have been under the training of Emma Albritton, who leads the group. They are acclaimed as the finest band of its type to be found in West Coast music circles.

Attendance charges will be $1 and 60 cents, including tax.

Eight Speeches To Be Given Orations in Chapel

"Our Lasting Heritage," a tribute to motherhood delivered by Fred Rasmussen, received first honors in the oratorical contest staged in chapel last Monday, according to Mabel Curtis-Bonnett, professor of speech.

Second honors went to Luella Balld, who told of "The Long of Dead," and Leslie Harding received third honors for his oration on "Straw Without Bricks," she stated.

Other orations delivered during the Monday afternoon included John Shewan's challenge, "Gentlemen, Be Gentlemen," in which he stated that Christianity is the only force that can make a true gentleman; and Helen Hilda's "Christian Citizenship," in which she showed that citizenship in the United States is the greatest thing that the United States people have to offer their God. It is the greatest thing that they can give to God.

John McWhinney urged his listeners to "raise the standard of Christian citizenship to a position of honor and responsibility.

Missionary to Brazil Speaks in Church; Tells of Divine Intervention In Work

Elder John Baerg, former missionary to Brazil, told many thrilling experiences of divine protection and intervention in document in sermon, "The Lord Knows Them That Are His," last Sabbath in College Hall.

Adventists Recognized

Elder Baerg, who sailed for Rio de Janeiro in 1940, commented that "The Adventists in the foreign mission are not content with themselves, but they are so unusual that they make everyone else look bad."

Elder John Baerg

Elder Baerg graduated from L.S.C. in 1930 after having attended the academy and junior college for five years. He is now connected with the North Pacific Union Conference as an evangelist.

BULLETIN

The final examination schedule has just been released. See page 2.
Suggestions For Constitution

In the revised A.S.B. Constitution (see page four) there were several notable omissions, although on the whole Clarence Laue’s committee did a good job revising the present, but outdated constitution.

There has been a considerable amount of spirited discussion of the final draft accepted at the last A.S.B. meeting, which is good, in the light of improving the document; without school spirit or A.S.B. many students have indicated that, among other additions to the present report, a clause should be written which will give members the opportunity to work together, and the creation of a student-faculty association.

Honorary membership, according to the best tests on parliamentary procedure, should be included in any constitution. If it is to be denied, then a statement must be included to that effect. If it is to be given, qualifications must be listed. There is no mention of it in our present constitution nor in the revised edition.

Some feel that it should be included, and offered to those students, and faculty members, who have been particularly close to the progress of the Associated Student Body. Students who are outstanding; students who are able, and whom we feel should receive recognition just as those who are outstanding scholastically, they feel. And there are others who feel that it is good to have them both with us now and some who have left the campus, who have given much time of their efforts, and influence to the furtherance of the A.S.B. activities. These two should be recognized.

Another inclusion that many feel should be incorporated into the new constitution is the creation of a student-faculty association. There are those who say that it won’t work, it never does, and who prophesy disaster. But there are others who have seen it work, and who would have it here.

Many have the impression, however narrow it may be, that a student-faculty association or council is necessary even for a disciplinary organization, and feel that this would be no improvement over the present system.

Their conception is limited. A student-faculty association would be a board of an equal number of faculty members and students who would discuss matters relative to the interests of both groups. At present there is much tension and misunderstanding among both bodies because they cannot see why the other acts as it does.

The council as such as the proposed one would be an intermediary body, and by the airing of propositions would clear up all but the most obstinate of criticisms which a student who is critical in the way of constructive criticism, then it would be time enough to dispense with the council.

It has worked in other schools, and it can work at L.S.C., to the betterment of friendly relations between faculty members and the student body members. Why not give it a chance?” — R.W.C.

Poet’s Corner

There is a purple spot that I dearly love In my cherished memories so sweet; It holds in my heart a special place In my cherished memories so sweet.

It holds in my heart a special place
In my cherished memories so sweet;

For it’s a bed of dew-laden violets
For they know the new day’s begun.

Would that I could be as
A violet in the sun’s sweet light,
With my face upturned toward the sun
Giving a life of beauty to those I meet.

La Sierra Music Guild Gives Recital to Climax Music Week

As one of the events of Music Week, the La Sierra Music Guild presented three of the members of the music faculty in a recital last Thursday evening. Those who participated were Ellen Short and Betty Saunders. Mrs. Emma Hill.

Mrs. Hill was presented with a gift of flowers consisting of 25 of the short variety. The program was composed of solo numbers and vocal numbers that will be included on the recital of the above referred to at the next recital of the Guild.

Teachers of Tomorrow to Elect Officers; Baldwin to be Guest

On May 24 the Teachers of Tomorrow Chapter will have a special commission exercise for its members. Elder W. O. Baldwin, the Educational Superintendent of the Southern California Conference, and Elder Norman Dunn, the Educational Superintendent of the Southern California Conference, will be present and have planned the various parts of the program.

The officers of the chapter will serve as the members after the exercise, which is to be held in the cafeteria banquet room.

The election of officers for the next fiscal year will be held at the regular business meeting scheduled for May 24. The nominating committee is presenting its report, but it has not yet submitted the names of the nominees.

The Huntington Library, in San Marino was the destination of the members of La Sierra Music Guild on April 25 when they took their seats in the Music Hall, the Guild. The three girls left the campus at noon to spend the entire afternoon at the library.

The French rooms in the Huntington Library were of special interest to the club members. In those rooms they found furniture from the period of Louis XVI, French furnishings, as well as French sculpture, pottery, and tapestries.

La Cercle Francais Has Field Trip To Huntington Library

The Huntington Library in San Marino was the destination of the members of La Cercle Francais on April 25 when they took their seats in the Music Hall, the Guild. The three girls left the campus at noon to spend the entire afternoon at the library.

The French rooms in the Huntington Library were of special interest to the club members. In those rooms they found furniture from the period of Louis XVI, French furnishings, as well as French sculpture, pottery, and tapestries.

Inside the auditorium are a few red candles, a pink and a green, and a few white ones. Miss Short, organist, plays the organ of the Guild.

New Building Will House College Fire Equipment

The newest building to be constructed on the campus is the fire station that is located behind the tennis courts. To date the college fire department has consisted of one truck, which was purchased last summer. Because of the lack of housing space much of the college fire equipment has been housed at the Glendale Sanitarium and Hospital in Glendale.

One of the features in the new building is a radio control system that automatically operates all the fire-fighting equipment of the college fire department.

PREAMBLE: We, the Associated Student Body of La Sierra College, in order to express our loyalty and devotion to the spiritual and social ideals and standards of Christian education, and to promote and maintain the dignity and efficiency of the Associated Student Body, do hereby adopt the following Constitution and By-Laws.

ARTICLE I. Name.

This organization shall be the Associated Student Body of La Sierra College.

ARTICLE II. Membership.

Every regularly enrolled student and every Faculty member is a member of the Associated Student Body.

ARTICLE III. Officers—Qualification, Election, and Duties.

Section 1. The officers of the Associated Student Body shall be a President; a Vice-President; a Director of Religious Activities; a Director of Cultural Activities, and a Director of Social Activities; a Secretary; and an Assistant Secretary; a Business Manager; a Parliamentarian; the Editor-in-Chief of the COLLEGE CRITERION; the Editor-in-Chief of the METEOR; and Faculty Advisers, General Associated Student Body.

The Secretary, in the absence of the latter, shall carry on all necessary correspondence for the Associated Student Body.

The Secretary shall be responsible to the Executive Board and to the President of La Sierra College.

They shall preside at all meetings, shall be the chairman of the out-going Executive Board from the date of their election.

The officers of the Associated Student Body are as follows:

(a) They shall be representative of the spiritual, social, and cultural activities of the College.

(b) They shall be bona fide members of the Associated Student Body, and shall have been members of the Associated Student Body for at least one semester prior to their taking office.

(c) No Faculty may terminate the tenure of any officer at any time.

Section 3. The officers of the Executive Board shall be voted upon before the end of the spring semester to take office the day after the close of the spring semester and remain in office for one school year. The officers of the out-going Executive Board shall be voted upon at the last regular meeting of the Associated Student Body.

The Secretary shall be an ex-officio member of all Associated Student Body committees with the exception of the Nominating committee, shall sign membership cards of the Associated Student Body, and shall perform such other duties as may be assigned by the President.

Section 4. The Duties.

(a) The President, Potentate of the Associated Student Body shall preside at all meetings, shall be the chairman of the Executive Board, shall promote student activities conducive to the welfare of the Associated Student Body as may be agreed upon by the Executive Board, shall render to the Associated Student Body an annual report of his administration as it is granted from office at the last regular meeting of the Associated Student Body, shall be an ex-officio member of all Associated Student Body committees, shall sign membership cards of the Associated Student Body, and shall perform such other duties as may be assigned by the President.

(b) The Vice-President shall perform the duties of the President in the absence of the latter, shall be the chairman of the Executive Board, shall perform the duties of the President, shall be director of all campaign activities, shall procure and distribute all membership cards, and shall perform such other duties as may be assigned by the President.

(c) The Director of Religious Activities shall be chairman of the Religious committee and shall promote the spiritual activities of the Associated Student Body.

(d) The Director of Cultural Activities shall be chairman of the Cultural Committee, shall be responsible for cultural programs during the year aside from those of Good Form Week, and shall perform such other duties as may be assigned by the President.

(e) The Director of Social Activities shall be chairman of the Social Activities committee and shall perform such other duties as may be assigned by the President.

(f) The Secretary shall keep a permanent file of the minutes of the Associated Student Body and of the Executive Board, shall perform the duties of the Secretary in the absence of the latter, shall keep on deposit in the business office of the Associated Student Body all funds belonging to the Associated Student Body, shall keep on deposit in the business office of the Associated Student Body all funds belonging to the Associated Student Body, and shall perform all other duties pertaining to his office as may be assigned by the Executive Board or by the President.

(g) The Editor-in-Chief of the COLLEGE CRITERION shall be responsible to the Executive Board and to the President.

(h) The Editor-in-Chief of the METEOR shall be responsible to the Executive Board and to the President.

(i) The Secretary shall keep on deposit in the business office of the Associated Student Body all funds belonging to the Associated Student Body, shall keep on deposit in the business office of the Associated Student Body all funds belonging to the Associated Student Body, and shall perform such other duties as may be assigned by the Executive Board or by the President.

(j) The Nominating committee shall consist of two representatives from each year-class and one Faculty, representing each year-class which committee shall select the names of the nominees.

(k) The Nominating committee shall place in nomination such names as may be needed to fill vacancies occurring during its term of office, and at the close of its term shall place before the members of the Associated Student Body the names of two or more candidates for each office to be filled. This committee shall appoint, with the counsel of the Vice-President of the Associated Student Body, the managers or leaders for campaigns which are sponsored by the Associated Student Body.

(l) The Business Manager, a Circulation Manager, and an Advertising Manager for the METEOR shall be elected at the end of the spring semester.

ARTICLE IV. Standing Committees.

Section 1. The Nominating committee shall consist of two representatives from each year-class and one Faculty, representing each year-class which committee shall select the names of the nominees.

Section 2. The Religious committee shall consist of the Director of Religious Activities as chairman, and four members appointed by the Executive Board.

Section 3. The Cultural Committee shall consist of the Director of Cultural Activities as chairman, and four members appointed by the Executive Board.

Section 4. The Social Activities committee shall consist of the Director of Social Activities as chairman, the Business Manager of the Associated Student Body, and three members appointed by the Executive Board.

Section 5. The Nominating committee shall have charge of all entertainments or outings sponsored by the Associated Student Body for approval within the first month of the fall semester. This budget shall be submitted to the Executive Board for approval within the first month of the fall semester.

ARTICLE V. Meetings.

Section 1. Regular meetings of the Associated Student Body shall be held on the second Thursday of each month during the fall semester. Meetings of the Associated Student Body committees shall be held on the Thursday of the second week of the fall semester. This budget shall be approved by the Executive Board.

Section 2. The meeting for the election of officers shall be held one month prior to the end of each semester.

ARTICLE VI. Amendments.

This Constitution may be amended by a two-thirds vote of the members present being required for ratification.

ARTICLE VII. Miscellaneous Provisions.

Section 1. If or when the Associated Student Body should cease to exist, the title to all property or funds belonging to the Associated Student Body shall become the property of La Sierra College.

Section 2. The faculty of the College shall have the power to veto any project or resolution of the Associated Student Body when, in the opinion of that body, the project or resolution is of doubtful value to the College.

Section 3. A revised Constitution for the Associated Student Body of La Sierra College shall be first submitted for the approval of the Faculty. If passed, it shall be posted publicly for one week, shall be read in chapel and voted upon by the members of the Associated Student Body with a two-thirds vote of the members present being required for ratification.

BY-LAWS

ARTICLE I. Quorum.

Section 1. Three-fourths of the members of the Associated Student Body shall constitute a quorum to transact business and to hear reports.

Section 2. Two-thirds of the membership of the Executive Board shall constitute a quorum.

ARTICLE II. Dues.

The dues shall be $3.00 per semester payable at the time of registration, and shall be a member of the Associated Student Body, in which case dues paid are not refundable.

ARTICLE III. Loss of Membership.

Withdrawal from the College will automatically terminate membership in the Associated Student Body, and in which case dues paid are not refundable.

ARTICLE IV. Parliamentary Authority.

Roberts Rules of Order shall be the final authority on all questions of procedure and parliamentary law not covered by this Constitution and By-Laws.

ARTICLE V. Amending the By-Laws.

These By-Laws may be amended by a majority vote at any meeting of the Associated Student Body, a quorum being present, provided the proposed amendment has been approved by the Executive Board and notice has been given, the proposed amendment having been read at a preceding meeting of the Associated Student Body.

ARTICLE VI. Publication of the COLLEGE CRITERION.

The COLLEGE CRITERION shall be the official organ of the Associated Student Body and the number of issues will be subject to decision by the Executive Board, but the minimum number of issues during the year shall be twenty-five.

ARTICLE VII. Distribution of this Constitution.

The Constitution and By-Laws shall be printed and a copy given to each student at the time of his registration.

ARTICLE VIII. Funds and Budgets.

Section 1. The funds of the Associated Student Body, the COLLEGE CRITERION, and the METEOR shall be deposited in the business office of La Sierra College, the business office acting solely as a bank. All deposits and withdrawals must be evidenced by vouchers signed by the Business Manager of that organization and countersigned by the Financial Advisor of the Associated Student Body.

Section 2. The yearly operating budget for the Associated Student Body shall be submitted to the Associated Student Body for approval within the first month of the fall semester. This budget shall be submitted to the COLLEGE CRITERION and of the METEOR which shall be drawn up by their respective staffs.

This budget shall be submitted to the COLLEGE CRITERION and of the METEOR which shall be drawn up by their respective staffs.
Osborne to Wield Gavel for Student Body; Aggers, Murray, Champaign Take High Posts

Robert Osborne, junior business administration major, was chosen to head the 1947-48 Associated Student Body, according to the election returns for the balloting held Wednesday, May 21.

Osborne, currently treasurer of the junior class and auditor of the Vet’s Club, attended L.S.C. from 1939-41 before entering the army. He was president of Mu Beta Kappa in 1944, after watching the gavel in the Commercial Club during 1940. He spent four years in the army, being released in 1946. Before returning to the campus he played first trombone in the Oakland Symphony Orchestra.

Aggers Is Vice President

Chosen as general vice president was Leslie Aggers, freshman theological student. Well qualified for the position, Aggers served as vice president for the International Relations Club during the first semester, and held the same office in the Vet’s Club during this present semester. He was also leader of the Woodcraft Band during this past semester.

Murray to Edit CRITERION

The new editor of the Criterion will be Milton Murray, sophomore pre-medical student. He attended Emmanuel Missionary College from 1940-42 as a journalism major, and then entered the army. He was stationed in Alaska for three years, and worked at the Anchorage Times. Following his separation from the army he returned to the “bee box” to work for the Ketehikan Chronicle, serving part of the time as an Associated Press correspondent.

Champaign to be Meteor Chief

Ralph Champaign, freshman pre-medical student, was chosen to edit the 1945 Meteor. He was an illustrator and reporter on the Champaign staff this year and is well qualified for his new post. He was in the army in occupied Germany for over a year, and took many combat photos for the army.

Business Managed by Klein

Arthur Klein, junior business administration major, was chosen to manage the business affairs of the A.S.B. for the coming year, with Joy Boger, sophomore business major, as assistant business manager, and Robert Wheatley, sophomore theological student, as Meteor business manager.

Collier, Beem, James Directors

Freshman Gordon Collier was chosen as director of religious activities, Betty Beem, junior pre-medical student, was chosen as director of social activities, and Edith James, sophomore home economics major, was chosen as director of cultural activities.

Mary Farrar, freshman lab technician major, was elected secretary of the association, with Mary Newman, sophomore business major, as assistant. Fred Rasmussen, another sophomore business major, was chosen as parliamentarian.

Pre-med Bob Van Asdale was chosen as circulation manager, and Arlene Engvik, freshmen pre-nursing student, was chosen as meter. Circulation manager. Emmett Watts was selected to be advertising manager for the coming Meteor.

Seniors Reveal Plans

Future plans for the third class of degree candidates were tabulated with the following results:

Religious and Theological majors: Ansel Bristol will enter in the Southern California conference, Hugh Sterling will enter in the Pacific conference, and James Van Arsdale will be going home to Michigan.

Physical: Ralph Adams hopes to enter in the University of Southern California, and James Riggs will join the teaching staff of his alma mater as assistant in physics.

Home Economics: Margarette

Florida examination week and now the last "Critter" for the present school year.

Editors and reporters have looked forward eagerly to the publication of this issue, especially after having delayed publication during the first part of the school year. And now that it is here, we are relieved of its absence to regret leaving the publication.

If this year's paper was a success, as we believe it was, it is due to the efforts of the students and the cooperation of the editors. It is the result of a project started before the opening of the year by the Student Body of La Sierra College. Sub-

Apathy in War Crimes Trials

"It is surprising to note the apparent apathy on the part of the public toward the trials conducted at Manila," he commented. "There was practically no reaction, either pro or con, at the time of the trials and very few spectators, suggest- ing perhaps more collaboration of the papers than of the public." The trials conducted in Manila are not to be compared with those held in Nuremberg. At Nuremberg, those were in the form of interna-

dtional tribunals, while in Manila the offenders were tried before a military tribunal.

Capulli will be working overtime the next year and a half for his efforts. Twenty-four couples will say their "I do's" under his direction according to the returns from the poll held by two Critter reporters. The report is still incomplete as we go to press, and it will be made in the edited column, "Cupid Roaming."
EDITORIAL

A record more complete than any diary that you might have kept has been made of your life. It is a record of how you spend your whole life time, as well as for the school year just past.

For one year, the friends you have chosen to know throughout life, the things you have chosen to do, the services and trials, decisions, ambitious, ideals are all recorded. Perhaps the most important thing is how much your relationship with God has increased.

In the judgment, when you alone will answer before God, will there be things from this year at La Sierra for which there will be no answer? This we shall not, as every opportunity has been given to be zealous for God.

Keep thy heart with all diligence; for out of it are the issues of life,” quoted Elder Varner Johns as he discussed the basic tests of character, faith, the Christian ideal, and the how to be a good subject for a topic preliminary to Tuesday prayer meeting.

He quoted the proverb, "Sin has many tools, but a lie is the handle that fits them all." Truly great sinners believe implicitly in telling the truth, he said. The student who cheats in his examinations may gain an easy grade, but he cannot blot from his life the dis-honor gained.

ACADEMY FACULTY ENTERTAINS SENIORS AT MUSIC HALL SOCIAL

Crandall, Johns Address Students In Prep Chapels

In a recent chapel talk in which Elder Crandall demonstrated one of a life work he mentioned ten Bible characters whose call to their service in the world was outstanding.

The thought that all are bought with a price makes it most imperative that young people think seriously of their life work.

The following five points help to determine our place in life:

1. The will of God
2. Our capabilities
3. Our vocation
4. Counsel of Godly friends
5. Providences of life

A Tribute To Teachers

To you, before we have stood, and honor and praise we give you, and we thank you for the lives you live.

To each of you for what you have done.

To guide and help us day by day Along the path, the Christian way. This tribute we gladly pay.

Doral of self has been your lot. And long hours of hard work At a task you would not shirk. But you have been patient and confounded. Happily . . . achievement . . . through it all developing . . . expanding . . . moldimg us . . . imparting to us.

A VERSE FOR MY TEACHER

My English teacher usually is very understanding, She isn't hard to please, But still, I find her very exciting. But let me tell you something, When she said to write some verses, I didn't do it. I knew that that was not my line, I'd fail, or something worse! She said to write on something That came into my head, I concentrated all day long. Long after I went to bed. My brain was just a vacuum, But I thought, and thought, and thought and thought. Last week I had a chance To please my English teacher. I was my great desire. But I was not a poet. To that I could not aspire. Of course there were all kinds of things That I could find to rhyme. Like moon and June, and ice and snow. And time and place and chiming Bells, So that they would make some sense.

So that I could not aspire. To that I was at a loss. I know not where to commence. Now know that you can see where I am. I tried, but you'll just have to agree That it's a poor creation.

——L.S.C——

A The Little Scientist

We all know what a wonderful world we live in. Everyone does not agree on what makes it wonderful, but almost everyone agrees that it is wonderful. As the author of this article, I believe me to mention the following:

1. The universe.
2. The evolution of the species.
3. The development of the mind.

The following five points help to determine our place in life:

1. The will of God
2. Our capabilities
3. Our vocation
4. Counsel of Godly friends
5. Providences of life

A VERSE FOR MY TEACHER

Good-day, Dr. Lankensteiner, I have just compiled a theory as to the origin of the earth and mankind which I am sure you will be interested in.

Good-day, Dr. Ironinborder, I would naturally be interested in anything of such great importance to the world, even though it be theory.

Well, as I see it, the world that is now, was not always. That is, I feel this world came about as follows: Through time, the great mass of "I don't know what" whirling round and round through space, I don't know where. Some-what, from the past to the present, from one place to another, from the past to the present, from one place to another.

That is all I have to say that will vitally concern you and me today.

——L.S.C——

Prep Parade

Bob and Nellie Rowe Cross Atlantic en route to Egypt

In 1945, Bob Rowe attended L.S.C. from 1944-46, graduating with the first degree ever awarded the academy. They took advanced work at the Theological Seminary in Washington, D.C., and sailed for Alexandria, Egypt, to serve as missionaries. The following is their report.

"A voice rang out 'All aboard,' the gangplank was raised, hawser was hauled in, and the little tug came alongside, and we bade farewell to New York City and the States with one final ear-splitting scream of the ship's whistle.

"An Atlantic crossing is supposed to be very romantic, but we skirted the edge of a storm all the way across, and though we had fair weather all along the ship, the rock constant as it was, it was too light for us to row. Sunday was a gala day at the dock to meet us. After a short service at the priest's house, we were driven to a gown of golden moonlight (by day and two lovely nights when the Mediterranean shimmered in a vast sea of stars)."

The ship was a converted army transport, and two lovely sisters, and a native usher) translated it into French, and the sermon translated the sermon sentence by sentence. From the pier and out through the doors, the lower doors were closed and bolted. At 4:00 p.m. the ship began to slip away off the ship, and the lower doors were closed and bolted. At 4:00 p.m. the ship began to slip away. The refreshments were ice cream, cookies, and men were quartered in separate cabins.

The ship was a converted army transport, and two lovely sisters, and a native usher (Mr. and Mrs. Robert Rowe at-...

Cumber will be getting married, and Dorothy McConaughy will be going home to Oklahoma for the summer, planning to teach at Fresno Academy in the fall.

Nursing: Eleanor Lawson will continue her career in Mountain View, Calif., and Jean Bittenhouse at Loma Linda.

French: Violet Boyko plans to go to Indiana Academy (Cicero) to teach.

English: Lowell Plynke will teach at Twin Falls Academy in Minneapolis and take graduate work at the University of Minnesota.

Business Administration: Mrs. Velma Specht will remain at La Sierra College.

Secretarial Science: Eleanor Zimmerman is getting married and will be doing secretarial work at the College of Medical Evangelists, Loma Linda.

KELSTROMS SAIL

(Continued from page 1)

...on the deck waving until the distance removed them from our sight.

It was a most inspiring experience to see these classmates answer the call to foreign service with the words of our class motto, "Here am I, send me." There are many problems in the mission field where Vernon will take charge of the Publishing and Home Missionary Departments in Japan, and Cora will conduct a little school for the missionaries' children. However, we know that with the Lord's help they will be successful."

The Kelstroms will land in Japan on June 1, and have promised to write of their activities as soon as they are settled.

FACULTY CHANGES

Continued on Dr. Wilfred J. Airey, now head of the English department, will be the head of the history department next year, it was announced. His successor in the English department has not been announced.

Elder P. C. Heubach, professor of evangelism, will next year act as student counselor in spiritual and personal matters, and will have an office in the administration building.

New teachers for the elementary school are Mary Woodward (grade two), who comes from Southwestern Junior College, and Maude Reid (grade six), who is currently connected with the Voice of Prophecy radio group.

PHOTO CONTEST

Continued from page 1

The prizes were donated by The Criterion, the 1947 Meteor, La Sierra College, Belonga's Grocery Store, and the Collegiate Malt Shop (formerly Meyer's Fountain).

Judging was done by Mrs. Solen, Deans Walter Crandall and Mary Champion, Dr. Wilfred J. Airey, and Professor H. B. Hamilton.
