And Have the Bright Immensities 168

1. And have the bright immensities Re-ceived our ris-on Lord,
2. The heav'n that hides Him from our sight Knows ne-ther near nor far.

Where light years frame the Ple-i-des And point Or-i-on's sword?
A little candle shone its light As sure as an a-star.

Do flaming suns His foot-steps trace Thro' cor-i-dors sub-lime,
And where His lov-ing peo-ple meet To share the gift di-vine.

The Lord of in-ter-stel-lar space And con-quer-er of time?
There stands He with un-hur-ry-ing feet. There hear-ly splendid stars shine.

Lord of the Boundless Curves of Space 97

1. Lord of the bound-less curves of space And time's deep mys-tery,
2. Your mind con-versed the gal-a-x-y. Each at om's se-cret planned,
3. Yours is the im-age stamp-ed on man, Though marred by man's own sin,
4. Give us to know Your truth, but more, The strength to do Your will;

To Your cre-a-tive might we trace All na-ture's en-er-gy,
Your his-to-ry, Your pur-pose, Lord, has spanned,
The lib-er-at-ing plan. A-gain his soul to win.
For all our souls a-rose Shall all our be- ing fill.
