This is an exciting and history-making year, so welcome to all that is before you!

The team in the Division of Student Life will be there to serve you in so many ways—as resident hall deans, athletic directors, health care providers, safety and security awareness, social calendar, student advocate through SALSU, international student care, emotional support through counseling, your spiritual conscience and so much more! It is a big task! Yet you will find us committed to seeing you succeed academically, socially, physically, and spiritually.

Remember you are now part of a much larger family... a La Sierra University family. As it happens with all families you will have good times and bad times, but the one thing you can count on is that you will never be alone. We are here to help you succeed... that is our goal. Dream big: This is the place to try it! Be encouraged: “He who began a good work in you will be faithful to complete it.” Stay connected: This journey has twists and turns and the larger your network, the safer you’ll be. HISTORY OF LA SIERRA UNIVERSITY

La Sierra University is a Seventh-day Adventist co-educational institution that began as La Sierra Academy in 1922, on acreage that had been part of an 1846 Mexican land grant known as Rancho La Sierra. It is now part of the city of Riverside. In 1923, with the addition of coursework in preparation for teaching, the school became La Sierra Academy and Normal School. As the offerings continued to grow, it became Southern California Junior College in 1927 and La Sierra College in 1939. Accreditation as a four-year liberal arts college was received in 1946.

In 1967, La Sierra College was merged with Loma Linda University as its College of Arts and Sciences. The School of Education was organized in 1968, followed in 1986 by the Zapara School of Business and the Evening Adult Degree Program, and in 1987 by the School of Religion. The Loma Linda and La Sierra campuses of Loma Linda University were reorganized into separate institutions in 1990, and four schools (the College of Arts and Sciences, the School of Education, the Zapara School of Business and Management, and the School of Religion) and the Evening Adult Degree Program became La Sierra University.

LA SIERRA UNIVERSITY TODAY

La Sierra University is a Christian co-educational institution located in inland Southern California and is part of the Seventh-day Adventist system of higher education. The University offers graduate and undergraduate curricula in applied and liberal arts and sciences, business and management, religion, and programs for professional education in fulfillment of requirements for teaching credentials.

Intellectual pursuits are facilitated by the University Library, Museums, Observatory, Arboretum, Brandstater Gallery, Testing Center, Hancock and Stahl Centers, and other campus resources. Physical fitness is encouraged on campus by such activities as intramural and varsity sports, physical education courses, three swimming pools, a fitness center, a track, tennis, basketball, and volleyball courts.

The University buildings are on a gentle slope looking eastward over the Riverside Valley, with its world-famous citrus and walnut groves and its palm-lined boulevards. The approximate 150 acres owned by the University allow, during the winter months, the snow-clad peaks of the surrounding ranges to be seen rising above the rolling open fields—a view of rare beauty from the campus, truly a scenic part of the Inland Empire.

The convenient access to Southern California’s wide range of both participatory and spectator activities enables the University to offer a multitude of unique cultural and educational experiences appropriate for the responsible student.

ACCREDITATION

La Sierra University is accredited by the Accrediting Commission for Senior Colleges and Universities of the Western Association of Schools and Colleges (WASC). The University is also accredited by the Adventist Accrediting Association (AAA), the accrediting association of Seventh-day Adventist schools, colleges, and universities.

The University is a member of the Council for Higher Education Accreditation, the Association of American Colleges and Universities, the National Association of Independent Colleges and Universities, and the Association of Independent California Colleges and Universities. Approval of programs is maintained with the California Commission on Teacher Credentialing. The undergraduate program in Social Work is fully accredited by the Council on Social Work Education, and the music degrees are accredited by the National Association of Schools of Music. Curricula are offered leading to the following degrees: Bachelor of Arts, Bachelor of Fine Arts, Bachelor of Music, Bachelor of Science, Bachelor of Social Work, Master of Arts, Master of Business Administration, Master of Divinity, Master of Pastoral Studies, Specialist in Education, and Doctor of Education.
MISSION STATEMENT

La Sierra University pursues this mission for God and society with recognized excellence, integrity, compassion, and mutual respect. As members of the diverse La Sierra University community, we are committed to inquiry, learning, and service. Our community is rooted in the Christian gospel and Seventh-day Adventist values and ideals. Our mission is: To seek truth, enlarging human understanding through scholarship; To know God, ourselves, and the world through reflection, instruction, and mentoring; To serve others, contributing to the good of our local and global communities. We pursue this mission with excellence, integrity, compassion, and mutual respect.

AIMS OF THE UNIVERSITY

As a community of learning that is also a community of faith, La Sierra University fulfills its mission by engaging in three kinds of activity. It educates undergraduate and graduate students; it promotes research in the areas in which it offers instruction; and it contributes to the good of the larger society. The University educates its students through a broad offering of studies in the liberal arts and sciences and in selected professional areas. It promotes research through encouraging and facilitating original investigation, critical reflection, and scholarly publication. It serves its various communities through adult education, resource centers, cultural events, non-technical publications, and professional consultation. Among these varied activities, the university maintains as a vital concern the education of its undergraduate students.

Thus this University does the things most other universities do. But it does these things as the fruition of its Adventist heritage and commitment, even as it welcomes students from all religious and cultural backgrounds. The university’s religious orientation provides a perspective for its educational programs and projects, a motivation for its intellectual vitality and rigor, a framework for its moral values and lifestyle, and a basis for its social consciousness and public service. Convinced that God is the author of all truth, the University maintains an atmosphere of freedom and openness for intellectual exploration and expression.

As La Sierra University does its work of teaching, research, and service, it strives to exemplify its ideals of educational comprehensiveness, community interaction, and intellectual excellence. The University intends to address the needs of a wide range of students who are both academically qualified for and genuinely interested in the kind of education it offers. It serves Adventist and other high school graduates and transfer students from all parts of the world.

It serves graduate and professional students within the areas of business, education, religion, and the liberal arts and sciences. It serves adult students whose education has been interrupted and who desire to complete the requirements for a university degree or credential. Meeting the needs of this wide diversity of students requires a corresponding diversity of educational programs and strategies. The university intends, furthermore, to respond to the needs of students and teachers as whole persons. Accordingly, it seeks to challenge the intellect to acquire the knowledge and skills essential to an effective, productive, and satisfying life in the coming decades. It seeks to engage the spirit in establishing fundamental values and attitudes of moral integrity, intellectual curiosity, religious commitment, and social concern. It seeks to nurture a mature sense of personhood through the development of appropriate self-esteem and self-direction as well as significant interpersonal relationships. The University seeks to enhance the body by encouraging and facilitating lifelong physical well-being. Believing that all humanity is created in the image of God, the University celebrates the diversity of its students, faculty and staff with regard to race, national origin, gender, and age. The university recognizes this diversity as a valuable asset in the preparation of all its students for positions of service and leadership in the professions, in business, in government, in the civic community, and in the church.

The University intends to interact vigorously with its multidimensional world—including its founding and sponsoring church, its growing urban community in California’s Inland Empire, its neighboring educational institutions, and its wider intellectual and cultural environment in the world of the 21st century.

The University intends to teach its students how to make the world a better place in the future by involving them in making it a better place now. It intends to be, for both its religious and secular publics, a significant influence—a reasoned and relevant, critical and constructive voice; a light on the way to the future; and a source of knowledge and energy for responding to a wide spectrum of human needs.

The University intends to promote intellectual excellence in four complementary ways. It seeks to encourage and enable each student to learn as much as he or she can. It seeks to draw individual students into the ongoing scholarly conversation in their own academic and professional disciplines. It seeks to prepare students both for further education in graduate and professional schools, and for employment in the world they will inhabit in the future. It seeks to initiate students into a responsible life that is intelligent and informed, unselfish and involved, open and growing.

In its drive toward recognized excellence, the University intends to recruit, support, and nurture teacher-scholars who are distinguished for their intellectual competence and vigor; for the breadth and depth of their educational background; for their continuing involvement in research, reflection, and publication; for their personal integrity and religious commitment; and for their enthusiasm for teaching.

Besides promoting research and publication by both faculty and students, the University intends to develop courses and curricula that will anticipate the future opportunities and needs of its graduates. Although there is room for growth in student enrollment and educational programs, the University intends to maintain among its students, faculty, and staff a quality of personal relationship that energizes and enriches all of its activities of teaching, research and learning, and service.
STATEMENT OF SHARED VALUES

We, the members of the La Sierra University community, take pride in ourselves and in our University. To this end, we are committed to upholding the highest standards of ethics, integrity and professionalism in all that we do. We recognize that excellence in teaching and learning flourishes in an environment where each of us is free to express our ideas in ways that recognize and respect our differences. We are committed to celebrating the rich diversity of all members of the campus community and the community at large.

Therefore, in an effort to attract and retain exceptional students, faculty, staff, administrators, and trustees, who will continue the wonderful tradition of the University, we actively support behavior that is consistent with the values shared by the La Sierra University community:

DIVERSITY
La Sierra University is committed to building a campus environment which values its diversity among students, faculty and staff. Diversity encompasses difference in age, color, ethnicity, gender, national origin, disability or handicap, race, religion, socioeconomic background, or unique individual style. This institution is committed to the belief that all persons are valued for their individual characteristics, talents, skills, and contributions to the campus and the community at large.

HONESTY
La Sierra promotes an intellectually stimulating environment where all interactions are open, honest and free of bias, where the responsibility for all individuals is to be straightforward and trustworthy.

RESPECT FOR PERSON
The University embraces the rich diversity and culture of its faculty, staff, students, administrators and trustees, including but not limited to their race, ethnicity, gender, religion, ability, and socioeconomic status.

RESPECT FOR PROPERTY
The University seeks to provide an environment that is safe, one in which individual and institutional property are respected and protected. The University also values the integrity of intellectual work that is creative, resourceful and innovative and, therefore, enforces strict policies against plagiarism, cheating and the misuse of traditionally published and/or Internet resources.

COMMITMENT TO ACHIEVING EXCELLENCE
La Sierra encourages excellence in intellectual, personal, professional, social, physical, and spiritual development while fostering a commitment to excellence in teaching, learning, and all aspects of work.
COMMUNITY STANDARDS OF CONDUCT AND WELLNESS

Due to the circumstances surrounding Covid 19 please use the following link for the most updated information and resources. The student social contract can be found on page 54 of the Campus Reopening Protocol: lasierra.edu/fileadmin/documents/covid-19/campus-reopening-protocol.pdf

As a community of scholarship and faith, we believe it is important that each student develop a living and learning style consistent with the Seventh-day Adventist Christian standards of La Sierra University. These standards help create an environment respectful of individual rights and responsibilities, an environment where all students, are free to pursue academic excellence, and an environment that brings glory to God. To this end, the La Sierra University student is conscious of and sensitive to Christian values that pertain to human relationships, namely politeness, courtesy, patience, respect, kindness, cleanliness, collaboration, cooperation, and morality that are based on our spiritual values. Failure to comply with the community standards of conduct can result in disciplinary action. La Sierra students are expected to take responsibility for the consequences of their behavior at all times and to cooperate fully within the University’s community standards.

SPIRITUAL DEVELOPMENT

Spiritual growth is of highest importance to La Sierra University and its students. It is the backbone of the Christian experience. Because of this, the university offers a variety of spiritual experiences designed to nurture spiritual growth, provide service opportunities for leadership, and to share personal journeys of faith. The University comes together on Tuesdays at 11:00am for Chapel. Other programs, such as Week of Spiritual Emphasis, and residence hall worships, all contribute to the community of faith.

All undergraduate students taking eight units or more are required to attend Chapel. Residence hall students, under 22, are required to attend one resident hall worship period per week. It may be chosen from residence hall worships, Wednesday night student worships, or small group worships. Petitions for small groups may be obtained in the office of Residential Life.

HEALTH, DIET, AND WELLNESS

All students are encouraged to maintain a healthy lifestyle through proper diet, exercise, use of water, outdoor activities, the balance of work and study, and other healthful practices. Because La Sierra University values the health traditions of the Seventh-day Adventist church, a vegetarian diet is served on campus in the cafeteria and at special events. Additionally, no meat, chicken or fish is permitted to be prepared in the residence halls or on campus.

RECREATION AND ENTERTAINMENT

“What is true... noble... right... pure... lovely... admirable... excellent... and praiseworthy... think about [and] practice these things. And the God of peace will be with you” (Philippians 4:8-9, NIV). This biblical principle guides the La Sierra student in selecting appropriate forms of recreation and entertainment. This being the case, La Sierra students:

- Choose movies, videos, DVDs, television, Internet, computer programs, and music that do not promote violence, nudity, sexually explicit language or behavior, vulgarity, or ideas and behavior not in keeping with Christian principles and values.
- Clear all social activities, films, and activities both on and off campus through the Office of Student Involvement.
- Are careful to respect the community by participating in activities that are not intrusive, disruptive, or offensive to others.
- Play music that reflects the Universities Christian values.

SABBATH OBSERVANCE

The seventh-day Sabbath is regarded with reverence as the sign of God’s creative and redeeming power. The Sabbath is celebrated from sundown Friday to sundown Saturday. During this time the La Sierra student is encouraged to enter into an attitude of worship, praise and rejuvenation. Everything about the Sabbath is special when time is given for meditation, Bible study, worship, and relationships with others.

DECORUM AND LIFESTYLE

Christian decorum assumes that community members deal with one another in a Christ-like manner. Therefore, La Sierra students:

- Respect the community by using appropriate language and refrain from cursing and addressing one another in a derogatory or demeaning manner.
- Respect the community by refraining from inappropriate displays of affection or sexual behavior. Maintain Christian standards when decorating their rooms with wall posters, artistic hangings, and avoid offensive material.
- Respect the property of community members and University by refraining from stealing or cheating of any kind.
- Respect others and the University by refraining from lying, plagiarizing, misuse of university computers, and other fraudulent activities.
- Respect others by refraining from using personal computers to demean, threaten, slander, or display material that directly opposes the values of the University.
- Respect oneself by living a healthy lifestyle and refraining from the use of alcohol, tobacco and drugs.

COMMUNITY LIVING

To maintain the academic atmosphere of the campus community, students are expected to conduct themselves in a considerate manner with regard to the rights, obligations and safety needs of others. The University provides trained professional staff to provide assistance to students experiencing temporary emotional crisis or psychological needs. Long-term assistance cannot be expected and must be obtained through local, private resources or community agencies. Students requiring long-term assistance are welcome in the campus community as long as appropriate behavioral expectations are met. Behavior that does not conform to community standards and is a disruption to the community may result in disciplinary action and/or removal from the community.
SPIRITUAL LIFE OFFICE

The Office of Spiritual Life serves students’ needs by providing a variety of worship events, mission and outreach activities, small Bible and discussion groups, and spiritual renewal retreats. College is the time when you have the opportunity to explore and deepen your faith. What inspires you? Where do you turn for support when times get tough? As a Christian university, La Sierra gives you many opportunities to study your beliefs and live them out in service to others. On our campus students will also find a diverse community of believers. While over 65 percent of our students are members of the Seventh-day Adventist Church (SDA), many are from a variety of other denominations. You’ll be part of a welcoming Christian environment that offers a variety of ways for you to strengthen your faith while growing in your understanding of the beliefs of others. We encourage you to familiarize yourself with the range of opportunities for spiritual growth available. CORE TENETS OF OUR SPIRITUAL LIFE COMMUNITY

JESUS

Jesus Christ is at the heart of La Sierra. His life and teachings are our standard. By them we measure all societal norms, Biblical texts, and religious doctrines. Moreover, we are committed to making Jesus an irresistible option—here in Southern California and in the world.

CORPORATE WORSHIP AND PERSONAL DEVOTION

The La Sierra community is vibrant community, comprised of various religious backgrounds, ethnicities and world views. When it comes to personal spiritual disciplines, this community is no different than any other community on earth—we are in constant need of growth, realignment and motivation! Teaching and journeying through inward spiritual disciplines like prayer and Bible study, strengthens us and satisfies our spiritual longings. In addition, these practices help individuals in our community overcome personal problems that are faced on our campus day-to-day.

The university community comes together on Tuesday at 11:00 a.m. for Chapel. This is a corporate time of worship, learning and fellowship. Other programs, such as Week of Spiritual Emphasis, and residence hall worships, contribute to the community of faith. All undergraduate students taking eight units or more are required to attend Chapel and meet the requirements outlined in the University Worship attendance policy.

To foster a special spiritual bond within our residence halls, students living in the dorms are required to attend one additional worship program per week. To meet this requirement, students may choose from a variety of program options: residence hall worships, the student association worship service (Rendezvous) or small group worships. Petitions for small groups may be obtained in the Office of Residential Life.

INWARD SPIRITUAL DISCIPLINES

When it comes to personal spiritual discipline, the La Sierra community is no different than any other community on earth—we are in constant need of realignment and motivation! Teaching and journeying through the inward spiritual disciplines of prayer, Bible study, fasting, and Christian meditation strengthens our inner worlds and satisfies our spiritual longings. In addition, these practices will help individuals in our community overcome personal problems that are faced on our campus day-to-day.

THE SOCIAL GOSPEL

At La Sierra, we are convicted that religion is always personal, but never private. We hold to the belief that God made a special covenant with a community, not an individual. Therefore, we strive to follow the ways of the Old Testament prophets, which evaluated communities in terms of how they were taking care of the poor, widows, orphans and resident aliens. We always welcome the challenge of new, innovative, horizon-expanding ways to take better care of the poor, widows, orphans and resident aliens in our local and global community. Fostering a broad world-view and a social conscience of global awareness by talking about global missions, development and relief agencies and local charities, will help us strive to be the missional people God calls us to be—going into all the world and preaching the everlasting gospel.
UNIVERSITY POLICIES

STUDENT CODE OF CONDUCT

THE LA SIERRA STUDENT

Due to the circumstances surrounding Covid 19 please use the following link for the most updated information and resources. The student social contract can be found on page 54 of the Campus Reopening Protocol: lasierra.edu/fileadmin/documents/covid-19/campus-reopening-protocol.pdf

The La Sierra Student is one, who through the educational process and the unique attitude of the university, values a personal spiritual faith, exhibits a high degree of integrity, shows respect for others, promotes/values physical mental and spiritual well being, and is honorable. The university values the maturation process and places responsibility for behavior with the student. The student in turn is accountable for personal choice. Rather than have students governed by external forces, the University prefers to state values and principles and empower students to make personal choices within this framework. The University celebrates individual uniqueness, ethnic background, religion, and culture. These very factors contribute to a central community representing a microcosm of the world.

The community is composed of students who are sensitive and deal with others with compassion. They are aware that individual choice and behavior affect the community and therefore respect the need for order. In this context, the La Sierra University student is empowered to use good judgment in her/his academic, social, physical, and spiritual journey. The “Student Code of Conduct” assists students in providing guidelines that celebrate the community of faith and outline the values of the University.

The Vice President for Student Life has been designated by the university President to assure that student rights are vigorously upheld and to administer fairly the responsibilities outlined in university policies, (university policies are any written regulations of the university as found in, but not limited to, the Student Handbook, Guide to Residence Hall Life, university Vehicle Code, and Graduate/Undergraduate Bulletins) or publicly announced policies.

Students who choose La Sierra University as their university make a personal commitment to conduct themselves in a manner, which reflects their sense of responsibility for the honor, integrity, and values of the university and themselves as members of its community. They agree to comply with all university values and policies and own the consequences of their behavior.

UNIVERSITY TO STUDENT

The university regards the student from a cosmopolitan and comprehensive point of view: (a) cosmopolitan in that historically the University’s global mission has promoted bonds and opportunities in education and service without regard to sex, national or racial origin, or geographical line; and (b) comprehensive in that the University’s concern for the welfare of the student has been traditionally an integrated concern for assisting the student in balanced development of the intellectual, emotional, physical, spiritual, and societal potentialities.

La Sierra University recognizes both the rights and the responsibilities of all those who are members of the university community. Expected conduct of faculty, administrators, and staff is detailed in the university’s employee handbooks. The rights and responsibilities of students, which are expressed in, but not limited to, university policies, are discussed in this section of the Student Handbook.

The university defines a “student” as any person taking courses at the university, both full-time and part-time, pursuing undergraduate, graduate, or professional studies, and those who attend post-secondary educational institutions other than La Sierra University and who reside in a university residence hall. Persons who are not officially enrolled for a particular term but who have a continuing relationship with the university are considered “students” (e.g., a summer student employee) as well as students enrolled in on-line courses and volunteers.

As a Seventh-day Adventist university, La Sierra is fully committed to the total development of its students. It seeks to provide opportunities through which students can become responsible, mature adults able to function in later years as autonomous, self-actualized human beings. La Sierra University endeavors to teach that membership in an academic community assumes a willingness on the part of the individual to accept certain responsibilities and obligations; otherwise the community cannot survive.

Responsible membership in the La Sierra community necessitates personal and academic honesty, respect for the rights and well-being of each individual and respect for personal and university property. A student who fails to meet these standards of conduct will be subject to those judicial policies and procedures which the university has established in order to preserve the rights and freedoms of its constituent members. It shall be understood that, under the Bylaws of the university, the following regulations operate within the ultimate administrative authority which rests with the president and the Board of Trustees. La Sierra University students are both citizens and members of an academic community. As citizens they enjoy the same constitutional freedoms as other citizens and are subject to criminal and civil law. As members of the university community, however, they assume additional obligations. They bear a responsibility to preserve a collegiate environment which encourages the maximum development of themselves and their fellow students.
All students of the university are expected to conduct themselves at all times in a mature and responsible manner. The rights and property of all persons are to be respected regardless of time or place. Failure to comply with university, city, state or federal laws and regulations can result in disciplinary action by the university, as well as civil or criminal disciplinary action by a state or federal court.

La Sierra University reserves the right to hold students accountable for violations of the “Student Code of Conduct” both on and off campus. The “Student Code of Conduct” applies to students from the time they matriculate until they have completed the required units, applied for candidacy, and received their diplomas, unless their enrollment at the university is terminated for other reasons. The Social Code applies to both individuals and groups, and in the event that an incident occurs which clearly implicates a group of students or a student organization, the case may be considered corporate and each member of the group and/or the group itself may be held responsible. Violations of the “Student Code of Conduct” include, but are not limited to:

1. OFFENSES AGAINST PERSONS

   Infractions of this “Student Code of Conduct” may be dealt with through administrative and/or other disciplinary channels. Alleged violations of university policies including policies applicable to alcohol, illegal drugs/substances and sex offenses are governed by the rules and procedures applicable to “Student Code of Conduct” violations.

Activities of students may, upon occasion, result in violation of law, and in such cases students are responsible for their actions and any consequences incurred with authorities outside the university. When student behavior is in violation of law and of the university’s “Student Code of Conduct,” the university will reserve the right to administer disciplinary action independent of action by civil or governmental agencies. The university may elect, considering the circumstances of the case, to delay on-campus disciplinary action pending the resolution of criminal charges. The university will report illegal activities to the proper authorities.
DRESS CODE
La Sierra University’s dress code is based on the theory that learning to use socially acceptable manners and selecting attire appropriate to specific occasions and activities are critical factors in the total educational process. Understanding and employing these behaviors not only improve the quality of one’s life, but also contribute to optimum morale and embellish the overall campus image. They also play a major role in instilling a sense of integrity and an appreciation for the values of modesty, personal decorum, cleanliness, respect for others, and ethical behavior. The continuous demonstration of appropriate manners and dress insures that La Sierra University students meet the very minimum standards of quality achievement in the social, spiritual, physical, moral, and educational aspects of their lives—essential areas of development necessary for propelling students toward successful careers.

ON-CAMPUS Students and their campus guests are encouraged to wear clothing appropriate to the occasion and will be denied admission to campus, classrooms, and various functions if their manner of dress is inappropriate. Shirts/tops and shoes must be worn at all times while in public or common areas of the university. Examples of inappropriate dress and/or appearance include but are not limited to:

- Dress and grooming that disrupts the teaching/learning process or cause undue attention to an individual student.
- Bare feet in classrooms, offices, Dining Commons, Student Center, or La Sierra University Church.
- All students and visitors must wear shoes, boots or other types of footwear made for outside wear.
- Gang related clothing or paraphernalia.
- Clothing with derogatory, offensive &/or lewd messages. Logos, pictures & wording on clothes should be in harmony with Christian principles.
- Clothing which allows undergarments to be visually observed is not permitted. Sports bras and undergarments must be covered.
- Swim-wear. Bathing suits, including bathing suit tops other than in designated swimming areas.
- Pajamas, stocking caps, hair rollers and bedroom slippers shall not be worn while in public or in common area of the University. Sleep wear is not to be worn on campus except in private residence hall rooms.
- Because the campus is multi-functional, specific areas may have an expanded dress code conforming to the work or function of the department, e.g., appropriate swim wear for the university pool, work clothing for the Physical Plant, or professional attire for business offices.

EXTRACURRICULAR ACTIVITIES Additional dress regulations may be imposed upon students participating in certain extracurricular activities. Students are expected to dress modestly for all formal or themed events. Anything excessively tight, backless, see-through, low in the neckline, pants that reveal underwear, or clothing revealing the midriff is unacceptable.

GAMBLING
The university does not permit gambling of any kind anywhere on campus (including online). Social card games are permitted in the residence halls and in the Student Center. Students may not gamble, play pyramid games, or sell lottery tickets.

FOOD AND DRINK IN CLASSROOMS, UNIVERSITY CHURCH, AND OTHER FACILITIES
As part of La Sierra University’s efforts to maintain clean university facilities and teaching environments, students are asked not to bring food or drinks into classrooms, the University Church, the Alumni Pavilion or any other university facility without prior permission from the instructor or the program coordinator. Under no circumstances should food or drink be brought into the University Church during worship.

LEWD, INDECENT, AND/OR OBScene BEHAVIOR, PDA
Lewd, indecent, and/or obscene behavior will not be tolerated and will result in disciplinary action. This includes but is not limited to the possession and display of pornographic material on university-owned premises, online, dress, speech, hand and/or body gestures, inappropriate sexual behavior, etc. La Sierra University expects its students to act appropriately for the occasion and environment; this includes limiting public display of affection to modest and self-respecting behavior. The residence hall lobbies, classrooms, lawns, Dining Commons, Student Center, athletic facilities, parking lots, and Campus Mall are public areas to be enjoyed by all in a tasteful manner.

PERSONAL PROPERTY POLICY
La Sierra University is not responsible for any loss of or damage to students’ personal property. It is suggested that students or their parents carry appropriate insurance coverage on personal belongings brought to the campus. This includes items brought and stored in residence hall rooms. Parents may wish to review their current homeowner’s policy for possible coverage. Students may consider obtaining renters insurance. If you own an electronic device, be aware that there are apps that allow you to find your devices if they are lost/stolen. If you would like to make use of them this is in the users discretion.

SKATEBOARDING/SCOOTERS/Roller-Skates/mini BIKES
The use of non-pedestrian devices, such as skateboards or roller skates/blades, in any university building or on university roadways is prohibited. These devices are prohibited on all campus sidewalks, pedestrian thoroughfares, roadways, stairs, athletic track, or other university property. Long boards are permitted for transportation for students.

STEALING
Stealing is considered to be a serious offense. Students found stealing or attempting to steal university property or private property on campus, or knowingly receiving stolen university property or private property on campus (including through the Internet) will be subject to discipline and possible suspension. Criminal charges may be filed against the suspect. The university is not responsible for items taken. Stealing also includes clocking in for work and not working.

VANDALISM
Any damage incurred to any campus property carries with it restitution of damages, fines, and possible criminal prosecution. Vandalism may result in dismissal from the university.

VIOLENCE
Physical violence, both threat and actual, toward another person (student, faculty, employee, visitor, or general person) on the La Sierra University campus or university property is prohibited. Any type of violence will result in disciplinary action. City, state, or federal prosecution may result.
**DISCIPLINARY SANCTIONS**

Discipline sanctions may not always proceed consecutively through each of the levels listed below; the University may proceed directly to any of the disciplinary sanctions with one or more supporting behavioral actions.

**DISCIPLINARY SANCTIONS:**

- **Verbal Warning** - Cautionary admonition, usually given verbally.
- **Letter of Censure** - Reproof for an infraction. This is the first level of discipline and represents a very strong warning that a behavior is unacceptable. A letter of censure is retained in the student's disciplinary file.
- **Citizenship Probation** - Disciplinary status indicating that a student is in serious violation of policy, and a permanent file will be kept.
- **Critical Citizenship Probation** - Disciplinary status indicating that any further violations may result in automatic dismissal without further committee action.
- **Dismissal** - Immediate exclusion from the university for an indefinite period.
- **Withdraw of Admissions** - Withdrawing admission to a student.
- **Termination at the end of the Quarter** - Actual dismissal but with permission to complete the courses in progress provided the student's conduct is acceptable during the interim.

**SUPPORTING BEHAVIORAL ACTIONS:**

- **Behavior Contract** - When a violation occurs that does not warrant dismissal and a student remains on campus with other disciplinary sanctions, an individualized behavior contract may be arranged between the student and the university. This contract will outline specific behavioral goals and requirements for a student. In the case of substance abuse, random drug tests may be required. By agreeing to the behavior contract, the student further agrees to release the results of the tests to the Vice President of Student Life, Dean of Student, and/or their designee(s).
- **Contributed Service** - Contribution of service to the university or a designated community agency consistent with the infraction committed.
- **Restitution** - Reimbursements to the university or a member of the university community.
- **Fines** - Financial assessment in a particular dollar amount. Loss of privileges. Limitation on university related activities.
- **Suspension** - Exclusion from the university campus and from all academic programs for a specific period of time. While under suspension a student may not return to the campus without specific permission from the Vice President for Student Life or Dean of Students. Suspension means that students may not be on campus, use any university facilities, or work on campus. At times a student may be suspended and remain in the residence hall because the distance to their homes makes it impossible for them to leave the campus. In this case, they remain in the residence hall, go to the cafeteria for meals, but may not go to class, work, or use other university facilities.
- **Behavioral Contract** - Behavior contract may be arranged.

More than one of the sanctions listed above may be imposed for any single violation.
The students involved in the incident will meet with the Dean of Students. The Dean of Students will advise the student(s) that there has been a violation of the Student Code of Conduct and the Judicial Committee will meet to review the case. Student(s) will submit to the Dean of Students a written statement and any other evidence that is pertinent to their case to be reviewed by the Judicial Committee.

The case will then be referred to the Judicial Committee. The Judicial Committee is comprised of 2 faculty members, 3 staff members.

The Judicial Committee will review the case and vote on recommendations for student resources, and will also vote on the disciplinary sanctions.

The student(s) involved will then be notified in writing of the outcome, and a letter outlining the decision and disciplinary sanctions will be kept on file in the Office of the Dean of Students.

Usually a disciplinary action will not affect recommendations forwarded to any Admissions Committee or to another institution if the particular item is an isolated out-of-character development with no recurring pattern. It is the pattern of one’s citizenship record which may determine the recommendation forwarded to any other institution to which the student applies. Probation, suspension, and dismissal are of major significance, and in general, parents of undergraduate students will not necessarily be involved in the discipline at this point. Probationary status remains on a student’s record permanently, unless the student requests for his/her file to be expunged. One year from the date of the violation, a student who has had no further disciplinary problems may appeal to the Student Life Committee to have the matter expunged from their record.

VIOLATIONS BY STUDENT ORGANIZATIONS

Student organizations found by the campus judicial process to have violated a university policy shall, at a minimum, be subject to the following sanctions. Other, more serious disciplinary measures may also be taken, at the discretion of the Vice President for Student Life or the Dean of Students, where warranted.

SOCIAL PROBATION: A status between “good standing” and social suspension during which subsequent violations of policies will lead to more severe sanctions.

SOCIAL SUSPENSION: A period during which an organization may not sponsor any social events, on or off campus.

RECOGNITION PROBATION: A period of review during which an organization will be notified of specific concerns and must comply with requests for remediation by a specific date.

RECOGNITION SUSPENSION: A period during which an organization is no longer recognized by or registered with La Sierra University; is not entitled to the benefits, services and programs afforded recognized student organizations; and may not use La Sierra University’s name.

DISCIPLINARY APPEALS PROCESS

The appeal will be considered valid only if it meets one of the following criteria, and is submitted within three business days:

- The student under disciplinary review does not believe that the evidence supports a finding of violation of the Student Conduct Code or other university policy.
- The decision embodies a sanction that is unreasonable in light of the offense.
- The Student Discipline Policy was not followed correctly.
- New evidence has been discovered that was not available at the time of the committee’s decision and which may reasonably be considered to have changed the outcome of the case if it had been presented to the Committee.

PROCESS OF APPEAL

There are two levels of appeal, one to the Vice President of Student Life, through the Student Life Committee, and lastly an appeal to the Provost.

FIRST LEVEL: A student may only appeal the disciplinary decisions of the Judicial Committee through a letter to the Student Life Committee. It is the responsibility of the Vice President for Student Life or assigned designee to present to the Student Life Committee all relevant materials and documentation available regarding the student, and the facts leading to the discipline. If the student so requests, the Vice President for Student Life will invite a faculty or staff member of the student’s own choice to participate in the presentation of the appeal.

SECOND LEVEL: A student may only appeal the disciplinary decision of the Student Life Committee through a letter to the Provost. The Provost shall review the case in order to determine whether or not proper process and protocol was followed in the handling of the case. After making that determination, the Provost will respond to the student requesting the appeal, in writing, granting or denying the appeal. The decision of the Provost shall be final.
ACADEMIC EXPECTATIONS

ACADEMIC AUTHORITY

Within each of the schools of the University, the Office of the Dean is the final authority in all academic matters and is charged with the interpretation and enforcement of academic requirements. Any exceptions or changes in academic requirements, graduation requirements, test schedules, and grades are not valid unless approved by the dean of the school. Any actions taken by individual faculty members in regard to these matters are advisory only and are binding neither on the school nor the University unless approved by the dean. The Provost, as chief academic officer, oversees the implementation of the University’s academic mission, insures that the schools maintain acceptable University standards, monitors the uniform application of the university’s policies, and is direct supervisor of the University Studies Program and Honors Program. The Academic Integrity Committee, which processes and/or adjudicates violations involving academic integrity and honesty, reports to the Office of the Provost.

RESPONSIBILITY OF STUDENTS

It is the responsibility of the students to avoid both dishonest practices and the appearance of dishonesty. Students should make the necessary effort to ensure that their work is not used by other students. They have the responsibility to protect the integrity of their academic work by doing all they can to stop dishonest practices of others.

RESPONSIBILITY OF FACULTY

It is the responsibility of faculty to aid students in developing honest academic habits by reporting all instances of academic dishonesty. Faculty requiring independent work (e.g., take-home tests, research papers, etc.) as part of the student’s grade should take appropriate precautions (e.g., teacher student conferences, examination of research notes, etc.) to ensure that the work represents the student’s own efforts. It’s recommended that faculty avoid basing an excessive amount (over 20%) of the student’s grade on such work where adequate supervision & controls aren’t possible.

ACADEMIC INTEGRITY AND HONESTY

Academic honesty is the cornerstone of institutional integrity. Academic dishonesty, on the other hand, is a threat to the intellectual fabric of an academic community and is, perhaps, the most serious violation of trust that can occur in a community of scholars and educators. It is part of the mission of this University to provide its students not only with excellent technical skills that will contribute to the success of each graduate, but also to encourage in each student an appreciation of the importance of high standards of ethical behavior, without which all else will have little or no meaning. La Sierra University expects high standards of integrity from all members of its community. Therefore, the faculty and academic administrators in the University are urged to demonstrate clear, strong, and consistent codes of ethics in all aspects of institutional life. It is also legitimate and appropriate to hold students to the highest standards of behavior in their academic work. Applied to the arena of academic performance, these standards preclude all acts of dishonesty including cheating on assignments or examinations; dishonest conduct; plagiarism; self-plagiarism; collusion; forgery of signatures or falsification of data; unauthorized access to University files or accounts; and removal, mutilation or deliberate concealment of materials belonging to the University. Students who commit any offense against academic integrity and honesty will be held accountable to the policies and processes of the Code of Academic Integrity and Honesty.
CODE OF ACADEMIC INTEGRITY AND HONESTY

Academic Integrity and Honesty Reference: Faculty Handbook, Section 4.7 (Edition: 09/2014)

La Sierra University is committed to education for character, community, and culture. Embracing the principles of academic integrity is an important part of that commitment and provides a vital foundation for this community of scholars and its larger society. The following guidelines define academic integrity and establish a process to restore the community when violations occur. The university believes that education is fundamentally a place for scholars to work, learn, and grow in an atmosphere of trust and appreciation while providing fair and just corrective procedures to deal with those who breach such trust. Details of this policy, including examples of violations and specific consequences, may be found in such places as the university bulletins and the Student Handbook.

ACADEMIC INTEGRITY STATEMENT

All members of the community of scholars (students and faculty) at the university must agree to the following Academic Integrity Statement: I will act with integrity and responsibility in my activities as a La Sierra University student or faculty member. I will not participate in violations of academic integrity, including plagiarism, cheating, or fabricating information. I will not stand by when others do these things. I will follow the academic integrity policy.

ACADEMIC INTEGRITY COMMITTEE

The Academic Integrity Committee (AIC), composed of students and faculty, has the responsibility of promoting academic integrity on campus, investigating and adjudicating appeals and violations, and issuing reports of its decisions to the appropriate campus administrators.

VIOLATIONS OF ACADEMIC INTEGRITY

Violations of academic integrity include behaviors such as the following:

- **PLAGIARISM**: When a writer appropriates another’s ideas without proper acknowledgement of the source or uses another’s words without indicating that fact through the use of quotation marks.
- **SELF-PLAGIARISM**: When a writer appropriates ideas from a previous work without proper acknowledgement of the source or without indicating that it is a direct copy through the use of quotation marks.
- **CHEATING**: Cheating is the use of unauthorized materials, information or study aids in an academic exercise as well as collusion in visual or oral form.
- **FABRICATION**: It is the falsification or invention of any information or citation in an academic exercise. This includes lying to any member of the campus community.
- **FACILITATING ACADEMIC DISHONESTY**: The facilitation of academic dishonesty occurs when someone knowingly or negligently aids others or allows their work to be used in a dishonest academic manner. Such a person is as guilty of violating academic integrity as the recipient.

LEVELS OF ACADEMIC DISHONESTY AND CONSEQUENCES

In cases where academic integrity is violated, there are multiple goals that must be balanced: The desire to ensure consequences that will preserve the integrity of the community of scholars; the hope that the violation can be an opportunity for those involved to learn honesty, respect, and responsibility; and the desire to allow for forgiveness and restoration. The following classifications are used as rules of practice for faculty, administration, and the AIC in balancing these goals. The general descriptions of the levels apply to violations of academic integrity for students. Consequences for violations of academic integrity will be proportionate to the level of violation, with Level Four violations generally resulting in dismissal.

**LEVEL 1**

Level One violations involve a small fraction of the total course work, are not extensive, and/or occur on a minor assignment. Cases involving Level One are primarily viewed as teaching opportunities and are therefore to be handled by the instructor in consultation with the student and subsequently reported to the AIC chair. In cases where no resolution is reached, the instructor or student may refer the case to the AIC. Students may appeal the decision of the AIC to the Discipline Committee.

**LEVEL 2**

Level Two violations are characterized by dishonesty of a more serious nature or by dishonesty that affects a more significant aspect or portion of the course work. Cases involving Level Two are still primarily viewed as teaching opportunities and are therefore to be handled by the instructor in consultation with the student and subsequently reported to the AIC chair. In cases where no resolution is reached, the instructor or student may refer the case to the AIC. Students may appeal the decision of the AIC to the Discipline Committee.

**LEVEL 3**

Level Three violations include dishonesty that affects a major or essential portion of work done to meet course requirements, or involves premeditation. All cases involving Level Three violations are heard by the AIC. Students may appeal the decision of the AIC to the Discipline Committee.

**LEVEL 4**

Level Four violations represent the most serious breaches of intellectual honesty. All such cases are heard by the AIC. Students may appeal the decision of the AIC to the Discipline Committee.
STUDENT ACADEMIC APPEALS

A student who believes that he or she has been academically unfairly treated or disciplined may enter into an academic appeal process as set forth below (excluding situations involving academic integrity or honesty, which are handled via the appeals processes as outlined at www.lasierra.edu/academics/academic-integrity/).

GENERAL CONSIDERATIONS

1. An academic decision is one regarding such things as a grade on an assignment or in a course; academic standing; or eligibility to participate in an academic program or to receive an academic honor, certificate, or degree.

2. An academic decision may be posted in several ways, e.g., the return of a graded assignment or exam, the response to a request for variance, the posting of course grades on the University web site, or the delivery of a certified letter.

3. The appeal of an academic decision must claim one or more of the following or similar reasons for the alteration of an academic decision:
   » The decision rests on an inaccurate factual claim.
   » The decision rests on a misinterpretation of a university policy.
   » The decision rests on an inconsistent application of a university policy.
   » The decision flows appropriately from a general university policy, but there is good reason in the particular case in question to grant an exception to this policy.

Where an appeal claims a factual inaccuracy or challenges the interpretation or application of a university policy, it is the responsibility of the student to demonstrate that the decision was clearly in error or that the entity that made the decision abused its discretion. It is also the responsibility of the student to comply fully with all aspects of the appeals process, including providing information in a timely fashion as requested by each entity hearing an appeal.

A student who wishes to appeal an academic decision must do so within fifteen school days (defined as the days within academic terms) after the decision is posted. The appeal must be in writing and should specify specific reason(s), as outlined in (2) above, in support of the appeal for an alteration of the earlier decision. The student should attach all available supporting documentation and should, if appropriate, identify persons who can provide evidence relevant to the appeal.

STEPS FOR APPELLING A DECISION INITIALLY MADE BY AN INSTRUCTOR REGARDING A PARTICULAR COURSE:

Step One: The student shall first discuss the decision with the instructor in an informal conference immediately after its occurrence but no later than fifteen school days after the decision is posted.

Step Two: If the student is dissatisfied with the results of Step One, he or she may submit a written appeal to the department chair and/or program director whose (1) department and/or program offers the particular course within fifteen school days of the conference accomplished in Step One. The department chair and/or program director in consultation with the instructor shall reply in writing within fifteen school days of receipt of the written appeal and shall state and affirm the decision, modify the decision, or overturn the decision based on information received subsequent to the conference. This reply will be reported to all persons currently involved—the student and the instructor—and will be filed in the permanent files of the department and/or program.

Step Three: If the student is dissatisfied with the results of Step Two, he or she may submit a written appeal of the decision from Step Two within fifteen school days of receipt of the written decision of Step Two to the dean of the college, school, or division. The dean must consider the student’s claims carefully. When the interests of justice so require, the dean or the Office of the Provost may decide to convene an appeal panel to review the appeal and report on its merit, the department and/or program.

(i) If a panel is convened, the panel will comprise three faculty members: one chosen by the student, one chosen by the instructor, and one—who will function as the panel chair—chosen by the dean or the Office of the Provost. The appeal shall be considered at a meeting of the appointed panel. This shall be commenced within fifteen school days following receipt of the appeal by the dean or Office of the Provost. The panel shall report to the dean or the Office of the Provost within fifteen school days of its initial meeting. The dean or the Office of the Provost shall reply to the student in writing within fifteen school days of receiving the panel’s report and shall state the decision of Step Two and affirm, modify, or overturn the decision.

(ii) If a panel is not convened, the dean or the Office of the Provost shall reply in writing within fifteen school days of receiving the appeal and shall state the decision of Step Two and affirm, modify, or overturn the decision. The decision of the dean or the Office of the Provost is final. The reply generated in (i) or (ii) above will be reported to all persons currently involved—the student, the instructor, the department chair and/or program director, the dean, the dean’s Executive Committee, and, if convened, the panel members. The reply must also be reported to other campus entities as appropriate (e.g., the Office of the Registrar, the Office of Admissions, and the Office of Student Life). This reply will be filed in the permanent files of the department and/or program and the office of the dean or the Office of the Provost.
ACADEMIC PROGRESS

For the undergraduate student acceptable academic progress is considered to be the removal of all remedial requirements with a grade of C (2.00) or above during the 12 calendar months following initial enrollment, the maintenance of both a cumulative grade point average and a La Sierra University cumulative grade point average of C (2.00) or better and a term grade point average of at least 1.00, and the completion satisfactorily of all requirements for a bachelor’s degree within eight years.

CONSEQUENCES OF FAILURE TO MAKE ACCEPTABLE ACADEMIC PROGRESS

An undergraduate student failing to make acceptable academic progress is subject to restrictions (as determined by the dean of his or her school or college) on enrollment status and university-related activities as follows:

1. ACADEMIC WARNING: A student whose cumulative and La Sierra University grade point average (GPA) remains at 2.00 or higher but whose quarter grade point average falls between 1.00 and 1.99, is placed on academic warning and will receive a letter indicating this status. Students in this category are considered to be in regular standing.

2. ACADEMIC PROBATION: A student whose cumulative and/or La Sierra University grade point average falls below 2.00 or whose term quarter grade point average falls below 1.00, is placed on academic probation the next quarter. A student on academic probation is subject to a restricted course load, and to restrictions on participation in university activities requiring off-campus travel (musical, dramatic, athletic, recruiting, etc.), and is expected to work with university entities (Learning Center, advisors, counseling, etc.) who can supplement the educational experience in order to improve the student’s academic performance. A student may not be on academic probation for more than one quarter, consecutively.

3. CRITICAL ACADEMIC PROBATION: A student on academic probation who fails to raise his/her cumulative and La Sierra University grade point average to 2.00 or above, or who earns a quarter grade point average below 1.00 is placed on critical academic probation with restrictions on course load, on participation in university activities requiring off-campus travel, and on time devoted to work and other personal non-academic activities. The student will have a contract with the dean stipulating a working relationship with university entities (Learning Center, advisors, counseling, etc.) who can supplement the educational experience in order to improve their academic performance. A new or transfer student designated as Provisional (One Quarter Basis) is considered to be on critical academic probation.

4. ACADEMIC DISQUALIFICATION: A student on Critical Academic Probation who does not raise his/her cumulative and La Sierra University grade point average to 2.00 or above, or who earns a quarter grade point average below 1.00 during the quarter of critical academic probation, or a student admitted as Provisional (One Quarter Basis) who fails to fulfill his/her admission contract is placed on academic disqualification. The Office of Admissions is so notified. The student is not permitted to register for further coursework at the university without readmission. A student on academic disqualification wishing to return to La Sierra University must show evidence of academic improvement by taking at least 24 quarter units of transferable college coursework from another institution of higher learning, earning a C (2.00) or better in each course making up the 24 units, raising his/her cumulative grade point average to 2.00 or above, and completing any remedial requirements in English and/or mathematics. A student who has fulfilled the expectations above may reapply for readmission through the Office of Admissions. Non-degree status at La Sierra University is not available during this time of disqualification. A student who is Academically Disqualified for a second time will not be readmitted to the university.

STEPS FOR APPEALING A DECISION INITIALLY MADE WITHIN THE OFFICE OF THE DEAN OF A SCHOOL:

(i) If a panel is convened, the panel will comprise of three faculty members: one chosen by the student, one chosen by the dean, and one—who will function as the panel chair—chosen by the Office of the Provost. The appeal shall be considered at a meeting of the appointed panel. This shall be commenced within fifteen school days following receipt of the appeal by the Office of the Provost. The panel shall report to the Office of the Provost within fifteen school days of its initial meeting. The Office of the Provost shall reply to the student in writing within fifteen school days of the receipt of the panel’s report and shall state the decision of Step One and affirm, modify, or overturn the decision.

(ii) If a panel is not convened, the Office of the Provost shall reply in writing within fifteen school days of the receipt of the appeal and shall state the decision of Step One and affirm, modify, or overturn the decision. The decision of the Office of the Provost is final. The reply generated in (i) or (ii) above, will be reported to all persons currently involved—the student, the dean, the dean’s Executive Committee, and, if convened, the panel members. The reply must also be reported to other campus entities as appropriate (e.g., the Office of the Registrar, the Office of Admissions, and the Office of Student Life). This reply will be filed in the permanent files of the offices of the dean and the Office of the provost.
ENROLLMENT STATUS

FULL-TIME STATUS
An undergraduate student carrying 12 or more units per quarter is considered to be a full-time student. A graduate student carrying 6 units or more is considered a full-time student.

PART-TIME STATUS
Fractions of a load for part-time students (1/4, 1/2, 3/4) are based on 12 quarter units for undergraduate students and on 6 units for graduate students.

NON-DEGREE STATUS
Though for the undergraduate student there is currently no limit to the number of courses that may be taken as a non-degree student, such courses do not guarantee acceptance into a degree or preprofessional program, nor is there a guarantee that these courses will transfer into any type of program if the student is admitted therein. Non-degree status will be reflected on the transcript. This status is not available to a former student who has been denied readmission.

STUDENT TEACHER
The directed teaching experience is considered a full academic load. A student will be allowed to take an additional course only in exceptional cases and by permission of the coordinator of student teaching.

CLASS STANDING
Undergraduate students in the university are accorded class standing on the basis of the amount of coursework completed as follows:

- Freshman less than 44 units
- Sophomore 44-87 units
- Junior 88-135 units
- Senior 136 or more units

ATTENDANCE EXPECTATIONS

CLASS ATTENDANCE
Class attendance is required beginning with the first day of each session. Regular attendance at all appointments is expected. It is the prerogative of the instructor to establish a reasonable attendance policy for each class taught and to make this known in writing to the students at the beginning of the quarter. When there is no stated policy by the instructor, students who are absent for as much as 20 percent of the class hours should not expect to receive credit.

It is assumed that a student in residence the first quarter and returning for any succeeding quarter will return at the close of the quarter break. Professors expect individuals who are university students to regard the class as priority business. Work, dental, and medical appointments should be arranged so as not to require missing classes.

ABSENCES–ILLNESSES
When illness necessitates missing a class or field trip, the student is to notify personally the teacher involved, obtain assignments, and make the necessary arrangements for make-up work.

A resident student who is too ill to attend class should report in person to the Health Service. If the severity of the illness prevents this, the residence hall dean should be notified. Health Service does not provide class absence excuses except in the case of long term documented illnesses.
COMMITMENT TO SEEKING AND KNOWING GOD
As a Seventh-day Adventist Christian Institution we are committed to growing in our understanding of God through careful study of the Bible. As a result, Chapel and other worship services will reflect our deep commitment to our church heritage and to its doctrinal statements.

COMMITMENT TO LEARNING
We believe that while our need to worship God is natural, our capacity and ability for authentic worship must be learned. So these must be cultivated and practiced. In all of our gatherings we are committed to the discipline of enjoying the presence of God.

COMMITMENT TO DIVERSITY
A Christian university is a place where one’s vision of God and our understanding of humanity is expanded and made more meaningful. This means learning and appreciating how Christians have worshipped in the past and how they worship now. We want to be considerate, intentional, and sensitive to the many ways that culture, ethnicity, gender, style, traditions, theology, etc. contribute to how we worship God. This means that Chapel will at times feel very familiar and other times very foreign. This is all part of learning to live in a diverse community.

WHY DOES LA SIERRA UNIVERSITY REQUIRE CHAPEL ATTENDANCE?
1. WE WORSHIP BECAUSE WE BELIEVE IN GOD.
We believe God is everything. God is not limited to special functions and places. We believe that God does not respect our artificial distinctions of sacred and secular. The whole creation is sacred because it is all God’s (Rom 11:36). The prophet Isaiah said, “the whole earth is full of God’s glory!” (Isaiah 6:3).

At La Sierra, gathering at Chapel is a small part of what we do, but it affects everything. We worship God in our church so that we may worship and serve God everywhere else: the classroom, lab, residence halls, library, athletic fields, and other places. Chapel, other worship services, gatherings of thanksgiving and praise, the hearing of the Word of God, and service opportunities are integral to the La Sierra University experience.

2. WE WORSHIP GOD BECAUSE WE BELIEVE THE GOSPEL.
At La Sierra every worship experience/opportunity is a reminder and a memorial of God’s amazing love. In worship we do something we can never overdo: we say thank you. When God wanted to reveal his love, God didn’t speak in thunder or blinding light. The word God spoke was ‘Jesus’, the One who came from the Father’s side full of grace and truth. (John 1:14) God loved us so much that “God gave His only Son that whoever believes will not perish but have everlasting life”. (John 3:16) In Chapel we have an opportunity to rehearse and repeat the story of our redemption in Jesus Christ. For some of us this is a weekly reminder of how much God loves us, for others it is the first encounter we have with the Gospel.

3. WE WORSHIP BECAUSE WE ARE CREATED TO DO SO.
David wrote “My Soul thirsts for you” (Psalm 42:1). We believe that our longings point to God and are fulfilled in God. We believe that we as Christians fully understand what it means to be human when we acknowledge and worship God. We believe that in worship is where our purpose for existing is most perfectly fulfilled.

4. WE WORSHIP BECAUSE IT IS OUR HERITAGE.
The founders of La Sierra University had in mind a place where more than the transfer of knowledge would happen. They wanted to form individuals who would know and serve God. Chapel embodies the heart and soul of that mission. When you come to La Sierra University you join something that was here long before you arrived. You join a family with unique traditions and practices. Chapel is a place to bring together the fractured life of a very diverse and very busy campus.

CHAPEL
Due to the circumstances surrounding COVID-19 in-person chapel is no longer required for fall 2020. However, please tune in every Tuesday at 11 o’clock on Instagram @lasierraSL or at lasierra.edu/chapel. Each week the office of spiritual life will conduct innovative and creative spiritual programming.
EXPECTATIONS

CHAPEL DECORUM
Student's whose behavior is disruptive or disrespectful will be disciplined and lose attendance credit. During Chapel students will refrain from studying, the use of portable electronics (computers, headphones, cellphones, etc.), loud conversations, and any other inappropriate behavior that will be disruptive to the worshiping community.

REQUIREMENTS
• Chapel meets every week, except during exam week and University-approved breaks (Thanksgiving Break, Christmas Break, and Spring Break, Summer).
• Chapel will meet ten times a quarter on Tuesdays at 11:00 a.m. in the La Sierra University Church. In addition students are required to attend two extra corporate worships for Spiritual Emphasis week (Wednesday 11a.m. and Thursday 11 a.m. in addition to the regularly scheduled Tuesday service).
• Week of Spiritual Emphasis programs will be held during Fall, Winter and Spring quarters. Three meetings are scheduled for Tuesday, Wednesday, and Thursday, at 11:00 a.m. in the La Sierra University Church. Dates are printed in the university’s calendar. Students who have no class prior to 12:00 p.m on Chapel (and Spiritual Emphasis Week) days will automatically be excused for those meetings.
• Students are required to attend 10 of the 12 Chapel programs scheduled each quarter. All undergraduate students (regardless of age) taking eight units or more are required to attend.
• Any student arriving more than 10 minutes past the starting time will not receive credit for that Chapel program. Likewise, any student leaving prior to Chapel program’s dismissal will not receive credit.

ATTENDANCE REGISTRATION
Attendance for Chapel is registered by filling out a card (with Name, ID, and Date) handed out by Chapel Ambassadors between 10:50 a.m. and 11:10 a.m. Each individual student must return the card at end of the service to be counted as present. Attendance is not registered for any student arriving after 11:10 a.m. or leaving before the completion of the service.

Students are not permitted to collect an attendance card, leave, and return to hand it in. In addition, students presenting more than one attendance card will not receive credit for any of the cards presented. Such offenses will result in an absence on the record for the date.

Students are also expected to ensure their information on the attendance card is written completely and legibly.

EXEMPTIONS AND EXCEPTIONS
The University grants date specific exemptions and full quarter exceptions under the following grounds listed below. All undergraduate students are required to participate in the Chapel program. Exemptions can take place for the following reasons:
• Students who have no class prior to 12:00 p.m. on Chapel days (including Spiritual Emphasis days) will automatically be excused for those meetings.
• Students fulfilling mandatory student teaching requirements, observation assignments, or internships. Please note: You will not be cleared if your department has not given Student Life notification prior to your assignment.
• Severe medical conditions that temporarily affects chapel attendance. Condition must be verified in writing by an attending physician, from the Health Services Department, or Office of Disability Services.
• Students away from campus on an authorized academic field trip. Please note: You will not be cleared if the professor has not notified Student Life.
• Family emergencies. Please submit a petition by e-mail within one week of the requested absence to be excused.
• Students who are parents and are responsible for caring for their child(ren) during the corporate Chapel program. Parents must supply a copy of the birth certificate to Student Life.
• Graduate students, Evening Adults Degree Program (EADP) students, ESL students, students who have already been awarded a bachelor’s degree, and students taking less than 8 units are automatically exempt from attending the required Chapel programs (although they are welcome to participate at any time).
• Work conflicts can be petitioned when financial need can be demonstrated. Exemptions for volunteer work, lunch, running errands, class meetings, homework, or other personal business may not be granted. Work petitions need to be submitted on corporate letterhead from the employer stating hours of work and inability to take part in Chapel. The Chapel Committee will review all petitions for exemptions and exceptions. In cases of private or other unusual circumstances, a student may petition directly with the Associate Vice President for Student Life to discuss having such absences excused. Date — specific exemptions must be applied for within the first two weeks of the quarter. Requests are good for one quarter only. A new request must be submitted each quarter. The process and required forms for exemptions are available on the Chapel website (lasierra.edu/chapel).

MONITORING ATTENDANCE
It is the student’s responsibility to treat Chapel as any other required class. Students can monitor their attendance records through my campus portal under the Spiritual Life tab (mycampus.lasierra.edu). If a discrepancy is noted, it is the responsibility of the student to resolve this discrepancy with the Office of Student Life within 2 weeks. All questions and concerns pertaining to chapel attendance should be emailed to chapelrecords@lasierra.edu.
CHAPEL NONCOMPLIANCE SANCTIONS

Due to the circumstances surrounding COVID-19 in-person chapel is no longer required for fall 2020. However, please tune in every Tuesday at 11 o'clock on Instagram @lasierrasl or at lasierra.edu/chapel. Each week the office of spiritual life will conduct innovative and creative spiritual programming.

Students who do not fulfill applicable requirements will be subject to a three-step compliance policy. The steps include: 1) Letter of Censure 2) Citizenship Probation 3) Critical Citizenship Probation.

1. LETTER OF CENSURE
A student choosing not to comply with the university’s Chapel attendance policy during any given quarter will be issued a Letter of Censure. This letter serves as a disciplinary warning and will be documented in the students’ chapel file. Students will be notified of their Letter of Censure by email the week following the end of the quarter. A student may have his/her Letter of Censure status nullified after two consecutive quarters of compliance.

2. CITIZENSHIP PROBATION
If a student again violates the Chapel attendance policy during a future quarter, he/she will be immediately placed on “Citizenship Probation” status. Students who are on “Citizenship Probation” will have a discipline file on record in Student Life and be subject to all activity restrictions that apply. Under the Family Educational Rights and Privacy Act (FERPA), La Sierra University is permitted to share student discipline files with school officials with legitimate educational interest; other schools to which a student is transferring (including graduate schools) and employers seeking recommendations (with student consent). Students will need to petition to have their “Citizenship Probation” status expunged with the Dean of Students/Associate Vice President. A discipline file for non-compliance to the Chapel attendance policy will be expunged after two consecutive quarters of satisfactory chapel attendance. Petitions will be presented to the Vice President for Student Life for consideration.

3. CRITICAL CITIZENSHIP PROBATION
Following a third quarter of non-compliance with the Chapel attendance policy students will be placed on Critical Citizenship Probation. Students will need to petition to have their “Critical Citizenship Probation” status expunged with the Dean of Students/Associate Vice President. A discipline file for non-compliance to the Chapel attendance policy will be expunged after two consecutive quarters of satisfactory chapel attendance. Seniors violating this policy will be required to wait one year after graduation to request that their file be expunged. Petitions will be presented to the Vice President for Student Life for consideration.

CHAPEL ATTENDANCE APPEALS PROCESS
Students who feel their record does not correctly reflect their chapel attendance may send an e-mail to chapelrecords@lasierra.edu or visit the Student Life Office and speak to the chapel records manager.

The student who is under disciplinary review, and does not believe the disciplinary action is fair, has the right to request the Dean of Students/Associate Vice President for Student Life in writing for the disciplinary action to be reviewed by Vice President of Student Life. All appeals must be made prior to the end of the quarter. Please refer to the Disciplinary Appeals Process as outlined in the Student Handbook on page 18. One year from the date of the violation, a student who has had no further disciplinary problems may appeal to the Student Life Committee to have the matter expunged from their record.

UNIVERSITY COMPUTER EQUIPMENT

VANDALISM Vandalism is defined as any attempt to harm, modify, or destroy computer hardware, data of another user, La Sierra University, or any of the other networks that are connected to the Internet backbone. This includes, but is not limited to, the uploading or creation of computer viruses. In all cases, existing policy regarding vandalism will apply.

SECURITY Security on any computer system is a high priority, especially when the system involves many users. If you feel you can identify a security problem on any of the university computers, you must notify the system administrator. Do not demonstrate the problem to other users.

SECURITY POLICY

- Users shall be held responsible for anyone using their personal computer(s), as well as software, services, and accounts on said computers. Users shall also be held responsible for all activity generated from their personal computer(s) or network accounts.
- Users shall not intentionally seek information on, obtain copies of, or modify files, other data, or passwords belonging to other users.
- Users shall not misrepresent other users on the network.
- Users shall not attempt to gain unauthorized access to system programs or computer equipment.
- Users must not give a password to another user.
- Users should change passwords frequently.
The electronic mail policy at La Sierra University governs the use of e-mail for correspondence by students, faculty, staff, and other individuals affiliated with the university. To clarify terms used, the following definitions are provided:

**E-mail account:** The location to which correspondence is delivered. It requires a combination of login user name, password, and disk space. A person may have several e-mail accounts on different computers or e-mail servers.

**E-mail user name:** The name of the account as typed in the User name prompt when logging onto e-mail.

**E-mail address:** The address to which electronic correspondence is sent after being received by our system. Each e-mail account has its own unique delivery address.

**SPAM:** An electronic message that meets the following descriptions: 1. The recipient’s personal identity and context are irrelevant because the message is equally applicable to many other potential recipients; 2. The recipient has not verifiably granted deliberate, explicit, and still revocable permission for it to be sent; 3. The transmission and reception of the message appears to the recipient to give a disproportionate benefit to the sender. (As defined by http://www.mailabuse.org).

**E-mail abuse:** The use of e-mail to hound, harass, or persecute a person or group using methods such as, but not limited to, the following: “mail bombing,” denial of service, forging e-mail messages, and threatening the person or persons receiving the message.

**WHO IS ELIGIBLE?**

Students admitted at La Sierra University, staff and faculty employed by La Sierra University, and other university sponsored persons are eligible for general IT resources. Certain restricted information technology resources require authorization and specific approval. Depending on the type of resource requested, the user may be required to sign additional usage agreements, attend training, and/or show knowledge of the special resources they are requesting. Any use of these services that is illegal, improper, or in violation of La Sierra University policies may meet with university sanctions (see Penalties for E-mail Account Abuse). These responses can range from warnings to denial of service.

**INDIVIDUAL E-MAIL ACCOUNTS**

- It is the user’s responsibility to ensure that the proper precautions are taken in order to prevent the unauthorized use or dissemination of his/her e-mail password. Users should under no circumstances share their password with ANYONE.
- The individual for whom the account was created is responsible for using the account in compliance with the La Sierra University e-mail policy. Any suspected unauthorized use should be reported immediately to the Director of Information Technology or e-mailed to abuse@lasierra.edu.
- Users should not rely on their assigned disk space for archiving and long-term storage of messages.

**GROUP OR DEPARTMENT E-MAIL ACCOUNTS**

- The purpose of group and department e-mail accounts is to allow communication from a person to a specific group or department. It is the responsibility of the group or department to manage this account in a prompt and appropriate manner.
- Group e-mail accounts are given to student groups in good standing with La Sierra University's Office of Student Life. The account may be obtained by completing a group e-mail account application and submitting it for approval to the La Sierra University Office of Student Life. The sponsor of the club or group shall be responsible for monitoring the correspondence of the club or group.
- Departmental e-mail accounts are created at the request of a department head. The department head will be required to complete and return a departmental e-mail account application for each e-mail account requested.
- Account user names will reflect the La Sierra University organizational unit or function of the e-mail account. The system administrator will assign the initial password of the account.

**E-MAIL USER NAME**

- E-mail addresses are generated using the user's full legal name. For students, the user name is the first letter of their first name, the first three (3) letters of their last name, and the last three (3) digits of their La Sierra University ID number. Faculty and staff user names are their first name initial followed by their first seven (7) letters of their last name. For example, if John Doe was an eligible student on our campus and his ID number was 123456; his user name would be jdoe456.
- E-mail user names may only change when a user has completed the process to legally change his/her name due to marriage, divorce, or personal preference.
- In the event of potential user name duplication, the system administrator will make assignment of the user name on an individual basis.

**E-MAIL ADDRESS**

- Student e-mail addresses will consist of his or her “user name” plus “@lasierra.edu”.
- Employee e-mail addresses will consist of his or her “user name” plus “@lasierra.edu”
- This e-mail address is considered the primary e-mail contact address and will be used by default for communication from the university to the user, such as: registrar notifications, Student Financial Services correspondence, etc.
BUSINESS E-MAIL POLICY

1. Assignment of e-mail accounts: Assignment of e-mail accounts is the responsibility of the system administrator and is governed by the “La Sierra University E-mail Policy.”

2. Redirecting of e-mail: The University provides the option to redirect e-mail to another e-mail account. It is only responsible for re-transmitting the message to the e-mail account specified. It is not responsible for the validity or the receiving e-mail server’s ability to accept the e-mail.

3. Expectations about the use of e-mail: Users are expected to check their e-mail on a frequent and consistent basis in order to stay current with university-related communications. It is the responsibility of the users to recognize that certain communications may be time sensitive. Errors in forwarding mail, returned mail due to “mailbox full” messages or “user unknown” messages, or the failure to check an e-mail account are not acceptable excuses for missing official university communications. All users are expected to abide by the “La Sierra University E-mail Policy.”

4. Security, Privacy, and Confidentiality: The university does not guarantee the security, privacy, and confidentiality of e-mail. Therefore, users should exercise extreme caution in using e-mail to communicate confidential or sensitive matters. It is extremely important that users are careful to send messages to intended recipient(s) only and careful when using the “reply” command. The student e-mail address is considered directory information and La Sierra University may, without consent of the student, release to persons outside the university information designated as directory information. This is in compliance with the Federal Family Educational Rights and Privacy Act (FERPA).

HARM TO SELF
La Sierra University is concerned about the well-being of all students. Any behavior, including non-privileged verbal statements, that tends to demonstrate an intent or desire of a student to inflict harm upon himself, herself or another is considered a serious matter. Such behavior demonstrates that the student’s well-being may be in jeopardy, and interferes with the educational efforts of other students and with La Sierra University’s mission to educate all students.

Any student who (a) states an intent or desire to harm himself, herself or another, or (b) attempts to harm himself, herself or another, or (c) harms himself, herself or another may not live in university residential facilities or participate in university academic programs until cleared to do so by the Dean of Students in consultation with a credited health care provider. In most cases, the student will be required to submit a clearance form for re-entry into the residence halls and other university programs, a treatment plan, and maintain its requirements. The student may also be placed on a university behavior contract for a period of time. The prohibition against living in university residential facilities and participation in university academic programs is not disciplinary in nature, and the fact that such a prohibition has been imposed will not be entered in the student’s disciplinary records. However, if the student engages in disruptive behavior (which may include, but is not limited to, the behavior that caused processing under this policy) or fails to comply with the terms of the clearance procedure, the student may be subject to disciplinary action in accordance with the student disciplinary procedure.

WHAT IS CYBERBULLYING?

Cyberbullying is bullying that takes place using electronic technology. Electronic technology includes devices and equipment such as cell phones, computers, and tablets as well as communication tools including social media sites, text messages, and websites. Examples of cyberbullying include mean text messages or e-mails, rumors sent by e-mail or posted on social networking sites, and embarrassing pictures, videos, websites, or fake profiles.

STEPS TO TAKE IMMEDIATELY:

• Don’t respond to and don’t forward cyberbullying messages.
• Keep evidence of cyberbullying. Record the dates, times, and descriptions of instances when cyberbullying has occurred. Save and print screenshots, e-mails, and text messages. Use this evidence to report cyberbullying to web and cell phone service providers.
• Block the person who is cyberbullying.

REPORT CYBERBULLYING TO ONLINE SERVICE PROVIDERS:

Cyberbullying often violates the terms of service established by social media sites and internet service providers.

• Review their terms and conditions or rights and responsibilities sections. These describe content that is or is not appropriate.
• Visit social media safety centers to learn how to block users and change settings to control who can contact you.
• Report cyberbullying to the social media site so they can take action against users abusing the terms of service. For example, Facebook bullying and harassment should be reported to Facebook and to the police (see Napa Sheriff # below). Facebook posts have an X on upper right, click on it, click on report/mark as spam; report as abusive, harassing, violent, sexually explicit, or hate speech; message page and/or report to Facebook.

REPORT CYBERBULLYING TO LA SIERRA UNIVERSITY:

• Let school officials know: Submit evidence (screenshots, e-mails, texts) to your RA, Dean, Dean of Students, Marjorie Robinson (mrobinso@lasierra.edu) Vice President for Student Life, Yami Bazan (ybazan@lasierra.edu) Security Department at (951) 785-2222, and Human Resources, Del Jean Van Fossen (dvanfoss@lasierra.edu). SEXUAL MISCONDUCT POLICY

RELIGIOUS EXEMPTION

La Sierra University is a religious institution of higher education, a part of the Seventh-day Adventist system of higher education, that takes seriously anti-discrimination provisions under federal and state law, and is committed to providing a learning and living environment that promotes student safety, transparency, personal integrity, civility and mutual respect.

La Sierra University is exempted by the State of California from California Education Code 66270, to the extent the application of California Education Code 66270 is not consistent with the institution’s religious tenets.

Furthermore, the University is exempt from Title IX to the extent application to Title IX would not be consistent with the institution’s religious tenets. See 20 U.S. Section 1681(a)(3).

The exemptions stated above allows the University to create and enforce policies consistent with its religious tenets, even when those tenets would otherwise conflict with California Education Code 66270 or Title IX. The exemptions may apply to, but are not limited to, University practices or policy requirements addressing student conduct, housing, admissions, marriage, sports participation and facilities use.

In some cases the University’s religious tenets, policies and practices on matters of sexual orientation, sexual conduct outside marriage, same-sex marriage, and gender identity and expression, may appear to conflict with interpretations of California Education Code 66270 and Title IX, but the above-referenced exemptions allow the University’s policies and practices to do so.

For more information about the Seventh-day Adventist Church’s position on matters involving marriage, sexual orientation, and gender identity and expression, see the church’s Official Statements at http://www.adventist.org/en/information/official-statements/statements/

The University retains all rights afforded to it under federal law and the laws of the State of California.

INSTITUTIONAL VALUES AND COMMUNITY EXPECTATIONS

In keeping with La Sierra University’s mission and its heritage as a Seventh-day Adventist university, we resolve to live consistently within traditional Christian values and teachings on sexuality. We believe that Scripture is the ultimate authority on how to conduct our lives. La Sierra University takes the position that sexuality is a gift from God. Therefore, sexual expression should honor God, self, and others.

The University expects that faculty, staff, and students will not engage in sexual intercourse outside of marriage nor engage in any sexual behavior or activity that would violate the values of La Sierra University as a Seventh-day Adventist institution or interfere with the University learning environment and its community. However, La Sierra University recognizes that members of its community may make choices that are inconsistent with the University’s expectations for sexual behavior.

La Sierra University is committed to maintaining an environment in which all members of our campus community are safe, secure, and free from sexual misconduct in any form. Our community expects that all interpersonal relationships and interactions - especially those of an intimate nature - will be grounded upon Christian principles and values, mutual respect, open communication, and clear consent. When learning of conduct or behavior that may not meet these standards, community members are expected to take an active role in upholding this policy and promoting the inherent dignity of all individuals.
TITLE IX OFFICE

La Sierra University has put in place a Sexual Misconduct/Sexual Harassment Title IX policy in following the federal mandate imposed by the Education Department and the Office of Civil Rights Final Rule of May 6, 2020.

According to our Title IX policy, La Sierra University has designated a Title IX Coordinator who is the person responsible to coordinate the University's efforts in providing a safe and secure educational environment free of sexual harassment.

REPORTING

Any allegation that may involve a violation of our Title IX policy will be routed and must be reported to our Title IX Coordinator.

Contact: Title IX Coordinator
Location: 11498 Pierce St., Suite AA, Riverside, CA 92505

ONLINE SEXUAL MISCONDUCT REPORTING FORM:
lasierra.edu/sexual-misconduct/report

La Sierra University’s Title IX policy may be reviewed by accessing our portal at: lasierra.edu/sexual-misconduct/

Anyone can file a Title IX complaint by accessing our portal or by contacting the Title IX Coordinator directly.

SCOPE OF THE POLICY

Prohibited conduct violates the community values and principles of our institution and disrupts the living, learning, and working environment for La Sierra University students, faculty, staff and other community members. Thus, the following policy applies to all members of the La Sierra University community: students, faculty (including adjunct), administrators, and staff (including temporary, part-time, full-time, and student employees), as well as the University’s vendors, contractors, volunteers, interns, visitors, guests, and third parties.

These standards apply equally to all regardless of the sex, gender, sexual orientation, gender identity, or gender expression of any of the individuals involved.

AFFIRMATIVE CONSENT

The following is a summary of affirmative consent according to California law. For extended information, please review La Sierra University Title IX policy.

Consent represents the cornerstone of respectful and healthy intimate relationships. La Sierra University strongly encourages its community members to communicate - openly, honestly and clearly about their actions, wishes, and intentions when it comes to sexual behavior, and to do so before engaging in intimate conduct. Many of the prohibited behaviors involve a lack of consent. Affirmative consent means affirmative, conscious, and voluntary agreement to engage in sexual activity. Affirmative consent is present when clearly understandable words or actions manifest a knowing, active, voluntary, and present and ongoing agreement to engage in specific sexual or intimate conduct.

It is the responsibility of each person involved to be sure they have the affirmative consent of the other(s) to engage in the sexual activity. Affirmative consent must be ongoing throughout the sexual activity and may be revoked any time.

Affirmative consent must be all of the following:

• Knowing
• Active
• Voluntary
• Present and Ongoing

INCAPACITATION

The following is a summary of the topic of incapacitation according to California law. For extended information, please review La Sierra University Title IX policy.

Under California law, a person who is incapacitated is not capable to give affirmative consent.

According to this policy, a person will be considered to be incapacitated to give affirmative consent to engage in any sexual activity if the person is asleep, unconscious or incapacitated due to the influence of drugs, alcohol or medication in such a way that the person could not understand the fact, nature or extent of the sexual activity.

Furthermore, under this policy it will be determined that a person is incapacitated to give affirmative consent to engage in any sexual activity if the person lacks or lacked at the moment of the alleged event/s the physical and/or mental ability in order to make informed, rational decisions.

Moreover, under this policy a person’s own intoxication from drugs or alcohol does not diminish that person’s responsibility to obtain affirmative consent before engaging in sexual activity.

According to this policy, it should also be considered that a person with a medical or mental disability may also lack the capacity to give consent to engage in sexual activity.

TITLE IX JURISDICTION

In accordance to the Office of Civil Rights Final Rule, the Title IX office has the duty to investigate all allegations of violation(s) to the Title IX policy. This includes the following:

• All On-Campus activities.
• Off-Campus activities related to the University.
• Only in the United States.

If it is found that the alleged prohibited conduct did not occur at campus, or during an off-campus related activity or outside the United States, the Title IX Coordinator can still provide assistance to the parties involved and offer supportive measures.

If it is determined that the matter should be investigated and it is out of the Title IX jurisdiction, the case will be referred to the Human Resources office in case of employees and to the Student Affairs office in case of students.
Therefore, even when a person obtained consent to engage in any sexual activity with another person, consent will not be considered to have been given or be considered affirmative consent if the Respondent knew or reasonably should have known that the Complainant was unable to offer affirmative consent because the Complainant was under any of the circumstances listed above.

In addition, under this policy, a person will not be considered to have given affirmative consent if the person was unable to communicate their refusal to engage in any sexual activity due to their mental and/or physical condition.

**ISOLATED AND INADVERTENT OFFENSES**

Members of the university community who, without establishing a pattern of doing so, engage in isolated conduct of the kind described in subsections (e) and (f) under Examples of Sexual Harassment or who exhibit a pattern of engaging in such conduct but fail to realize that their actions discomfort or humiliate, demonstrate insensitivity that necessitates remedial measures. When university administrators become aware that such activities are occurring in their areas, they should direct that those engaged in such conduct undertake an educational program designed to help them understand the harm that they are doing.

- If, after participating in the educational program or failing to participate after being directed to do so, a person continues to engage in the conduct described in Subsection (a) in this section, he or she will be deemed to have engaged in a pattern of conduct intended to discomfort or humiliate the one at whom the actions or statements are directed.

**PROHIBITED CONDUCT**

La Sierra University prohibits all forms of sexual misconduct. Such conduct violates the community values and principles of our institution and disrupts the living, learning, and working environment for students, faculty, staff and other community members. It pertains to actions that affect any employee, student or guest of La Sierra University.

PROFESSIONAL RISKS

It is in the interest of La Sierra University to provide clear direction and educational opportunities to the university community about the professional risks associated with consensual/romantic or consensual/sexual relationships between members of the university community where a conflict of interest and/or a power differential between the parties exists. Consensual relationship is defined as a romantic and/or social engagement arranged by personal invitation between two unmarried individuals. Romantic relationship is defined in this policy as a mutually desired courting activity between two unmarried individuals. Individuals entering such relationships must recognize that:

(1) CONFLICTS OF INTEREST may arise when such relationships occur between and among faculty, staff, students, and prospective employees. University policies and ethical principles preclude individuals from evaluating the work or academic performance of others with whom they have consensual/romantic or consensual/sexual relationships.

(2) POWER DIFFERENTIALS between the parties in consensual/romantic or consensual/sexual relationships may cause serious consequences even when conflicts of interest are resolved. Individuals entering into such relationships must recognize that the reasons for entering, maintaining, or terminating such a relationship may be a function of the power differential;

a. The reasons for entering, maintaining, or terminating such a relationship may be a function of the power differential;

b. Where power differentials exist, even in a seemingly consensual relationship, there are limited after-the-fact defenses against charges of sexual harassment. Further-more, under certain situations consensual relationships may be outside the scope of employment for university employees and, if so, an individual would not be covered by the university's liability protection in subsequent litigation; and

c. It's almost always the case that the individual with power or status advantage in the relationship will bear the burden of accountability.
CONSENSUAL/ROMANTIC OR CONSENSUAL/SEXUAL RELATIONSHIPS: A consensual/romantic or consensual/sexual relationship between individuals who occupy different levels of authority in the institution automatically and inevitably carries the potential for evolving into a sexual harassment case of very serious implications, either from a subsequent change of attitude by the subordinate partner or from a contemporary complaint from a disadvantaged third party. Relationships of this sort are forbidden in those instances in which the partner with higher status and/or power has explicit or implicit authority over, or the power to reward or punish, the partner with lower status and/or power.

It follows that consensual/romantic or consensual/sexual relationships between faculty members and students, or between administrators or supervisors and staff in an office or program are also forbidden.

REPORTING POLICY Where a conflict of interest exists, or may exist, in the context of a consensual/romantic or consensual/sexual relationship, the individual with the power or status advantage shall notify his or her immediate supervisor. The supervisor shall have the responsibility for making arrangements to eliminate or mitigate a conflict whose consequences might prove detrimental to the university or to either party in the relationship.

SEXUAL MORALITY, COHABITATION AND LGBTQ

In keeping with La Sierra University's mission and its heritage as a uniquely Seventh-day Adventist university, we resolve to live consistently within traditional Christian values and teaching on sexuality. We believe that Scripture is the ultimate authority on how to conduct our lives and serves as a light to guide our way in a manner that honors God and others.

La Sierra University takes the position that sexuality is a gift from God. Sexual expression should therefore be made in a responsible manner, and decisions regarding sexual expression should be made thoughtfully. The university expects that students will not engage in sexual intercourse outside of marriage nor engage in any sexual behavior or activity that would interfere with the learning environment and its community. Students who choose to engage in this type of sexual activity will be subject to disciplinary consequences.

La Sierra University's policies are informed by an Adventist understanding of biblical principles. The university acknowledges the complexity of issues surrounding sexuality, and is committed to the open and rigorous study of Scripture and discussion of all perspectives, both inside and outside the classroom. Regardless of one's point of view on this subject, La Sierra University affirms the dignity and worth of every person and seeks to create a campus culture where each person is treated with Christian love, dignity, and respect.

In keeping with La Sierra University's mission and its heritage as a uniquely Seventh-day Adventist university, we resolve to live consistently with traditional Christian values and teaching on sexuality and support the Seventh-day Adventist position on Homosexuality. In accordance with the university's harassment policy, La Sierra University strives to provide a safe and harassment free environment. The university will not tolerate harassment of any member of our community and will take disciplinary action against anyone found engaging in or responsible for such behavior.

The question and answer section that follows is intended to clarify La Sierra University's position on this topic.

Q&A

What is La Sierra’s stance on the official recognition of LGBTQ clubs or organizations?

• At this time La Sierra University does not officially recognize student organizations representing alternative lifestyles.

Can students face disciplinary action just for identifying as LGBTQ (Lesbian, Gay, Bisexual, Transgender, Queer)?

• No. However, all students (LGBTQ and heterosexual) could face disciplinary action for sexual misconduct.

May a student disagree with the university’s statement on sexual relationships?

• Yes, you can disagree but within the context of respect and recognition of the values of the university.

• La Sierra University’s policies are informed by and adhere to biblical principles. The university acknowledges the complexity of issues surrounding sexuality, and is committed to the open and rigorous study of Scripture and discussion of all perspectives, both inside and outside the classroom. Regardless of one’s point of view on this subject, La Sierra University affirms the dignity and worth of every person and seeks to create a campus culture where each person is treated with Christian love, dignity and respect.

Is there support for LGBTQ students?

• Yes, there is support and we believe students who experience same sex attraction are best supported when they are able to share their questions, struggles, or their self-understanding with others in a trusted environment. Experiencing identity issues in isolation can be overwhelming; community support can be positive and nurturing. Thus the university offers support for LGBTQ and questioning students.

Can students be disciplined for sexual activity outside of marriage?

• Sexual misconduct, depending on the facts and circumstances of each case, may result in disciplinary action. In all disciplinary matters, we seek to be redemptive in the lives of the individuals involved. Consequently, the university will offer pastoral care and assistance to support and strengthen the student’s resolve to live consistently within traditional Christian teaching on sexuality.

Footnote: Understanding of the term LGBTQ – (Lesbian, Gay, Bisexual, Transsexual, Queer) - describes a community of individuals who are not heterosexual.
Dear La Sierra University Community:

LA Sierra University (LSU) is a Drug-Free Zone. As such, this letter serves to clarify the College’s position on the use of marijuana in particular, and to clearly articulate the consequences that can result from transgressing the University Code of Conduct.

On Jan. 1, the legal sale of recreational marijuana commenced in California. This follows the passage of Proposition 64 by California voters on Nov. 8, 2016, which legalizes its recreational use by people over the age of 21. However, Prop. 64 does not change LSU policy, which prohibits the use of marijuana on all University properties (including on and off campus housing). Marijuana is also not permitted at University events or while conducting university business. This includes possession and use of prescribed marijuana.

Notwithstanding Prop. 64 using, distributing and possessing marijuana remains illegal under federal law. The Drug Free Workplace Act (1988) and the Drug Free School and Communities Act (1989) require that LSU, as a recipient of federal funding, establish policies that prohibit marijuana use, possession and distribution on campus and in the workplace.

La Sierra University receives federal funding for various uses, most importantly student financial aid. As such, LSU must comply with federal law, including all current federal drug laws.

Therefore, even though California has legalized marijuana for recreational use for some individuals, the possession, use (even if prescribed), storage and cultivation of marijuana (as defined below*) is prohibited on all La Sierra University properties for all faculty, staff and students under the University Alcohol and Substance Abuse Policy (page 45 in the Student Handbook). This includes off-campus housing that is operated under University oversight and policies.

Violating the University policies may be grounds for discipline or corrective action, which may include required participation in a treatment program, with a maximum penalty of dismissal.

If you or someone you know needs assistance addressing issues associated with substance use and/or abuse, marijuana in particular, request a confidential support session with University Student Wellness Services (951-785-2200).

Thank you for your cooperation in this matter.
ALCOHOL/SUBSTANCE USE AND MISUSE

La Sierra University provides students, faculty, and staff with an alcohol, drug, marijuana, tobacco, and vape-free environment. Alcohol marijuana, tobacco, vapes, and illegal drugs and substances are strictly prohibited from use and possession on the La Sierra campus and properties. Students, faculty, and staff should not take prescription medication of any kind unless it has been prescribed for them by their physician or by medical personnel at Student Wellness Services. Also, students, faculty, and staff are forbidden to dispense any type of medicine (both prescription and non-prescription) to other university students, faculty, or staff members. Pretended or deliberate overdose of any drugs suggests serious emotional problems. The university will take appropriate action.

In addition, the university does not tolerate the possession, use, sale, or distribution of marijuana, tobacco, vapes, illegal drugs, or controlled substances on campus. Anyone (student, faculty, staff, or visitor) found in violation of state and/or federal law with regard to these substances may be subjected to the university conduct system as well as to external legal proceedings. The Department of Residential Life, La Sierra University Security, Human Resources, and the Office of Student Life will prosecute rigorously all violations of drug, tobacco and alcohol policies. Students involved in such violations are subject to expulsion and financial loss of housing, tuition, registration, and other fees.

Questions concerning the policies and/or health risks of alcohol/drugs and tobacco may be obtained at the Human Resources Department at (951) 785-2088, the Office of Student Life at (951) 785-2100, Counseling Center at (951) 785-2011 or Student Wellness Services at (951) 785-2200. For confidential evaluation and/or assistance with alcohol or drug related issues see the Counseling Center. Please see the full policy for Drug and Alcohol Standards online at http://fasierra.edu/fileadmin/documents/life/drug-and-alcohol-standards.pdf

SMOKING/TOBACCO USE

Medical evidence clearly suggests that smoking is harmful to the health of smokers. Smoke from cigarettes, cigars and pipes is also an irritant to many nonsmokers and can worsen allergic reactions. In sufficient concentrations, secondhand smoke may be harmful to those with chronic heart and lung disease. New research indicated that long-term exposure to second-hand smoke may seriously threaten the health of non-smokers. In order to provide a safe and healthy environment for the university community and to assure compliance with California smoking policy legislation, it is the policy of La Sierra University to maintain a smoke-free campus. We are defining “smoke-free” environment in this context as a work and living space in which no individual is forced involuntarily to breathe smoke from cigarettes, cigars or pipes. It is the intent of the university to provide all employees and students with an environment free of the hazards of tobacco smoke.

1. Smoking is prohibited in all university buildings, residence halls and rooms, and all university-owned properties. The use of smokeless chewing tobacco is also prohibited in all university-owned property.
2. Smoking is prohibited in all areas including individual rooms in all residence hall, off-site facilities, parking lots, and properties leased by the university.
3. Smoking is prohibited in all university-owned vehicles including maintenance vehicles, automobiles, buses/vans, and rented vehicles. It is expected that all members of the community and guests will work together to maintain an environment of mutual respect. Evidence of smoking inside rooms, apartments, or houses—to include the presence of residual tobacco odor—will subject the student to disciplinary action and a $100 fine per occurrence.

COMPONENTS OF A DRUG-FREE ENVIRONMENT

1. The policy of a drug-free environment for employees and students is included in the faculty, student, and employee Handbooks. Each faculty and employee is notified of the policy at the time of employment or appointment. All faculty and other university employees are further notified of the policy on an annual basis. Upon acceptance into educational programs of the various schools within the university, all students are notified of the policy. Each school will publish in its bulletin the manner in which it addresses drug and alcohol counseling, treatment, and rehabilitation programs and discipline, using the guidelines set forth in this document.

2. Faculty and employees working on projects, funded by federal agencies will be provided a copy of the policy for a drug-free environment and will be required to sign a statement saying he/she has read and understands the policy and agrees to abide by it as a condition of continued employment. La Sierra University must notify any federal contracting or granting agency of any employee’s drug conviction resulting from a violation at La Sierra University within ten days after receiving notice.

3. Faculty and employees are provided training in drug awareness, observation, and impairment possibly due to drug involvement, the dangers of drug use and abuse, and early intervention and referral techniques.
4. Campus-wide educational programs are conducted by school and work site departments for students, faculty, and employees regarding substance abuse. Such education shall include, but shall not be limited to, the dangers of substance abuse as outlined below under “Education Concerning Health Risks of Alcohol and Drugs and Effects to Significant Others.”
5. All students, faculty, and employees will be notified through Student, Faculty, and Employee Handbooks of the local, state, and federal laws for the unlawful possession, use, or distribution of illicit drugs and alcohol as outlined under the “Legal Sanctions Pertaining To The Use of Alcoholic Beverages and Controlled Substances” section.
6. All students, faculty, and employees will be notified through student, faculty, and employee Handbooks of disciplinary sanction for the use of drugs, alcohol, and tobacco.
DETECTION
1. The university reserves the right to investigate employees or students where reasonable suspicion exists of drug or alcohol involvement. This includes the right to search an office, locker, any university or privately owned on-campus vehicle, or residence hall room, briefcases, book bags and handbags, and the right to require an appropriate drug test and confirmation by a retest. If a search is to be made, it must be authorized by the residence hall director, dean of a school, dean of students, vice president, or president of the university. The entire process of drug investigation will be treated with highest confidentiality.
2. If unlawful possession of controlled substances or drug paraphernalia is discovered, the university will confiscate the item(s), investigate the circumstances, and institute disciplinary actions. All confiscated contraband will be given to the appropriate authority or destroyed.
3. Initial identification of a problem may be made by a supervisor, faculty member, colleague, concerned other, or self-referral.

CONFIDENTIALITY
1. All substance abuse investigation and drug testing information is confidential and should be treated as such by anyone authorized for access to such records.
2. All records and information of personnel actions taken on employees under investigation or discipline with respect to drugs, shall be maintained by the director of Human Resources in a secure locked file. Only authorized individuals who have a “need-to-know” shall have access to them. Any compilation of statistical reports will be handled in an anonymous manner.

ASSESSMENT
1. Any assessment of substance abuse will be performed by a qualified professional and/or qualified assessment facility.
2. If there is a reasonable suspicion of substance abuse a three to seven-day suspension may be mandated until assessment is completed.

INTERVENTION
1. If substance abuse is determined to be experimental, the individual may be disciplined or required to participate in an appropriate educational program specified by assessment personnel.
2. The individual must present satisfactory evidence of compliance with the specified educational program.
3. If an individual does not comply with a specified educational program, she/he may be subject to discipline.

TREATMENT
1. If an individual is assessed to have a chemical dependency, she/he may be required to enroll in either an outpatient or inpatient treatment program as a condition of further employment or enrollment.
2. University employees may contact Human Resources for assistance regarding procedures to follow to utilize the university's group health insurance plan, and/or disability as well as a list of external agencies and individuals that offer counseling and referral services.
3. The individual must furnish evidence of compliance with the formulated plan of treatment.
4. If there is noncompliance with the formulated plan of treatment, the individual may be subject to discipline.

RELAPSE MONITORING
1. Monitoring will be required for precaution against relapse for all students, faculty, or employees who have been found to have an alcohol or a chemical dependency.
2. A recovery contract will be formulated for each student in the Office of Student Life; a recovery contract will be formulated for university employees in the Human Resources department or other appropriate university entity.

DISCIPLINE
The unlawful manufacture, distribution, dispensing, possession, or use of alcohol, tobacco, or a controlled substance is grounds for a full range of disciplinary actions, up to and including dismissal from employment or school (as outlined under the policy of termination of a faculty member, the policy for termination for other employees, or student disciplinary policy). Any educational treatment alternative to discipline shall be at the sole discretion of the university.
In cases where there is a reasonable belief that a violation of law has occurred, cases may be reported to the appropriate law enforcement agency for investigation and prosecution. Should any drug conviction result from a violation, employees will notify the university of any criminal drug statute conviction for a violation occurring in the environment no later than five days after such conviction.

LEGAL SANCTIONS PERTAINING TO THE USE OF ALCOHOLIC BEVERAGES AND CONTROLLED SUBSTANCES
A description of applicable legal sanctions under local, state, or federal law for the unlawful possession or distribution of illicit drugs and alcohol is on file at the office of the Director of Human Resources or the Dean of Students. An abridged list of legal sanctions follows.
FEDERAL LAWS GOVERNING CONTROLLED SUBSTANCES
The unlawful possession, manufacture, sale, or distribution of all scheduled (illicit) drugs constitutes a felony. Examples of these drugs include narcotics, barbiturates, amphetamines, cocaine, cannabis, hallucinogens, and synthetic drugs, e.g., PCP. A first conviction for possession of a controlled substance can include up to one year imprisonment and a fine at least $1,000 but not more than $100,000, or both (21 U.S.C. 844(a)). Second and subsequent convictions can include increased imprisonment and fines.

Special sentencing provisions for possession of crack cocaine include at least five years in prison, not to exceed 20 years and fines up to $250,000, or both.

Property, including vehicles, vessels, aircraft, money, securities, or other things of value which are used in, intended for use in, or traceable to transactions that involve controlled substances in violation of federal law are subject to forfeiture to the United States (21 U.S.C. 881 853 and 881).

Persons convicted of possession or distribution of controlled substances can be barred from receiving benefits from any and all federal programs including student grants and loans, except some long-term drug treatment programs.

CALIFORNIA STATE LAWS GOVERNING ALCOHOLIC BEVERAGES
No person may sell, furnish, give, or cause to be sold, furnished, or given away, any alcoholic beverage to a person under the age of 21, and no person under the age of 21 may purchase alcoholic beverages. (California Business and Professions Code 256560).

It is unlawful for any person under the age of 21 to possess alcoholic beverages on any street or highway or in any place open to public view. (California Business and Professions Code 25662).

It is a misdemeanor to sell, furnish, or give away an alcoholic beverage to any person under the age of 21 (California Business and Professions Code 25658) or to any one obviously intoxicated (California Business Professions Code 25602). It is unlawful for any person to drink while driving or to have an open container of an alcoholic beverage in a moving vehicle. With a blood alcohol level of .08 % or higher, a driver is presumed under the influence of alcohol. Between .05 % and .08 % a person may be found guilty of driving under the influence. (Vehicle Code 23153). Every person who is found in any public place under the influence of intoxicating liquor, any drug, controlled substance, or any combination of any of the above and is in such a condition that he/ she is unable to exercise care for his/her own safety or the safety of others is guilty of a misdemeanor (Penal Code 647(f)).

The Drug-Free Workplace Act of 1988 requires that university employees directly engaged in the performance of work on a federal contract or grant shall abide by this policy as a condition of employment and shall notify the principal investigator and/or the chair of the sponsoring department or unit within five days if they are convicted of any criminal drug statute violation occurring in the workplace or while on university business. In turn, the principal investigator or chair shall notify the appropriate Office of Research Contracts and Grants officer. That officer is then obligated to notify the federal contracting or granting agency within ten days of receiving notice of such conviction and to take appropriate corrective action or require the employee to participate satisfactorily in an approved drug abuse assistance rehabilitation program.

EDUCATION CONCERNING HEALTH RISKS OF ALCOHOL AND DRUGS & EFFECTS TO OTHERS
The use of illegal drugs, marijuana, tobacco and abuse of alcohol may have serious health consequences, including damage to the heart, lungs, and other organs. Alcohol accidents are the number one cause of death for persons aged 15-24. The most significant health risk, beside death, is addiction. Chemical dependency is, if not treated, fatal.

ALCOHOL
Even low doses of alcohol significantly impair the judgment and coordination needed to drive. Small amounts also lower inhibitions. Moderate to high doses cause marked impairment in higher mental functions, memory, and ability to learn and recall information. High doses cause respiratory depression and death. Long-term consumption, particularly when combined with poor nutrition, can lead to dependence and permanent damage to vital organs such as the brain and liver. If combined with other depressants (that affect the central nervous system) low doses of alcohol will produce adverse effects. Mothers who drink alcohol during pregnancy may cause fetal alcohol syndrome in their infants. These infants will suffer irreversible physical abnormalities and mental retardation.

TOBACCO/NICOTINE
Immediate effects include relaxation and increased confidence and metabolism. However, smokers are more likely to develop heart disease. Thirty percent of cancer deaths are linked to smoking. Chronic obstructive lung diseases, such as emphysema and chronic bronchitis, are 10 times more likely to occur among smokers than nonsmokers. Smoking during pregnancy also poses risks such as spontaneous abortion, premature birth, and low birth weight. Fetal and infant deaths are more likely to occur when the pregnant woman is a smoker. Tobacco/nicotine is both psychologically and physically addictive.
CANNABIS—MARIJUANA, THC, HASHISH, HASHISH OIL

Physical effects of cannabis include increased heart rate, bloodshot eyes, dry mouth and throat, and increased appetite. Use of cannabis may impair or reduce tasks requiring concentration and coordination. Motivation and cognition may be altered making the acquisition of new information difficult. Marijuana, hashish, THC, etc., also produce paranoia and psychosis. Long-term use may result in lung damage, reduced sperm count and mobility, and disruptive ovulation cycles. Cannabis may also be psychologically addictive.

ECSTASY

The drug’s make up is similar to a combination of both amphetamines and hallucinogens. Effects of the drug include increased heart rate, body temperature, and blood pressure. It can cause side effects of teeth grinding, nausea, anxiety, loss of appetite, paranoia, sweating, trouble sleeping, and kidney failure. A brain hemorrhage can occur after a single dose of the drug.

COCAINE/CRACK

Cocaine stimulates the central nervous system. Immediate effects include dilated pupils, increased pulse rate, elevated blood pressure, insomnia, appetite loss, tactile hallucinations, paranoia, and seizures. The use of cocaine may cause cardiac arrest or respiratory failure and result in death.

STIMULANTS—AMPHETAMINES, CRANK, ICE, METHAMPHETAMINE

Stimulants cause increased heart and respiratory rates, elevated blood pressure, dilated pupils, and decreased appetite. Users may experience sweating, headaches, blurred vision, dizziness, sleeplessness, and anxiety. Extremely high doses may cause rapid or irregular heartbeat, tremors, loss of coordination, and physical collapse. An amphetamine injection creates a sudden increase in blood pressure that can result in stroke, high fever, or heart failure. Additionally, users may experience restlessness, anxiety, and moodiness. Large amounts over a long period may cause amphetamine psychosis, including hallucinations, delusions, paranoia, and physical and psychological dependence.

HALLUCINOGENS—PCP, LSD

Phencyclidine (PCP) interrupts the functions of the neocortex, which drives the individual to self-inflicted wounds. Users may experience a sense of distance and estrangement, loss of muscular coordination, and speech impairment. Large doses result in convulsions, heart and lung failure, and coma. Lysergic acid (LSD), mescaline, and psilocybin cause hallucinations. Physical effects may include dilated pupils, elevated body temperature, increased heart rate and blood pressure, loss of appetite, sleeplessness, tremors, and psychological reactions. Users may experience panic, confusion, suspicion, anxiety, and loss of control. Flashbacks may occur even after use has ceased. Use of hallucinogens may cause psychological dependence.

ANABOLIC STEROIDS

Steroid users subject themselves to more than 70 side effects, ranging from acne to liver abnormalities to psychological reactions. The liver and cardiovascular and reproductive systems are most seriously affected. In males, use may cause withered testicles, sterility, and impotence. In females, masculine traits may develop along with breast reduction and sterility. Psychological effects in both sexes include aggressive behavior known as “roid rage” and depression. While some side effects appear quickly, others such as heart disease and strokes may not show up for years.

NOTIFICATION OF ALCOHOL/DRUG VIOLATIONS TO PARENTS

Pursuant to recent changes in the Family Educational Right to Privacy Act (FERPA), which allow for notification of alcohol/drug violations to parents/guardians of their son/daughters illegal usage, under the age of 21, La Sierra University reserves the right to notify parents. The university further reserves the right to notify parents on a first offense of a serious nature, which results in a medical emergency, legal action, or supplying alcohol to other individuals under the age of 21, or supplying any controlled substance to any individual.
In accord with an action taken by the president’s committee (December 6, 1990), the university mandates the following:

1. A program of education that reaches every student, faculty, and staff member which includes, but is not limited to, the means of transmission of the virus, high risk behaviors associated with transmission, best ways of preventing transmission of the virus, sites for and meaning of HIV testing, and compassionate concern for those in any stage of HIV infection. Such education shall be in accord with the latest information provided by the Centers for Disease Control, United States Public Health Service.

2. Specific education regarding HIV infection, transmission, and related emotional concerns for residence hall and health service staff to enable these staff members to counsel adequately students regarding HIV infection.

3. The establishment of an AIDS Committee to monitor compliance with this policy and to review and update the policy as necessary. Members of this Committee shall include, but not be limited to, a representative of the following groups: attorney, physician, university administrator, university health service, and counseling service.

4. No exclusion of a student or an employee with HIV infection for reason of that infection. University students who have HIV infection, whether they are symptomatic or not, will be allowed regular class attendance in an unrestricted manner as long as they are physically and mentally able to attend classes. Students with HIV infection will not be restricted in access to any student facilities, such as swimming pool, gymnasium, showers, or food service areas. Residence halls will respect student choices of roommates but are open to students with HIV infection.

5. Clinicians in the health service and counseling centers will make provision for medical, psychological, and support services to promote the physical and mental health of individuals with HIV infection. Special precautions will be taken for immuno-compromised individuals during epidemics of other infectious diseases. Such individuals may be excused from any requirement for immunization by live vaccine virus.

6. Referral to testing site or availability on campus of HIV testing. Such testing shall not be mandatory, and results are confidential. Only individuals with a need to know, [the individual’s private physician or clinicians in the health service] are privy to this information. Such information may not be released to faculty, administrators, or parents without the expressed written consent of the infected individual. Pre- and post-test counseling will be available if testing is done at any site on campus.

7. Universal precautions in the handling of potentially infected body fluids (blood, semen, or vaginal fluids) will be developed in accordance with accepted medical procedures. Surfaces contaminated by such body fluids will be cleaned and disinfected with commercial disinfectant solutions or household bleach (1:100 fresh solution). The Health Service will follow accepted medical guidelines for use and disposal of needles and other sharps. No lancets or other blood-letting devices will be reused or shared.

8. No discrimination against employment of an HIV individual. AIDS has been determined by the Supreme Court, State of California, 1987, as a handicapping condition, and, as such, employment discrimination against an employee with AIDS is unlawful. Educational employees shall not be terminated, suspended (with or without pay), transferred, forced to take involuntary medical leave, be reassigned to another position, or subjected to any other adverse employment action solely because they have tested positive for HIV or have been diagnosed as symptomatic infection (AIDS). As long as the employee is able to carry out his/her duties, he/ she must be allowed to do so. Employment of an HIV infected employee shall continue until it is deemed by the employee’s physician that continued employment is no longer possible. Employees with a confirmed diagnosis of HIV/AIDS that is made known by the employee to university administrators shall be treated like any other employee with a chronic illness and shall be eligible for the same health benefits available to all employees.

9. Any student or employee who believes that he or she has not been treated in the manner set forth in this policy may request the assistance of the AIDS Committee (established under Point #3). The AIDS Committee may make recommendations to the Vice President for Student Life in the case of a student, or the dean of a school in the case of a faculty employee, or the Vice President for Financial Administration in the case of a non-faculty employee regarding resolution of the concerns expressed. Civil and criminal sanctions can be levied against anyone who discloses the identity of a person tested for HIV/AIDS and/or the results of that test without the consent of the subjected [California Health Safety Code Part I of Division 1, Section 199.42]. La Sierra University will adhere to state and federal laws which apply who knowingly and/or intentionally infect another individual with the HIV virus.
HOUSING

Due to the circumstances surrounding COVID-19 please use the following link regarding the most current residential life housing updates: lasierra.edu/residential-life/covid-19-housing-updates

Institutional and national research suggests that students who live on campus are significantly more inclined to remain in college, graduate in 4 years and achieve higher GPAs in comparison to students who live off-campus. Residential living provides supports, community, and preventative care for our students. La Sierra University provides residential living for all students enrolled with the university. Meal plans are included in student’s room and board tuition fees. The Residential Life Guide outlines specific policies and regulations for students living in or visiting campus residence halls. Copies of the guide may be found online at the La Sierra University Residential life website lasierra.edu/residential-life. Students are expected to comply with the terms of the Residential Life Guide, Student Handbook, Residential License Agreement and all other printed or announced policies.

OFF-CAMPUS HOUSING PETITION

Unmarried students under the age of 21 are required to live on campus unless they live with their parents or other approved host. During the first quarter of residence at the university, international students may petition to live with an American born family. “Family” is defined as husband and wife, married at least one year, with or without children. Students may petition to live off-campus under the following circumstances:

- You live with your parents/legal guardian
- Living with a blood relative (Aunt, Uncle, Grandparent) who is at least 25 years of age
- Living with approved host (faculty/staff)
- Financial hardship
- Married and/or have a dependent child
- Medical condition that cannot be accommodated on campus
- Will be 21 within the first 5 weeks of Fall Quarter
- You have completed 190 units
- Not on probationary or citizenship status
- Students enrolled in less than 8 units may live off campus.

Requests to live off-campus for the above stated reasons and other extraordinary circumstances will be considered as exceptions to the policy. Exceptions do not constitute the establishment of a new policy. Each petition is considered in its own merits with the welfare of the student in mind. This means that a student may petition to live off-campus for a reason that meets the general criteria for off-campus housing, but extenuating information or circumstances may lead the committee to conclude that the situation would not be in the best interest of the student to live off campus. In these cases, the petition would be denied.

Students have the opportunity to apply for off-campus housing once a year between the months of July and September with the deadline being the final day of fall Quarter registration. For Winter and Spring Quarter, students may submit a petition until the final day of registration for those quarters. The required documentation can be found at mycampus.lasierra.edu

Falsification of petition or verification letter and/or change of residence could result in immediate suspension from school and revocation of off-campus housing privileges. For further information, contact the Department of Residential Life at (951) 785-2017.

GUEST AND VISITOR POLICY

La Sierra University is committed to creating a safe environment for all members of the campus community. The university welcomes the participation of community guests at most events and facilities on the campus. This policy governs the behavior of guests and the responsibility of campus hosts.

GENERAL GUESTS AND VISITORS

All students are responsible for the behaviors of their guests and the behaviors and activities which occur within any space which is assigned to them by the university (including, but not limited to, on-campus residence halls, apartments, guest rooms, or studios/practice rooms within academic buildings, gymnasium, fitness center, lawns). All visitors are expected to abide by the same rules and regulations as the faculty, staff and students of the university. As a host, the student will be held personally responsible for any violation of university policy committed by their guest(s), regardless of whether the guests are appropriately registered. Any guest in violation of university policy, will be asked to leave university property immediately and disciplinary procedures will be filed against the student. Loitering is not permitted. Groups are asked to contact the Office of Student Life (951) 785-2100 24 hours in advance of their arrival to secure permission to be on campus.

RESIDENCE HALL GUESTS AND VISITORS

The residence hall policies and procedures related to guests and visitors exist to allow residents to have guests in a manner that does not infringe upon the comfort or rights of other residents and maintains an appropriate level of safety and security in the building. Residence halls are gender exclusive. Overnight same-gender guests are permitted in student rooms. Guests of the opposite sex are not permitted in the residence hall living areas but are welcome to visit in the lobbies until closing time.

Regardless of the length of stay, the guest is expected to abide by all university and Residence Life policies, procedures, regulations, and standards. The host is responsible for the actions of his/her guests at all times. Any guest who violates any departmental or university policy while in student housing or other areas is subject to State of California penalties and will be asked to leave the residence hall.
All overnight guests must be registered at the front desk and approved by all roommates. This registration must take place prior to their stay by the student inviting the guest. An overnight guest may not stay over for more than three (3) nights or two (2) days a quarter after which they will be charged $20.00 per night. Students who are not residents but who continually stay overnight in the hall will be subject to charges as a regular resident. An UNAUTHORIZED GUEST and the resident will be charged a fine of $50.00 for every night the guest is unauthorized or not registered properly. There may be certain times of the year, such as the beginning of the fall quarter, quarter breaks and exam periods, when the guest and/or visitation policy may be restricted or modified. Residential Life Staff reserve the right to override permission for an overnight guest and deny that individual the privilege of spending the night in a resident’s room.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)
The La Sierra University Student Records Policy was developed in accordance with the Family Education Rights and Privacy Act (FERPA), commonly referred to as the Buckley Amendment. This law was enacted to protect the privacy of students and to provide for the right to inspect and review educational records. Except as noted in the University Bulletin, no student information will be given without the consent of the student. Any questions concerning this amendment may be directed to the Office of Student Life. Further information about the Family Educational Rights and Privacy Act of 1974, subsequent amendments, and HEW guidelines are available in the Office of Student Life and the offices of each college/school dean.
La Sierra University complies strictly with all provisions of the Family Educational Rights and Privacy Act (FERPA), a federal statute passed into law in 1974 that provides the basis for dealing with student information at post-secondary educational institutions. FERPA regulations ensure a minimum standard for the access to, the use of, and the release of information from education records. All students have:

A. The right to inspect and review their education records within a reasonable time frame. Students should submit to the registrar, dean, head of academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The university official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the university official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

B. The right to request the amendment of their education records that the student believes are inaccurate or misleading. Students may ask the university to amend a record they believe is inaccurate or misleading. They should write the university official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the university decides not to amend the record as requested by the student, the university will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

C. The right to consent to disclosures of personally identifiable information contained in their education records, except to the extent that university policy authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the university in a managerial, supervisory, academic, research, or support staff position (including law enforcement personnel and health staff); a person or company with whom the university has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

D. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the university to comply with the requirements of FERPA. Complaints can be directed to:

Family Policy Compliance Office, U.S. Department of Education
400 Maryland Avenue, SW. Washington, D.C. 20202 – 4605.

E. The right to withhold the release of directory information. Directory information may be released by the university to third parties as it sees fit without authorization. Directory Information shall include information in an educational record which would not generally be considered harmful or an invasion of privacy if released, including but not limited to:

- Student Name
- Local Address and Phone Number
- Permanent Address and Phone Number
- E-mail Address
- Date and Place of Birth
- Degrees and Awards Received and Dates
- Dates of Attendance (Current or Past)
- Full or Part-time Enrollment Status
- Participation in Officially Recognized Activities
- Weight/Height of Members of Athletic Teams
- Most Recently Attended Educational Institution
- Major Field of Study

Students have the right to have the above directory information withheld completely. This means the university will not release any information from the education record, including the items listed above, without prior written consent from the student. If a student withholds directory Information, his or her name will not appear in the student directory or SALSU Perspectives unless they authorize the Perspectives staff to do so. To request directory Information be withheld, the student must complete a form at the Registrar’s Office. The form remains in effect through the end of the academic year and must be resubmitted annually.

**NON-DISCRIMINATION**

La Sierra University is committed to equal education and employment opportunities for men and women of all races and does not discriminate on the basis of disability, sex, race, color, or national origin in its educational and admissions policies, financial affairs, employment programs, student life and services, or any university-administered programs.

To this end, the university is in compliance with Titles VI and VII of the Civil Rights Act of 1964 as amended, and substantial compliance with Title IX of the Education Amendments of 1972 (45 CFR 86 et seq.) and Sections 503 and 504 of the Rehabilitation Act of 1973. The university also complies with the Age Discrimination in Employment Act of 1967 and Section 402 of the Vietnam Era Veterans Adjustment Act of 1974 and does not discriminate against any employee or applicant for employment on the basis of age or because they are disabled veterans or veterans of the Vietnam era. In addition, the university administers student programs without discrimination on the basis of age, except in those programs where age is a bona fide academic qualification for admission in accordance with the provisions of the Age Discrimination Act of 1975. The university reserves constitutional and statutory rights as a religious institution and employer to give preference to Seventh-Day Adventists in admissions and employment, including but not limited to 42 USC 2000e-1, 2000e-2, 6-15 of Federal Executive order 11246; 41 CFR 60-1.5(5); 34 CFR 86.21, 86.31, 86.40, and 86.57(b); California Education Code section 66271; California Government Code sections 12926(c); and Title 2, Section 7286.5(a) (5) and title 22 Section 98222 of the California Administrative Code. Furthermore, the university believes that California Equity in Higher Education Act and Title IX regulations are subject to constitutional guarantees against unreasonable entanglement with or infringements on religious teachings and expects students and employees to uphold biblical principles of morality and deportment as interpreted by the Seventh-Day Adventist Church. The university claims exemptions from the provisions of Title IX set forth in CFR Sections 86.21, 86.31, 86.40, and 86.57(b) and California Education Code section 66270 insofar as they conflict with Church teachings and practices of morality, department and appearance. The complete statement regarding the university’s policy and program of nondiscrimination and program of affirmative action is available at the offices of the president, the provost, Human Resources, and Student Life.

**AFFIRMATIVE ACTION**

La Sierra University affirms that Christian principles are not compatible with the various forms of discrimination which have encrusted and divided modern societies. The university affirms all that persons are of equal worth in the sight of God and should be respected accordingly. Moreover, the university recognizes that this nation was founded upon the ideal of equal opportunity for each individual to realize his or her fullest potential. Therefore the university is committed to teaching and practicing equality.

The university reserves the right to disagree with specific remedies and regulations that may be proposed to eradicate discrimination. Although the university is not legally required to have a written policy of affirmative action, it has established this policy as a guide to its employees, supporters, and students, to assist in promoting opportunity throughout the university. The university endeavors to maintain a balance between affirmatively seeking to assist those in a disadvantaged class and providing equal opportunity for all individuals, whether or not they are in such a class. In an atmosphere of cooperation and understanding among all concerned, the university is committed to going beyond the requirements of legislation, litigation, and social pressure. The complete statement regarding the university’s policy and program of nondiscrimination and program of affirmative action is available at the offices of the President, the Provost, Human Resources, and Student Life.
